Executive Office, Lansing, January 17, 2025

Michigan House of Representatives
State Capitol Building
Lansing, MI 48909-7514

Representatives,

Today, I am vetoing **Enrolled House Bills 4191**, 4192, 4193, and 4194. Because the session at which these bills were passed has finally adjourned, my disapproval means they will not become law (1963 Const. Art. VI, sec. 33).

Together, these bills set up a program for parolees to more easily receive driver's licenses and state identification cards. These bills streamline a vitally important step for re-entry into society for those individuals recently released from prison.

I fully support the policy behind these bills. Unfortunately, many of these bills' provisions conflict with recent changes I signed into law during the last legislative session in 2023 PA 260 (amending MCL 257.307), 2023 PA 261 (amending MCL 28.291), and 2023 PA 262 (amending MCL 28.305). These laws make important clarifications to the automatic voter registration process and are scheduled to go into effect on June 30, 2025. If I sign Enrolled House Bills 4191, 4192, 4193, and 4194 at the close of this session, the conflicting provisions in those bills will override these important changes to the automatic voter registration process before they become effective due to a technical error in drafting, as they amend the same statutory sections in different ways.

For the foregoing reasons, I am vetoing these bills. Unfortunately, this action is a necessary consequence of the Legislature's failure to reconcile the text of these bills with existing law. I look forward to working with the current Legislature on passing this important criminal justice reform issue in the near future.

Respectfully,
Gretchen Whitmer
Governor

Today, I am vetoing **Enrolled House Bills** 5164 and 5165. Because the session at which these bills were passed has finally adjourned, my disapproval means they will not become law (1963 Const. Art. VI, § 33).

Together, these bills would require an employer to notify the Department of Labor and Economic Opportunity at least 30 days prior to relocating a call center, relocating a facility or operating unit compromising 30% or more of the call center's call volume, or closing a center or facility and planning to open it outside the country. The bills impose civil fines for failing to notify the Department and contain a provision to potentially claw back funds.

The Worker Adjustment and Retraining Notification (WARN) Act already requires certain employers to provide written notice at least 60 days in advance of a facility closure or mass layoff. Accordingly, these bills would likely result in the unnecessary use of the department's time and resources.

For the foregoing reasons, I am vetoing the bills. I look forward to working with the legislature to craft solutions that help jobs stay in Michigan without unnecessary redundancy in government resources.

Together, these bills seek to modify provisions regarding ballot initiative petitions, constitutional amendment petitions, and nominating petitions by allowing for statistical random sampling of certain petition signatures.

In 2022, our state was rocked by record levels of signature fraud in our petition initiative process. This type of crime impacts the very foundation of our democracy. Unfortunately, these bills fall far short of the serious need to address this fraud, to restore public trust in our nomination petition process, and to protect voters and our state constitution. Namely, these bills move Michigan in the wrong direction by authorizing sampling procedures instead of requiring exhaustive review of signatures to ensure no fraud exists.

For the foregoing reasons, I am vetoing these bills. I am proud to have signed a number of bills that strengthen our election processes, and I look forward to working with the legislature to craft bipartisan solutions for the concerning problem of fraud in our ballot signature process.

Together, these bills seek to modify provisions regarding ballot initiative petitions, constitutional amendment petitions, and nominating petitions by allowing for statistical random sampling of certain petition signatures.

In 2022, our state was rocked by record levels of signature fraud in our petition initiative process. This type of crime impacts the very foundation of our democracy. Unfortunately, these bills fall far short of the serious need to address this fraud, to restore public trust in our nomination petition process, and to protect voters and our state constitution. Namely, these bills move Michigan in the wrong direction by authorizing sampling procedures instead of requiring exhaustive review of signatures to ensure no fraud exists.

For the foregoing reasons, I am vetoing these bills. I am proud to have signed a number of bills that strengthen our election processes, and I look forward to working with the legislature to craft bipartisan solutions for the concerning problem of fraud in our ballot signature process.

Respectfully,
Gretchen Whitmer
Governor

Representatives,

Today, I am vetoing **Enrolled House Bills** 5571, 5572, 5573, **5575**, and 5576. Because the session at which these bills were passed has finally adjourned, my disapproval means they will not become law (1963 Const. Art. VI, § 33).

Together, these bills seek to modify provisions regarding ballot initiative petitions, constitutional amendment petitions, and nominating petitions by allowing for statistical random sampling of certain petition signatures.

Representatives,

Today, I am vetoing **Enrolled House Bill 5827**. Because the session at which this bill was passed has finally adjourned, my disapproval means it will not become law (1963 Const. Art. VI, sec 33).

This bill amends the Michigan Employment Security Act, MCL 421.27, as amended by 2020 PA 258, to increase the maximum number of weeks, from 20 to 26, an individual could qualify for unemployment benefits per benefit year for each eligible individual filing an initial claim on or after January 15, 2025. It also modifies the basis for computation of the weekly wage.

I support changes to the way our unemployment benefits are calculated. However, during this same session, I signed Enrolled Senate Bill 40 (2024 PA 173) into law. Enrolled Senate Bill 40 amended the same section of the Michigan Employment Security Act and similarly increased the maximum number of qualifying weeks from 20 to 26. It also contained an initial increase, as well as a formula for future increases, in the maximum weekly benefit rate for individuals and the unemployment benefit rate for each dependent. Because Enrolled House Bill 5827 was presented to me after Enrolled Senate Bill 40 was signed into law, signing this bill would override the changes already made to the Michigan Employment Security Act by Senate Bill 40, including the weekly increase in benefits.

Had Enrolled House Bill 5827 been presented to me at the same time as Enrolled Senate Bill 40, the two could have been reconciled. Unfortunately, that didn't happen. For the foregoing reasons, I am vetoing this bill.

Respectfully,
Gretchen Whitmer
Governor
