Rep. Joseph Aragona, from the 60th District, offered the following invocation:

“Dear Lord,
We know You are a perfect God, and we know we are fallible people. We know we deserve Your justice. However, the book of Ephesians says that ‘God, Who is rich in mercy, out of the great love with which He loved us, even when we were dead through our trespasses, made us alive together with Christ. By grace you have been saved.’
Lord we thank You for mercy.
God You have called us here to this chamber as a decision making body. We see that the book of James states ‘If any of you lacks wisdom, you should ask God, Who gives generously to all without finding fault, and it will be given to you.’
Lord we ask for wisdom.
Lord as leaders of the state of Michigan we ask for Your guidance. The Book of Micah states ‘And what does the Lord require of you? But to act justly, Love Mercy, and walk humbly with your God.’
We ask that You help us live that out today.
In Your most holy name we pray,
Amen.”

The Speaker called the Speaker Pro Tempore to the Chair.

Rep. Aiyash moved that Reps. Bruck, Hill and Neeley be excused from today’s session.

Reps. Witwer, Arbit, Bezotte, Brabec, Breen, Glanville, Haadsma, Liberati, Morse, Rheingans, Rogers, Snyder, Wilson and Young offered the following resolution:

House Resolution No. 92.

A resolution to declare May 2023 as Drug Court Awareness Month in the state of Michigan.

Whereas, Treatment courts are the cornerstone of justice reform sweeping the nation and are now recognized as the most successful justice system intervention in our nation’s history; and

Whereas, Nearly 4,000 treatment courts nationwide, including Michigan’s 208 treatment courts, have restored the lives and families of more than 1.5 million individuals; and

Whereas, Outcomes have shown significant improvements to substance use disorder treatment, substantially reduced addiction and related crime, and do so at less expense than any other criminal justice strategy with a savings of an average of \$6,000 for every individual they serve]; and

Whereas, Treatment courts improve education, employment, housing, and financial stability, promote family reunification, reduce foster care placements, increase the rate of addicted mothers delivering babies who are fully drug-free, and demonstrate that when one person rises out of substance use and crime, all rise; and

Whereas, Treatment courts facilitate community-wide partnerships, bringing together judges, prosecutors, defense attorneys, substance abuse treatment and rehabilitation professionals, law enforcement and community supervision personnel, researchers and educators, national and community leaders, and others dedicated to drug courts and similar types of treatment programs are healing families and communities across the country; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2023 as Drug Court Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

Reps. Mueller, Bezotte, Brabec, Breen, Glanville, Haadsma, Liberati, Morse, Rheingans, Rogers, Schuette, Snyder and Wilson offered the following resolution:

House Resolution No. 93.

A resolution to declare May 2023 as Cystic Fibrosis Awareness Month in the state of Michigan.

Whereas, Cystic fibrosis (CF) is a genetic disease affecting approximately 40,000 children and adults in the United States; and

Whereas, A defective gene causes the body to produce an abnormally thick, sticky mucus that clogs the lungs. These secretions produce life-threatening lung infections and obstruct the pancreas, preventing digestive enzymes from reaching the intestines to help break down and absorb food; and

Whereas, More than 10 million Americans are symptomless carriers of the defective cystic fibrosis gene. The disease occurs in approximately one out of every 3,500 live births in the United States; and

Whereas, There are close to 1,200 children living in Michigan with the disease. The median age of survival for a person with cystic fibrosis is 56 years; and

Whereas, Infant blood screening to detect genetic defects is the most reliable and least costly method to identify persons likely to have CF. Early diagnosis of cystic fibrosis permits early treatment and enhances quality of life and longevity. The treatment of CF depends on the stage of the disease and the organs involved. A critical component of treating patients with cystic fibrosis includes access to innovative treatments, which can play a critical role in the lives of patients; and

Whereas, Michigan based non-profit advocacy groups such as the Rock CF Foundation, The Bonnell Foundation: Living with cystic fibrosis and Hunt for a Cure raise awareness and funds to assist the CF Community. The CF Foundations local chapter continues to raise much needed funds for research and medications; and

Whereas, Michigan also has eight cystic fibrosis care centers: Children's Hospital of Michigan, Wayne State University Harper University Hospital, Helen DeVos Women and Children's Center, Spectrum Health Adult Cystic Fibrosis Care Center, Michigan State University Pediatric, University of Michigan Pediatric and Adult, Hurley Children's Clinic at Mott Children's Health Center, and Western Michigan University School of Medicine Clinics. Toledo, Ohio is also home to the Toledo Children's Hospital and Northwest Ohio Cystic Fibrosis Center which serve Michigan patients as well; and

Whereas, During the month of May, cystic fibrosis chapters and volunteers will come together throughout the state of Michigan to raise awareness about the disease to achieve their mission of curing and providing support and treatment to those with cystic fibrosis; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2023 as Cystic Fibrosis Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

Rep. Aiyash moved that consideration of the resolution be postponed for the day.

The motion prevailed.

Reps. Scott, Farhat, Tyrone Carter, Wilson, Wegela, Brixie, Andrews, MacDonell, Conlin, Weiss, Koleszar, Puri, Young, Brenda Carter, Neeley, Edwards, Miller, Byrnes, Steckloff, Breen, Hope, Zorn, Hill, Grant, Hoskins, Coffia, Morgan, Paiz, Price, O'Neal, Stone, McKinney, Witwer, Hood, Rheingans, Liberati, Snyder, Mentzer, McFall, Churches, Coleman, Aiyash, Rogers, Arbit, Bezotte, Brabec, Glanville, Haadsma, Morse and Schuette offered the following resolution:

House Resolution No. 94.

A resolution to declare May 2, 2023, as Negro Leagues Baseball Day in the state of Michigan.

Whereas, Even though African-Americans were excluded from playing in the Major Leagues of their time with their white counterparts, the desire of many African-Americans to play baseball could not be repressed; and

Whereas, Major League Baseball did not fully integrate its leagues until July 1959; and

Whereas, African-Americans began organizing their own professional baseball teams in 1885; and

Whereas, The skills and abilities of Negro League players eventually made Major League Baseball realize the need to integrate the sport; and

Whereas, Seven separate baseball leagues, known collectively as the "Negro Baseball Leagues", were organized by African-Americans between 1920 and 1960; and

Whereas, The Negro Baseball Leagues included exceptionally talented players who played the game at its highest level; and

Whereas, On May 2, 1920, the Negro National League, the first successful Negro League, played its first game; and

Whereas, Andrew “Rube” Foster founded the Negro National League on February 13, 1920, at the Paseo YMCA in Kansas City, Missouri, and also managed and played for the Chicago American Giants, and was later inducted into the Baseball Hall of Fame; and

Whereas, Leroy “Satchel” Paige, who began his long career in the Negro Leagues and did not make his Major League debut until the age of 42, is considered one of the greatest pitchers the game has ever seen. During his long career, Paige thrilled millions of baseball fans with his skill and legendary showboating. His exemplary tenure began with winning his first big league victory in his first game on July 15, 1948. This momentous moment helped the Cleveland Indians on the road to winning the pennant the same year. He was later inducted into the Baseball Hall of Fame; and

Whereas, Josh Gibson, who was the greatest slugger of the Negro Leagues, tragically died months before the integration of baseball, and was later inducted into the Baseball Hall of Fame; and

Whereas, Jackie Robinson, whose career began with the Negro League Kansas City Monarchs, became the first African-American to play in the Major Leagues in April 1947, was named Major League Baseball Rookie of the Year in 1947, subsequently led the Brooklyn Dodgers to 6 National League pennants and a World Series championship, and was later inducted into the Baseball Hall of Fame; and

Whereas, Larry Doby, whose career began with the Negro League Newark Eagles, became the first African-American to play in the American League in July 1947, was an All-Star 7 times in the Major Leagues and 2-time American league home run leader, and was later inducted into the Baseball Hall of Fame; and

Whereas, John Jordan “Buck” O’Neil was a player and manager of the Negro League Kansas City Monarchs, became the first African-American coach in the Major Leagues with the Chicago Cubs in 1962, served on the Veterans Committee of the National Baseball Hall of Fame, chaired the Negro Leagues Baseball Museum Board of Directors, and worked tirelessly to promote the history of the Negro Leagues; and

Whereas, James “Cool Papa” Bell played, coached, and managed in the Negro Leagues from 1922 to 1950, discovered, trained, and assisted numerous Negro League players into the Major Leagues, and was later inducted into the Baseball Hall of Fame; and

Whereas, Ron ‘Schoolboy’ Teasley, Detroit’s own baseball legend played on the New York Cubans team after being signed and then released by the Brooklyn Dodgers. Teasley played alongside Minnie Minoso, the ‘Cuban Comet’. Minoso was on the Cubans team when they won the Negro League World Series. He later broke the color barrier on the Chicago White Sox team when he joined them in 1951 and was the first black Latino to play in the Major Leagues.

Whereas, The talents of such players as Josh Gibson, James “Cool Papa” Bell, and Oscar Charleston earned them recognition in the Baseball Hall of Fame as well as the Sporting News List of Baseball Greatest Players; and

Whereas, Auto Zone Park in Memphis, Tennessee, hosted the inaugural Civil Rights Game between the defending World Champion St. Louis Cardinals and the Cleveland Indians in commemoration of the civil rights movement, on March 31, 2007; and

Whereas, Michigan made significant contributions to the Negro Leagues. The Detroit Stars, founded in 1919 by Tenny Blount and the father of black baseball Rube Foster, was a prominent charter member of the league. All but two of the seasons they played were winning seasons. They produced numerous Hall of Fame inductees, including Turkey Stearnes and Andy “Lefty” Cooper; and

Whereas, Major League Baseball has recognized May 2nd as Negro Leagues Day throughout the whole league, to preserve the legacy of Negro League players.

Whereas, By achieving success on the baseball field, African-American baseball players helped break down color barriers and integrate African-Americans into all aspects of society in the United States: now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2, 2023, as Negro Leagues Baseball Day in the state of Michigan. We recognize the teams and players of the Negro Baseball Leagues for their achievements, dedication, sacrifices, and contributions to both baseball and our nation.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Young, Pohutsky, Meerman, Skaggs, McKinney, Neeley, O’Neal, Smit, Fink, Brenda Carter, DeSana, Phil Green, Fox, Dievendorf, Miller, Slagh, Paiz, Morgan, Hill, Coffia, Steckloff, Edwards, Hope, Hood, Price, Farhat, Scott, Haadsma, Churches, Puri, Witwer, Weiss, Koleszar, Conlin, MacDonell, Martus, Arbit, Fitzgerald, Grant, Stone, Aiyash, Whitsett, Tyrone Carter, Glanville, Rheingans, Wilson, Wegela, Tsermoglou, McFall, Brabec, Mentzer, Roth, St. Germaine, Hoskins, Bezotte, Breen, Liberati, Morse, Rogers and Snyder offered the following resolution:

House Resolution No. 95.

A resolution to declare May 2023 as Foster Care Awareness Month in the state of Michigan.

Whereas, Recognizing National Foster Care Awareness Month is an opportunity to shine a light on the challenges children in the foster care system face and encouraging the Legislature to implement policy to improve the lives of children in the foster care system; and

Whereas, It is also a time to acknowledge foster parents, family members, volunteers, mentors, policymakers, and child welfare professionals who help children and youth in foster care find permanent homes and connections. We use this time to renew our commitment to ensuring a bright future for the more than 407,000 children and youth in foster care and we celebrate those who make a meaningful difference in their lives; and

Whereas, Children in foster care who are placed with relatives, compared to children placed with nonrelatives, have more stability, including fewer changes in placements, have more positive perceptions of their placements, are more likely to be placed with their siblings, and demonstrate fewer behavioral problems; and

Whereas, An increased emphasis on prevention and reunification services is necessary to reduce the number of children that are forced to remain in the foster care system; and

Whereas, More than 23,000 youth “age out” of foster care every year without a legal permanent connection to an adult or family, according to the National Foster Youth Institute; and

Whereas, Children who age out of foster care lack the security and support of a biological or adoptive family and frequently struggle to secure affordable housing, obtain health insurance, pursue higher education, and acquire adequate employment; and

Whereas, Children entering foster care often confront the widespread misperception that children in foster care are disruptive, unruly, and dangerous, even though placement in foster care is based on the actions of a parent or guardian, not the child; and

Whereas, According to the Michigan Department of Health and Human Services, children in foster care may be at greater risk for mental health problems; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2023 as Foster Care Awareness Month in the state of Michigan. We encourage more citizens to volunteer their time to become mentors to children in foster care and we realize that the state of Michigan must do more to support these children and prepare them to live healthy and productive lives.

Reps. VanderWall, Alexander, Bezotte, Brabec, Breen, Glanville, Liberati, Rheingans, Rogers, Snyder, Wilson and Young offered the following resolution:

House Resolution No. 98.

A resolution to declare May 2023 as Motorcycle Safety Awareness Month in the state of Michigan.

Whereas, Michigan has 187,402 registered motorcycles and 536,512 individuals who have operator licenses with a motorcycle endorsement; and

Whereas, The safe operation of a motorcycle requires the use of special skills developed through a combination of training and expertise, the use of good judgment, plus a thorough knowledge of traffic laws and licensing requirements; and

Whereas, The use of proper protective riding apparel is an important part of a motorcycle operator's responsibility; and

Whereas, Motorcycle safety awareness advocacy is a cooperative effort to decrease the number of injuries and fatalities associated with motorcycling; and

Whereas, The promotion of motorcycle rider education programs available through the Michigan Department of State, including recommendations that motorcycle operators wear the proper gear, in addition to driving their vehicles defensively and cautiously, is intended to reduce the number of crashes; and

Whereas, The emergence of spring is synonymous with the return of motorcycle enthusiasts to our state's roadways. Throughout Michigan, motorcyclists have been on the cutting edge of supporting the wise and sensible use of this enjoyable mode of travel; and

Whereas, Indeed, the disproportionate number of motorcycle fatalities make it vitally important to encourage motorcyclists to understand and practice the highest degree of safety. It is also important to remind other drivers that highway safety is beneficial to all parties traveling on public roadways; and

Whereas, Motorcycle Safety Awareness Month encourages motorcycle operators to don proper protective riding attire, maintain their motorcycles using safety and maintenance checks found in the owner's manual, abide by the laws of the road, and implement operating techniques providing an additional standard of safety; and

Whereas, Car and truck drivers are informed of the fact that motorcyclists are resuming their travels on our public roadways and each is advised to be exceptionally vigilant and watchful when approaching or passing a motorcycle on the highway; now, therefore be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2023 as Motorcycle Safety Awareness Month in the state of Michigan. We encourage all of Michigan's citizens to participate in the aims and goals of this effort.
