29 section 147b, and an amount not to exceed \$30,000,000.00 from the

1 educator fellowship public provider fund created in section 27d. In  
2 addition, all available federal funds are only appropriated as  
3 allocated in this article for the fiscal ~~years~~**year** ending  
4 ~~September 30, 2024 and~~ September 30, 2025.

5 (2) The appropriations under this section are allocated as  
6 provided in this article. Money appropriated under this section  
7 from the general fund must be expended to fund the purposes of this  
8 article before the expenditure of money appropriated under this  
9 section from the state school aid fund.

10 (3) Any general fund allocations under this article that are  
11 not expended by the end of the fiscal year are transferred to the  
12 school aid stabilization fund created under section 11a.

13 Sec. 31aa. (1) From the state school aid fund money  
14 appropriated in section 11, there is allocated \$25,000,000.00 for  
15 2024-2025, and from the general fund money appropriated in section  
16 11, there is allocated ~~\$1,500,000.00~~**\$303,000,000.00** for 2024-2025  
17 only, to provide payments to districts, intermediate districts,  
18 nonpublic schools, and the Michigan Schools for the Deaf and Blind  
19 that opt in and agree to receive funding under this section, for  
20 activities to improve student mental health and improve student  
21 safety. The allowable expenditures of funds under this section are  
22 as follows:

23 (a) Hiring or contracting for support staff for student mental  
24 health needs, including, but not limited to, school psychologists,  
25 social workers, counselors, and school nurses.

26 (b) Purchasing and implementing mental health screening tools.

27 (c) Purchasing a statewide, integrated technology platform,  
28 such as bhworks, that streamlines behavioral health documentation  
29 and care coordination.

1 (d) Providing school-based mental health personnel access to  
2 consultation with behavioral health clinicians to respond to  
3 complex student mental health needs.

4 (e) Purchasing and implementing an online behavioral health  
5 tool moderated and led by licensed behavioral health professionals.

6 (f) Hiring or contracting a behavioral health coordinator.

7 (g) Evidence-based trainings to support mental health.

8 (h) Costs associated with collaboration between school  
9 employees, families, and community partners to address the  
10 academic, behavioral, and social needs of all students through  
11 collaborative partnerships, resource coordination, data collection,  
12 and data sharing.

13 (i) Costs associated with conducting a systematic school  
14 mental health needs assessment and resource mapping that identifies  
15 programmatic and systemic needs and helps staff determine  
16 priorities and create action plans.

17 (j) Coordination with local law enforcement.

18 (k) Training for school staff on threat assessment.

19 (l) Training for school staff and students on threat response.

20 (m) Training for school staff on crisis communication.

21 (n) Safety infrastructure, including, but not limited to,  
22 cameras, door blocks, hardened vestibules, window screening, and  
23 technology necessary to operate buzzer systems. This may also  
24 include firearm detection software that integrates to existing  
25 security cameras to detect and alert school personnel and first  
26 responders to visible firearms on school property.

27 (o) Age-appropriate training for students and families on  
28 responsible firearm ownership, including safe handling and safe  
29 storage of firearms.

1 (p) School resource officers.

2 (q) Student Safety Management System, the information  
3 technology platform and related services to improve student safety  
4 by mitigating cyberbullying, school violence, human trafficking,  
5 and self-harm that supports students from grades K to 12.

6 (r) A secure platform, administered by the department of state  
7 police, for school officials, emergency responders, and emergency  
8 management coordinators to house all school safety-related items,  
9 including, but not limited to, EOP templates, EOP guidance,  
10 reference documents, and security assessments. The platform should  
11 use existing password-protected access control methods schools  
12 currently utilize and, to the extent possible, be capable of  
13 integrating with existing platforms or technologies used by  
14 districts for school safety. Through permissions-based access  
15 control, the platform should be able to relay information clearly  
16 and in real time to each person or entity necessary to provide a  
17 unified response to a safety incident, or to take appropriate  
18 action in response to an anticipated disruption to the normal  
19 functions of the surrounding community.

20 (s) Emergency infrastructure needs to respond to an immediate  
21 threat to the health or safety of students and staff in the  
22 district, intermediate district, nonpublic school, or the Michigan  
23 Schools for the Deaf and Blind. A district, intermediate district,  
24 nonpublic school, or the Michigan Schools for the Deaf and Blind  
25 shall not expend funds for this purpose without first obtaining  
26 approval from the department. In making a determination of  
27 approval, the department shall, at a minimum, assess whether the  
28 district, intermediate district, nonpublic school, or the Michigan  
29 Schools for the Deaf and Blind is responding to an immediate threat

1 to the health or safety of students and staff, and whether the  
 2 district, intermediate district, nonpublic school, or the Michigan  
 3 Schools for the Deaf and Blind has other sources of funding that  
 4 should be utilized first.

5 (t) A contract with a vendor for a comprehensive safety and  
 6 security assessment or a comprehensive safety and security event  
 7 assessment in schools operated by the district, intermediate  
 8 district, nonpublic school, or the Michigan Schools for the Deaf  
 9 and Blind.

10 (u) An emergency response system.

11 **(v) Any other mental health service or product necessary to**  
 12 **improve or maintain the mental health of students and staff.**

13 **(w) Any other school safety service or product necessary to**  
 14 **improve or maintain security in buildings.**

15 (2) By not later than December 31 of each fiscal year, from  
 16 the state school aid fund money **or general fund money, or both,**  
 17 allocated in subsection (1), the department shall make payments to  
 18 districts, intermediate districts, and the Michigan Schools for the  
 19 Deaf and Blind that opt in and agree to receive funding in an equal  
 20 amount per pupil based on the total number of pupils in membership  
 21 in each district, intermediate district, and the Michigan Schools  
 22 for the Deaf and Blind that opts in and agrees to receive funding.  
 23 By December 31 of each fiscal year, from the general fund money  
 24 allocated in subsection (1), **but not exceeding \$18,000,000.00 of**  
 25 **the general fund money,** the department shall make payments to  
 26 nonpublic schools that opt in and agree to receive funding in an  
 27 equal amount per pupil based on the total number of pupils in  
 28 membership in each nonpublic school that opts in and agrees to  
 29 receive funding, using pupil counts determined by the department.

1 The department shall ensure that the amount per pupil paid to  
2 nonpublic schools does not exceed the amount per pupil paid to  
3 districts and intermediate districts. Districts, intermediate  
4 districts, the Michigan Schools for the Deaf and Blind, and  
5 nonpublic schools may opt in and agree to receive funding in a form  
6 and manner determined by the department.

7 (3) Recipients of funding under this section must provide a  
8 final expense report to the department by June 1 of each fiscal  
9 year. If the department determines that the eligible recipient has  
10 misused the funds allocated under this section, the eligible  
11 recipient shall reimburse the department for the amount of state  
12 funding misused.

13 (4) Districts receiving funds under this section must  
14 coordinate with intermediate school districts to avoid duplication  
15 of services and to streamline delivery of services to students.

16 (5) Notwithstanding section 17b, the department shall make  
17 payments under this section on a schedule determined by the  
18 department.

19 (6) As provided under section 18a, recipients may expend funds  
20 under this section until the end of the fiscal year immediately  
21 following the fiscal year in which the funds are received.

22 Enacting section 1. In accordance with section 30 of article  
23 IX of the state constitution of 1963, total state spending on  
24 school aid under article I of the state school aid act of 1979,  
25 1979 PA 94, MCL 388.1601 to 388.1772, as amended by 2024 PA 120 and  
26 this amendatory act, from state sources for fiscal year 2024-2025  
27 is estimated at \$18,672,981,900.00 and state appropriations for  
28 school aid to be paid to local units of government for fiscal year  
29 2024-2025 are estimated at \$17,213,443,900.00.

1           Enacting section 2. This amendatory act takes effect October  
2 1, 2024.
