“Almighty, eternal God and Father of us all, we can only imagine Your heavenly throne room, filled with the glorious light of Your presence, Your eyes full of deep, pure love beyond anything we have ever experienced, surrounded with the vast majesty of heaven and earth, a throne room flooded with the singing and transcendent worship of Your angelic host.

Even in the midst of running the entire universe, You invite us to come as we are; You grant us entry, You listen and answer. We are humbled and so grateful. Please help us to realize and honor You as You deserve, the King of Kings. Please help us to love sacrificially as You have. Please help us to be wise and measured in our lives so that we can feel Your pleasure and walk with You moment by moment.

Thank-You for offering us salvation forever, Purpose for today, and unique fulfillment throughout our lives. In Jesus’ holy name we pray, Amen.”

House Resolution No. 206.

Whereas, Meaningful curriculum and pedagogies provide the opportunities for students, teachers, and communities to practice the skills and dispositions required of our democracy. Students, educators, organizations, and industry rely on civic education to advance shared democratic values. Students who are informed and engaged possess greater civic agency and self-efficacy to positively impact self and others; and

Whereas, Civic education is vital to sustaining and strengthening constitutional democracy in the United States of America. The practice of democracy must be taught and learned anew by each generation; and

Whereas, Michigan serves to advance excellence in civic education professional learning, programming, and curriculum and works to advance college, career, and civic ready students; and

Whereas, Civic Learning Week seeks to unite our communities and highlight the importance of civic knowledge, skills, and dispositions that provide the foundation for an informed and engaged communities; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare March 11-15, 2024, as Civic Learning Week in the state of Michigan.

The question being on the adoption of the resolution,

Rep. Skaggs moved to substitute (H-1) the resolution as follows:

Substitute for House Resolution No. 206.

A resolution to declare March 11-15, 2024, as Civic Learning Week in the state of Michigan.

Whereas, Healthy and vibrant civic life requires informed and engaged communities; and

Whereas, Civic education is the foundation for interdisciplinary learning and societal interaction. Civic education provides the groundwork to develop skills for dialogue, understand institutions and democratic processes, collaborate, and cooperate through difference to resolve issues, honor diverse perspectives, and enhance the civic strength of our communities; and

Whereas, Meaningful curriculum and pedagogies provide the opportunities for students, teachers, and communities to practice the skills and dispositions required of our republic. Students, educators, organizations, and industry rely on civic education to advance shared democratic values. Students who are informed and engaged possess greater civic agency and self-efficacy to positively impact self and others; and

Whereas, Civic education is vital to sustaining and strengthening the United States of America, our Constitution, and republican institutions. The practice of democracy must be taught and learned anew by each generation; and

Whereas, Michigan serves to advance excellence in civic education professional learning, programming, and curriculum and works to advance college, career, and civic ready students; and

Whereas, Civic Learning Week seeks to unite our communities and highlight the importance of civic knowledge, skills, and dispositions that provide the foundation for an informed and engaged communities; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare March 11-15, 2024, as Civic Learning Week in the state of Michigan.

The motion prevailed and the substitute (H-1) was adopted, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Hope, Byrnes, Coffia, Brixie, Morgan, Haadsma, Hood, Wegela, Paiz, Steckloff, MacDonell, Wilson, Aiyash, Brabec, Breen, Glanville, Hill, Koleszar, Rheingans, Schuette, Weiss and Witwer offered the following resolution:

House Resolution No. 207.

A resolution to declare March 10-16, 2024, as Sunshine Week in the state of Michigan.

Whereas, Sunshine Week is a national initiative spearheaded by the American Society of News Editors to educate the public about the importance of open government and the dangers of excessive and unnecessary secrecy. The first nationwide Sunshine Week took place March 13-19, 2005; and

Whereas, Sunshine Week was established to spark a discussion about the importance of open government and public access to government documents and meetings. Sunshine Week was also a way to draw attention to the media's role in advocating for government transparency; and

Whereas, The American public has relied on a free press for more than two centuries to stay informed about the many activities in which our government engages. Thomas Jefferson penned in his letter to Elbridge Gerry on January 26, 1799, that "I am ... for freedom of the press, and against all violations of the Constitution to silence by force and not by reason the complaints or criticisms, just or unjust, of our citizens against the conduct of their agents." Six U.S. Supreme Court justices ruled in favor of the Freedom of the Press in *New York Times Co. v. United States*, with Justice Black concurring, "Only a free and unrestrained press can effectively expose deception in government;" and

Whereas, Without the diligent work of a free press, many Americans would not have access to accurate information that directly impacts their daily lives. Many institutions promoting a free press have been targeted by high profile and unwarranted attacks discrediting their viability through a new era of misinformation; and

Whereas, An open and accessible government is vital to establishing and maintaining the people's trust and confidence in their government and in the government's ability to effectively serve its citizens and free press is an essential part of that mission; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare March 10-16, 2024, as Sunshine Week in the state of Michigan. We recognize every citizen in our participatory democracy has an inherent right to access to government meetings and public records and is committed to openness and transparency in all aspects of its operations and seeks to set a standard in this regard.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Hill, Brixie, Brabec, Breen, Glanville, Hood, Liberati, Rheingans and Schuette offered the following resolution:

House Resolution No. 208.

A resolution to declare March 16, 2024, as St. Urho's Day in the state of Michigan.

Whereas, St. Urho's Day celebrates Finnish-American heritage and culture. It honors the legendary figure St. Urho, who according to folklore, drove grasshoppers out of Finland's vineyards to save the grape harvest; and

Whereas, The celebration of St. Urho's Day is a cherished holiday among Finnish communities, fostering unity, pride, and camaraderie; and

Whereas, This time-honored tradition provides an opportunity for Finnish-Americans and all communities to join together in celebration and cultural exchange; and

Whereas, The folklore behind St. Urho's Day highlights the critical value of growing the great diversity of food on Michigan farms; and

Whereas, Designating March 16th as St. Urho's Day acknowledges the significance of Finnish heritage and recognizes the contributions of Finnish-Americans to our nation; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare March 16, 2024, as St. Urho's Day in the state of Michigan. We encourage all residents to participate in festivities and celebrations honoring Finnish-American culture and heritage.

House Resolution No. 209.

A resolution to declare April 2024 as Fair Housing Month in the state of Michigan.

Whereas, Fair and equitable access to housing is a fundamental human right and essential for the well-being of all individuals and communities; and

Whereas, Systemic discrimination in housing on the basis of race, ethnicity, national origin, sex, gender identity, sexual orientation, disability, familial status, source of income, and criminal records in the tenant screening process perpetuates barriers to housing access, economic stability, and public safety, contributing to the cycle of poverty, homelessness, and recidivism; and

Whereas, A population of two to three million individuals in Michigan with criminal convictions highlights the urgent need to address housing barriers faced by this marginalized group and others, recognizing the importance of successful reintegration into society and reducing the risk of recidivism; and

Whereas, The principles of rehabilitation, second chances, and recognizing the potential for growth and change are foundational to creating a more just and inclusive society; and

Whereas, Collaborative efforts from housing providers, policymakers, community organizations, and support networks are crucial in implementing policies and initiatives that promote fair access to safe and affordable housing for all individuals, including those with criminal records; and

Whereas, Supportive housing programs, the adoption of "fair chance" policies, and robust reentry services are essential components in addressing housing barriers and promoting successful reintegration into society for individuals with criminal records;

Whereas, All Michiganders deserve a safe place to live, regardless of prior convictions; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare April 2024 as Fair Housing Month in the state of Michigan.

The resolution was referred to the Committee on Government Operations.

Reps. Dievendorf, Brabec, Glanville, Hood, Paiz, Rheingans, Weiss and Wilson offered the following resolution:

House Resolution No. 210.

A resolution to declare April 2024 as Second Chance Month in the state of Michigan.

Whereas, Every human being is worthy of respect and dignity; and

Whereas, Redemption and rehabilitation are core to our beliefs and commitment to one another; and

Whereas, Second chances and opportunities to rebuild one's life after an arrest or incarceration are pivotal to not only individuals, but also to strong and healthy communities in Michigan; and

Whereas, More than four million Michiganders have some type of arrest or conviction history; and

Whereas, People with conviction histories face immense barriers when returning to our communities, such as challenges to obtaining safe and stable housing, finding employment, accessing education, reuniting with family, and navigating restrictions on their mobility; and

Whereas, The barriers faced by people with conviction histories are disproportionately felt by people of color and people experiencing poverty; and

Whereas, People who are formerly incarcerated are almost ten times more likely than the general public to be unhoused; and

Whereas, Removing barriers and increasing access to stable housing and meaningful employment is linked to decreased crime and improved public safety; and

Whereas, Michigan has made great strides with historic clean slate legislation to expunge Michiganders' records, breaking down barriers to housing, employment, and other essential needs; and

Whereas, Continued efforts must be made to ensure that all Michiganders have access to second chances and opportunities to build a healthy life for our collective communities to be whole and strong; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare April 2024 as Second Chance Month in the state of Michigan. We recognize the importance of second chances and removing barriers for people with conviction histories.

The resolution was referred to the Committee on Government Operations.

Reps. Rheingans, Brabec, Breen, Glanville, Haadsma, Hill, Hood, Koleszar, Liberati, Morgan, Paiz, Weiss, Wilson and Witwer offered the following resolution:

House Resolution No. 211.

A resolution to declare April 1-7, 2024, as National Public Health Week in the state of Michigan.

Whereas, Public health promotes positive living conditions for the people and their communities; and

Whereas, Other aspects of public health are dedicated to protecting and researching the health of communities; and

Whereas, Public health plays a vital role towards equity through education, research, and action in communities, including vulnerable populations; and

Whereas, The work focuses strongly on patient care through compassion, innovation, and inclusion; and

Whereas, For hundreds of years, public health has evolved to meet the needs of communities by focusing on public health standards, research on disease prevention, violence prevention, and health equity; and

Whereas, A public health worker utilizes evidence based practices and research to best create preventative measures, prepare for, minimize, and recover from the impact of a full range of health threats; and

Whereas, From the University of Michigan, a reported 98% of public health professionals after 2020 are employed or continuing education within one year of graduation, adding to the clever work this profession accomplishes in an abundant job market; and

Whereas, The American Public Health Association, founded in 1872 to advance the work of public health professionals, honors these professionals annually; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare April 1-7, 2024, as National Public Health Week in the state of Michigan. We recognize the numerous contributions made by America's public health professionals.
