

HOUSE RESOLUTION NO. 124

Rep. Conlin offered the following resolution:

1 A resolution to declare June 2-6, 2025, as Survival Flight
2 Week in the state of Michigan.

3 Whereas, Survival Flight services provide a critically
4 important benefit to the people of Michigan, offering rapid,
5 lifesaving transport for patients in acute medical crisis,
6 including the transport of critically ill or injured individuals,
7 donor organs, and lifesaving equipment such as ECMO systems; and

8 Whereas, These services support health systems and residents
9 across the state, delivering timely and specialized care that often
10 determines the difference between life and death for Michigan's
11 patients; and

12 Whereas, On June 4, 2007, a Survival Flight aircraft
13 tragically crashed into Lake Michigan while returning from an organ
14 procurement mission in Milwaukee. Aboard the aircraft were six

1 dedicated professionals, returning with donor lungs for a
2 transplant candidate awaiting care at the University of Michigan
3 Transplant Center. The six lives lost that day were: David Ashburn,
4 M.D., Richard Chenault II, Dennis Hoyes, Rick LaPensee, Bill Serra,
5 Martin Spoor, M.D. These exemplary individuals had committed their
6 lives to the service of others—saving and improving lives through
7 organ donation, critical care, aviation safety, and transplant
8 surgery. Their selfless dedication represents the very highest
9 values of the medical profession and public service. The Survival
10 Flight and transplant communities were forever changed by this
11 profound loss, which continues to be remembered with deep respect
12 and gratitude; now, therefore, be it

13 Resolved by the House of Representatives, That the members of
