2 the state of Michigan.

3 Whereas, Physical activity benefits our physical health and
4 improves the quality of our lives overall; and

5 Whereas, Physical activity is a cost-effective, fun, safe, and
6 evidence-based public health intervention to address chronic
7 diseases, like diabetes, heart disease, and obesity, as well as
8 mental illness and substance use disorders; and

9 Whereas, The Center for Disease Control has recognized for
10 decades the strong role parks and green spaces play in overall
11 health within a community; and

12 Whereas, Michigan is dedicated to improving the quality of life
13 of all residents and visitors through movement to inspire and

1 facilitate a culture of active living; and

2 Whereas, Michigan provides over one hundred public beaches,
3 103 state parks and recreation areas, nineteen million acres of
4 forest, and thousands of miles of trails as places where people can
5 be physically active; and

6 Whereas, The Michigan Moves Coalition, the Michigan Fitness
7 Foundation, the Governor's Council on Physical Fitness, Health, and
8 Sports, the Michigan Society of Health and Physical Educators, the
9 Michigan Fitness Association, state agencies, private and nonprofit
10 organizations, and other related groups can serve to enlighten and
11 ignite awareness for physical activity opportunities in worksites,
12 schools, businesses, fitness facilities, and communities throughout
13 the state; and

14 Whereas, In an effort to improve the health and well-being of
15 all Michiganders, Michigan Moves Month in its fourth year, will
16 promote all forms of human movement for persons of every ability to
17 pursue an active and healthy lifestyle and participate in regular
18 physical activity throughout their lifespan; now, therefore, be it
