(2) An individual requesting a preplacement assessment does not need to have located a prospective adoptee when the request is made or when the assessment is completed.

(3) An individual may request more than 1 preplacement assessment or may request that an assessment, once initiated, not be completed.

(4) If an individual is seeking to adopt a child from a particular child placing agency, the agency may require the individual to be assessed by its own employee, even if the individual has already had a favorable preplacement assessment completed by another child placing agency.

(5) A preplacement assessment is based upon personal interviews and visits at the residence of the individual being assessed, interviews of others who know the individual, and reports received under this

subsection. The assessment shall contain all of the following information about the individual being assessed:

- (a) Age, nationality, race or ethnicity, and any religious preference.
- (b) Marital and family status and history, including the presence of other children or adults in the household and the relationship of those individuals to the adoptive parent.
- (c) Physical and mental health, including any history of substance abuse.
- (d) Educational and employment history and any special skills and interests.
- (e) Property and income, including outstanding financial obligations as indicated in a current financial report provided by the individual.
- (f) Reason for wanting to adopt.
- (g) Any previous request for an assessment or involvement in an adoptive placement and the outcome of the assessment or placement.
- (h) Whether the individual has ever been the respondent in a domestic violence proceeding or a proceeding concerning a child who was allegedly abused, dependent, deprived, neglected, abandoned, or delinquent, and the outcome of the proceeding.
- (i) Whether the individual has ever been convicted of a crime.
- (j) Whether the individual has located a parent interested in placing a child with the individual for adoption and a brief description of the parent and the child.
- (k) Any fact or circumstance that raises a specific concern about the suitability of the individual as an adoptive parent, including the quality of the environment in the home, the functioning of other children in the household, and any aspect of the individual's familial, social, psychological, or financial circumstances that may be relevant to a determination that the individual is not suitable. A specific concern is one that suggests that placement of any child, or a particular child, in the home of the individual would pose a risk of harm to the physical or psychological well-being of the child.

(6) A child placing agency shall request an individual seeking a preplacement assessment to provide a document from the Michigan state police and the federal bureau of investigation describing all of the individual's criminal convictions as shown by that agency's records, or stating that the agency's records indicate that the individual has not been convicted of a crime. Upon request of the individual and receipt of a signed authorization, the child placing agency shall obtain the criminal record from the law enforcement agency on the individual's behalf.

(7) A child placing agency shall request an individual seeking a preplacement assessment to undergo a physical examination conducted by a licensed physician, a licensed physician's assistant, or a certified nurse practitioner to determine that the individual is free from any known condition that would affect his or her ability to care for an adoptee. If an individual has had a physical examination within the 12 months immediately preceding his or her request for a preplacement assessment, he or she may submit a medical statement that is signed and dated by the licensed physician, licensed physician's assistant, or certified nurse practitioner verifying that he or she has had a physical examination within the previous 12-month period and is free from any known condition that would affect his or her ability to care for an adoptee. This subsection does not require new or additional third party reimbursement or worker's compensation benefits for services rendered.

(8) A preplacement assessment shall contain a list of the sources of information on which it is based. If the child placing agency determines that the information assessed does not raise a specific concern, the child placing agency shall find that the individual is suited to be an adoptive parent. If the child placing agency determines that the information assessed does raise a specific concern, the child placing agency shall find that the individual is not suitable to be an adoptive parent. The conclusion shall be supported by a written account of how 1 or more specific concerns pose a risk to the physical or psychological well-being of any child or a particular child. If the conclusion of a preplacement assessment regarding the suitability of the individual differs from the conclusion in a prior assessment, the child placing agency shall explain and justify the difference.

(9) An individual who receives a preplacement assessment with a conclusion of unsuitability may seek a review of the assessment by the court after filing an adoption petition. The court may order an agent or employee of the court to make an investigation and report to the court before the hearing. If, at the hearing, the court finds by clear and convincing evidence that the conclusion of unsuitability is not justified, the person with legal custody of the child may place the child with that individual. If the court determines that the conclusion of unsuitability is justified, it shall order that the child shall not be placed with the individual.

Sec. 29. (1) Except as otherwise provided in subsections (5) to (11), a release shall be by a separate instrument executed before a judge of the court or a juvenile court referee. If a parent's or guardian's release is executed before a judge or referee as provided in this subsection, a verbatim record of testimony related to execution of the release shall be made.

(2) If the person from whom a release is required is in the armed services or is in prison, the release may be executed and acknowledged before an individual authorized by law to administer oaths.

(3) If the release is to be given by an authorized representative of a child placing agency that has jurisdiction of the child to be adopted, the release may be executed and acknowledged before an individual authorized by law to administer oaths.

(4) If the release is executed in another state or country, the court having jurisdiction over the adoption

proceeding in this state shall determine whether the release was executed in accordance with the laws of that state or country or the laws of this state and shall not proceed unless it finds that the release was so executed.

(5) A parent or guardian may sign an out-of-court release in front of and witnessed by an adoption attorney representing the parent or guardian and a child placing agency caseworker. An out-of-court release signed under this subsection must comply with all of the following:

(a) The out-of-court release shall not be signed until after a 72-hour waiting period that begins at the time of the child's birth has expired.

(b) If the parent signing the out-of-court release is an unemancipated minor, the out-of-court release is not valid unless it is also signed by a parent or guardian of that unemancipated minor parent in the presence of the witnesses described in this subsection.

(c) An out-of-court release must be accompanied by the verified statement described in subsection (6) and a statement regarding relinquishment of parental rights that includes all of the following:

(i) The right to have or to seek care and custody of the child.

(ii) The right to have or to seek parenting time with the child.

(iii) The right to inherit from the child or have the child inherit from the parent.

(iv) The right to services and earnings of the child.

(v) The right to determine the child's schooling, religious training, and parenting practices.

(d) In separate paragraphs with sufficient space in the margin for a parent to place his or her initials beside each paragraph, the out-of-court release must state the following:

(i) I have read or had read to me each of my rights as a parent described in section 29(5)(c) of chapter X of the probate code of 1939, 1939 PA 288, MCL 710.29, and I understand these rights.

(ii) I am signing the out-of-court release as a free and voluntary act on my part, and I have been advised that I cannot be forced to sign the out-of-court release for any reason.

(iii) I have not been given or promised any money or other thing of value in exchange for signing the out-of-court release.

(iv) If I sign the out-of-court release, I understand that I am giving up all of my parental rights and authorizing the court to permanently terminate all of my parental rights, unless the court allows me to revoke my out-of-court release.

(v) It has been explained to me and I understand all of the following:

(A) I am not required to sign an out-of-court release.

(B) I may make a temporary placement of my child with the prospective adoptive parent or parents, if I have not already done so, or I may continue the temporary placement I have already made, until I choose to sign a release in court or sign an out-of-court release.

(C) I may request revocation of the out-of-court release I have signed by submitting a timely written request for revocation.

(D) If I request a revocation of the out-of-court release, I must appear before the court so the court may consider whether to grant the revocation.

(vi) I have been advised that I may submit a request for revocation in writing to the adoption attorney or child placing agency that accepted the out-of-court release not more than 5 days, excluding weekends and holidays, after the out-of-court release was signed or I may petition the court on my own for revocation of the out-of-court release not more than 5 days, excluding weekends and holidays, after the out-of-court release was signed.

(vii) If I submit a timely request for revocation, the court may grant the request or deny the request depending on my fitness and immediate ability to properly care for the child and whether the best interests of the child would be served by the revocation.

(e) The out-of-court release must contain the contact information for both the adoption attorney representing the parent or guardian and the child placing agency that accepted the out-of-court release specifying where a written request for revocation may be submitted, including a postal mailing address, overnight carrier address, fax number, and electronic mail address. A request for revocation may not be submitted to the adoption attorney representing the parent or guardian or the child placing agency that accepted the out-of-court release by telephone or text message.

(f) The following statement must appear immediately above the signature of the parent or guardian executing the out-of-court release: "I acknowledge that I am signing this out-of-court release freely and voluntarily, after my parental rights have been explained to me and any questions I may have about it have been fully answered. I understand the rights I am giving up and that an order terminating my parental rights, when entered by the court, is a permanent termination of all of my parental rights."

(6) A release by a parent or guardian shall be accompanied by a verified statement signed by the parent or guardian that contains all of the following:

(a) That the parent or guardian has received a list of support groups and, if the release is to a child placing agency, a copy of the written document described in section 6(1)(c) of the foster care and adoption services act, 1994 PA 203, MCL 722.956.

(b) That the parent or guardian has received counseling related to the adoption of his or her child or waives the counseling with the signing of the verified statement.

(c) That the parent or guardian has not received or been promised any money or anything of value for the release of the child, except for lawful payments that are itemized on a schedule filed with the release.

(d) That the validity and finality of the release is not affected by any collateral or separate agreement between the parent or guardian and the child placing agency, or the parent or guardian and the prospective adoptive parent.

(e) That the parent or guardian understands that it serves the child's welfare for the parent to keep the child placing agency or department informed of any health problems that the parent develops that could affect the child.

(f) That the parent or guardian understands that it serves the child's welfare for the parent or guardian to keep his or her address current with the child placing agency or department in order to permit a response to any inquiry concerning medical or social history from an adoptive parent of a minor adoptee or from an adoptee who is 18 years of age or older.

(7) A release by a parent or a guardian of the child shall not be executed until after the investigation the court considers proper and until after the judge, referee, or other individual authorized in subsection (2) has fully explained to the parent or guardian the legal rights of the parent or guardian and the fact that the parent or guardian by virtue of the release voluntarily relinquishes permanently his or her rights to the child; and, if the child is over 5 years of age, the court has determined that the child is best served by the release. If an out-of-court release is signed under subsection (5), the adoption attorney representing the parent or guardian who witnessed the out-of-court release and a caseworker from the child placing agency that accepted the out-of-court release shall fully explain to the parent or guardian his or her legal rights and the fact that the parent or guardian by virtue of the out-of-court release voluntarily relinquishes permanently his or her rights to the child.

(8) Except as otherwise provided in this subsection, upon the release of a child by a parent or guardian, the court immediately shall issue an order terminating the rights of that parent or guardian to that child. If an out-of-court release has been signed under subsection (5), not sooner than 5 days, excluding weekends and holidays, after the out-of-court release was signed, the court shall issue an order terminating the rights of the parent or guardian to that child. If the rights of both parents, the surviving parent, or the guardian have been terminated, the court shall issue an order committing the child to the child placing agency or department to which the release was given.

(9) The court shall authorize foster care funding pending expiration of the period of appeal or rehearing as provided in sections 64 and 65 of this chapter, and pending disposition of any appeal or rehearing, for all persons committed to a child placing agency. Foster care funding authorized under this subsection shall exclude the administrative costs of the child placing agency. The costs of foster care shall be paid through the use of the child care fund as provided by section 117c of the social welfare act, 1939 PA 280, MCL 400.117c, or by any successor statute. When foster care funding is authorized according to this subsection, the court shall send a copy of the order to the department. Upon receiving a copy of this order, the department shall reimburse the court child care fund of the county where the court order for foster care funding was made in the total amount of the court ordered payment. The reimbursement shall be made monthly.

(10) Entry of an order terminating the rights of both parents under subsection (8) terminates the jurisdiction of the circuit court over the child in any divorce or separate maintenance action.

(11) Except as otherwise provided in subsection (12), upon petition of the same person or persons who executed the release and of the department or child placing agency to which the child was released, the court with which the release was filed may grant a hearing to consider whether the release should be revoked. A release may not be revoked if the child has been placed for adoption unless the child is placed as provided in section 41(2) of this chapter and a petition for rehearing or claim of appeal is filed within the time required. A verbatim record of testimony related to a petition to revoke a release shall be made.

(12) Except as otherwise provided in this subsection, a parent or guardian who has signed an out-of-court release but wishes to request revocation of the out-of-court release shall submit a request for revocation to the adoption attorney representing the parent or guardian or the child placing agency that accepted the out-of-court release not more than 5 days, excluding weekends and holidays, after the out-of-court release was signed. The request for revocation from the parent or guardian must be submitted in writing by the parent or guardian who signed the out-of-court release to the adoption attorney representing the parent or guardian or a caseworker from the child placing agency that accepted the out-of-court release. The request for revocation is

timely if delivered to the adoption attorney or the child placing agency not more than 5 days, excluding weekends and holidays, after the out-of-court release was signed. Upon receipt of a timely request for revocation, the adoption attorney or the child placing agency receiving the request for revocation shall assist the parent or guardian in filing the petition to revoke the out-of-court release with the court as soon as practicable. A parent or guardian may file this petition with the court on his or her own. If the parent or guardian files the petition on his or her own, the petition must be filed with the court not more than 5 days, excluding weekends and holidays, after the out-of-court release was signed.

(13) The court in which the out-of-court release was filed may deny the request for revocation under subsection (14).

(14) If a petition to revoke an out-of-court release is filed with the court, timely notice of revocation does not immediately result in the return of the child to the parent or guardian. A hearing before a judge is required to determine all of the following unless a child placing agency accepting the out-of-court release or the adoptive parent or parents agree to the revocation:

(a) Whether the request for revocation was given in a timely and proper manner.

(b) Whether good cause exists to determine that the out-of-court release was not signed voluntarily. If the court finds that the out-of-court release was not signed voluntarily, the out-of-court release is invalid and custody of the child shall be returned to the parent or guardian. If the court finds that the out-of-court release was signed voluntarily, the court shall proceed under subdivision (c).

(c) Whether the best interest of the child will be served by any of the following:

(i) Returning custody of the child to the parent or guardian.

(ii) Continuing the adoption proceeding commenced or intended to be commenced by the adoptive parent or parents.

(iii) Disposition appropriate to the child's welfare as authorized by section 18 of chapter XIIA under an ex parte order entered by the court.

710.31 Child born out of wedlock; inability to obtain release or consent of natural father; release by mother; petition of dependency or neglect; order authorizing temporary care; delaying formal execution of mother's release.

Sec. 31. (1) Except as provided in section 23d of this chapter, if a child is born out of wedlock and the release or consent of the biological father cannot be obtained, the child shall not be placed for adoption until the parental rights of the father are terminated by the court as provided in section 37 or 39 of this chapter, by the court pursuant to chapter XIIA, or by a court of competent jurisdiction in another state or country.

(2) Pending the termination or other disposition of the rights of the father of a child born out of wedlock, the mother may execute a release terminating her rights to the child. If the mother releases the child, the child placing agency or department to which the child is released may file a petition of dependency or neglect pursuant to chapter XIIA. Pending disposition of the dependency or neglect petition, the court may enter an order authorizing temporary care of the child.

(3) At the request of the mother, her formal execution of a release or consent shall be delayed until after court determination of the status of the putative father's request for custody of the child.

710.33 Notice of intent to claim paternity.

Sec. 33. (1) Before the birth of a child born out of wedlock, a person claiming under oath to be the father of the child may file a verified notice of intent to claim paternity with the court in any county of this state. The form of the notice shall be prescribed by the director of the department of public health and provided to the court. The notice shall include the claimant's address. On the next business day after receipt of the notice the court shall transmit the notice to the vital records division of the department of public health. If the mother's address is stated on the notice, the vital records division shall send a copy of the notice by first-class mail to the mother of the child at the stated address.

(2) A person filing a notice of intent to claim paternity shall be presumed to be the father of the child for purposes of this chapter unless the mother denies that the claimant is the father. Such a notice is admissible in a paternity proceeding under Act No. 205 of the Public Acts of 1956, as amended, being sections 722.711 to 722.730 of the Michigan Compiled Laws, and shall create a rebuttable presumption as to the paternity of that

child for purposes of that act. Such a notice shall create a rebuttable presumption as to paternity of the child for purposes of dependency or neglect proceedings under chapter 12a.

(3) A person who timely files a notice of intent to claim paternity shall be entitled to notice of any hearing involving that child to determine the identity of the father of the child and any hearing to determine or terminate his paternal rights to the child.

710.34 Ex parte petition evidencing intent to release or consent; notice of intent to release or consent; form.

Sec. 34. (1) In order to provide due notice at the earliest possible time to a putative father who may have an interest in the custody of an expected child or in the mother's intended release of an expected child for adoption or consent to adoption of the expected child, and in order to facilitate early placement of a child for adoption, a woman pregnant out of wedlock may file with the court an ex parte petition which evidences her intent to release her expected child for adoption or to consent to the child's adoption, which indicates the approximate date and location of conception and the expected date of her confinement, which alleges that a particular person is the putative father of her expected child, and which requests the court to notify the putative father about his rights to file a notice of intent to claim paternity pursuant to section 33. The petition may allege more than 1 putative father where circumstances warrant. The petition shall be verified. Upon the filing of the petition, the court shall issue a notice of intent to release or consent, which notice shall be served upon the putative father by any officer or person authorized to serve process of the court. Proof of service shall be filed with the court.

(2) A notice of intent to release or consent shall:

(a) Indicate the approximate date and location of conception of the child and the expected date of confinement of the mother.

(b) Inform the putative father of his right under section 33(1) to file a notice of intent to claim paternity before the birth of the child.

(c) Inform the putative father of the rights to which his filing of a notice of intent to claim paternity will entitle him under section 33(3).

(d) Inform the putative father that his failure to file a notice of intent to claim paternity before the expected date of confinement or before the birth of the child, whichever is later, shall constitute a waiver of his right to receive the notice to which he would otherwise be entitled under section 33(3) and shall constitute a denial of his interest in custody of the child, which denial shall result in the court's termination of his rights to the child.

(3) The form of the notice of intent to release or consent shall be approved by the supreme court administrator and shall be consistent with this section.

Sec. 36. (1) If a child is claimed to be born out of wedlock and the mother executes or proposes to execute a release or consent relinquishing her rights to the child or joins in a petition for adoption filed by her spouse, and the release or consent of the natural father cannot be obtained, the judge shall hold a hearing as soon as practical to determine whether the child was born out of wedlock, to determine the identity of the father, and to determine or terminate the rights of the father as provided in this section and sections 37 and 39 of this chapter.

(2) Proof of service of a notice of intent to release or consent or the putative father's verified acknowledgment of notice of intent to release or consent shall be filed with the court, if the notice was given to the putative father. The court shall request the vital records division of the department to send to the court a copy of any notice of intent to claim paternity of the particular child that the division has received.

(3) Notice of the hearing shall be served upon the following:

(a) A putative father who has timely filed a notice of intent to claim paternity as provided in section 33 or 34 of this chapter.

(b) A putative father who was not served a notice of intent to release or consent at least 30 days before the

expected date of confinement specified in the notice of intent to release or consent.

(c) Any other male who was not served according to section 34(1) of this chapter with a notice of intent to release or consent and who the court has reason to believe may be the child's father.

(4) The notice of hearing shall inform the putative father that his failure to appear at the hearing constitutes a denial of his interest in custody of the child, which denial shall result in the court's termination of his rights to the child.

(5) Proof of service of the notice of hearing required by subsection (3) shall be filed with the court. A verified acknowledgment of service by the party to be served is proof of personal service. Notice of the hearing shall not be required if the putative father is present at the hearing. A waiver of notice of hearing by a person entitled to receive it is sufficient.

(6) The court shall receive evidence as to the identity of the father of the child. In lieu of the mother's live testimony, the court shall receive an affidavit or a verified written declaration from the mother as evidence of the identity and whereabouts of the child's father. If the court determines that the affidavit or verified written declaration is insufficient, the court shall allow amendment of the affidavit or verified written declaration. If the court determines that the amendment of the affidavit or verified written declaration is insufficient, the court may receive live testimony from the mother. Based upon the evidence received, the court shall enter a finding identifying the father or declaring that the identity of the father cannot be determined.

(7) If the court finds that the child's father is a person who did not receive either a timely notice of intent to release or consent according to section 34(1) of this chapter or a notice required under subsection (3), and who has neither waived his right to notice of hearing nor is present at the hearing, the court shall adjourn further proceedings until that person is served with a notice of hearing.

710.37 Termination of rights of putative father.

Sec. 37. (1) If the court has proof that the person whom it determines pursuant to section 36 to be the father of the child was timely served with a notice of intent to release or consent pursuant to section 34(1) or was served with or waived the notice of hearing required by section 36(3), the court may permanently terminate the rights of the putative father under any of the following circumstances:

(a) The putative father submits a verified affirmation of his paternity and a denial of his interest in custody of the child.

(b) The putative father files a disclaimer of paternity. For purposes of this section the filing of the disclaimer of paternity shall constitute a waiver of notice of hearing and shall constitute a denial of his interest in custody of the child.

(c) The putative father was served with a notice of intent to release or consent in accordance with section 34(1), at least 30 days before the expected date of confinement specified in that notice but failed to file an intent to claim paternity either before the expected date of confinement or before the birth of the child.

(d) The putative father is given proper notice of hearing in accordance with section 36(3) or 36(5) but either fails to appear at the hearing or appears and denies his interest in custody of the child.

(2) If the identity of the father cannot be determined, or if the identity of the father is known but his whereabouts cannot be determined, the court shall take evidence to determine the facts in the matter. The court may terminate the rights of the putative father if the court finds from the evidence that reasonable effort has been made to identify and locate the father and that any of the following circumstances exist:

(a) The putative father, whose identity is not known, has not made provision for the child's care and did not provide support for the mother during her pregnancy or during her confinement.

(b) The putative father, whose identity is known but whose whereabouts are unknown, has not provided support for the mother, has not shown any interest in the child, and has not made provision for the child's care, for at least 90 days preceding the hearing required under section 36.

Sec. 39. (1) If the putative father does not come within the provisions of subsection (2), and if the putative father appears at the hearing and requests custody of the child, the court shall inquire into his fitness and his

ability to properly care for the child and shall determine whether the best interests of the child will be served by granting custody to him. If the court finds that it would not be in the best interests of the child to grant custody to the putative father, the court shall terminate his rights to the child.

(2) If the putative father has established a custodial relationship with the child or has provided substantial and regular support or care in accordance with the putative father's ability to provide support or care for the mother during pregnancy or for either mother or child after the child's birth during the 90 days before notice of the hearing was served upon him, the rights of the putative father shall not be terminated except by proceedings in accordance with section 51(6) of this chapter or section 2 of chapter XIII.

(3) If the court determines that the parental rights of the putative father will not be terminated under subsection (1), the court shall do all of the following:

(a) Terminate the temporary placement made under section 23d of this chapter.

(b) Return custody of the child to the mother or the guardian unless the mother's parental rights have been terminated under this chapter or other law and are not restored under section 62 of this chapter.

(c) Deny the order of adoption and dismiss the pending adoption proceeding.

(4) The fact that the mother or guardian executed or proposed to execute a release or consent relinquishing the mother's parental rights or the guardian's rights to the child and sought termination of the putative father's parental rights under section 36, 37, or 39 of this chapter shall not be used against the mother or guardian in any proceeding under the child custody act of 1970, 1970 PA 91, MCL 722.21 to 722.31, after the court has completed the provisions in subsection (3).

(5) If the mother's parental rights are terminated under this chapter or other law and are not restored under section 62 of this chapter and if the court awards custody of a child born out of wedlock to the putative father, the court shall enter an order granting custody to the putative father and legitimating the child for all purposes. Upon entry of an order granting custody and legitimating the child, the clerk of the court shall collect a fee of \$35.00 from the putative father. The clerk shall retain \$9.00 of the fee and remit the \$26.00 balance, along with a written report of the order granting custody and legitimating the child, to the director of the department of community health. The report shall be on a form prescribed by or in a manner approved by the director of the department of community health. Regardless of whether the fee required by this section is collected, the clerk shall transmit and the department of community health shall receive the report of the order granting custody and legitimating the child.

710.41 Conditions to placing child in home for purpose of adoption; adoption by foster parent or by petitioner married to parent having legal custody.

Sec. 41. (1) Except as provided in section 23d of this chapter, a child shall not be placed in a home for the purpose of adoption until an order terminating parental rights has been entered pursuant to this chapter or chapter XIII and the court has formally approved placement under section 51 of this chapter. After an order terminating parental rights has been entered, the court shall enter any appropriate orders pursuant to sections 45, 46, and 51 of this chapter. Such orders shall not be withheld because the period specified for a rehearing or an appeal as of right has not expired, or because of the pendency of any rehearing or appeal as of right.

(2) If an order terminating parental rights is entered pursuant to this chapter or chapter XIII, the child may be placed in a home for the purpose of adoption during the period specified for a rehearing or an appeal as of right and the period during which a rehearing or appeal as of right is pending. When a child placing agency, the court, or the department formally places a child or the court approves placement of a child pursuant to this subsection, the child placing agency, court, or department shall inform the person or persons in whose home the child is placed that an adoption will not be ordered until 1 of the following occurs:

(a) The petition for rehearing is granted, at the rehearing the order terminating parental rights is not modified or set aside, and subsequently the period for appeal as of right to the court of appeals has expired without an appeal being filed.

(b) The petition for rehearing is denied and the period for appeal as of right to the court of appeals has expired without an appeal being filed.

(c) There is a decision of the court of appeals affirming the order terminating parental rights.

(f) By the guardian of a parent, subject to subsection (6), if a guardian has been appointed.

(g) By the authorized representative of a court or child placing agency of another state or country that has authority to consent to adoption.

(2) If the child to be adopted is over 14 years of age, that child's consent is necessary before the court may enter an order of adoption.

(3) If the individual to be adopted is an adult, the individual's consent is necessary before the court may enter an order of adoption, but consent by any other individual is not required.

(4) If the parent of the child to be adopted is an unemancipated minor, that parent's consent is not valid unless a parent, guardian, or guardian ad litem of that minor parent has also executed the consent.

(5) The guardian of the child to be adopted shall not execute a consent to that child's adoption according to subsection (1) unless the guardian has first obtained authority to execute the consent from the court that appointed the guardian.

(6) The guardian of a parent shall not execute a consent to the adoption of the parent's child according to subsection (1) unless the guardian has first obtained authority to execute the consent from the court that appointed the guardian. The consent shall have the same effect as if the consent were executed by the parent.

(7) If the petitioner for adoption is married to the parent having legal custody of the child and that parent has joined the petitioner in filing the petition for adoption, that parent shall not execute a consent to the adoption. 710.44 Consent to adoption; separate instrument; persons before whom consent executed and acknowledged; execution in another state or country; verified statement; investigation; explaining legal rights of parent or guardian; conditions to execution of adoptee's consent to adoption; out-of-court consent.

Sec. 44. (1) Except as otherwise provided in this section, the consent required by section 43 of this chapter shall be by a separate instrument executed before the judge having jurisdiction or, at the court's direction, before another judge of the family division of circuit court in this state. A consent may be executed before a juvenile court referee. The consent hearing shall be held within 7 days after it is requested. If the consent of a parent or guardian is executed before a judge or referee as provided in this subsection, a verbatim record of testimony related to execution of the consent shall be made.

(2) If the individual whose consent is required is in any of the armed services or is in prison, the consent may be executed and acknowledged before any individual authorized by law to administer oaths.

(3) If the child to be adopted is legally a ward of the department or of a child placing agency, the consent

required to be made under section 43 of this chapter by the authorized representative of the department or agency may be executed and acknowledged before an individual authorized by law to administer oaths.

(4) If the consent is executed in another state or country, the court having jurisdiction over the adoption proceeding in this state shall determine whether the consent was executed in accordance with the laws of that state or country or the laws of this state and shall not proceed unless it finds that the consent was so executed.

(5) In a direct placement, a consent by a parent or guardian shall be accompanied by a verified statement signed by the parent or guardian that contains all of the following:

(a) That the parent or guardian has received a list of support groups and a copy of the written document described in section 6(1)(c) of the foster care and adoption services act, 1994 PA 203, MCL 722.956.

(b) That the parent or guardian has received counseling related to the adoption of his or her child or waives the counseling with the signing of the verified statement.

(c) That the parent or guardian has not received or been promised any money or anything of value for the consent to adoption of the child, except for lawful payments that are itemized on a schedule filed with the consent.

(d) That the validity and finality of the consent is not affected by any collateral or separate agreement between the parent or guardian and the adoptive parent.

(e) That the parent or guardian understands that it serves the child's welfare for the parent to keep the child placing agency, court, or department informed of any health problems that the parent develops that could affect the child.

(f) That the parent or guardian understands that it serves the child's welfare for the parent or guardian to keep his or her address current with the child placing agency, court, or department in order to permit a response to any inquiry concerning medical or social history from an adoptive parent of a minor adoptee or from an adoptee who is 18 years or older.

(6) If a parent's consent to adoption is required under section 43 of this chapter or if a guardian's consent is required under section 43(1)(e) of this chapter, the consent shall not be executed until after the investigation the court considers proper and until after the judge, referee, or other individual authorized in subsection (2) has fully explained to the parent or guardian the legal rights of the parent or guardian and the fact that the parent or guardian by virtue of the consent voluntarily relinquishes permanently his or her rights to the child. If an out-of-court consent is signed under subsection (8), the adoption attorney representing the parent or guardian who witnessed the out-of-court consent and a caseworker from the child placing agency that witnessed the out-of-court consent shall fully explain to the parent or guardian his or her legal rights and the fact that the parent or guardian by virtue of the out-of-court consent voluntarily relinquishes permanently his or her rights to the child. If an out-of-court consent has been signed under subsection (8), not sooner than 5 days, excluding weekends and holidays, after the out-of-court consent was signed, the court shall issue an order terminating the rights of the parent or guardian to that child.

(7) If the adoptee's consent to adoption is required under section 43 of this chapter, the consent shall not be executed until after the investigation the court considers proper and until after the judge or referee has fully explained to the adoptee the fact that he or she is consenting to acquire permanently the adopting parent or parents as his or her legal parent or parents as though the adoptee had been born to the adopting parent or parents.

(8) In a direct placement, a parent or guardian may sign an out-of-court consent after the child's birth. An out-of-court consent signed under this subsection must comply with all of the following:

(a) The out-of-court consent shall not be signed until after a 72-hour waiting period that begins at the time of the child's birth has expired.

(b) If the parent signing the out-of-court consent is an unemancipated minor, the out-of-court consent is not valid unless it is also signed by a parent or guardian of that unemancipated minor parent in the presence of the witnesses described in this subsection.

(c) An out-of-court consent must be accompanied by the verified statement from subsection (5) and a statement regarding relinquishment of parental rights that includes all of the following:

(i) The right to have or to seek care and custody of the child.

(ii) The right to have or to seek parenting time with the child.

(iii) The right to inherit from the child or have the child inherit from the parent.

(iv) The right to services and earnings of the child.

(v) The right to determine the child's schooling, religious training, and parenting practices.

(d) In separate paragraphs with sufficient space in the margin for a parent to place his or her initials beside each paragraph, the out-of-court consent must state all of the following:

(i) I have read or had read to me each of my rights as a parent described in section 44(8)(c) of chapter X of the probate code of 1939, 1939 PA 288, MCL 710.44, and I understand these rights.

(ii) I am signing the out-of-court consent as a free and voluntary act on my part, and I have been advised that I cannot be forced to sign the out-of-court consent for any reason.

(iii) I have not been given or promised any money or other thing of value in exchange for signing the out-of-court consent.

(iv) If I sign the out-of-court consent, I understand that I am giving up all of my parental rights and authorizing the court to permanently terminate all of my parental rights, unless the court allows me to revoke my out-of-court consent.

(v) It has been explained to me and I understand all of the following:

(A) I am not required to sign an out-of-court consent.

(B) I may make a temporary placement of my child with the prospective adoptive parent or parents, if I have not already done so, or I may continue the temporary placement I have already made, until I choose to sign a consent in court or sign an out-of-court consent.

(C) I may request revocation of the out-of-court consent I have signed by submitting a timely written request for revocation.

(D) If I request a revocation of the out-of-court consent, I must appear before the court so the court may consider whether to grant the revocation.

(vi) I have been advised that I may submit a request for revocation in writing to the adoption attorney or child placing agency that witnessed the out-of-court consent not more than 5 days, excluding weekends and holidays, after the out-of-court consent was signed or I may petition the court on my own for revocation of the out-of-court consent not more than 5 days, excluding weekends and holidays, after the out-of-court consent was signed.

(vii) If I submit a timely request for revocation, the court may grant the request or deny the request for revocation depending on my fitness and immediate ability to properly care for the child and whether the best interests of the child would be served by the revocation.

(e) The out-of-court consent must contain the contact information for both the adoption attorney representing the parent or guardian and the child placing agency that witnessed the out-of-court consent specifying where a written request for revocation may be submitted, including a postal mailing address, overnight carrier address, fax number, and electronic mail address. A request for revocation may not be submitted to the adoption attorney representing the parent or guardian or the child placing agency that witnessed the out-of-court consent by telephone or text message.

(f) The following statement must appear immediately above the signature of the parent or guardian executing the out-of-court consent: "I acknowledge that I am signing this out-of-court consent freely and voluntarily, after my parental rights have been explained to me and any questions I may have about it have been fully answered. I understand the rights I am giving up and that an order terminating my parental rights, when entered by the court, is a permanent termination of all of my parental rights."

(g) The out-of-court consent may be signed before filing a petition for adoption.

(9) Except as otherwise provided in this subsection, a parent or guardian who has signed an out-of-court consent but wishes to request revocation of the out-of-court consent shall submit a request for revocation to the adoption attorney representing the parent or guardian or the child placing agency that witnessed the out-of-court consent not more than 5 days, excluding weekends and holidays, after the out-of-court consent was signed. The request for revocation from the parent or guardian must be submitted in writing by the parent or guardian who signed the out-of-court consent to the adoption attorney representing the parent or guardian or a caseworker from the child placing agency that witnessed the out-of-court consent. The request for revocation is timely if delivered to the adoption attorney or a caseworker from the child placing agency not more than 5 days, excluding weekends and holidays, after the out-of-court consent was signed. Upon receipt of a timely request for revocation, the adoption attorney or the child placing agency receiving the request for revocation shall assist the parent or guardian in filing the petition to revoke the out-of-court consent with the court as soon as practicable. A parent or guardian may file this petition with the court on his or her own. If the parent or guardian files the petition on his or her own, the petition must be filed with the court not more than 5 days, excluding weekends and holidays, after the out-of-court consent was signed.

(10) The court in which the out-of-court consent was filed may deny the request for revocation under subsections (11) and (12).

(11) If a petition to revoke an out-of-court consent has been filed with the court, timely notice of revocation does not immediately result in the return of the child to the parent or guardian. A hearing before a judge is required to determine all of the following unless the adoptive parent or parents agree to the revocation:

(a) Whether the request for revocation was given in a timely and proper manner.

(b) Whether good cause exists to determine that the out-of-court consent was not signed voluntarily. If the

court finds that the out-of-court consent was not signed voluntarily, the out-of-court consent is invalid and custody of the child shall be returned to the parent or guardian. If the court finds that the out-of-court consent was signed voluntarily, the court shall proceed under subdivision (c).

(c) Whether the best interest of the child will be served by any of the following:

(i) Returning custody of the child to the parent or guardian.

(ii) Continuing the adoption proceeding commenced or intended to be commenced by the adoptive parent or parents.

(iii) Disposition appropriate to the child's welfare as authorized by section 18 of chapter XIA under an ex parte order entered by the court.

(12) In determining the best interest of the child under subsection (11)(c), if a parent or guardian is seeking revocation of an out-of-court consent, the court shall determine if the parent or guardian seeking revocation is fit and immediately able to properly care for the child if the court returned the child to the parent or guardian. If the court determines that the parent or guardian is not fit and immediately able to properly care for the child, the court shall deny the revocation. If the court finds that the parent or guardian is fit and immediately able to properly care for the child, the court shall determine the best interest of the child. The "best interest of the child" means the sum total of the following factors to be considered, evaluated, and determined by the court:

(a) The child's age and length of time the parent or guardian seeking revocation has had physical custody of the child so that significant love, affection, and other emotional ties exist between the parent or guardian and the child and whether during that time the child has lived in a stable, satisfactory environment.

(b) The capacity and disposition of the prospective adopting individual or individuals and the parent or guardian seeking revocation to give the child love, affection, and guidance, and to educate and create a milieu that fosters the child's religion, racial identity, and culture.

(c) The capacity and disposition of the prospective adopting individual or individuals and the parent or guardian seeking revocation to provide the child with food, clothing, education, permanence, medical care or other remedial care recognized and permitted under the state law in place of medical care, and other material needs.

(d) The permanence as a family unit of the prospective adopting individual or individuals and the parent or guardian seeking revocation.

(e) The moral fitness of the prospective adopting individual or individuals and the parent or guardian seeking revocation.

(f) The mental and physical health of the prospective adopting individual or individuals and the parent or guardian seeking revocation.

(g) The home, school, and community record of the child.

(h) The child's reasonable preference, if the child is 14 years of age or less and if the court considers the child to be of sufficient age to express a preference.

(i) The ability and willingness of the prospective adopting individual or individuals to adopt the child's siblings.

(j) Any other factor considered by the court to be relevant to a particular prospective adoptive placement or to a revocation of an out-of-court consent.

(2) If an adoption petitioner has been unable to obtain the consent required by section 43(1)(b), (c), or (d) of this chapter, the petitioner may file a motion with the court alleging that the decision to withhold consent was arbitrary and capricious. A motion under this subsection shall contain information regarding both of the following:

(a) The specific steps taken by the petitioner to obtain the consent required and the results, if any.

(b) The specific reasons why the petitioner believes the decision to withhold consent was arbitrary and capricious.

(3) If consent has been given to another petitioner and if the child has been placed with that other petitioner according to an order under section 51 of this chapter, a motion under this section shall not be brought after

either of the following:

- (a) Fifty-six days following the entry of the order placing the child.
- (b) Entry of an order of adoption.

(4) In an adoption proceeding in which there is more than 1 applicant, the petition for adoption shall be filed with the court of the county where the parent's parental rights were terminated or are pending termination. If both parents' parental rights were terminated at different times and in different courts, a petition filed under this section shall be filed in the court of the county where parental rights were first terminated.

(5) The court shall provide notice of a motion brought under this section to all interested parties as described in section 24a(1) of this chapter, the guardian ad litem of the prospective adoptee if one has been appointed during a child protection proceeding, and the applicant who received consent to adopt.

(6) Upon the filing of a petition to adopt a child and the motion described in subsection (2), the court may waive or modify the full investigation of the petition provided in section 46 of this chapter. The court shall decide the motion within 91 days after the filing of the motion unless good cause is shown.

(7) Unless the petitioner establishes by clear and convincing evidence that the decision to withhold consent was arbitrary and capricious, the court shall deny the motion described in subsection (2) and dismiss the petition to adopt.

(8) If the court finds by clear and convincing evidence that the decision to withhold consent was arbitrary and capricious, the court shall issue a written decision and may terminate the rights of the appropriate court, child placing agency, or department and may enter further orders in accordance with this chapter or section 18 of chapter XIIA as the court considers appropriate. In addition, the court may grant to the petitioner reimbursement for petitioner's costs of preparing, filing, and arguing the motion alleging the withholding of consent was arbitrary and capricious, including a reasonable allowance for attorney fees.

(9) If the consent at issue is that required of the court under section 43(1)(c) of this chapter, the motion shall be heard by a visiting judge assigned according to section 8212 of the revised judiciary act of 1961, 1961 PA 236, MCL 600.8212.

(10) The court's decision on a motion brought under this section is appealable by right to the court of appeals.

710.51 Order terminating rights of parents or person in loco parentis; placement of child with petitioner; extension of time; conditions; child as ward of court; termination of jurisdiction; marriage of petitioner to parent having legal custody; placement without

making child ward of court; evidence; order terminating rights of divorced or unmarried parent not having legal custody; conditions; consent to services for child by prospective adoptive parents.

Sec. 51. (1) Not later than 14 days after receipt of the report of investigation, except as provided in subsections (2) and (5), the judge shall examine the report and shall enter an order terminating the rights of the child's parent or parents, if there was a parental consent, or the rights of any person in loco parentis, if there was a consent by other than parents, and approve placement of the child with the petitioner if the judge is satisfied as to both of the following:

(a) The genuineness of consent to the adoption and the legal authority of the person or persons signing the consent.

(b) The best interests of the adoptee will be served by the adoption.

(2) If it is necessary to hold a hearing before entering an order terminating the rights of a parent, parents, or a person in loco parentis, or if other good cause is shown, the time specified in subsection (1) shall be extended for an additional 14-day period.

(3) Upon entry of an order terminating rights of parents or persons in loco parentis, a child is a ward of the court and a consent to adoption executed under section 43 of this chapter shall not be withdrawn after the order is entered. Entry of the order terminates the jurisdiction of the same court or another court over the child in a divorce or separate maintenance action. If the petitioner for adoption is married to the parent having legal custody of the child, the child shall not be made a ward of the court after termination of the rights of the other parent.

(4) Without making the child a ward of the court, the court may approve placement of a child if the child is placed for adoption in this state by a public or licensed private agency of another state or country and if the law of the sending state or country prohibits the giving of consent to adoption at the time of placement. Before placement of the child in that instance, the sending agency shall tender evidence as the court requires to demonstrate that the agency possesses the necessary authority to consent to the adoption at the time of entry of the final order of adoption. After the sending agency has given evidence of its ability to consent, the agency shall not do anything to jeopardize its ability to grant the required consent before entry of the final order of adoption. After the sending agency gives its consent for the adoption, that consent shall not be withdrawn.

(5) If a parent having legal custody of the child is married to the petitioner for adoption, the judge shall not enter an order terminating the rights of that parent.

(6) If the parents of a child are divorced, or if the parents are unmarried but the father has acknowledged paternity or is a putative father who meets the conditions in section 39(2) of this chapter, and if a parent having custody of the child according to a court order subsequently marries and that parent's spouse petitions to adopt the child, the court upon notice and hearing may issue an order terminating the rights of the other parent if both of the following occur:

(a) The other parent, having the ability to support, or assist in supporting, the child, has failed or neglected to provide regular and substantial support for the child or if a support order has been entered, has failed to substantially comply with the order, for a period of 2 years or more before the filing of the petition. A child support order stating that support is \$0.00 or that support is reserved shall be treated in the same manner as if no support order has been entered.

(b) The other parent, having the ability to visit, contact, or communicate with the child, has regularly and substantially failed or neglected to do so for a period of 2 years or more before the filing of the petition.

(7) Unless otherwise ordered by the court, the prospective adoptive parents with whom a child is placed according to a court order approving placement under this section may consent to all medical, surgical, psychological, educational, and related services for the child.

The investigations shall be made under reasonable circumstances and at reasonable intervals.

(11) If the information described in subsection (10) is returned undelivered, the agency, court, or department shall make a reasonable effort to find the most recent address of the adoptee or minor adoptee's parents and shall again send the information by first-class mail within 21 days after receiving the returned letter.

(12) If a child placing agency, a court, or the department receives written information concerning a physician-verified medical or genetic condition of a person biologically related to an adoptee, and the condition is not life-threatening to the adoptee, the child placing agency, court, or department shall place the information in its adoption files. If the child placing agency, court, or department receives a written request for the information from the adult adoptee or minor adoptee's adoptive parents, it shall release a written copy of the information to the adult adoptee or to the minor adoptee's adoptive parents within 63 days after the request for the information was made.

(13) If a child placing agency, a court, or the department receives written information concerning a physician-verified medical or genetic condition that threatens the life of an adoptee and for which a biologically related person could give life-saving aid, and receives a request from or on behalf of the adoptee that the information be transmitted, the child placing agency, court, or department shall send a written copy of the information by first-class mail within 7 days after the request is received to the biological parents or adult biological siblings of the adoptee at their last known address.

(14) If the information described in subsection (13) is returned undelivered, the agency, court, or department shall make a reasonable effort to find the most recent address of the biological parents or adult biological siblings and shall again send the information by first-class mail within 21 days after receiving the returned letter.

(15) If a child placing agency, a court, or the department provides an adoptee with the name of 1 of the adoptee's former parents, that child placing agency, court, or department shall notify the department of community health of that fact. Upon receipt of notification by the child placing agency, court, or department, the department of community health shall insure that the original birth certificate on file for the adoptee has been sealed and that a new birth certificate has been prepared in conformance with section 67 of this chapter.

(16) An employee or agent of a child placing agency, a court, or the department, who intentionally releases identifying information in violation of this section, is guilty of a misdemeanor.

(19) A child placing agency, a court, and the department may require a fee for supplying information under this section. The fee shall be \$60.00 or the actual cost of supplying the information, whichever is less. The child placing agency, court, or department may waive a part or all of the fee in case of indigency or hardship.

(20) A direct descendant of a deceased adult adoptee may request information under this section. All information to which an adult adoptee is entitled under this section shall be released to the adult adoptee's direct descendants if the adult adoptee is deceased.

The ombudsman shall not disclose information obtained by an inspection under this section. If the children's ombudsman requires further information from an individual whose identity is protected in closed adoption records, the ombudsman shall contact the individual discreetly and confidentially. The ombudsman shall inform the individual that his or her participation in the investigation is confidential, is strictly voluntary, and will not alter or constitute a challenge to the adoption. The ombudsman shall honor the individual's request not to be contacted further. As used in this subsection, "children's ombudsman" or "ombudsman" means the ombudsman appointed under section 3 of the children's ombudsman act, 1994 PA 204, MCL 722.923, or his or her designee.

710.68b Definitions; petition to appoint confidential intermediary to search for and contact former family member; approval; training; oath of confidentiality; duties of confidential intermediary; acceptance of money or other value; failure to contact former family member.

Sec. 68b. (1) As used in this section:

(a) "Former family member" means a parent, grandparent, or adult sibling related to the adult adoptee through birth or adoption by at least 1 common parent, regardless of whether the adult adoptee ever lived in the same household as the former family member.

(b) "Petitioner" means an individual on whose behalf a confidential intermediary is appointed pursuant to subsection (2).

(2) An adult adoptee, an adoptive parent of a minor adoptee, or an adult child of a deceased adoptee may petition the court in which the final order of adoption was entered to appoint a confidential intermediary to search for and contact a former family member. A former family member may petition the court in which the final order of adoption was entered to appoint a confidential intermediary to search for and contact an adult

adoptee or an adult child of a deceased adoptee. Upon receipt of a petition under this section, the court shall contact the central adoption registry to determine whether there is currently on file a statement from the individual being sought that denies consent to the release of identifying information. If no denial of consent is currently on file for that individual, the court shall by written order appoint as confidential intermediary an individual who meets the requirements of subsection (3). The court shall provide the confidential intermediary with a certified copy of the order of appointment. The court may dismiss an intermediary if the intermediary engages in conduct that violates professional or ethical standards.

(3) An individual may serve as a confidential intermediary if he or she is approved by the court after completing training and files an oath of confidentiality with the court. The oath of confidentiality shall be substantially as follows:

"I,, signing under penalty of perjury, affirm all of the following:

(a) I will not disclose to a petitioner, directly or indirectly, any identifying information in sealed records without written consent of the individual to whom the information pertains.

(b) I will conduct a reasonable search for an individual being sought. I will make a discreet and confidential inquiry as to whether the individual consents to the release of information to the petitioner, or to meeting or communicating with the petitioner, and I will report to the petitioner and the court the results of my search and inquiry.

(c) If the petitioner and the individual being sought consent in writing to meet or communicate with each other, I will act in accordance with the instructions of those persons and, if applicable, the instructions of the court to facilitate any meeting or communication between them.

(d) I will not charge or accept any fee for my services except for reimbursement from the petitioner for actual expenses incurred in performing my services, or as authorized by the court.

(e) I recognize that I may be subject to contempt of court sanctions and dismissal by the court if I permit the release of confidential information without authorization."

(4) A confidential intermediary shall make a reasonable search for an individual whose identity is sought by a petitioner under this section. The confidential intermediary shall first search the court records. If it is necessary to obtain information from an agency or the department, the confidential intermediary shall provide a certified copy of the order of appointment to the agency or the department before requesting the records. If the confidential intermediary locates the individual being sought, the intermediary shall discreetly and confidentially contact the individual to ascertain whether the individual is willing to release information to the petitioner or to meet or communicate with the petitioner. If the individual consents in writing to the release of information, the intermediary shall release the information to the petitioner. Upon the mutual written consent of the petitioner and the individual, the intermediary may facilitate a meeting or other communication between the petitioner and the individual. If the individual refuses to authorize the release of information sought by the petitioner, the intermediary shall report the refusal to the petitioner and the court. If an individual sought under this section is deceased, the intermediary shall report that fact to the petitioner and the court.

(5) Except for a reasonable fee approved by the court and reimbursement for actual expenses incurred in performing services, a confidential intermediary shall not request or accept any money or other thing of value for serving as a confidential intermediary.

(6) If a confidential intermediary appointed under this section has failed to contact a former family member within 6 months after his or her appointment, the adult adoptee may petition the court for release of information described in section 27(3) and any additional information obtained by the confidential intermediary. Before a hearing on the petition, the confidential intermediary shall submit a written report to the court describing all efforts made to locate the former family member and all information obtained. After the hearing, the court shall do 1 of the following:

(a) Order the confidential intermediary to search for another 6-month period.

(b) Appoint a new confidential intermediary to search for a 6-month period.

(c) Release to the adult adoptee the identifying information described in section 27(3) and any other information that the court considers appropriate, if the court finds that a diligent search has been made and that there is good cause to release the information. The court's finding shall be made on the record.

CHAPTER XI

CHANGE OF NAME OF ADULT OR MINOR

711.1 Order changing name of adult, minor, or spouse and minor children.

Sec. 1. (1) The family division of the circuit court for a county may enter an order to change the name of an individual who has been a resident of the county for not less than 1 year and who in accordance with subsection (2) petitions in writing to the court for that purpose showing a sufficient reason for the proposed change and that the change is not sought with a fraudulent intent. If the individual who petitions for a name change has a criminal record, the individual is presumed to be seeking a name change with a fraudulent intent. The burden of proof is on a petitioner who has a criminal record to rebut the presumption. The court shall set a time and place for hearing and, except as provided in section 3 of this chapter, order publication as provided by supreme court rule.

(2) An individual who is 22 years of age or older and who petitions to have his or her name changed shall have 2 complete sets of his or her fingerprints taken at a local police agency. The fingerprints, along with a copy of the petition and the required processing fees, shall be forwarded to the department of state police. The department of state police shall compare those fingerprints with its records and shall forward a complete set of fingerprints to the federal bureau of investigation for a comparison with the records available to that agency. The department of state police shall report to the court in which the petition is filed the information contained in the department's records with respect to any pending charges against the petitioner or a record of conviction of the petitioner and shall report to the court similar information obtained from the federal bureau of investigation. If there are no pending charges or record of conviction against the petitioner, the department of state police shall destroy its copy of the petitioner's fingerprints. The court shall not act upon the petition for a name change until the department of state police reports the information required by this subsection to the court.

(3) If the court enters an order to change the name of an individual who has a criminal record, the court shall forward the order to the central records division of the Michigan state police and to 1 or more of the following:

(a) The department of corrections if the individual named in the order is in prison or on parole or has been imprisoned or released from parole in the immediately preceding 2 years.

(b) The sheriff of the county in which the individual named in the order was last convicted if the individual was incarcerated in a county jail or released from a county jail within the immediately preceding 2 years.

(c) The court that has jurisdiction over the individual named in the order if the individual named in the order is under the jurisdiction of the family division of the circuit court or has been discharged from the jurisdiction of that court within the immediately preceding 2 years.

(4) The court may permit an individual having the same name, or a similar name to that which the petitioner proposes to assume, to intervene in the proceeding for the purpose of showing fraudulent intent.

(5) Except as provided in subsection (7), if the petitioner is a minor, the petition shall be signed by the mother and father jointly; by the surviving parent if 1 is deceased; if both parents are deceased, by the guardian of the minor; or by 1 of the minor's parents if there is only 1 legal parent available to give consent. If either parent has been declared mentally incompetent, the petition may be signed by the guardian for that parent. The written consent to the change of name of a minor 14 years of age or older, signed by the minor in the presence of the court, shall be filed with the court before an order changing the name of the minor is entered. If the court considers the child to be of sufficient age to express a preference, the court shall consult a minor under 14 years of age as to a change in his or her name, and the court shall consider the minor's wishes.

(6) If the petitioner is married, the court, in its order changing the name of the petitioner, may include the name of the spouse, if the spouse consents, and may include the names of minor children of the petitioner of

whom the petitioner has legal custody. The written consent to the change of name of a child 14 years of age or older, signed by the child in the presence of the court, shall be filed with the court before the court includes that child in its order. Except as provided in subsection (7), the name of a minor under 14 years of age may not be changed unless he or she is the natural or adopted child of the petitioner and unless consent is obtained from the mother and father jointly, from the surviving parent if 1 is deceased, or from 1 of the minor's parents if there is only 1 legal parent available to give consent. If the court considers the child to be of sufficient age to express a preference, the court shall consult a minor under 14 years of age as to a change in his or her name, and the court shall consider the minor's wishes.

(7) The name of a minor may be changed pursuant to subsection (5) or (6) with the consent or signature of the custodial parent upon notice to the noncustodial parent as provided in supreme court rule and after a hearing in either of the following circumstances:

(a) If both of the following occur:

(i) The other parent, having the ability to support or assist in supporting the child, has failed or neglected to provide regular and substantial support for the child or, if a support order has been entered, has failed to substantially comply with the order, for 2 years or more before the filing of the petition.

(ii) The other parent, having the ability to visit, contact, or communicate with the child, has regularly and substantially failed or neglected to do so for 2 years or more before the filing of the petition.

(b) The other parent has been convicted of a violation of section 136b, 520b, 520c, 520d, 520e, or 520g of the Michigan penal code, 1931 PA 328, MCL 750.136b, 750.520b to 750.520e, and 750.520g, and the child or a sibling of the child is a victim of the crime.

711.3 Publication or availability of record of proceeding; placement of individual in physical danger; violation as misdemeanor; exemption; “stalking” defined.

Sec. 3. (1) In a proceeding under section 1 of this chapter, the court may order for good cause that no publication of the proceeding take place and that the record of the proceeding be confidential. Good cause under this section includes, but is not limited to, evidence that publication or availability of a record of the proceeding could place the petitioner or another individual in physical danger, such as evidence that the petitioner or another individual has been the victim of stalking or an assaultive crime.

(2) Evidence under subsection (1) of the possibility of physical danger must include the petitioner's or the endangered individual's sworn statement stating the reason for the fear of physical danger if the record is published or otherwise available. If evidence is offered of stalking or an assaultive crime, the court shall not require proof of an arrest or prosecution for that crime to reach a finding of good cause under subsection (1).

(3) A court officer, employee, or agent who divulges, uses, or publishes, beyond the scope of his or her duties with the court, information from a record made confidential under this section is guilty of a misdemeanor. This subsection does not apply to a disclosure under a court order.

(4) A confidential record created under this section is exempt from disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246.

(5) As used in this section, “stalking” means that term as defined in sections 411h and 411i of the Michigan penal code, 1931 PA 328, MCL 750.411h and 750.411i.

Compiler's note: Enacting section 1 of Act 232 of 2000 provides:

"Enacting section 1, Section 19b of chapter XIA of the probate code of 1939, 1939 PA 288, MCL 712A.19b, as amended by this amendatory act, and chapter XII of the probate code of 1939, 1939 PA 288, as added by this amendatory act, do not apply to a proceeding that arises before the effective date of this amendatory act."

The heading to Chapter XII added by 2000 PA 232 ("SAFE DELIVERY OF NEWBORNS") was incorrectly referenced in 2000 PA 235 as "SURRENDERED NEWBORNS." The chapter heading evidently should read "SAFE DELIVERY OF NEWBORNS."

(3) Unless this chapter specifically provides otherwise, a provision in another chapter of this act does not apply to a proceeding under this chapter. Unless this chapter specifically provides otherwise, the child custody act of 1970, 1970 PA 91, MCL 722.21 to 722.30, does not apply to a proceeding under this chapter.

(4) A hospital and a child placing agency, and their agents and employees, are immune in a civil action for damages for an act or omission in accepting or transferring a newborn under this chapter, except for an act or omission constituting gross negligence or willful or wanton misconduct. To the extent not protected by the immunity conferred by 1964 PA 170, MCL 691.1401 to 691.1415, an employee or contractor of a fire department or police station has the same immunity that this subsection provides to a hospital's or child placing agency's agent or employee.

(C) The juvenile is alleged to have committed a commercial sexual activity as that term is defined in section 462a of the Michigan penal code, 1931 PA 328, MCL 750.462a or a delinquent act that is the result of force, fraud, coercion, or manipulation exercised by a parent or other adult.

(D) The juvenile's custodial parent or legally responsible person has died or has become permanently incapacitated and no appropriate parent or legally responsible person is willing and able to provide care for the juvenile.

(4) Whose parent has substantially failed, without good cause, to comply with a limited guardianship placement plan described in section 5205 of the estates and protected individuals code, 1998 PA 386, MCL 700.5205, regarding the juvenile.

(6) If the juvenile has a guardian under the estates and protected individuals code, 1998 PA 386, MCL 700.1101 to 700.8206, and the juvenile's parent meets both of the following criteria:

(A) The parent, having the ability to support or assist in supporting the juvenile, has failed or neglected, without good cause, to provide regular and substantial support for the juvenile for 2 years or more before the filing of the petition or, if a support order has been entered, has failed to substantially comply with the order for 2 years or more before the filing of the petition. (c) Jurisdiction over juveniles under 18 years of age, jurisdiction of whom has been waived to the family division of circuit court by a circuit court under a provision in a temporary order for custody of juveniles based upon a complaint for divorce or upon a motion related to a complaint for divorce by the prosecuting attorney, in a divorce judgment dissolving a marriage between the juvenile's parents, or by an amended judgment relative to the juvenile's custody in a divorce.

If a juvenile is brought before the court in a county other than that in which the juvenile resides, before a hearing and with the consent of the judge of the court in the county of residence, the court may enter an order transferring jurisdiction of the matter to the court of the county of residence. Consent to transfer jurisdiction is not required if the county of residence is a county juvenile agency and satisfactory proof of residence is furnished to the court of the county of residence. The order does not constitute a legal settlement in this state that is required for the purpose of section 55 of the social welfare act, 1939 PA 280, MCL 400.55. The order and a certified copy of the proceedings in the transferring court shall be delivered to the court of the county of residence. A case designated as a case in which the juvenile shall be tried in the same manner as an adult under section 2d of this chapter may be transferred for venue or for juvenile disposition, but shall not be transferred on grounds of residency. If the case is not transferred, the court having jurisdiction of the offense shall try the case.

(e) Authority to establish or assist in developing a program or programs within the county to prevent delinquency and provide services to act upon reports submitted to the court related to the behavior of a juvenile who does not require formal court jurisdiction but otherwise falls within subdivision (a). These services shall be used only if the juvenile and his or her parents, guardian, or custodian voluntarily accepts them.

(f) If the court operates a detention home for juveniles within the court's jurisdiction under subdivision (a)(1), authority to place a juvenile within that home pending trial if the juvenile is within the circuit court's jurisdiction under section 606 of the revised judicature act of 1961, 1961 PA 236, MCL 600.606, and if the circuit court orders the family division of circuit court in the same county to place the juvenile in that home. The family division of circuit court shall comply with that order.

(g) Authority to place a juvenile in a county jail under section 27a of chapter IV of the code of criminal procedure, 1927 PA 175, MCL 764.27a, if the court designates the case under section 2d of this chapter as a case in which the juvenile is to be tried in the same manner as an adult and the court determines there is probable cause to believe that the offense was committed and probable cause to believe the juvenile committed that offense.

(h) Jurisdiction over a proceeding under section 2950 or 2950a of the revised judicature act of 1961, 1961

PA 236, MCL 600.2950 and 600.2950a, in which a minor less than 18 years of age is the respondent, or a proceeding to enforce a valid foreign protection order issued against a respondent who is a minor less than 18 years of age. A personal protection order shall not be issued against a respondent who is a minor less than 10 years of age. Venue for an initial action under section 2950 or 2950a of the revised judiciary act of 1961, 1961 PA 236, MCL 600.2950 and 600.2950a, is proper in the county of residence of either the petitioner or respondent. If the respondent does not live in this state, venue for the initial action is proper in the petitioner's county of residence.

Sec. 2a. (1) Except as otherwise provided in this section, if the court has exercised jurisdiction over a juvenile under section 2(a) or (b) of this chapter, jurisdiction shall continue for a period of 2 years beyond the maximum age of jurisdiction conferred under section 2 of this chapter, unless the juvenile is released sooner by court order.

(2) If the department files a report with the court under section 15 of the young adult voluntary foster care act, 2011 PA 225, MCL 400.655, the court shall determine whether it is in the youth's best interests to continue in voluntary foster care within 21 days of the filing of the report. A hearing is not required under this subsection, but may be held on the court's own motion or at the request of the youth or the department.

(3) If the court finds that the voluntary foster care agreement is in the youth's best interests, the court shall issue an order containing individualized findings to support its determinations made under subsection (2) and close the case in accordance with section 19 of the young adult voluntary foster care act, 2011 PA 225, MCL 400.659. The individualized findings shall be based on the department's written report and other materials and information submitted to the court.

(4) If the court has appointed a guardian under section 19a or 19c of this chapter for a youth age 16 or older, the court shall retain jurisdiction of the youth until the department determines the youth's eligibility to receive extended guardianship assistance under the young adult voluntary foster care act, 2011 PA 225, MCL 400.641 to 400.671, that shall be completed within 120 days of the youth's eighteenth birthday. If the department determines the youth will receive extended guardianship assistance, the court shall retain jurisdiction of the youth until that youth no longer receives guardianship assistance.

(5) If the court has exercised jurisdiction over a juvenile under section 2(a)(1) of this chapter for an offense that, if committed by an adult, would be a violation or attempted violation of section 72, 83, 84, 86, 88, 89, 91, 110a(2), 186a, 316, 317, 349, 520b, 520c, 520d, 520g, 529, 529a, 530, or 531 of the Michigan penal code, 1931 PA 328, MCL 750.72, 750.83, 750.84, 750.86, 750.88, 750.89, 750.91, 750.110a, 750.186a, 750.316, 750.317, 750.349, 750.520b, 750.520c, 750.520d, 750.520g, 750.529, 750.529a, 750.530, and 750.531, or section 7401(2)(a)(i) or 7403(2)(a)(i) of the public health code, 1978 PA 368, MCL 333.7401 and 333.7403, jurisdiction may be continued under section 18d of this chapter until the juvenile is 21 years of age.

(6) If the court exercised jurisdiction over a child under section 2(h) of this chapter, jurisdiction of the court continues until the order expires but action regarding the personal protection order after the respondent's

eighteenth birthday is not subject to this chapter.

(7) This section does not apply if the juvenile is sentenced to the jurisdiction of the department of corrections.

(8) Except as provided in subsection (9), as used in this chapter, "child", "minor", "youth", or any other term signifying a person under the age of 18 applies to a person 18 years of age or older concerning whom proceedings are commenced in the court under section 2 of this chapter and over whom the court has continuing jurisdiction under subsections (1) to (6).

(9) For the purpose of this section only, "juvenile" applies to a person 18 years of age or older concerning whom proceedings are commenced in the court under section 2 of this chapter and over whom the court has continuing jurisdiction under subsections (1) to (6).

712A.2d Juvenile to be tried as adult; designation by prosecuting attorney or court; factors; probable cause hearing; setting case for trial; proceedings as criminal proceedings; disposition or imposition of sentence; “specified juvenile violation” defined.

Sec. 2d. (1) In a petition or amended petition alleging that a juvenile is within the court's jurisdiction under section 2(a)(1) of this chapter for a specified juvenile violation, the prosecuting attorney may designate the case as a case in which the juvenile is to be tried in the same manner as an adult. An amended petition making a designation under this subsection shall be filed only by leave of the court.

(2) In a petition alleging that a juvenile is within the court's jurisdiction under section 2(a)(1) of this chapter for an offense other than a specified juvenile violation, the prosecuting attorney may request that the court designate the case as a case in which the juvenile is to be tried in the same manner as an adult. The court may designate the case following a hearing if it determines that the best interests of the juvenile and the public would be served by the juvenile being tried in the same manner as an adult. In determining whether the best interests of the juvenile and the public would be served, the court shall consider all of the following factors, giving greater weight to the seriousness of the alleged offense and the juvenile's prior delinquency record than to the other factors:

(a) The seriousness of the alleged offense in terms of community protection, including, but not limited to, the existence of any aggravating factors recognized by the sentencing guidelines, the use of a firearm or other dangerous weapon, and the impact on any victim.

(b) The juvenile's culpability in committing the alleged offense, including, but not limited to, the level of the juvenile's participation in planning and carrying out the offense and the existence of any aggravating or mitigating factors recognized by the sentencing guidelines.

(c) The juvenile's prior record of delinquency including, but not limited to, any record of detention, any police record, any school record, or any other evidence indicating prior delinquent behavior.

(d) The juvenile's programming history, including, but not limited to, the juvenile's past willingness to participate meaningfully in available programming.

(e) The adequacy of the punishment or programming available in the juvenile justice system.

(f) The dispositional options available for the juvenile.

(3) If a case is designated under this section, the case shall be set for trial in the same manner as the trial of an adult in a court of general criminal jurisdiction unless a probable cause hearing is required under subsection (4).

(4) If the petition in a case designated under this section alleges an offense that if committed by an adult would be a felony or punishable by imprisonment for more than 1 year, the court shall conduct a probable cause hearing not later than 14 days after the case is designated to determine whether there is probable cause to believe the offense was committed and whether there is probable cause to believe the juvenile committed the offense. This hearing may be combined with the designation hearing under subsection (2) for an offense other than a specified juvenile offense. A probable cause hearing under this section is the equivalent of the preliminary examination in a court of general criminal jurisdiction and satisfies the requirement for that hearing. A probable cause hearing shall be conducted by a judge other than the judge who will try the case if the juvenile is tried in the same manner as an adult.

(5) If the court determines there is probable cause to believe the offense alleged in the petition was committed and probable cause to believe the juvenile committed the offense, the case shall be set for trial in the same manner as the trial of an adult in a court of general criminal jurisdiction.

(6) If the court determines that an offense did not occur or there is not probable cause to believe the juvenile committed the offense, the court shall dismiss the petition. If the court determines there is probable cause to believe another offense was committed and there is probable cause to believe the juvenile committed that offense, the court may further determine whether the case should be designated as a case in which the juvenile should be tried in the same manner as an adult as provided in subsection (2). If the court designates the case, the case shall be set for trial in the same manner as the trial of an adult in a court of general criminal jurisdiction.

(7) If a case is designated under this section, the proceedings are criminal proceedings and shall afford all procedural protections and guarantees to which the juvenile would be entitled if being tried for the offense in a court of general criminal jurisdiction. A plea of guilty or nolo contendere or a verdict of guilty shall result in entry of a judgment of conviction. The conviction shall have the same effect and liabilities as if it had been obtained in a court of general criminal jurisdiction.

(8) Following a judgment of conviction, the court shall enter a disposition or impose a sentence authorized under section 18(1)(n) of this chapter.

(9) As used in this section, “specified juvenile violation” means any of the following:

(a) A violation of section 72, 83, 86, 89, 91, 316, 317, 349, 520b, 529, 529a, or 531 of the Michigan penal code, 1931 PA 328, MCL 750.72, 750.83, 750.86, 750.89, 750.91, 750.316, 750.317, 750.349, 750.520b, 750.529, 750.529a, and 750.531.

(b) A violation of section 84 or 110a(2) of the Michigan penal code, 1931 PA 328, MCL 750.84 and 750.110a, if the juvenile is armed with a dangerous weapon. As used in this subdivision, “dangerous weapon” means 1 or more of the following:

(iii) An object that is likely to cause death or bodily injury when used as a weapon and that is used as a weapon or carried or possessed for use as a weapon.

(iv) An object or device that is used or fashioned in a manner to lead a person to believe the object or device is an object or device described in subparagraphs (i) to (iii).

(c) A violation of section 186a of the Michigan penal code, 1931 PA 328, MCL 750.186a, regarding escape or attempted escape from a juvenile facility, but only if the juvenile facility from which the juvenile escaped or attempted to escape was 1 of the following:

(i) A high-security or medium-security facility operated by the family independence agency or a county juvenile agency.

(ii) A high-security facility operated by a private agency under contract with the family independence agency or a county juvenile agency.

(d) A violation of section 7401(2)(a)(i) or 7403(2)(a)(i) of the public health code, 1978 PA 368, MCL 333.7401 and 333.7403.

(e) An attempt to commit a violation described in subdivisions (a) to (d).

(f) Conspiracy to commit a violation described in subdivisions (a) to (d).

(g) Solicitation to commit a violation described in subdivisions (a) to (d).

(h) Any lesser included offense of an offense described in subdivisions (a) to (g) if the juvenile is alleged in the petition to have committed an offense described in subdivisions (a) to (g).

(i) Any other offense arising out of the same transaction as an offense described in subdivisions (a) to (g) if the juvenile is alleged in the petition to have committed an offense described in subdivisions (a) to (g).

712A.2e Waiver of jurisdiction over civil infractions; agreement.

Sec. 2e. (1) The court may enter into an agreement with any or all district courts or municipal courts within the court's geographic jurisdiction to waive jurisdiction over any or all civil infractions alleged to have been committed by juveniles within the geographic jurisdiction of the district court or municipal court. The agreement shall specify for which civil infractions the court waives jurisdiction.

(2) For a civil infraction waived under subsection (1) committed by a juvenile on or after the effective date of the agreement, the district court or municipal court has jurisdiction over the juvenile in the same manner as if an adult had committed the civil infraction. Sec. 2f. (1) If the court determines that formal jurisdiction should not be acquired over a juvenile, the court may proceed in an informal manner referred to as a consent calendar.

(2) A case shall not be placed on the consent calendar unless the juvenile and the parent, guardian, or legal custodian and the prosecutor agree to have the case placed on the consent calendar.

(4) After a case is placed on the consent calendar, the prosecutor shall provide the victim with notice as required by article 2 of the William Van Regenmorter crime victim's rights act, 1985 PA 87, MCL 780.781 to 780.802.

(5) Consent calendar cases must be maintained in the following nonpublic manner:

(a) Access to consent calendar case records shall be provided to the juvenile, the juvenile's parents, guardian, or legal custodian, the guardian ad litem, counsel for the juvenile, the department of health and human services if related to an investigation of neglect and abuse, law enforcement personnel, prosecutor, and other courts. However, consent calendar case records shall not be disclosed to federal agencies or military recruiters. For purposes of this subsection, "case records" includes the pleadings, motions, authorized petitions, notices, memoranda, briefs, exhibits, available transcripts, findings of the court, register of actions, consent calendar case plan, and court orders related to the case placed on the consent calendar.

(b) The contents of the confidential file, as defined in MCR 3.903, shall continue to be maintained confidentially.

(6) The court shall conduct a consent calendar conference with the juvenile, the juvenile's attorney, if any, and the juvenile's parent, guardian, or legal custodian to discuss the allegations. The prosecuting attorney and victim may be, but are not required to be, present.

(7) If it appears to the court that the juvenile has engaged in conduct that would subject the juvenile to the jurisdiction of the court, the court shall issue a written consent calendar case plan. All of the following apply to a consent calendar case plan:

(a) The plan may include a provision requiring the juvenile, parent, guardian, or legal custodian to reimburse the court for the cost of the consent calendar services for the juvenile. The reimbursement amount shall be reasonable, taking into account the juvenile's income and resources. The plan shall also include a requirement that the juvenile pay restitution under the William Van Regenmorter crime victim's rights act, 1985 PA 87, MCL 780.751 to 780.834.

(b) A consent calendar case plan shall not contain a provision removing the juvenile from the custody of the juvenile's parent, guardian, or legal custodian.

(c) The consent calendar case plan is not an order of the court, but shall be included as a part of the case record.

(d) Violation of the terms of the consent calendar case plan may result in the court's returning the case to the formal calendar for further proceedings consistent with subsection (10).

(8) The court shall not enter an order of disposition in a case while it is on the consent calendar.

(9) Upon successful completion by the juvenile of the consent calendar case plan, the court shall close the case and shall destroy all records of the proceeding in accordance with the records management policies and procedures of the state court administrative office, established in accordance with supreme court rules.

(10) If it appears to the court at any time that proceeding on the consent calendar is not in the best interest of either the juvenile or the public, the court shall proceed as follows:

(a) If the court did not authorize the original petition, the court may, without hearing, transfer the case from the consent calendar to the formal calendar on the charges contained in the original petition to determine whether the petition should be authorized.

(b) If the court authorized the original petition, the court may transfer the case from the consent calendar to the formal calendar on the charges contained in the original petition only after a hearing. After transfer to the formal calendar, the court shall proceed with the case from where it left off before being placed on the consent calendar.

(11) Statements made by the juvenile during the proceeding on the consent calendar shall not be used against the juvenile at a trial on the formal calendar on the same charge.

(12) Upon a judicial determination that the juvenile has completed the terms of the consent calendar case plan, the court shall report the successful completion of the consent calendar to the juvenile and the department of state police. The department of state police shall maintain a nonpublic record of the case. This record shall be open to the courts of this state, another state, or the United States, the department of corrections, law enforcement personnel, and prosecutors only for use in the performance of their duties or to determine whether an employee of the court, department, law enforcement agency, or prosecutor's office has violated his or her conditions of employment or whether an applicant meets criteria for employment with the court, department, law enforcement agency, or prosecutor's office.

Sec. 3. (1) If during the pendency of a criminal charge against a person in any other court it is ascertained that the person was under the age of 17 at the time of the commission of the offense, the other court shall transfer the case without delay, together with all the papers, documents, and testimony connected with that case, to the family division of the circuit court of the county in which the other court is situated or in which the person resides.

(2) The court making the transfer shall order the child to be taken promptly to the place of detention designated by the family division of the circuit court or to that court itself or release the juvenile in the custody of some suitable person to appear before the court at a time designated. The court shall then hear and dispose of the case in the same manner as if it had been originally instituted in that court.

Sec. 3a. When any order affecting the welfare of a child is entered under this chapter by the judge of probate in any case where the child is subject to the prior or continuing order of any other court of this state, a notice thereof shall be filed in such other court and a copy of such notice shall be served personally or by registered mail upon the parents, guardian, or persons in loco parentis and upon the prosecuting attorney of the county wherein such other court is located. Such notices shall not disclose any allegations or findings of facts set forth in such petitions or orders, nor the actual person or institution to whom custody is changed. 712A.4 Waiver of jurisdiction when child of 14 or older accused of felony.

Sec. 4. (1) If a juvenile 14 years of age or older is accused of an act that if committed by an adult would be a felony, the judge of the family division of circuit court in the county in which the offense is alleged to have been committed may waive jurisdiction under this section upon motion of the prosecuting attorney. After waiver, the juvenile may be tried in the court having general criminal jurisdiction of the offense.

(2) Before conducting a hearing on the motion to waive jurisdiction, the court shall give notice of the hearing in the manner provided by supreme court rule to the juvenile and the prosecuting attorney and, if addresses are known, to the juvenile's parents or guardians. The notice shall state clearly that a waiver of jurisdiction to a court of general criminal jurisdiction has been requested and that, if granted, the juvenile can be prosecuted for the alleged offense as though he or she were an adult.

(3) Before the court waives jurisdiction, the court shall determine on the record if there is probable cause to believe that an offense has been committed that if committed by an adult would be a felony and if there is probable cause to believe that the juvenile committed the offense. Before a juvenile may waive a probable cause hearing under this subsection, the court shall inform the juvenile that a waiver of this subsection waives the preliminary examination required by chapter VI of the code of criminal procedure, Act No. 175 of the Public Acts of 1927, being sections 766.1 to 766.18 of the Michigan Compiled Laws.

(4) Upon a showing of probable cause under subsection (3), the court shall conduct a hearing to determine if the best interests of the juvenile and the public would be served by granting a waiver of jurisdiction to the court of general criminal jurisdiction. In making its determination, the court shall consider all of the following criteria, giving greater weight to the seriousness of the alleged offense and the juvenile's prior record of delinquency than to the other criteria:

(a) The seriousness of the alleged offense in terms of community protection, including, but not limited to,

the existence of any aggravating factors recognized by the sentencing guidelines, the use of a firearm or other dangerous weapon, and the impact on any victim.

(b) The culpability of the juvenile in committing the alleged offense, including, but not limited to, the level of the juvenile's participation in planning and carrying out the offense and the existence of any aggravating or mitigating factors recognized by the sentencing guidelines.

(c) The juvenile's prior record of delinquency including, but not limited to, any record of detention, any police record, any school record, or any other evidence indicating prior delinquent behavior.

(d) The juvenile's programming history, including, but not limited to, the juvenile's past willingness to participate meaningfully in available programming.

(e) The adequacy of the punishment or programming available in the juvenile justice system.

(f) The dispositional options available for the juvenile.

(5) If the court determines that there is probable cause to believe that an offense has been committed that if committed by an adult would be a felony and that the juvenile committed the offense, the court shall waive jurisdiction of the juvenile if the court finds that the juvenile has previously been subject to the jurisdiction of the circuit court under this section or section 606 of the revised judicature act of 1961, Act No. 236 of the Public Acts of 1961, being section 600.606 of the Michigan Compiled Laws, or the recorder's court of the city of Detroit under this section or section 10a(1)(c) of Act No. 369 of the Public Acts of 1919, being section 725.10a of the Michigan Compiled Laws.

(6) If legal counsel has not been retained or appointed to represent the juvenile, the court shall advise the juvenile and his or her parents, guardian, custodian, or guardian ad litem of the juvenile's right to representation and appoint legal counsel. If the court appoints legal counsel, the judge may assess the cost of providing legal counsel as costs against the juvenile or those responsible for his or her support, or both, if the persons to be assessed are financially able to comply.

(7) Legal counsel shall have access to records or reports provided and received by the judge as a basis for decision in proceedings for waiver of jurisdiction. A continuance shall be granted at legal counsel's request if any report, information, or recommendation not previously available is introduced or developed at the hearing and the interests of justice require a continuance.

(8) The court shall enter a written order either granting or denying the motion to waive jurisdiction and the court shall state on the record or in a written opinion the court's findings of fact and conclusions of law forming the basis for entering the order. If a juvenile is waived, a transcript of the court's findings or a copy of the written opinion shall be sent to the court of general criminal jurisdiction.

(9) If the court does not waive jurisdiction, a transcript of the court's findings or, if a written opinion is prepared, a copy of the written opinion shall be sent to the prosecuting attorney, juvenile, or juvenile's attorney upon request.

(10) If the court waives jurisdiction, the juvenile shall be arraigned on an information filed by the prosecutor in the court of general criminal jurisdiction. The probable cause finding under subsection (3) satisfies the requirements of, and is the equivalent of, the preliminary examination required by chapter VI of Act No. 175 of the Public Acts of 1927.

(11) As used in this section, "felony" means an offense punishable by imprisonment for more than 1 year or an offense designated by law as a felony.

Sec. 5. The court does not have jurisdiction over a juvenile after he or she attains the age of 18 years, except as provided in section 2a of this chapter. A commitment of a juvenile to a private or public institution or agency is not valid after the juvenile has reached the age beyond which the court does not have continuing jurisdiction under section 2a of this chapter. Commitments to a private or incorporated institution or agency do not divest the court of jurisdiction unless the juvenile is adopted in a manner provided by law.

712A.11 Preliminary inquiry; petition; effect of juvenile attaining seventeenth birthday; fingerprints; amendment of petition or other court record; offer of court services.

Sec. 11. (1) Except as provided in subsection (2), if a person gives information to the court that a juvenile is within section 2(a)(2) to (4), (b), (c), or (d) of this chapter, a preliminary inquiry may be made to determine whether the interests of the public or the juvenile require that further action be taken. If the court determines that formal jurisdiction should be acquired, the court shall authorize a petition to be filed. However, the court may proceed on the consent calendar under section 2f of this chapter if at any time before disposition the court determines that a case should not proceed on the formal calendar but that the protective and supportive action by the court will serve the best interests of the juvenile and the public.

(2) Only the prosecuting attorney may file a petition requesting the court to take jurisdiction of a juvenile allegedly within section 2(a)(1) of this chapter. If the prosecuting attorney submits a petition requesting the court to take jurisdiction of a juvenile allegedly within section 2(a)(1) of this chapter and the court determines that formal jurisdiction should be acquired, the court shall authorize a petition to be filed.

(3) The petition described in subsections (1) and (2) shall be verified and may be upon information and belief. The petition shall set forth plainly the facts that bring the juvenile within this chapter and shall contain all of the following information:

- (a) The juvenile's name, birth date, and address.
- (b) The name and address of the juvenile's parents.
- (c) The name and address of the juvenile's legal guardian, if there is one.
- (d) The name and address of each person having custody or control of the juvenile.
- (e) The name and address of the juvenile's nearest known relative, if no parent or guardian can be found.

(4) If any of the facts required under subsection (3) are not known to the petitioner, the petition shall state that the facts are not known. If the juvenile attains his or her seventeenth birthday after the filing of the petition, the court's jurisdiction shall continue beyond the juvenile's seventeenth birthday and the court may hear and dispose of the petition under this chapter.

(5) When a petition is authorized, the court shall examine the court file to determine if a juvenile has had fingerprints taken as required under section 3 of 1925 PA 289, MCL 28.243. If a juvenile has not had his or her fingerprints taken, the court shall do either of the following:

(a) Order the juvenile to submit himself or herself to the police agency that arrested or obtained the warrant for the arrest of the juvenile so the juvenile's fingerprints can be taken.

(b) Order the juvenile committed to the custody of the sheriff for the taking of the juvenile's fingerprints.

(6) A petition or other court record may be amended at any stage of the proceedings as the ends of justice require.

(7) If the juvenile diversion act, 1988 PA 13, MCL 722.821 to 722.831, is complied with and the court determines that court services can be used in the prevention of delinquency without formal jurisdiction, the court may offer court services to a juvenile without a petition being authorized as provided in section 2(e) of this chapter.

Sec. 13. Service of summons may be made anywhere in the state personally by the delivery of true copies thereof to the persons summoned: Provided, That if the judge is satisfied that it is impracticable to serve personally such summons or the notice provided for in the preceding section, he may order service by registered mail addressed to their last known addresses, or by publication thereof, or both, as he may direct. It shall be sufficient to confer jurisdiction if (1) personal service is effected at least 72 hours before the date of hearing; (2) registered mail is mailed at least 5 days before the date of hearing if within the state or 14 days if outside of the state; (3) publication is made once in some newspaper printed and circulated in the county in which said court is located at least 1 week before the time fixed in the summons or notice for the hearing.

712A.13a Definitions; petition; release of juvenile; order removing abusive person from home; placement of child; foster care; conditions; duty of court to inform parties; criminal record check and central registry clearance; family-like setting; parenting time; siblings; joint placement; visitation or other contact; review and modification of orders and plans; release of information; information included with order; "abuse" defined.

Sec. 13a. (1) As used in this section and sections 2, 6b, 13b, 17c, 17d, 18f, 19, 19a, 19b, and 19c of this chapter:

(a) "Agency" means a public or private organization, institution, or facility that is performing the functions under part D of title IV of the social security act, 42 USC 651 to 669b, or that is responsible under court order or contractual arrangement for a juvenile's care and supervision.

(b) "Agency case file" means the current file from the agency providing direct services to the child, that can include the child protective services file if the child has not been removed from the home or the department or contract agency foster care file as provided under 1973 PA 116, MCL 722.111 to 722.128.

(c) "Attorney" means, if appointed to represent a child in a proceeding under section 2(b) or (c) of this chapter, an attorney serving as the child's legal advocate in a traditional attorney-client relationship with the child, as governed by the Michigan rules of professional conduct. An attorney defined under this subdivision owes the same duties of undivided loyalty, confidentiality, and zealous representation of the child's expressed wishes as the attorney would to an adult client. For the purpose of a notice required under these sections, attorney includes a child's lawyer-guardian ad litem.

(d) "Case service plan" means the plan developed by an agency and prepared under section 18f of this chapter that includes services to be provided by and responsibilities and obligations of the agency and activities, responsibilities, and obligations of the parent. The case service plan may be referred to using different names than case service plan including, but not limited to, a parent/agency agreement or a parent/agency treatment plan and service agreement.

(e) "Foster care" means care provided to a juvenile in a foster family home, foster family group home, or child caring institution licensed or approved under 1973 PA 116, MCL 722.111 to 722.128, or care provided to a juvenile in a relative's home under a court order.

(f) "Guardian ad litem" means an individual whom the court appoints to assist the court in determining the child's best interests. A guardian ad litem does not need to be an attorney.

(g) "Lawyer-guardian ad litem" means an attorney appointed under section 17c of this chapter. A lawyer-guardian ad litem represents the child, and has the powers and duties, as set forth in section 17d of this chapter. The provisions of section 17d of this chapter also apply to a lawyer-guardian ad litem appointed under each of the following:

(i) Section 5213 or 5219 of the estates and protected individuals code, 1998 PA 386, MCL 700.5213 and 700.5219.

(ii) Section 4 of the child custody act of 1970, 1970 PA 91, MCL 722.24.

(iii) Section 10 of the child protection law, 1975 PA 238, MCL 722.630.

(h) "Nonparent adult" means a person who is 18 years of age or older and who, regardless of the person's domicile, meets all of the following criteria in relation to a child over whom the court takes jurisdiction under this chapter:

(i) Has substantial and regular contact with the child.

(ii) Has a close personal relationship with the child's parent or with a person responsible for the child's health or welfare.

(iii) Is not the child's parent or a person otherwise related to the child by blood or affinity to the third degree.

(i) "Permanent foster family agreement" means an agreement for a child 14 years old or older to remain with a particular foster family until the child is 18 years old under standards and requirements established by the department, which agreement is among all of the following:

(i) The child.

(ii) If the child is a temporary ward, the child's family.

(iii) The foster family.

(iv) The child placing agency responsible for the child's care in foster care.

(j) "Relative" means an individual who is at least 18 years of age and related to the child by blood, marriage, or adoption, as grandparent, great-grandparent, great-great-grandparent, aunt or uncle, great-aunt or great-uncle, great-great-aunt or great-great-uncle, sibling, stepsibling, nephew or niece, first cousin or first cousin once removed, and the spouse of any of the above, even after the marriage has ended by death or divorce. A stepparent, ex-stepparent, or the parent who shares custody of a half-sibling shall be considered a relative for the purpose of placement. Notification to the stepparent, ex-stepparent, or the parent who shares custody of a half-sibling is required as described in section 4a of the foster care and adoption services act, 1994 PA 203, MCL 722.954a. A child may be placed with the parent of a man whom the court has found probable cause to believe is the putative father if there is no man with legally established rights to the child. A placement with the parent of a putative father under this subdivision is not a finding of paternity and does not confer legal standing on the putative father.

(k) "Sex offenders registration act" means the sex offenders registration act, 1994 PA 295, MCL 28.721 to 28.736.

(l) "Sibling" means a child who is related through birth or adoption by at least 1 common parent. Sibling includes that term as defined by the American Indian or Alaskan native child's tribal code or custom.

(2) If a juvenile is alleged to be within the provisions of section 2(b) of this chapter, the court may

authorize a petition to be filed at the conclusion of the preliminary hearing or inquiry. The court may authorize the petition upon a showing of probable cause that 1 or more of the allegations in the petition are true and fall within the provisions of section 2(b) of this chapter. If a petition is before the court because the department is required to submit the petition under section 17 of the child protection law, 1975 PA 238, MCL 722.637, the court shall hold a hearing on the petition within 24 hours or on the next business day after the petition is submitted, at which hearing the court shall consider at least the matters governed by subsections (4) and (5).

(3) Except as provided in subsections (5) and (6), if a petition under subsection (2) is authorized, the court may release the juvenile in the custody of either of the juvenile's parents or the juvenile's guardian or custodian under reasonable terms and conditions necessary for either the juvenile's physical health or mental well-being.

(4) The court may order a parent, guardian, custodian, nonparent adult, or other person residing in a child's home to leave the home and, except as the court orders, not to subsequently return to the home if all of the following take place:

(a) A petition alleging abuse of the child by the parent, guardian, custodian, nonparent adult, or other person is authorized under subsection (2).

(b) The court after a hearing finds probable cause to believe the parent, guardian, custodian, nonparent adult, or other person committed the abuse.

(c) The court finds on the record that the presence in the home of the person alleged to have committed the abuse presents a substantial risk of harm to the child's life, physical health, or mental well-being.

(5) If a petition alleges abuse by a person described in subsection (4), regardless of whether the court orders the alleged abuser to leave the child's home under subsection (4), the court shall not leave the child in or return the child to the child's home or place the child with a person not licensed under 1973 PA 116, MCL 722.111 to 722.128, unless the court finds that the conditions of custody at the placement and with the individual with whom the child is placed are adequate to safeguard the child from the risk of harm to the child's life, physical health, or mental well-being.

(6) If a court finds a parent is required by court order to register under the sex offenders registration act, the department may, but is not required to, make reasonable efforts to reunify the child with the parent. The court may order reasonable efforts to be made by the department.

(7) In determining whether to enter an order under subsection (4), the court may consider whether the parent who is to remain in the juvenile's home is married to the person to be removed or has a legal right to retain possession of the home.

(8) An order entered under subsection (4) may also contain 1 or more of the following terms or conditions:

(a) The court may require the alleged abusive parent to pay appropriate support to maintain a suitable home environment for the juvenile during the duration of the order.

(b) The court may order the alleged abusive person, according to terms the court may set, to surrender to a local law enforcement agency any firearms or other potentially dangerous weapons the alleged abusive person owns, possesses, or uses.

(c) The court may include any reasonable term or condition necessary for the juvenile's physical or mental well-being or necessary to protect the juvenile.

(9) The court may order placement of the child in foster care if the court finds all of the following conditions:

(a) Custody of the child with the parent presents a substantial risk of harm to the child's life, physical health, or mental well-being.

(b) No provision of service or other arrangement except removal of the child is reasonably available to adequately safeguard the child from risk as described in subdivision (a).

(c) Continuing the child's residence in the home is contrary to the child's welfare.

(d) Consistent with the circumstances, reasonable efforts were made to prevent or eliminate the need for removal of the child.

(e) Conditions of child custody away from the parent are adequate to safeguard the child's health and welfare.

(10) If the court orders placement of the juvenile outside the juvenile's home, the court shall inform the parties of the following:

(a) That the agency has the responsibility to prepare an initial services plan within 30 days of the juvenile's placement.

(b) The general elements of an initial services plan as required by the rules promulgated under 1973 PA 116, MCL 722.111 to 722.128.

(c) That participation in the initial services plan is voluntary without a court order.

(11) Before or within 7 days after a child is placed in a relative's home, the department shall perform a criminal record check and central registry clearance. If the child is placed in the home of a relative, the court shall order a home study to be performed and a copy of the home study to be submitted to the court not more than 30 days after the placement.

(12) In determining placement of a juvenile pending trial, the court shall order the juvenile placed in the most family-like setting available consistent with the juvenile's needs.

(13) If a juvenile is removed from the parent's custody at any time, the court shall permit the juvenile's parent to have regular and frequent parenting time with the juvenile. Parenting time between the juvenile and his or her parent shall not be less than 1 time every 7 days unless the court determines either that exigent circumstances require less frequent parenting time or that parenting time, even if supervised, may be harmful to the juvenile's life, physical health, or mental well-being. If the court determines that parenting time, even if supervised, may be harmful to the juvenile's life, physical health, or mental well-being, the court may suspend parenting time until the risk of harm no longer exists. The court may order the juvenile to have a psychological evaluation or counseling, or both, to determine the appropriateness and the conditions of parenting time.

(14) Reasonable efforts shall be made to do the following:

(a) Place siblings removed from their home in the same foster care, kinship guardianship, or adoptive placement, unless the supervising agency documents that a joint placement would be contrary to the safety or well-being of any of the siblings.

(b) In the case of siblings removed from their home who are not jointly placed, provide for visitation, at least monthly, or other ongoing interaction between the siblings, unless the supervising agency documents that visitation, at least monthly, or other ongoing interaction would be contrary to the safety or well-being of any of the siblings.

(15) If the supervising agency documents that visitation or other contact is contrary to the safety or well-being of any of the siblings and temporarily suspends visitation or contact, the supervising agency shall report its determination to the court for consideration at the next review hearing.

(16) If the supervising agency temporarily suspends visitation or contact, the court shall review the decision and determine whether sibling visitation or contact will be beneficial to the siblings. If so, the court shall order sibling visitation or contact to the extent reasonable.

(17) Upon the motion of any party, the court shall review custody and placement orders and initial services plans pending trial and may modify those orders and plans as the court considers under this section are in the juvenile's best interests.

(18) The court shall include in an order placing a child in foster care an order directing the release of information concerning the child in accordance with this subsection. If a child is placed in foster care, within 10 days after receipt of a written request, the agency shall provide the person who is providing the foster care with copies of all initial, updated, and revised case service plans and court orders relating to the child and all of the child's medical, mental health, and education reports, including reports compiled before the child was placed with that person.

(19) In an order placing a child in foster care, the court shall include both of the following:

(a) An order that the child's parent, guardian, or custodian provide the supervising agency with the name and address of each of the child's medical providers.

(b) An order that each of the child's medical providers release the child's medical records. The order may specify providers by profession or type of institution.

(20) As used in this section, "abuse" means 1 or more of the following:

(a) Harm or threatened harm by a person to a juvenile's health or welfare that occurs through nonaccidental physical or mental injury.

(b) Engaging in sexual contact or sexual penetration as defined in section 520a of the Michigan penal code, 1931 PA 328, MCL 750.520a, with a juvenile.

(c) Sexual exploitation of a juvenile, which includes, but is not limited to, allowing, permitting, or encouraging a juvenile to engage in prostitution or allowing, permitting, encouraging, or engaging in photographing, filming, or depicting a juvenile engaged in a listed sexual act as defined in section 145c of the Michigan penal code, 1931 PA 328, MCL 750.145c.

(d) Maltreatment of a juvenile.

712A.13b Change in foster care placement.

Sec. 13b. (1) If a child under the court's jurisdiction under section 2(b) of this chapter, or under MCI jurisdiction, control, or supervision, is placed in foster care, the agency shall not change the child's placement except under 1 of the following circumstances:

(a) The person providing the foster care requests or agrees to the change.

(b) Even though the person providing the foster care objects to a proposed change in placement, 1 of the following applies:

(i) The court orders the child returned home.

(ii) The change in placement is less than 30 days after the child's initial removal from his or her home.

(iii) The change in placement is less than 90 days after the child's initial removal from his or her home, and the new placement is with a relative.

(iv) The change in placement is in accordance with other provisions of this section.

(2) Except as provided in subsections (1) and (7), before a change in foster care placement takes effect, the agency shall do all of the following:

(a) Notify the state court administrative office of the proposed change in placement. Notice under this subdivision may be given by ordinary mail or by electronic means as agreed by the department and the state court administrative office.

(b) Notify the foster parents of the intended change in placement and inform them that, if they disagree with the decision, they may appeal within 3 days to a foster care review board. A foster parent may appeal orally, but must submit the appeal in writing immediately following the oral appeal. The agency shall provide the foster parents with the address and telephone number of a foster care review board with jurisdiction over the child.

(c) Maintain the current placement for not less than the time for appeal to the foster care review board and if a foster parent appeals, until the foster care review board determination.

(d) Notify the court with jurisdiction over the child and notify the child's lawyer guardian ad litem of the change in placement. Notice to the court under this subdivision may be given by ordinary mail or by electronic means as agreed by the department and the court that has jurisdiction over the child. The notice provided under this subdivision does not affect the department's placement discretion and shall include all of the following information:

(i) The reason for the change in placement.

(ii) The number of times the child's placement has been changed.

(iii) Whether or not the child will be required to change schools.

(iv) Whether or not the change will separate or reunite siblings or affect sibling visitation.

(3) Upon receipt of an appeal from foster parents under subsection (2) or (7), the foster care review board shall investigate the change in foster care placement within 7 days and shall report its findings and recommendations within 3 days after completion of the investigation to the court or, if the child is under MCI jurisdiction, control, or supervision, the MCI superintendent, to the foster care parents, to the parents, and to the agency.

(4) If after investigation the foster care review board determines that the move is in the child's best interests, the agency may move the child.

(5) If after investigation the foster care review board determines that the move is not in the child's best interest, the agency shall maintain the current placement until a finding and order by the court or, if the child is under MCI jurisdiction, control, or supervision, a decision by the MCI superintendent. The agency shall not return a child to a placement from which the child was removed under subsection (7) unless the court orders that placement's restoration under subsection (6) or the MCI superintendent approves that placement's restoration under this subsection. The foster care review board shall notify the court, or if the child is under MCI jurisdiction, control, or supervision, the MCI superintendent, about the board's and agency's disagreement. The court shall set a hearing date and provide notice to the foster parents, each interested party, and the prosecuting attorney if the prosecuting attorney has appeared in the case. The court shall set the hearing no sooner than 7 and no later than 14 days after receipt of the notice from the foster care review board. The rules of evidence do not apply to a hearing required by this subsection. Within 14 days after notification under this subsection, the MCI superintendent shall make a decision regarding the child's placement and shall inform each interested party what the decision is.

(6) After hearing testimony from the agency and any other interested party and considering any other evidence bearing upon the proposed change in placement, the court shall order the continuation or restoration

of the placement unless the court finds that the proposed change in placement is in the child's best interests.

(7) If the agency has reasonable cause to believe that the child has suffered sexual abuse or nonaccidental physical injury, or that there is substantial risk of harm to the child's emotional well-being, the agency may change the child's foster care placement without complying with subsection (1) or (2)(b) or (c). The agency shall include in the child's file documentation of its justification for action under this subsection. If a foster parent objects to the removal of a child under this subsection, he or she may appeal to the foster care review board within 3 days after the child's removal. The foster parent may appeal orally, but must submit the appeal in writing immediately following the oral appeal.

(8) At the time of or immediately following a child's removal under subsection (7), the agency shall inform the foster parents about the removal and that, if they disagree with the decision, they may appeal within 3 days to a foster care review board in the manner provided in subsection (7). The agency shall provide the foster parents with the address and telephone number of a foster care review board with jurisdiction over the child.

712A.14 Officers or county agent authorized to take child into custody; notice; detention facility; release of child; preliminary hearing; order; placement of child; foster care home services.

Sec. 14. (1) Any local police officer, sheriff or deputy sheriff, state police officer, county agent or probation officer of any court of record may, without the order of the court, immediately take into custody any child who is found violating any law or ordinance, or for whom there is reasonable cause to believe is violating or has violated a personal protection order issued under section 2(h) of this chapter by the court under section 2950 or 2950a of the revised judicature act of 1961, 1961 PA 236, MCL 600.2950 and 600.2950a, or for whom there is reasonable cause to believe is violating or has violated a valid foreign protection order. If the officer or county agent takes a child coming within the provisions of this chapter into custody, he or she shall immediately attempt to notify the parent or parents, guardian, or custodian. While awaiting the arrival of the parent or parents, guardian, or custodian, a child under the age of 17 years taken into custody under the provisions of this chapter shall not be held in any detention facility unless the child is completely isolated so as to prevent any verbal, visual, or physical contact with any adult prisoner. Unless the child requires immediate detention as provided for in this act, the officer shall accept the written promise of the parent or parents, guardian, or custodian, to bring the child to the court at a fixed time. The child shall then be released to the custody of the parent or parents, guardian, or custodian.

(2) If a child is not released under subsection (1), the child and his or her parents, guardian, or custodian, if they can be located, shall immediately be brought before the court for a preliminary hearing on the status of the child, and an order signed by a judge or a referee authorizing the filing of a complaint shall be entered or the child shall be released to his or her parent or parents, guardian, or custodian.

(3) If a complaint is authorized under subsection (2), the order shall state where the child is to be placed, pending investigation and hearing, which placement may be in any of the following:

(a) In the home of the child's parent, guardian, or custodian.

(b) If a child is within the court's jurisdiction under section 2(a) of this chapter, in a suitable foster care home subject to the court's supervision. Except as otherwise provided in subsections (4) and (5), if a child is within the court's jurisdiction under section 2(b) of this chapter, the court shall not place a child in a foster care home subject to the court's supervision.

(c) In a child care institution or child placing agency licensed by the department of human services to receive for care children within the jurisdiction of the court.

(d) In a suitable place of detention.

(4) Except as otherwise provided in subsection (5), if a court is providing at the time of the enactment of this subsection foster care home services subject to the court's supervision to children within section 2(b) of this chapter, the court may continue to provide those services through December 31, 1989. Beginning January 1, 1990, the court shall discontinue providing those services.

(5) If a court located in a county with a population in excess of 650,000 is providing at the time of the enactment of this subsection foster care home services subject to the court's supervision to children within section 2(b) of this chapter, the court may continue to provide those services through December 31, 1991. Beginning January 1, 1992, the court shall discontinue those services.

Sec. 14a. (1) If there is reasonable cause to believe that a child is at substantial risk of harm or is in surroundings that present an imminent risk of harm and the child's immediate removal from those surroundings is necessary to protect the child's health and safety, an officer may, without a court order, immediately take that child into protective custody. An officer who takes a child into protective custody under this section shall immediately notify the department of human services. While awaiting the arrival of the department of human services, the child shall not be held in a detention facility.

When a placement order is issued by a designated referee, the order shall take effect as an interim order pending a preliminary hearing.

(b) The circumstances warrant issuing an ex parte order pending the preliminary hearing.

(c) Consistent with the circumstances, reasonable efforts were made to prevent or eliminate the need for removal of the child.

Sec. 17b. (1) As used in this section:

(a) "Custodian of the videorecorded statement" means the investigating law enforcement agency, prosecuting attorney, or department of attorney general or another person designated under the county protocols established as required by section 8 of the child protection law, 1975 PA 238, MCL 722.628.

(b) "Developmental disability" means that term as defined in section 100a of the mental health code, 1974 PA 258, MCL 330.1100a, except that, for the purposes of implementing this section, developmental disability includes only a condition that is attributable to a mental impairment or to a combination of mental and physical impairments, and does not include a condition attributable to a physical impairment unaccompanied by a mental impairment.

(c) "Nonoffending parent or legal guardian" means a natural parent, stepparent, adoptive parent, or legally appointed or designated guardian of a witness who is not alleged to have committed a violation of the laws of

this state, another state, the United States, or a court order that is connected in any manner to a witness's videorecorded statement.

(d) "Videorecorded statement" means a witness's statement taken by a custodian of the videorecorded statement as provided in subsection (5). Videorecorded statement does not include a videorecorded deposition taken as provided in subsections (16) and (17).

(e) "Witness" means an alleged victim of an offense listed under subsection (2) who is either of the following:

- (i) A person under 16 years of age.
- (ii) A person 16 years of age or older with a developmental disability.

(2) This section only applies to either of the following:

(a) A proceeding brought under section 2(a)(1) of this chapter in which the alleged offense, if committed by an adult, would be a felony under section 136b, 145c, 520b to 520e, or 520g of the Michigan penal code, 1931 PA 328, MCL 750.136b, 750.145c, 750.520b to 750.520e, and 750.520g.

(b) A proceeding brought under section 2(b) of this chapter.

(3) If pertinent, the witness shall be permitted the use of dolls or mannequins, including, but not limited to, anatomically correct dolls or mannequins, to assist the witness in testifying on direct and cross-examination.

(4) A witness who is called upon to testify shall be permitted to have a support person sit with, accompany, or be in close proximity to the witness during his or her testimony. A notice of intent to use a support person shall name the support person, identify the relationship the support person has with the witness, and give notice to all parties to the proceeding that the witness may request that the named support person sit with the witness when the witness is called upon to testify during any stage of the proceeding. The notice of intent to use a named support person shall be filed with the court and shall be served upon all parties to the proceeding. The court shall rule on a motion objecting to the use of a named support person before the date at which the witness desires to use the support person.

(5) A custodian of the videorecorded statement may take a witness's videorecorded statement. The videorecorded statement shall be admitted at all proceedings except the adjudication stage instead of the live testimony of the witness. The videorecorded statement shall state the date and time that the statement was taken; shall identify the persons present in the room and state whether they were present for the entire video recording or only a portion of the video recording; and shall show a time clock that is running during the taking of the statement.

(7) A custodian of the videorecorded statement may release or consent to the release or use of a videorecorded statement or copies of a videorecorded statement to a law enforcement agency, an agency authorized to prosecute the criminal case to which the videorecorded statement relates, or an entity that is part of county protocols established under section 8 of the child protection law, 1975 PA 238, MCL 722.628. Each respondent and, if represented, his or her attorney has the right to view and hear the videorecorded statement at a reasonable time before it is offered into evidence. In preparation for a court proceeding and under protective conditions, including, but not limited to, a prohibition on the copying, release, display, or circulation of the videorecorded statement, the court may order that a copy of the videorecorded statement be given to the defense.

(8) If authorized by the prosecuting attorney in the county in which the videorecorded statement was taken and with the consent of a minor witness's nonoffending parent or legal guardian, a videorecorded statement may be used for purposes of training the custodians of the videorecorded statement in that county, or for purposes of training persons in another county that would meet the definition of custodian of the videorecorded statement had the videorecorded statement been taken in that other county, on the forensic interview protocol implemented as required by section 8 of the child protection law, 1975 PA 238, MCL 722.628. The consent required under this subsection must be obtained through the execution of a written, fully informed, time-limited, and revocable release of information. An individual participating in training under this subsection is also required to execute a nondisclosure agreement to protect witness confidentiality.

(9) Except as provided in this section, an individual, including, but not limited to, a custodian of the videorecorded statement, the witness, or the witness's parent, guardian, guardian ad litem, or attorney, shall not release or consent to release a videorecorded statement or a copy of a videorecorded statement.

(11) A videorecorded statement shall not be copied or reproduced in any manner except as provided in this section. A videorecorded statement is exempt from disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246, is not subject to release under another statute, and is not subject to disclosure under the Michigan court rules governing discovery. This section does not prohibit the production or release of a transcript of a videorecorded statement.

(12) Except as otherwise provided in subsection (15), if, upon the motion of a party or in the court's discretion, the court finds on the record that psychological harm to the witness would occur if the witness were to testify in the presence of the respondent at a court proceeding or in a videorecorded deposition taken as provided in subsection (13), the court shall order that the witness during his or her testimony be shielded from viewing the respondent in such a manner as to enable the respondent to consult with his or her attorney and to see and hear the testimony of the witness without the witness being able to see the respondent.

(13) In a proceeding brought under section 2(b) of this chapter, if, upon the motion of a party or in the court's discretion, the court finds on the record that psychological harm to the witness would occur if the witness were to testify at the adjudication stage, the court shall order to be taken a videorecorded deposition of a witness that shall be admitted into evidence at the adjudication stage instead of the live testimony of the witness. The examination and cross-examination of the witness in the videorecorded deposition shall proceed in the same manner as permitted at the adjudication stage.

(14) In a proceeding brought under section 2(a)(1) of this chapter in which the alleged offense, if committed by an adult, would be a felony under section 136b, 145c, 520b to 520e, or 520g of the Michigan penal code, 1931 PA 328, MCL 750.136b, 750.145c, 750.520b to 750.520e, and 750.520g, if, upon the motion of a party made before the adjudication stage, the court finds on the record that the special arrangements specified in subsection (15) are necessary to protect the welfare of the witness, the court shall order 1 or both of those special arrangements. In determining whether it is necessary to protect the welfare of the witness, the court shall consider both of the following:

- (a) The age of the witness.
- (b) The nature of the offense or offenses.

(15) If the court determines on the record that it is necessary to protect the welfare of the witness and grants the motion made under subsection (14), the court shall order 1 or both of the following:

(a) In order to protect the witness from directly viewing the respondent, the courtroom shall be arranged so that the respondent is seated as far from the witness stand as is reasonable and not directly in front of the witness stand. The respondent's position shall be located so as to allow the respondent to hear and see all witnesses and be able to communicate with his or her attorney.

(b) A questioner's stand or podium shall be used for all questioning of all witnesses by all parties, and shall be located in front of the witness stand.

(16) In a proceeding brought under section 2(a)(1) of this chapter in which the alleged offense, if committed by an adult, would be a felony under section 136b, 145c, 520b to 520e, or 520g of the Michigan penal code, 1931 PA 328, MCL 750.136b, 750.145c, 750.520b to 750.520e, and 750.520g, if, upon the motion of a party or in the court's discretion, the court finds on the record that the witness is or will be psychologically or emotionally unable to testify at a court proceeding even with the benefit of the protections afforded the witness in subsections (3), (4), and (15), the court shall order that a videorecorded deposition of a witness shall be taken to be admitted at the adjudication stage instead of the witness's live testimony.

(17) For purposes of the videorecorded deposition under subsection (16), the witness's examination and cross-examination shall proceed in the same manner as if the witness testified at the adjudication stage, and the court shall order that the witness, during his or her testimony, shall not be confronted by the respondent but shall permit the respondent to hear the testimony of the witness and to consult with his or her attorney.

(18) This section is in addition to other protections or procedures afforded to a witness by law or court rule.

(19) A person who intentionally releases a videorecorded statement in violation of this section is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$500.00, or both.

The waiver by a child shall be made in open court, on the record, and shall not be made unless the court finds on the record that the waiver was voluntarily and understandingly made. The child shall not waive the assistance of the lawyer-guardian ad litem. In addition to any other powers and duties, a lawyer-guardian ad litem's powers and duties include those prescribed in section 17d.

(8) If an attorney or lawyer-guardian ad litem is appointed for a party under this act, after a determination of ability to pay the court may enter an order assessing attorney costs against the party or the person responsible for that party's support, or against the money allocated from marriage license fees for family counseling services under section 3 of 1887 PA 128, MCL 551.103. If the child remains subject to the jurisdiction, control, or supervision of the court, or the Michigan children's institute or other agency, the court shall immediately appoint another lawyer-guardian ad litem to represent the child.

(10) To assist the court in determining a child's best interests, the court may appoint a guardian ad litem for a child involved in a proceeding under this chapter.

712A.17d Lawyer-guardian ad litem; powers and duties.

Sec. 17d. (1) A lawyer-guardian ad litem's duty is to the child, and not the court. The lawyer-guardian ad litem's powers and duties include at least all of the following:

- (a) The obligations of the attorney-client privilege.
 - (b) To serve as the independent representative for the child's best interests, and be entitled to full and active participation in all aspects of the litigation and access to all relevant information regarding the child.
 - (c) To determine the facts of the case by conducting an independent investigation including, but not limited to, interviewing the child, social workers, family members, and others as necessary, and reviewing relevant reports and other information. The agency case file shall be reviewed before disposition and before the hearing for termination of parental rights. Updated materials shall be reviewed as provided to the court and parties. The supervising agency shall provide documentation of progress relating to all aspects of the last court ordered treatment plan, including copies of evaluations and therapy reports and verification of parenting time not later than 5 business days before the scheduled hearing.
 - (d) To meet with or observe the child and assess the child's needs and wishes with regard to the representation and the issues in the case in the following instances:
 - (i) Before the pretrial hearing.
 - (ii) Before the initial disposition, if held more than 91 days after the petition has been authorized.
 - (iii) Before a dispositional review hearing.
 - (iv) Before a permanency planning hearing.
 - (v) Before a post-termination review hearing.
 - (vi) At least once during the pendency of a supplemental petition.
 - (vii) At other times as ordered by the court. Adjourned or continued hearings do not require additional visits unless directed by the court.
 - (e) The court may allow alternative means of contact with the child if good cause is shown on the record.
 - (f) To explain to the child, taking into account the child's ability to understand the proceedings, the lawyer-guardian ad litem's role.
 - (g) To file all necessary pleadings and papers and independently call witnesses on the child's behalf.
 - (h) To attend all hearings and substitute representation for the child only with court approval.
 - (i) To make a determination regarding the child's best interests and advocate for those best interests according to the lawyer-guardian ad litem's understanding of those best interests, regardless of whether the lawyer-guardian ad litem's determination reflects the child's wishes. The child's wishes are relevant to the lawyer-guardian ad litem's determination of the child's best interests, and the lawyer-guardian ad litem shall weigh the child's wishes according to the child's competence and maturity. Consistent with the law governing attorney-client privilege, the lawyer-guardian ad litem shall inform the court as to the child's wishes and preferences.
 - (j) To monitor the implementation of case plans and court orders, and determine whether services the court ordered for the child or the child's family are being provided in a timely manner and are accomplishing their purpose. The lawyer-guardian ad litem shall inform the court if the services are not being provided in a timely manner, if the family fails to take advantage of the services, or if the services are not accomplishing their intended purpose.
 - (k) Consistent with the rules of professional responsibility, to identify common interests among the parties and, to the extent possible, promote a cooperative resolution of the matter through consultation with the child's parent, foster care provider, guardian, and caseworker.
 - (l) To request authorization by the court to pursue issues on the child's behalf that do not arise specifically from the court appointment.
 - (m) To participate in training in early childhood, child, and adolescent development.
- (2) If, after discussion between the child and his or her lawyer-guardian ad litem, the lawyer-guardian ad litem determines that the child's interests as identified by the child are inconsistent with the lawyer-guardian ad litem's determination of the child's best interests, the lawyer-guardian ad litem shall communicate the child's position to the court. If the court considers the appointment appropriate considering the child's age and maturity and the nature of the inconsistency between the child's and the lawyer-guardian ad litem's identification of the child's interests, the court may appoint an attorney for the child. An attorney appointed under this subsection serves in addition to the child's lawyer-guardian ad litem.
- (3) The court or another party to the case shall not call a lawyer-guardian ad litem as a witness to testify regarding matters related to the case. The lawyer-guardian ad litem's file of the case is not discoverable.

712A.18 Orders of disposition; reimbursement; guidelines; restitution; condition of probation; revocation or alteration of terms and conditions; community service; biometric data; fingerprints; report to department of state police; payment of assessment; registration of juvenile provided in MCL 28.721 to 28.736; release from placement in juvenile boot camp; imposition of sentence in county jail facility; violation of personal protection order; costs; remission of payment.

Sec. 18. (1) If the court finds that a juvenile concerning whom a petition is filed is not within this chapter, the court shall enter an order dismissing the petition. Except as otherwise provided in subsection (10), if the court finds that a juvenile is within this chapter, the court shall order the juvenile returned to his or her parent if the return of the juvenile to his or her parent would not cause a substantial risk of harm to the juvenile or society. The court may also enter any of the following orders of disposition that are appropriate for the welfare of the juvenile and society in view of the facts proven and ascertained:

(a) Warn the juvenile or the juvenile's parents, guardian, or custodian and, except as provided in subsection (7), dismiss the petition.

(b) Place the juvenile on probation, or under supervision in the juvenile's own home or in the home of an adult who is related to the juvenile. As used in this subdivision, "related" means an individual who is not less than 18 years of age and related to the child by blood, marriage, or adoption, as grandparent, great-grandparent, great-great-grandparent, aunt or uncle, great-aunt or great-uncle, great-great-aunt or great-great-uncle, sibling, stepsibling, nephew or niece, first cousin or first cousin once removed, and the spouse of any of the above, even after the marriage has ended by death or divorce. A child may be placed with the parent of a man whom the court has found probable cause to believe is the putative father if there is no man with legally established rights to the child. This placement of the child with the parent of a man whom the court has found probable cause to believe is the putative father is for the purposes of placement only and is not to be construed as a finding of paternity or to confer legal standing. The court shall order the terms and conditions of probation or supervision, including reasonable rules for the conduct of the parents, guardian, or custodian, if any, as the court determines necessary for the physical, mental, or moral well-being and behavior of the juvenile. The court may order that the juvenile participate in a juvenile drug treatment court under chapter 10A of the revised judicature act of 1961, 1961 PA 236, MCL 600.1060 to 600.1088. The court also shall order, as a condition of probation or supervision, that the juvenile shall pay the minimum state cost prescribed by section 18m of this chapter.

(c) If a juvenile is within the court's jurisdiction under section 2(a) of this chapter, or under section 2(h) of this chapter for a supplemental petition, place the juvenile in a suitable foster care home subject to the court's supervision. If a juvenile is within the court's jurisdiction under section 2(b) of this chapter, the court shall not place a juvenile in a foster care home subject to the court's supervision.

(d) Except as otherwise provided in this subdivision, place the juvenile in or commit the juvenile to a private institution or agency approved or licensed by the department's division of child welfare licensing for the care of juveniles of similar age, sex, and characteristics. If the juvenile is not a ward of the court, the court shall commit the juvenile to the department or, if the county is a county juvenile agency, to that county juvenile agency for placement in or commitment to an institution or agency as the department or county juvenile agency determines is most appropriate, subject to any initial level of placement the court designates.

(e) Except as otherwise provided in this subdivision, commit the juvenile to a public institution, county facility, institution operated as an agency of the court or county, or agency authorized by law to receive juveniles of similar age, sex, and characteristics. If the juvenile is not a ward of the court, the court shall commit the juvenile to the department or, if the county is a county juvenile agency, to that county juvenile agency for placement in or commitment to an institution or facility as the department or county juvenile agency determines is most appropriate, subject to any initial level of placement the court designates. If a child is not less than 17 years of age and is in violation of a personal protection order, the court may commit the child to a county jail within the adult prisoner population. In a placement under subdivision (d) or a commitment under this subdivision, except to a state institution or a county juvenile agency institution, the juvenile's religious affiliation shall be protected by placement or commitment to a private child-placing or child-caring agency or institution, if available. Except for commitment to the department or a county juvenile agency, an order of commitment under this subdivision to a state institution or agency described in the youth rehabilitation services act, 1974 PA 150, MCL 803.301 to 803.309, or in 1935 PA 220, MCL 400.201 to 400.214, the court shall name the superintendent of the institution to which the juvenile is committed as a special guardian to receive benefits due the juvenile from the government of the United States. An order of commitment under this subdivision to the department or a county juvenile agency shall name that agency as a

special guardian to receive those benefits. The benefits received by the special guardian shall be used to the extent necessary to pay for the portions of the cost of care in the institution or facility that the parent or parents are found unable to pay.

(f) Provide the juvenile with medical, dental, surgical, or other health care, in a local hospital if available, or elsewhere, maintaining as much as possible a local physician-patient relationship, and with clothing and other incidental items the court determines are necessary.

(g) Order the parents, guardian, custodian, or any other person to refrain from continuing conduct that the court determines has caused or tended to cause the juvenile to come within or to remain under this chapter or that obstructs placement or commitment of the juvenile by an order under this section.

(h) Appoint a guardian under section 5204 of the estates and protected individuals code, 1998 PA 386, MCL 700.5204, in response to a petition filed with the court by a person interested in the juvenile's welfare. If the court appoints a guardian as authorized by this subdivision, it may dismiss the petition under this chapter.

(i) Order the juvenile to engage in community service.

(j) If the court finds that a juvenile has violated a municipal ordinance or a state or federal law, order the juvenile to pay a civil fine in the amount of the civil or penal fine provided by the ordinance or law. Money collected from fines levied under this subsection shall be distributed as provided in section 29 of this chapter.

(k) If a juvenile is within the court's jurisdiction under section 2(a)(1) of this chapter, order the juvenile's parent or guardian to personally participate in treatment reasonably available in the parent's or guardian's location.

(l) If a juvenile is within the court's jurisdiction under section 2(a)(1) of this chapter, place the juvenile in and order the juvenile to complete satisfactorily a program of training in a juvenile boot camp established by the department under the juvenile boot camp act, 1996 PA 263, MCL 400.1301 to 400.1309, as provided in that act. If the county is a county juvenile agency, the court shall commit the juvenile to that county juvenile agency for placement in the program under that act. Upon receiving a report of satisfactory completion of the program from the department, the court shall authorize the juvenile's release from placement in the juvenile boot camp. Following satisfactory completion of the juvenile boot camp program, the juvenile shall complete an additional period of not less than 120 days or more than 180 days of intensive supervised community reintegration in the juvenile's local community. To place or commit a juvenile under this subdivision, the court shall determine all of the following:

(i) Placement in a juvenile boot camp will benefit the juvenile.

(ii) The juvenile is physically able to participate in the program.

(iii) The juvenile does not appear to have any mental handicap that would prevent participation in the program.

(iv) The juvenile will not be a danger to other juveniles in the boot camp.

(v) There is an opening in a juvenile boot camp program.

(vi) If the court must commit the juvenile to a county juvenile agency, the county juvenile agency is able to place the juvenile in a juvenile boot camp program.

(m) If the court entered a judgment of conviction under section 2d of this chapter, enter any disposition under this section or, if the court determines that the best interests of the public would be served, impose any sentence upon the juvenile that could be imposed upon an adult convicted of the offense for which the juvenile was convicted. If the juvenile is convicted of a violation or conspiracy to commit a violation of section 7403(2)(a)(i) of the public health code, 1978 PA 368, MCL 333.7403, the court may impose the alternative sentence permitted under that section if the court determines that the best interests of the public would be served. The court may delay imposing a sentence of imprisonment under this subdivision for a period not longer than the period during which the court has jurisdiction over the juvenile under this chapter by entering an order of disposition delaying imposition of sentence and placing the juvenile on probation upon the terms and conditions it considers appropriate, including any disposition under this section. If the court delays imposing sentence under this section, section 18i of this chapter applies. If the court imposes sentence, it shall enter a judgment of sentence. If the court imposes a sentence of imprisonment, the juvenile shall receive credit against the sentence for time served before sentencing. In determining whether to enter an order of disposition or impose a sentence under this subdivision, the court shall consider all of the following factors, giving greater weight to the seriousness of the offense and the juvenile's prior record:

(i) The seriousness of the offense in terms of community protection, including, but not limited to, the existence of any aggravating factors recognized by the sentencing guidelines, the use of a firearm or other dangerous weapon, and the impact on any victim.

(ii) The juvenile's culpability in committing the offense, including, but not limited to, the level of the juvenile's participation in planning and carrying out the offense and the existence of any aggravating or mitigating factors recognized by the sentencing guidelines.

(iii) The juvenile's prior record of delinquency including, but not limited to, any record of detention, any police record, any school record, or any other evidence indicating prior delinquent behavior.

(iv) The juvenile's programming history, including, but not limited to, the juvenile's past willingness to participate meaningfully in available programming.

(v) The adequacy of the punishment or programming available in the juvenile justice system.

(vi) The dispositional options available for the juvenile.

(n) In a proceeding under section 2(b) or (c) of this chapter, if a juvenile is removed from the parent's custody at any time, the court shall permit the juvenile's parent to have regular and frequent parenting time with the juvenile. Parenting time between the juvenile and his or her parent shall not be less than 1 time every 7 days unless the court determines either that exigent circumstances require less frequent parenting time or that parenting time, even if supervised, may be harmful to the juvenile's life, physical health, or mental well-being. If the court determines that parenting time, even if supervised, may be harmful to the juvenile's life, physical health, or mental well-being, the court may suspend parenting time until the risk of harm no longer exists. The court may order the juvenile to have a psychological evaluation or counseling, or both, to determine the appropriateness and the conditions of parenting time.

(2) An order of disposition placing a juvenile in or committing a juvenile to care outside of the juvenile's own home and under state, county juvenile agency, or court supervision shall contain a provision for reimbursement by the juvenile, parent, guardian, or custodian to the court for the cost of care or service. The order shall be reasonable, taking into account both the income and resources of the juvenile, parent, guardian, or custodian. The amount may be based upon the guidelines and model schedule created under subsection (6). If the juvenile is receiving an adoption assistance under sections 115f to 115m or 115t of the social welfare act, 1939 PA 280, MCL 400.115f to 400.115m and 400.115t, the amount shall not exceed the amount of the support subsidy. The reimbursement provision applies during the entire period the juvenile remains in care outside of the juvenile's own home and under state, county juvenile agency, or court supervision, unless the juvenile is in the permanent custody of the court. The court shall provide for the collection of all amounts ordered to be reimbursed and the money collected shall be accounted for and reported to the county board of commissioners. Collections to cover delinquent accounts or to pay the balance due on reimbursement orders may be made after a juvenile is released or discharged from care outside the juvenile's own home and under state, county juvenile agency, or court supervision. Twenty-five percent of all amounts collected under an order entered under this subsection shall be credited to the appropriate fund of the county to offset the administrative cost of collections. The balance of all amounts collected under an order entered under this subsection shall be divided in the same ratio in which the county, state, and federal government participate in the cost of care outside the juvenile's own home and under state, county juvenile agency, or court supervision. The court may also collect from the government of the United States benefits paid for the cost of care of a court ward. Money collected for juveniles placed by the court with or committed to the department or a county juvenile agency shall be accounted for and reported on an individual juvenile basis. In cases of delinquent accounts, the court may also enter an order to intercept state or federal tax refunds of a juvenile, parent, guardian, or custodian and initiate the necessary offset proceedings in order to recover the cost of care or service. The court shall send to the person who is the subject of the intercept order advance written notice of the proposed offset. The notice shall include notice of the opportunity to contest the offset on the grounds that the intercept is not proper because of a mistake of fact concerning the amount of the delinquency or the identity of the person subject to the order. The court shall provide for the prompt reimbursement of an amount withheld in error or an amount found to exceed the delinquent amount.

(3) An order of disposition placing a juvenile in the juvenile's own home under subsection (1)(b) may contain a provision for reimbursement by the juvenile, parent, guardian, or custodian to the court for the cost of service. If an order is entered under this subsection, an amount due shall be determined and treated in the same manner provided for an order entered under subsection (2).

(4) An order directed to a parent or a person other than the juvenile is not effective and binding on the parent or other person unless opportunity for hearing is given by issuance of summons or notice as provided in sections 12 and 13 of this chapter and until a copy of the order, bearing the seal of the court, is served on the parent or other person as provided in section 13 of this chapter.

(5) If the court appoints an attorney to represent a juvenile, parent, guardian, or custodian, the court may require in an order entered under this section that the juvenile, parent, guardian, or custodian reimburse the court for attorney fees.

(6) The office of the state court administrator, under the supervision and direction of the supreme court, shall create guidelines that the court may use in determining the ability of the juvenile, parent, guardian, or custodian to pay for care and any costs of service ordered under subsection (2) or (3). The guidelines shall take into account both the income and resources of the juvenile, parent, guardian, or custodian.

(7) If the court finds that a juvenile comes under section 30 of this chapter, the court shall order the juvenile or the juvenile's parent to pay restitution as provided in sections 30 and 31 of this chapter and in sections 44 and 45 of the William Van Regenmorter crime victim's rights act, 1985 PA 87, MCL 780.794 and 780.795.

(8) If the court imposes restitution as a condition of probation, the court shall require the juvenile to do either of the following as an additional condition of probation:

(a) Engage in community service or, with the victim's consent, perform services for the victim.

(b) Seek and maintain paid employment and pay restitution to the victim from the earnings of that employment.

(9) If the court finds that the juvenile is in intentional default of the payment of restitution, a court may, as provided in section 31 of this chapter, revoke or alter the terms and conditions of probation for nonpayment of restitution. If a juvenile who is ordered to engage in community service intentionally refuses to perform the required community service, the court may revoke or alter the terms and conditions of probation.

(10) The court shall not enter an order of disposition for a juvenile offense as defined in section 1a of 1925 PA 289, MCL 28.241a, or a judgment of sentence for a conviction until the court has examined the court file and has determined that the juvenile's biometric data have been collected and forwarded as required by section 3 of 1925 PA 289, MCL 28.243, and the juvenile's fingerprints have been taken and forwarded as required by the sex offenders registration act, 1994 PA 295, MCL 28.721 to 28.736. If a juvenile's biometric data have not been collected or a juvenile has not had his or her fingerprints taken, the court shall do either of the following:

(a) Order the juvenile to submit himself or herself to the police agency that arrested or obtained the warrant for the juvenile's arrest so the juvenile's biometric data can be collected and forwarded and his or her fingerprints can be taken and forwarded.

(b) Order the juvenile committed to the sheriff's custody for collecting and forwarding the juvenile's biometric data and taking and forwarding the juvenile's fingerprints.

(11) Upon final disposition, conviction, acquittal, or dismissal of an offense within the court's jurisdiction under section 2(a)(1) of this chapter, using forms approved by the state court administrator, the clerk of the court entering the final disposition, conviction, acquittal, or dismissal shall immediately advise the department of state police of that final disposition, conviction, acquittal, or dismissal as required by section 3 of 1925 PA 289, MCL 28.243. The report to the department of state police shall include information as to the finding of the judge or jury and a summary of the disposition or sentence imposed.

(12) If the court enters an order of disposition based on an act that is a juvenile offense as defined in section 1 of 1989 PA 196, MCL 780.901, the court shall order the juvenile to pay the assessment as provided in that act. If the court enters a judgment of conviction under section 2d of this chapter for an offense that is a felony, misdemeanor, or ordinance violation, the court shall order the juvenile to pay the assessment as provided in that act.

(13) If the court has entered an order of disposition or a judgment of conviction for a listed offense as defined in section 2 of the sex offenders registration act, 1994 PA 295, MCL 28.722, the court, the department, or the county juvenile agency shall register the juvenile or accept the juvenile's registration as provided in the sex offenders registration act, 1994 PA 295, MCL 28.721 to 28.736.

(14) If the court enters an order of disposition placing a juvenile in a juvenile boot camp program, or committing a juvenile to a county juvenile agency for placement in a juvenile boot camp program, and the court receives from the department a report that the juvenile has failed to perform satisfactorily in the program, that the juvenile does not meet the program's requirements or is medically unable to participate in the program for more than 25 days, that there is no opening in a juvenile boot camp program, or that the county juvenile agency is unable to place the juvenile in a juvenile boot camp program, the court shall release the juvenile from placement or commitment and enter an alternative order of disposition. A juvenile shall not be placed in a juvenile boot camp under an order of disposition more than once, except that a juvenile returned to the court for a medical condition, because there was no opening in a juvenile boot camp program, or because the county juvenile agency was unable to place the juvenile in a juvenile boot camp program may be placed again in the juvenile boot camp program after the medical condition is corrected, an opening becomes available, or the county juvenile agency is able to place the juvenile.

(15) If the juvenile is within the court's jurisdiction under section 2(a)(1) of this chapter for an offense other than a listed offense as defined in section 2 of the sex offenders registration act, 1994 PA 295, MCL 28.722, the court shall determine if the offense is a violation of a law of this state or a local ordinance of a municipality of this state that by its nature constitutes a sexual offense against an individual who is less than 18 years of age. If so, the order of disposition is for a listed offense as defined in section 2 of the sex offenders registration act, 1994 PA 295, MCL 28.722, and the court shall include the basis for that determination on the

record and include the determination in the order of disposition.

(16) The court shall not impose a sentence of imprisonment in the county jail under subsection (1)(m) unless the present county jail facility for the juvenile's imprisonment would meet all requirements under federal law and regulations for housing juveniles. The court shall not impose the sentence until it consults with the sheriff to determine when the sentence will begin to ensure that space will be available for the juvenile.

(17) In a proceeding under section 2(h) of this chapter, this section only applies to a disposition for a violation of a personal protection order and subsequent proceedings.

(18) If a juvenile is within the court's jurisdiction under section 2(a)(1) of this chapter, the court shall order the juvenile to pay costs as provided in section 18m of this chapter.

(19) A juvenile who has been ordered to pay the minimum state cost as provided in section 18m of this chapter as a condition of probation or supervision and who is not in willful default of the payment of the minimum state cost may petition the court at any time for a remission of the payment of any unpaid portion of the minimum state cost. If the court determines that payment of the amount due will impose a manifest hardship on the juvenile or his or her immediate family, the court may remit all or part of the amount of the minimum state cost due or modify the method of payment.

712A.18b Reimbursement order; failure to comply, contempt of court; assignment of wages.

Sec. 18b. Whenever the court under section 18 of this act enters a reimbursement order and the parent or other adult legally responsible for the care of the child fails or refuses to obey and perform the order, and has been found guilty of contempt of court for such failure or refusal, the court making the order may order an assignment to the county or state of the salary, wages or other income of the person responsible for the care of the child, which assignment shall continue until the support is paid in full. The order of assignment shall be effective 1 week after service upon the employer of a true copy of the order by personal service or by registered or certified mail. Thereafter the employer shall withhold from the earnings due the employee the amount specified in the order of assignment for transmittal to the county or state until notified by the court that the support arrearage is paid in full. An employer shall not use the assignment as a basis, in whole or in part, for the discharge of an employee or for any other disciplinary action against an employee. Compliance by an employer with the order of assignment operates as a discharge of the employer's liability to the employee as to that portion of the employee's earnings so affected.

If the court determines that the juvenile has not been rehabilitated or that the juvenile presents a serious risk to public safety, jurisdiction over the juvenile shall be continued. In making this determination, the court shall consider all of the following:

- (a) The extent and nature of the juvenile's participation in education, counseling, or work programs.
- (b) The juvenile's willingness to accept responsibility for prior behavior.
- (c) The juvenile's behavior in his or her current placement.

(g) Other information the prosecuting attorney or juvenile may submit.

(2) The juvenile has the burden of proving by a preponderance of the evidence that he or she has been rehabilitated and does not present a serious risk to public safety.

(3) Unless adjourned for good cause, a review hearing shall be scheduled and held as near as possible to, but before, the juvenile's nineteenth birthday. If the institution, agency, or facility to which the juvenile was committed believes the juvenile has been rehabilitated and does not present a serious risk to public safety, the institution, agency, or facility may petition the court to conduct a review hearing any time before the juvenile becomes 19 years of age or, if the court has continued jurisdiction under subsection (1), any time before the juvenile becomes 21 years of age.

(4) Not less than 14 days before a review hearing is to be conducted, the prosecuting attorney, the juvenile, and, if addresses are known, the juvenile's parent or guardian shall be notified. The notice shall state that the court may extend jurisdiction over the juvenile and shall advise the juvenile and the juvenile's parent or guardian of the right to legal counsel. If legal counsel has not been retained or appointed to represent the juvenile, the court shall appoint legal counsel and may assess the cost of providing counsel as costs against the juvenile or those responsible for the juvenile's support, or both, if the persons to be assessed are financially able to comply.

(5) The institution, agency, or facility charged with the care of the juvenile shall prepare commitment reports as provided in section 5 of the juvenile facilities act, Act No. 73 of the Public Acts of 1988, being section 803.225 of the Michigan Compiled Laws, for use by the court at a review hearing held under this section.

712A.18e Application for entry of order setting aside adjudication; filing; contents; submitting copy of application and fingerprints; report; fee; serving copy of application on attorney general and prosecuting attorney; contesting application; notice to victim; definitions; hearing; affidavits; proofs; entry of order; setting aside adjudication as privilege and conditional; effect of entering order; sending copy of order to arresting agency and department of state police; nonpublic record of order and record; availability of nonpublic record; fee; exemption from disclosure; divulging, using, or publishing information as misdemeanor.

Sec. 18e. (1) Except as provided in subsection (2), a person who has been adjudicated of not more than 1 juvenile offense that would be a felony if committed by an adult and not more than 3 juvenile offenses, of which not more than 1 may be a juvenile offense that would be a felony if committed by an adult and who has no felony convictions may file an application with the adjudicating court or adjudicating courts for the entry of an order setting aside the adjudications. A person may have only 1 adjudication for an offense that would be a felony if committed by an adult and not more than 2 adjudications for an offense that would be a misdemeanor if committed by an adult or if there is no adjudication for a felony if committed by an adult, not more than 3 adjudications for an offense that would be a misdemeanor if committed by an adult set aside under this section. Multiple adjudications arising out of a series of acts that were in a continuous time sequence of 12 hours or less and that displayed a single intent and goal constitute 1 offense provided that none of the adjudications constitute any of the following:

(a) An assaultive crime as that term is defined in subsection (7).

(b) An offense involving the use or possession of a weapon.

(c) An offense with a maximum penalty of 10 or more years imprisonment.

(2) A person shall not apply under this section to have set aside, and a judge shall not under this section set aside, any of the following:

(a) An adjudication for an offense that if committed by an adult would be a felony for which the maximum punishment is life imprisonment.

(b) An adjudication for a traffic offense under the Michigan vehicle code, 1949 PA 300, MCL 257.1 to 257.923, or a local ordinance substantially corresponding to that act, that involves the operation of a vehicle and at the time of the violation is a felony or misdemeanor.

(c) A conviction under section 2d of this chapter. This subdivision does not prevent a person convicted under section 2d of this chapter from having that conviction set aside as otherwise provided by law.

(3) An application under this section shall not be filed until the expiration of 1 year following imposition of the disposition for the adjudication that the applicant seeks to set aside, or 1 year following completion of any term of detention for that adjudication, or when the person becomes 18 years of age, whichever occurs later.

(4) An application under this section is invalid unless it contains the following information and is signed under oath by the person whose adjudication is to be set aside:

(a) The full name and current address of the applicant.

(b) A certified record of the adjudication that is to be set aside.

(c) A statement that the applicant has not been adjudicated of a juvenile offense other than the juvenile offenses sought to be set aside as a result of this application.

(d) A statement that the applicant has not been convicted of any felony offense.

(e) A statement as to whether the applicant has previously filed an application to set aside this or any other adjudication and, if so, the disposition of the application.

(f) A statement as to whether the applicant has any other criminal charge pending against him or her in any court in the United States or in any other country.

(g) A consent to the use of the nonpublic record created under subsection (13), to the extent authorized by

subsection (13).

(5) The applicant shall submit a copy of the application and 2 complete sets of fingerprints to the department of state police. The department of state police shall compare those fingerprints with the records of the department, including the nonpublic record created under subsection (13), and shall forward a complete set of fingerprints to the Federal Bureau of Investigation for a comparison with the records available to that agency. The department of state police shall report to the court in which the application is filed the information contained in the department's records with respect to any pending charges against the applicant, any record of adjudication or conviction of the applicant, and the setting aside of any adjudication or conviction of the applicant and shall report to the court any similar information obtained from the Federal Bureau of Investigation. The court shall not act upon the application until the department of state police reports the information required by this subsection to the court.

(6) The copy of the application submitted to the department of state police under subsection (5) shall be accompanied by a fee of \$25.00 payable to the state of Michigan. The department of state police shall use the fee to defray the expenses incurred in processing the application.

(7) A copy of the application shall be served upon the attorney general and, if applicable, upon the office of the prosecuting attorney who prosecuted the offense. The attorney general and the prosecuting attorney shall have an opportunity to contest the application. If the adjudication was for an offense that if committed by an adult would be an assaultive crime or serious misdemeanor, and if the name of the victim is known to the prosecuting attorney, the prosecuting attorney shall give the victim of that offense written notice of the application and forward a copy of the application to the victim under section 46a of the William Van Regenmorter crime victim's rights act, 1985 PA 87, MCL 780.796a. The notice shall be sent by first-class mail to the victim's last known address. The victim has the right to appear at any proceeding under this section concerning that adjudication and to make a written or oral statement. As used in this subsection:

(a) "Assaultive crime" means that term as defined in section 9a of chapter X of the code of criminal procedure, 1927 PA 175, MCL 770.9a.

(b) "Serious misdemeanor" means that term as defined in section 61 of the William Van Regenmorter crime victim's rights act, 1985 PA 87, MCL 780.811.

(c) "Victim" means that term as defined in section 31 of the William Van Regenmorter crime victim's rights act, 1985 PA 87, MCL 780.781.

(8) Upon the hearing of the application, the court may require the filing of affidavits and the taking of proofs as it considers proper.

(9) Except as provided in this subsection and subsection (10), if the court determines that the circumstances and behavior of the applicant from the date of the applicant's adjudication to the filing of the application warrant setting aside the 1 adjudication for a juvenile offense that would be a felony if committed by an adult and not more than 2 adjudications for a juvenile offense that would be a misdemeanor if committed by an adult or if there is no adjudication for a felony if committed by an adult, not more than 3 adjudications for an offense that would be a misdemeanor if committed by an adult and that setting aside the adjudication or adjudications is consistent with the public welfare, the court may enter an order setting aside the adjudication. If the applicant submits to the court a certificate of completion from the Michigan youth challenge academy showing that the applicant has completed that program, the court shall determine that the applicant's circumstances and behavior warrant setting aside the adjudication. If the court also determines that setting aside the adjudication or adjudications is consistent with the public welfare, the court may enter an order setting aside the adjudication as provided in this subsection. Except as provided in subsection (10), the setting aside of an adjudication under this section is a privilege and conditional, and is not a right.

(10) If the person files an application with the court and he or she otherwise meets all the requirements, notwithstanding subsection (9), the court shall set aside the adjudication of a person as follows:

(a) The person was adjudicated for an offense that if committed by an adult would be a violation or an attempted violation of section 413 of the Michigan penal code, 1931 PA 328, MCL 750.413.

(b) The person was adjudicated for an offense that if committed by an adult would be a violation or an attempted violation of section 448, 449, or 450 of the Michigan penal code, 1931 PA 328, MCL 750.448, 750.449, and 750.450, or a local ordinance substantially corresponding to section 448, 449, or 450 of the Michigan penal code, 1931 PA 328, MCL 750.448, 750.449, and 750.450, and he or she committed the offense as a direct result of his or her being a victim of a human trafficking violation.

(11) Upon the entry of an order under this section, the applicant is considered not to have been previously adjudicated, except as provided in subsection (13) and as follows:

(a) The applicant is not entitled to the remission of any fine, costs, or other money paid as a consequence of an adjudication that is set aside.

(b) This section does not affect the right of the applicant to rely upon the adjudication to bar subsequent

proceedings for the same offense.

(c) This section does not affect the right of a victim of an offense to prosecute or defend a civil action for damages.

(d) This section does not create a right to commence an action for damages for detention under the disposition that the applicant served before the adjudication is set aside under this section.

(12) Upon the entry of an order under this section, the court shall send a copy of the order to the arresting agency and the department of state police.

(13) The department of state police shall retain a nonpublic record of the order setting aside an adjudication for a juvenile offense that would be a felony if committed by an adult and not more than 2 juvenile offenses that would be misdemeanors if committed by an adult or if there is no adjudication for a felony if committed by an adult, not more than 3 adjudications for an offense that would be a misdemeanor if committed by an adult and of the record of the arrest, fingerprints, adjudication, and disposition of the applicant in the case to which the order applies. Except as provided in subsection (14), this nonpublic record shall be made available only to a court of competent jurisdiction, an agency of the judicial branch of state government, a law enforcement agency, a prosecuting attorney, the attorney general, or the governor upon request and only for the following purposes:

(a) Consideration in a licensing function conducted by an agency of the judicial branch of state government.

(b) Consideration by a law enforcement agency if a person whose adjudication has been set aside applies for employment with the law enforcement agency.

(c) To show that a person who has filed an application to set aside an adjudication has previously had an adjudication set aside under this section.

(d) The court's consideration in determining the sentence to be imposed upon conviction for a subsequent offense that is punishable as a felony or by imprisonment for more than 1 year.

(e) Consideration by the governor, if a person whose adjudication has been set aside applies for a pardon for another offense.

(14) A copy of the nonpublic record created under subsection (13) shall be provided to the person whose adjudication is set aside under this section upon payment of a fee determined and charged by the department of state police in the same manner as the fee prescribed in section 4 of the freedom of information act, 1976 PA 442, MCL 15.234.

(15) The nonpublic record maintained under subsection (13) is exempt from disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246.

(16) Except as provided in subsection (13), a person, other than the applicant, who knows or should have known that an adjudication was set aside under this section, who divulges, uses, or publishes information concerning an adjudication set aside under this section is guilty of a misdemeanor.

Sec. 18f. (1) If, in a proceeding under section 2(b) of this chapter, an agency advises the court against placing a child in the custody of the child's parent, guardian, or custodian, the agency shall report in writing to the court what efforts were made to prevent the child's removal from his or her home or the efforts made to rectify the conditions that caused the child's removal from his or her home. The report shall include all of the following:

(a) If services were provided to the child and his or her parent, guardian, or custodian, the services, including in-home services, that were provided.

(b) If services were not provided to the child and his or her parent, guardian, or custodian, the reasons why services were not provided.

(c) Likely harm to the child if the child were to be separated from his or her parent, guardian, or custodian.

(d) Likely harm to the child if the child were to be returned to his or her parent, guardian, or custodian.

(2) Before the court enters an order of disposition in a proceeding under section 2(b) of this chapter, the agency shall prepare a case service plan that shall be available to the court and all the parties to the proceeding.

(3) The case service plan shall provide for placing the child in the most family-like setting available and in as close proximity to the child's parents' home as is consistent with the child's best interests and special needs. The case service plan shall include, but is not limited to, the following:

(a) The type of home or institution in which the child is to be placed and the reasons for the selected placement.

(b) Efforts to be made by the child's parent to enable the child to return to his or her home.

(d) Schedule of services to be provided to the parent, child, and if the child is to be placed in foster care, the foster parent, to facilitate the child's return to his or her home or to facilitate the child's permanent placement.

(e) Except as otherwise provided in this subdivision, unless parenting time, even if supervised, would be harmful to the child as determined by the court under section 13a of this chapter or otherwise, a schedule for regular and frequent parenting time between the child and his or her parent, which shall not be less than once every 7 days.

(f) Efforts to be made by the supervising agency to provide frequent in-person visitation or other ongoing interaction between siblings unless the court determines under section 13a of this chapter that sibling visitation or contact will not be beneficial to 1 or more of the siblings.

(g) Conditions that would limit or preclude placement or parenting time with a parent who is required by court order to register under the sex offenders registration act.

(4) Before the court enters an order of disposition, the court shall consider the case service plan; any written or oral information offered concerning the child from the child's parent, guardian, custodian, foster parent, child caring institution, relative with whom the child is placed, lawyer-guardian ad litem, attorney, or guardian ad litem; and any other evidence offered, including the appropriateness of parenting time, which information or evidence bears on the disposition. The order of disposition shall state whether reasonable efforts have been made to prevent the child's removal from his or her home or to rectify the conditions that caused the child's removal from his or her home. The court may order compliance with all or any part of the case service plan as the court considers necessary.

(5) If a child continues in placement outside of the child's home, the case service plan shall be updated and revised at 90-day intervals as required by the rules promulgated under 1973 PA 116, MCL 722.111 to 722.128. The agency shall consult with the foster parents when it updates and revises the case service plan, and shall attach a statement summarizing the information received from the foster parents to the updated and revised case service plan. Updated and revised case service plans shall be available to the court and all the parties to the proceeding. Within 10 days after receipt of a written request, the agency shall provide the person who is providing the foster care with the information itemized in section 13a(17) of this chapter.

(6) To ensure that the case service plan addresses the child's medical needs in relation to abuse and neglect, the department shall review a child's case with the child's attending physician of record during a hospitalization or with the child's primary care physician, but only if a physician has diagnosed the child's abuse or neglect as involving 1 or more of the following:

(a) Failure to thrive.

(b) Munchausen syndrome by proxy.

(c) Shaken baby syndrome.

(d) A bone fracture that is diagnosed as being the result of abuse or neglect.

(e) Drug exposure.

(7) If a child is placed outside of his or her home and the department is required to review the child's case with a physician under subsection (6), then in a judicial proceeding to determine if the child is to be returned to his or her home, the court must allow the child's attending physician of record during a hospitalization or the child's primary care physician to testify regarding the case service plan. The court shall notify each physician of the hearing's time and place.

712A.18i Delay in sentencing.

Sec. 18i. (1) A delay in sentencing does not deprive the court of jurisdiction to sentence the juvenile under section 18(1)(n) of this chapter any time during the delay.

(2) If the court has entered an order of disposition under section 18(1)(n) of this chapter delaying imposition of sentence, the court shall conduct an annual review of the probation, including but not limited to the services being provided to the juvenile, the juvenile's placement, and the juvenile's progress in that placement. In conducting this review, the court shall examine any annual report prepared under section 3 of the juvenile facilities act, Act No. 73 of the Public Acts of 1988, being section 803.223 of the Michigan Compiled Laws, and any report prepared upon the court's order by the officer or agency supervising probation. The court may order changes in the juvenile's probation based on the review including but not limited to imposition of sentence.

(3) If the court entered an order of disposition under section 18(1)(n) of this chapter delaying imposition of sentence, the court shall conduct a review hearing to determine whether the juvenile has been rehabilitated and whether the juvenile presents a serious risk to public safety. If the court determines that the juvenile has not been rehabilitated or that the juvenile presents a serious risk to public safety, jurisdiction over the juvenile shall be continued or the court may impose sentence. In making this determination, the court shall consider the following:

(a) The extent and nature of the juvenile's participation in education, counseling, or work programs.

(b) The juvenile's willingness to accept responsibility for prior behavior.

(c) The juvenile's behavior in his or her current placement.

(d) The prior record and character of the juvenile and his or her physical and mental maturity.

(e) The juvenile's potential for violent conduct as demonstrated by prior behavior.

(f) The recommendations of any institution or agency charged with the juvenile's care for the juvenile's release or continued custody.

(g) Other information the prosecuting attorney or juvenile may submit.

(4) A review hearing shall be scheduled and held unless adjourned for good cause as near as possible to, but before, the juvenile's nineteenth birthday. If an institution or agency to which the juvenile was committed believes that the juvenile has been rehabilitated and that the juvenile does not present a serious risk to public safety, the institution or agency may petition the court to conduct a review hearing any time before the juvenile becomes 19 years of age or, if the court has continued jurisdiction, any time before the juvenile becomes 21 years of age.

(5) Not less than 14 days before a review hearing is to be conducted, the prosecuting attorney, juvenile, and, if addresses are known, the juvenile's parent or guardian shall be notified. The notice shall state that the court may extend jurisdiction over the juvenile or impose sentence and shall advise the juvenile and the juvenile's parent or guardian of the right to legal counsel. If legal counsel has not been retained or appointed

to represent the juvenile, the court shall appoint legal counsel and may assess the cost of providing counsel as costs against the juvenile or those responsible for the juvenile's support, or both, if the persons to be assessed are financially able to comply.

(6) A commitment report prepared as provided in section 5 of the juvenile facilities act, Act No. 73 of the Public Acts of 1988, being section 803.225 of the Michigan Compiled Laws, and any report prepared upon the court's order by the officer or agency supervising probation may be used by the court at a review hearing held under this section.

(7) The court shall conduct a final review of the juvenile's probation not less than 3 months before the end of the probation period. If the court determines at this review that the best interests of the public would be served by imposing any other sentence provided by law for an adult offender, the court may impose the sentence. In making its determination, the court shall consider the criteria specified in subsection (3) and all of the following criteria:

- (a) The effect of treatment on the juvenile's rehabilitation.
- (b) Whether the juvenile is likely to be dangerous to the public if released.
- (c) The best interests of the public welfare and the protection of public security.

(8) Not less than 14 days before a final review hearing under subsection (7) is to be conducted, the prosecuting attorney, juvenile, and, if addresses are known, the juvenile's parent or guardian shall be notified. The notice shall state that the court may impose a sentence upon the juvenile and shall advise the juvenile and the juvenile's parent or guardian of the right to legal counsel. If legal counsel has not been retained or appointed to represent the juvenile, the court shall appoint legal counsel and may assess the cost of providing counsel as costs against the juvenile or those responsible for the juvenile's support, or both, if the persons to be assessed are financially able to comply.

(9) If a juvenile placed on probation under an order of disposition delaying imposition of sentence is found by the court to have violated probation by being convicted of a felony or a misdemeanor punishable by imprisonment for more than 1 year, or adjudicated as responsible for an offense that if committed by an adult would be a felony or a misdemeanor punishable by imprisonment for more than 1 year, the court shall revoke probation and sentence the juvenile to imprisonment for a term that does not exceed the penalty that could have been imposed for the offense for which the juvenile was originally convicted and placed on probation.

(10) If a juvenile placed on probation under an order of disposition delaying imposition of sentence is found by the court to have violated probation other than as provided in subsection (9), the court may impose sentence or may order any of the following for the juvenile:

- (a) A change of placement.
- (b) Community service.

The court may modify any part of the case service plan including, but not limited to, the following:

(a) Prescribing additional services that are necessary to rectify the conditions that caused the child to be placed in foster care or to remain in foster care.

(b) Prescribing additional actions to be taken by the parent, guardian, nonparent adult, or custodian, to rectify the conditions that caused the child to be placed in foster care or to remain in foster care.

(8) At a review hearing under subsection (2), (3), or (4), the court shall determine the continuing necessity and appropriateness of the child's placement and shall order the return of the child to the custody of the parent as provided in this subsection, continue the dispositional order, modify the dispositional order, or enter a new dispositional order. The court shall order the child returned to the custody of his or her parent if the return of the child to his or her parent would not cause a substantial risk of harm to the child.

(9) If in a proceeding under section 2(b) of this chapter a child is placed in foster care, the court shall determine at the dispositional hearing and each review hearing whether the cause should be reviewed before the next review hearing required by subsection (2), (3), or (4). In making this determination, the court shall consider at least all of the following:

(a) The parent's ability and motivation to make necessary changes to provide a suitable environment for the child.

(b) Whether there is a reasonable likelihood that the child may be returned to his or her home prior to the next review hearing required by subsection (2), (3), or (4).

(10) Unless waived, if not less than 7 days' notice is given to all parties prior to the return of a child to the child's home, and no party requests a hearing within the 7 days, the court may issue an order without a hearing permitting the agency to return the child to the child's home.

(11) An agency report filed with the court shall be accessible to all parties to the action and shall be offered into evidence. The court shall consider any written or oral information concerning the child from the child's parent, guardian, custodian, foster parent, child caring institution, relative with whom a child is placed, attorney, lawyer-guardian ad litem, or guardian ad litem, in addition to any other evidence, including the appropriateness of parenting time, offered at the hearing.

(12) Reasonable efforts to finalize an alternate permanency plan may be made concurrently with reasonable efforts to reunify the child with the family.

(13) Reasonable efforts to place a child for adoption or with a legal guardian, including identifying appropriate in-state or out-of-state options, may be made concurrently with reasonable efforts to reunify the child and family.

712A.19a Permanency planning hearing; conditions; time limitation; reunion of child and family not required; purpose; obtaining child's views regarding permanency plan; consideration of out-of-state placement; notice; statement; return of child to parent; noncompliance with case service plan; other conditions as evidence; termination of parental rights to child; exceptions; alternative placement plans; powers and appointment of guardian; information considered as evidence; revocation or termination of guardianship.

Sec. 19a. (1) Subject to subsection (2), if a child remains in foster care and parental rights to the child have not been terminated, the court shall conduct a permanency planning hearing within 12 months after the child was removed from his or her home. Subsequent permanency planning hearings shall be held no later than every 12 months after each preceding permanency planning hearing during the continuation of foster care. If proper notice for a permanency planning hearing is provided, a permanency planning hearing may be combined with a review hearing held under section 19(2) to (4) of this chapter, but no later than 12 months from the removal of the child from his or her home, from the preceding permanency planning hearing, or

from the number of days required under subsection (2). A permanency planning hearing shall not be canceled or delayed beyond the number of months required by this subsection or days as required under subsection (2), regardless of whether there is a petition for termination of parental rights pending.

(2) The court shall conduct a permanency planning hearing within 30 days after there is a judicial determination that reasonable efforts to reunite the child and family are not required. Reasonable efforts to reunify the child and family must be made in all cases except if any of the following apply:

(a) There is a judicial determination that the parent has subjected the child to aggravated circumstances as provided in section 18(1) and (2) of the child protection law, 1975 PA 238, MCL 722.638.

(b) The parent has been convicted of 1 or more of the following:

(i) Murder of another child of the parent.

(ii) Voluntary manslaughter of another child of the parent.

(iii) Aiding or abetting in the murder of another child of the parent or voluntary manslaughter of another child of the parent, the attempted murder of the child or another child of the parent, or the conspiracy or solicitation to commit the murder of the child or another child of the parent.

(iv) A felony assault that results in serious bodily injury to the child or another child of the parent.

(c) The parent has had rights to the child's siblings involuntarily terminated and the parent has failed to rectify the conditions that led to that termination of parental rights.

(d) The parent is required by court order to register under the sex offenders registration act.

(3) A permanency planning hearing shall be conducted to review the status of the child and the progress being made toward the child's return home or to show why the child should not be placed in the permanent custody of the court. The court shall obtain the child's views regarding the permanency plan in a manner that is appropriate to the child's age. In the case of a child who will not be returned home, the court shall consider in-state and out-of-state placement options. In the case of a child placed out-of-state, the court shall determine whether the out-of-state placement continues to be appropriate and in the child's best interests. The court shall ensure that the agency is providing appropriate services to assist a child who will transition from foster care to independent living.

(4) At or before each permanency planning hearing, the court shall determine whether the agency has made reasonable efforts to finalize the permanency plan. At the hearing, the court shall determine whether and, if applicable, when the following must occur:

(a) The child may be returned to the parent, guardian, or legal custodian.

(b) A petition to terminate parental rights should be filed.

(c) The child may be placed in a legal guardianship.

(d) The child may be permanently placed with a fit and willing relative.

(e) The child may be placed in another planned permanent living arrangement, but only in those cases where the agency has documented to the court a compelling reason for determining that it would not be in the best interest of the child to follow 1 of the options listed in subdivisions (a) to (d).

(5) The court shall determine whether or not the agency, foster home, or institutional placement has followed the reasonable and prudent parenting standard that the child has had regular opportunities to engage in age or developmentally appropriate activities.

(6) Not less than 14 days before a permanency planning hearing, written notice of the hearing and a statement of the purposes of the hearing, including a notice that the hearing may result in further proceedings to terminate parental rights, shall be served upon all of the following:

(a) The agency. The agency shall advise the child of the hearing if the child is 11 years of age or older.

(b) The foster parent or custodian of the child.

(c) If the parental rights to the child have not been terminated, the child's parents.

(d) If the child has a guardian, the guardian for the child.

(e) If the child has a guardian ad litem, the guardian ad litem for the child.

(f) If tribal affiliation has been determined, the elected leader of the Indian tribe.

(g) The attorney for the child, the attorneys for each party, and the prosecuting attorney if the prosecuting attorney has appeared in the case.

(h) If the child is 11 years of age or older, the child.

(i) Other persons as the court may direct.

(7) If parental rights to the child have not been terminated and the court determines at a permanency planning hearing that the return of the child to his or her parent would not cause a substantial risk of harm to the child's life, physical health, or mental well-being, the court shall order the child returned to his or her parent. In determining whether the return of the child would cause a substantial risk of harm to the child, the court shall view the failure of the parent to substantially comply with the terms and conditions of the case service plan prepared under section 18f of this chapter as evidence that return of the child to his or her parent

would cause a substantial risk of harm to the child's life, physical health, or mental well-being. In addition to considering conduct of the parent as evidence of substantial risk of harm, the court shall consider any condition or circumstance of the child that may be evidence that a return to the parent would cause a substantial risk of harm to the child's life, physical health, or mental well-being.

(8) If the court determines at a permanency planning hearing that a child should not be returned to his or her parent, the court may order the agency to initiate proceedings to terminate parental rights. Except as otherwise provided in this subsection, if the child has been in foster care under the responsibility of the state for 15 of the most recent 22 months, the court shall order the agency to initiate proceedings to terminate parental rights. The court is not required to order the agency to initiate proceedings to terminate parental rights if 1 or more of the following apply:

(a) The child is being cared for by relatives.

(b) The case service plan documents a compelling reason for determining that filing a petition to terminate parental rights would not be in the best interest of the child. Compelling reasons for not filing a petition to terminate parental rights include, but are not limited to, all of the following:

(i) Adoption is not the appropriate permanency goal for the child.

(ii) No grounds to file a petition to terminate parental rights exist.

(iii) The child is an unaccompanied refugee minor as defined in 45 CFR 400.11.

(iv) There are international legal obligations or compelling foreign policy reasons that preclude terminating parental rights.

(c) The state has not provided the child's family, consistent with the time period in the case service plan, with the services the state considers necessary for the child's safe return to his or her home, if reasonable efforts are required.

(9) If the agency demonstrates under subsection (8) that initiating the termination of parental rights to the child is clearly not in the child's best interests, or the court does not order the agency to initiate termination of parental rights to the child under subsection (8), then the court shall order 1 or more of the following alternative placement plans:

(a) If the court determines that other permanent placement is not possible, the child's placement in foster care shall continue for a limited period to be stated by the court.

(b) If the court determines that it is in the child's best interests based upon compelling reasons, the child's placement in foster care may continue on a long-term basis.

(c) Subject to subsection (11), if the court determines that it is in the child's best interests, appoint a guardian for the child, which guardianship may continue until the child is emancipated.

(10) A guardian appointed under subsection (9)(c) has all of the powers and duties set forth under section 15 of the estates and protected individuals code, 1998 PA 386, MCL 700.5215.

(11) If a child is placed in a guardian's or a proposed guardian's home under subsection (9)(c), the court shall order the department to perform an investigation and file a written report of the investigation for a review under subsection (12) and the court shall order the department to do all of the following:

(a) Perform a criminal record check within 7 days.

(b) Perform a central registry clearance within 7 days.

(c) Perform a home study and file a copy of the home study with the court within 30 days unless a home study has been performed within the immediately preceding 365 days, under section 13a(11) of this chapter. If a home study has been performed within the immediately preceding 365 days, a copy of that home study shall be submitted to the court.

(12) The court's jurisdiction over a juvenile under section 2(b) of this chapter shall be terminated after the court appoints a guardian under this section and conducts a review hearing under section 19 of this chapter, unless the juvenile is released sooner by the court.

(13) The court's jurisdiction over a guardianship created under this section shall continue until released by court order. The court shall review a guardianship created under this section annually and may conduct additional reviews as the court considers necessary. The court may order the department or a court employee to conduct an investigation and file a written report of the investigation.

(14) In making the determinations under this section, the court shall consider any written or oral information concerning the child from the child's parent, guardian, custodian, foster parent, child caring institution, relative with whom the child is placed, or guardian ad litem in addition to any other evidence, including the appropriateness of parenting time, offered at the hearing.

(15) The court may, on its own motion or upon petition from the department or the child's lawyer guardian ad litem, hold a hearing to determine whether a guardianship appointed under this section shall be revoked.

(16) A guardian may petition the court for permission to terminate the guardianship. A petition may include a request for appointment of a successor guardian.

(17) After notice and hearing on a petition for revocation or permission to terminate the guardianship, if the court finds by a preponderance of evidence that continuation of the guardianship is not in the child's best interests, the court shall revoke or terminate the guardianship and appoint a successor guardian or restore temporary legal custody to the department.

712A.19b Termination of parental rights to child; petition; hearing; record; findings; opinion or order; notice of hearing; suspension of parenting time; grounds for termination; "concerned person" defined.

Sec. 19b. (1) Except as provided in subsection (4), if a child remains in foster care in the temporary custody of the court following a review hearing under section 19(3) of this chapter or a permanency planning hearing under section 19a of this chapter or if a child remains in the custody of a guardian or limited guardian, upon petition of the prosecuting attorney, whether or not the prosecuting attorney is representing or acting as legal consultant to the agency or any other party, or petition of the child, guardian, custodian, concerned person, agency, or children's ombudsman as authorized in section 7 of the children's ombudsman act, 1994 PA 204, MCL 722.927, the court shall hold a hearing to determine if the parental rights to a child should be terminated and, if all parental rights to the child are terminated, the child placed in permanent custody of the court. The court shall state on the record or in writing its findings of fact and conclusions of law with respect to whether or not parental rights should be terminated. The court shall issue an opinion or order regarding a petition for termination of parental rights within 70 days after the commencement of the initial hearing on the petition. The court's failure to issue an opinion within 70 days does not dismiss the petition.

(2) Not less than 14 days before a hearing to determine if the parental rights to a child should be terminated, written notice of the hearing shall be served upon all of the following:

- (a) The agency. The agency shall advise the child of the hearing if the child is 11 years of age or older.
- (b) The child's foster parent or custodian.
- (c) The child's parents.
- (d) If the child has a guardian, the child's guardian.
- (e) If the child has a guardian ad litem, the child's guardian ad litem.

- (h) If the child is 11 years of age or older, the child.
- (i) The prosecutor.

(3) The court may terminate a parent's parental rights to a child if the court finds, by clear and convincing evidence, 1 or more of the following:

(a) The child has been deserted under either of the following circumstances:

(i) The child's parent is unidentifiable, has deserted the child for 28 or more days, and has not sought custody of the child during that period. For the purposes of this section, a parent is unidentifiable if the parent's identity cannot be ascertained after reasonable efforts have been made to locate and identify the parent.

(ii) The child's parent has deserted the child for 91 or more days and has not sought custody of the child during that period.

(b) The child or a sibling of the child has suffered physical injury or physical or sexual abuse under 1 or more of the following circumstances:

(i) The parent's act caused the physical injury or physical or sexual abuse and the court finds that there is a reasonable likelihood that the child will suffer from injury or abuse in the foreseeable future if placed in the parent's home.

(ii) The parent who had the opportunity to prevent the physical injury or physical or sexual abuse failed to do so and the court finds that there is a reasonable likelihood that the child will suffer injury or abuse in the foreseeable future if placed in the parent's home.

(iii) A nonparent adult's act caused the physical injury or physical or sexual abuse and the court finds that there is a reasonable likelihood that the child will suffer from injury or abuse by the nonparent adult in the foreseeable future if placed in the parent's home.

(c) The parent was a respondent in a proceeding brought under this chapter, 182 or more days have elapsed

since the issuance of an initial dispositional order, and the court, by clear and convincing evidence, finds either of the following:

(i) The conditions that led to the adjudication continue to exist and there is no reasonable likelihood that the conditions will be rectified within a reasonable time considering the child's age.

(ii) Other conditions exist that cause the child to come within the court's jurisdiction, the parent has received recommendations to rectify those conditions, the conditions have not been rectified by the parent after the parent has received notice and a hearing and has been given a reasonable opportunity to rectify the conditions, and there is no reasonable likelihood that the conditions will be rectified within a reasonable time considering the child's age.

(d) The child's parent has placed the child in a limited guardianship under section 5205 of the estates and protected individuals code, 1998 PA 386, MCL 700.5205, and has substantially failed, without good cause, to comply with a limited guardianship placement plan described in section 5205 of the estates and protected individuals code, 1998 PA 386, MCL 700.5205, regarding the child to the extent that the noncompliance has resulted in a disruption of the parent-child relationship.

(e) The child has a guardian under the estates and protected individuals code, 1998 PA 386, MCL 700.1101 to 700.8206, and the parent has substantially failed, without good cause, to comply with a court-structured plan described in section 5207 or 5209 of the estates and protected individuals code, 1998 PA 386, MCL 700.5207 and 700.5209, regarding the child to the extent that the noncompliance has resulted in a disruption of the parent-child relationship.

(f) The child has a guardian under the estates and protected individuals code, 1998 PA 386, MCL 700.1101 to 700.8206, and both of the following have occurred:

(i) The parent, having the ability to support or assist in supporting the minor, has failed or neglected, without good cause, to provide regular and substantial support for the minor for a period of 2 years or more before the filing of the petition or, if a support order has been entered, has failed to substantially comply with the order for a period of 2 years or more before the filing of the petition.

(ii) The parent, having the ability to visit, contact, or communicate with the minor, has regularly and substantially failed or neglected, without good cause, to do so for a period of 2 years or more before the filing of the petition.

(g) The parent, although, in the court's discretion, financially able to do so, fails to provide proper care or custody for the child and there is no reasonable expectation that the parent will be able to provide proper care and custody within a reasonable time considering the child's age.

(h) The parent is imprisoned for such a period that the child will be deprived of a normal home for a period exceeding 2 years, and the parent has not provided for the child's proper care and custody, and there is no reasonable expectation that the parent will be able to provide proper care and custody within a reasonable time considering the child's age.

(i) Parental rights to 1 or more siblings of the child have been terminated due to serious and chronic neglect or physical or sexual abuse, and the parent has failed to rectify the conditions that led to the prior termination of parental rights.

(j) There is a reasonable likelihood, based on the conduct or capacity of the child's parent, that the child will be harmed if he or she is returned to the home of the parent.

(k) The parent abused the child or a sibling of the child, the abuse included 1 or more of the following, and there is a reasonable likelihood that the child will be harmed if returned to the care of the parent:

(i) Abandonment of a young child.

(ii) Criminal sexual conduct involving penetration, attempted penetration, or assault with intent to penetrate.

(iii) Battering, torture, or other severe physical abuse.

(iv) Loss or serious impairment of an organ or limb.

(vii) Voluntary manslaughter.

(viii) Aiding and abetting, attempting to commit, conspiring to commit, or soliciting murder or voluntary manslaughter.

(ix) Sexual abuse as that term is defined in section 2 of the child protection law, 1975 PA 238, MCL 722.622.

(l) The parent's rights to another child were voluntarily terminated following the initiation of proceedings under section 2(b) of this chapter or a similar law of another state and the proceeding involved abuse that included 1 or more of the following, and the parent has failed to rectify the conditions that led to the prior termination of parental rights:

- (i) Abandonment of a young child.
- (ii) Criminal sexual conduct involving penetration, attempted penetration, or assault with intent to penetrate.
- (iii) Battering, torture, or other severe physical abuse.
- (iv) Loss or serious impairment of an organ or limb.
- (v) Life-threatening injury.
- (vi) Murder or attempted murder.
- (vii) Voluntary manslaughter.

(ix) Sexual abuse as that term is defined in section 2 of the child protection law, 1975 PA 238, MCL 722.622.

(m) The parent is convicted of 1 or more of the following, and the court determines that termination is in the child's best interests because continuing the parent-child relationship with the parent would be harmful to the child:

(i) A violation of section 136, 136a, 316, 317, 520b, 520c, 520d, 520e, or 520g of the Michigan penal code, 1931 PA 328, MCL 750.136, 750.136a, 750.316, 750.317, 750.520b, 750.520c, 750.520d, 750.520e, and 750.520g.

(iii) A federal law or law of another state with provisions substantially similar to a crime or procedure listed or described in subparagraph (i) or (ii).

(4) If a petition to terminate the parental rights to a child is filed, the court may enter an order terminating parental rights under subsection (3) at the initial dispositional hearing. If a petition to terminate parental rights to a child is filed, the court may suspend parenting time for a parent who is a subject of the petition.

(5) If the court finds that there are grounds for termination of parental rights and that termination of parental rights is in the child's best interests, the court shall order termination of parental rights and order that additional efforts for reunification of the child with the parent not be made.

(6) As used in this section, "concerned person" means a foster parent with whom the child is living or has lived who has specific knowledge of behavior by the parent constituting grounds for termination under subsection (3)(b) or (g) and who has contacted the department, the prosecuting attorney, the child's attorney, and the child's guardian ad litem, if any, and is satisfied that none of these persons intend to file a petition under this section.

712A.19c Review hearing of child's placement after termination of parental rights; appointment of guardian; applicability of section.

Sec. 19c. (1) Except as provided in section 19(4) of this chapter and subject to subsection (14), if a child remains in placement following the termination of parental rights to the child, the court shall conduct a review hearing not more than 91 days after the termination of parental rights and no later than every 91 days after that hearing for the first year following termination of parental rights to the child. If a child remains in a placement for more than 1 year following termination of parental rights to the child, a review hearing shall be held no later than 182 days from the immediately preceding review hearing before the end of the first year and no later than every 182 days from each preceding review hearing thereafter until the case is dismissed. A review hearing under this subsection shall not be canceled or delayed beyond the number of days required in this subsection, regardless of whether any other matters are pending. Upon motion by any party or in the court's discretion, a review hearing may be accelerated to review any element of the case. The court shall

conduct the first permanency planning hearing within 12 months from the date that the child was originally removed from the home. Subsequent permanency planning hearings shall be held within 12 months of the preceding permanency planning hearing. If proper notice for a permanency planning hearing is provided, a permanency planning hearing may be combined with a review hearing held under section 19(2) to (4) of this chapter. A permanency planning hearing under this section shall not be canceled or delayed beyond the number of months required in this subsection, regardless of whether any other matters are pending. At a hearing under this section, the court shall review all of the following:

- (a) The appropriateness of the permanency planning goal for the child.
- (b) The appropriateness of the child's placement.

(c) The reasonable efforts being made to place the child for adoption or in other permanent placement in a timely manner.

(2) Subject to subsection (3), if the court determines that it is in the child's best interests, the court may appoint a guardian for the child.

(3) The court shall not appoint a guardian for the child without the written consent of the MCI superintendent or his or her designee. The MCI superintendent or his or her designee shall consult with the child's lawyer guardian ad litem when considering whether to grant written consent.

(4) If a person believes that the decision to withhold the consent required in subsection (3) is arbitrary or capricious, the person may file a motion with the court. A motion under this subsection shall contain information regarding both of the following:

- (a) The specific steps taken by the person to obtain the consent required and the results, if any.
- (b) The specific reasons why the person believes that the decision to withhold consent was arbitrary or capricious.

(5) If a motion is filed under subsection (4), the court shall set a hearing date and provide notice to the MCI superintendent, the foster parents, the prospective guardian, the child, and the child's lawyer guardian ad litem.

(6) Subject to subsection (8), if a hearing is held under subsection (5) and the court finds by clear and convincing evidence that the decision to withhold consent was arbitrary or capricious, the court may approve the guardianship without the consent of the MCI superintendent.

(7) A guardian appointed under this section has all of the powers and duties set forth under section 15 of the estates and protected individuals code, 1998 PA 386, MCL 700.5215.

(9) The court's jurisdiction over a juvenile under section 2(b) of this chapter and the jurisdiction of the Michigan children's institute under section 3 of 1935 PA 220, MCL 400.203, shall be terminated after the court appoints a guardian under this section and conducts a review hearing under section 19 of this chapter, unless the juvenile is released sooner by the court.

(10) The court's jurisdiction over a guardianship created under this section shall continue until released by court order. The court shall review a guardianship created under this section annually and may conduct additional reviews as the court considers necessary. (12) A guardian may petition the court for permission to terminate the guardianship. A petition may include a request for appointment of a successor guardian.

(13) After notice and hearing on a petition for revocation or permission to terminate the guardianship, if the court finds by a preponderance of evidence that continuation of the guardianship is not in the child's best interests, the court shall revoke or terminate the guardianship and appoint a successor guardian or commit the child to the Michigan children's institute under section 3 of 1935 PA 220, MCL 400.203.

(14) This section applies only to a child's case in which parental rights to the child were either terminated

(1) If a child is subject to any combination of fines, costs, restitution, assessments, or payments arising out of the same order of disposition, money collected from that child, or his or her parent or parents, for the payment of fines, costs, restitution, assessments, or other payments shall be allocated as provided in this section.

(2) Except as otherwise provided in this subsection, if a child is subject to payment of victim payments and any combination of other fines, costs, assessments, or other payments, 50% of the money collected from that child, or his or her parent or parents, shall be applied to payment of victim payments, and the balance shall be applied to payment of fines, costs, and other assessments or payments. If fines, costs, or other assessments or payments remain unpaid after all victim payments have been paid, additional money collected shall be applied to payment of those fines, costs, or other assessments or payments. If victim payments remain unpaid after all fines, costs, or other assessments or payments have been paid, additional money collected shall be applied toward payment of those victim payments.

(3) In cases involving orders of disposition for offenses that would be violations of state law if committed by an adult, money allocated under subsection (2) for payment of fines, costs, and assessments or payments other than victim payments shall be applied in the following order of priority:

(a) Payment of the minimum state cost prescribed in section 1j of chapter IX of the code of criminal procedure, 1927 PA 175, MCL 769.1j.

(b) Payment of other costs.

(c) Payment of fines.

(d) Payment of assessments and other payments.

(4) In cases involving orders of disposition for offenses that would be violations of local ordinances if committed by an adult, money allocated under subsection (2) for payment of fines, costs, and assessments or payments other than victim payments shall be applied in the following order of priority:

712A.30 "Offense" and "victim" defined; order of restitution.

Sec. 30. (1) For purposes of this section and section 31:

(a) "Juvenile offense" means a violation by a juvenile of a penal law of this state or a violation by a juvenile of an ordinance of a local unit of government of this state punishable by imprisonment or by a fine that is not a civil fine.

(b) "Victim" means an individual who suffers direct or threatened physical, financial, or emotional harm as a result of the commission of a juvenile offense. For purposes of subsections (2), (3), (6), (8), (9), and (13), victim includes a sole proprietorship, partnership, corporation, association, governmental entity, or other legal entity that suffers direct physical or financial harm as a result of the commission of a juvenile offense.

(2) Except as provided in subsection (8), at the dispositional hearing for a juvenile offense, the court shall order, in addition to or in lieu of any other disposition authorized by law, that the juvenile make full restitution to any victim of the juvenile's course of conduct that gives rise to the disposition or to the victim's estate.

(3) If a juvenile offense results in damage to or loss or destruction of property of a victim of the juvenile offense, or results in the seizure or impoundment of property of a victim of the juvenile offense, the order of restitution may require that the juvenile do 1 or more of the following, as applicable:

(a) Return the property to the owner of the property or to a person designated by the owner.

(b) If return of the property under subdivision (a) is impossible, impractical, or inadequate, pay an amount equal to the greater of subparagraph (i) or (ii), less the value, determined as of the date the property is returned, of that property or any part of the property that is returned:

(i) The value of the property on the date of the damage, loss, or destruction.

(ii) The value of the property on the date of disposition.

(c) Pay the costs of the seizure or impoundment, or both.

(4) If a juvenile offense results in physical or psychological injury to a victim, the order of restitution may require that the juvenile do 1 or more of the following, as applicable:

(a) Pay an amount equal to the cost of actual medical and related professional services and devices relating to physical and psychological care.

(b) Pay an amount equal to the cost of actual physical and occupational therapy and rehabilitation.

(c) Reimburse the victim or the victim's estate for after-tax income loss suffered by the victim as a result of the juvenile offense.

(d) Pay an amount equal to the cost of psychological and medical treatment for members of the victim's family that has been incurred as a result of the juvenile offense.

(e) Pay an amount equal to the costs of actual homemaking and child care expenses incurred as a result of the juvenile offense.

(5) If a juvenile offense resulting in bodily injury also results in the death of a victim, the order of restitution may require that the juvenile pay an amount equal to the cost of actual funeral and related services.

(6) If the victim or victim's estate consents, the order of restitution may require that the juvenile make restitution in services in lieu of money.

(7) If the victim is deceased, the court shall order that the restitution be made to the victim's estate.

(8) The court shall order restitution to the crime victims compensation board or to any individuals, partnerships, corporations, associations, governmental entities, or any other legal entities that have compensated the victim or victim's estate for a loss incurred by the victim to the extent of the compensation paid for that loss. The court shall also order restitution, for the costs of services provided, to persons or entities that have provided services to the victim as a result of the juvenile offense. Services that are subject to restitution under this subsection include, but are not limited to, shelter, food, clothing, and transportation. However, an order of restitution shall require that all restitution to a victim or victim's estate under the order be made before any restitution to any other person or entity under that order is made. The court shall not order restitution to be paid to a victim or victim's estate if the victim or victim's estate has received or is to receive compensation for that loss, and the court shall state on the record with specificity the reasons for its actions. If an entity entitled to restitution under this subsection for compensating the victim or the victim's estate cannot or refuses to be reimbursed for that compensation, the restitution paid for that entity shall be deposited by the state treasurer in the crime victim's rights fund created under section 4 of Act No. 196 of the Public Acts of 1989, being section 780.904 of the Michigan Compiled Laws, or its successor fund.

(9) Any amount paid to a victim or victim's estate under an order of restitution shall be set off against any amount later recovered as compensatory damages by the victim or the victim's estate in any federal or state civil proceeding and shall reduce the amount payable to a victim or a victim's estate by an award from the crime victims compensation board made after an order of restitution under this section.

(10) If not otherwise provided by the court under this subsection, restitution shall be made immediately. However, the court may require that the juvenile make restitution under this section within a specified period or in specified installments.

(11) If the juvenile is placed on probation, any restitution ordered under this section shall be a condition of that probation. The court may revoke probation if the juvenile fails to comply with the order and if the juvenile has not made a good faith effort to comply with the order. In determining whether to revoke probation, the court shall consider the juvenile's employment status, earning ability, and financial resources, the willfulness of the juvenile's failure to pay, and any other special circumstances that may have a bearing on the juvenile's ability to pay.

(12) A juvenile who is required to pay restitution and who is not in willful default of the payment of the restitution may at any time petition the court to modify the method of payment. If the court determines that payment under the order will impose a manifest hardship on the juvenile or his or her immediate family, the court may modify the method of payment.

(13) An order of restitution entered under this section remains effective until it is satisfied in full. An order of restitution is a judgment and lien against all property of the individual ordered to pay restitution for the amount specified in the order of restitution. The lien may be recorded as provided by law. An order of restitution may be enforced by the prosecuting attorney, a victim, a victim's estate, or any other person or entity named in the order to receive the restitution in the same manner as a judgment in a civil action or a lien.

(14) Notwithstanding any other provision of this section, a juvenile shall not be detained for a violation of probation, or otherwise, for failure to pay restitution as ordered under this section unless the court determines that the juvenile has the resources to pay the ordered restitution and has not made a good faith effort to do so.

(15) If the court determines that the juvenile is or will be unable to pay all of the restitution ordered, after notice to the juvenile's parent and an opportunity for the parent to be heard, the court may order the parent or parents having supervisory responsibility for the juvenile at the time of the acts upon which an order of restitution is based to pay any portion of the restitution ordered that is outstanding. An order under this subsection does not relieve the juvenile of his or her obligation to pay restitution, but the amount owed by the juvenile shall be offset by any amount paid by his or her parent. As used in this subsection, "parent" does not include a foster parent.

(16) If the court orders a parent to pay restitution under subsection (15), the court shall take into account the financial resources of the parent and the burden that the payment of restitution will impose, with due regard to any other moral or legal financial obligations that the parent may have. If a parent is required to pay restitution under subsection (15), the court shall provide for payment to be made in specified installments and within a specified period of time.

(17) A parent who has been ordered to pay restitution under subsection (15) may petition the court for a modification of the amount of restitution owed by the parent or for a cancellation of any unpaid portion of the parent's obligation. The court shall cancel all or part of the parent's obligation due if the court determines that payment of the amount due will impose a manifest hardship on the parent.

(18) In each case in which payment of restitution is ordered as a condition of probation, the juvenile caseworker or probation officer assigned to the case shall review the case not less than twice yearly to ensure that restitution is being paid as ordered. The final review shall be conducted not less than 60 days before the

expiration of the probationary period. If the juvenile caseworker or probation officer determines the restitution is not being paid as ordered, the juvenile caseworker or probation officer shall file a written report of the violation with the court on a form prescribed by the state court administrative office. The report shall include a statement of the amount of the arrearage and any reasons for the arrearage that are known by the juvenile caseworker or probation officer. The juvenile caseworker or probation officer shall immediately provide a copy of the report to the prosecuting attorney. If a motion is filed or other proceedings are initiated to enforce payment of restitution and the court determines that restitution is not being paid or has not been paid as ordered by the court, the court shall promptly take action necessary to compel compliance.

(19) If the court determines that an individual who is ordered to pay restitution under this section is remanded to the jurisdiction of the department of corrections, the court shall provide a copy of the order of restitution to the department of corrections when the court determines that the individual is remanded to the department's jurisdiction.

Sec. 5. In Indian child custody proceedings, the best interests of the Indian child shall be determined, in consultation with the Indian child's tribe, in accordance with the Indian child welfare act, and the policy specified in this section. Courts shall do both of the following:

712B.7 Jurisdiction; exclusive; emergency; transfer; good cause determination; right to intervene or participate in proceeding; full faith and credit to public acts, records, and judicial proceedings.

Sec. 7. (1) An Indian tribe has exclusive jurisdiction over any child custody proceeding involving an Indian child who resides or is domiciled within the reservation of that tribe. If a child is a ward of a tribal court, the Indian tribe retains exclusive jurisdiction, regardless of the residence or domicile, or subsequent change in his or her residence or domicile.

(2) The state court may exercise limited emergency jurisdiction if an Indian child who resides or is domiciled within the reservation is temporarily off the reservation and the state has removed the Indian child in an emergency situation to prevent imminent physical damage or harm to the Indian child. The court must comply with the emergency removal hearing requirements outlined in Michigan court rules and sections 13a, 14, and 14a of chapter XIA. The emergency jurisdiction terminates when the removal or placement is no longer necessary to prevent imminent physical damage or harm to the Indian child.

(3) In any state court child custody proceeding, for an Indian child not domiciled or residing within the reservation of the Indian child's tribe, the court, in the absence of good cause to the contrary, shall transfer the proceeding to the Indian tribe's jurisdiction, absent objection by either parent, upon the petition of either parent or the Indian custodian or the Indian child's tribe, provided that the transfer is subject to declination by the tribal court of the Indian tribe.

(4) When a court makes a good cause determination under this section, adequacy of the tribe, tribal court, or tribal social services shall not be considered.

(5) A court may determine that good cause not to transfer a case to tribal court exists only if the person opposing the transfer shows by clear and convincing evidence that either of the following applies:

(a) The Indian tribe does not have a tribal court.

(b) The requirement of the parties or witnesses to present evidence in tribal court would cause undue hardship to those parties or witnesses that the Indian tribe is unable to mitigate.

(6) In any state court child custody proceeding of an Indian child, the Indian custodian of the child and the Indian child's tribe have a right to intervene at any point in the child custody proceeding.

(7) Official tribal representatives have the right to participate in any proceeding that is subject to the Indian child welfare act and this chapter.

(8) This state shall give full faith and credit to the public acts, records, and judicial proceedings of any Indian tribe applicable to Indian child custody proceedings to the same extent given to the public acts, records, and judicial proceedings of any other entity.

712B.9 Child custody proceeding; notification to parent, Indian custodian, and tribe; additional preparation days; suspension of proceedings; prejudice by lack of notice; determination as to which tribe child is member; circumstances leading to belief child is an Indian; determining, documenting, and contacting extended family; determination or testimony by authorized person; documentation of efforts.

Sec. 9. (1) In a child custody proceeding, if the court knows or has reason to know that an Indian child is involved, the petitioner shall notify the parent or Indian custodian and the Indian child's tribe, by registered mail with return receipt requested, of the pending child custody proceeding and of the right to intervene. If the identity or location of the parent or Indian custodian and the tribe cannot be determined, notice shall be given to the secretary in the same manner described in this subsection. The secretary has 15 days after receipt of notice to provide the requisite notice to the parent or Indian custodian and the tribe.

(2) No foster care placement or termination of parental rights proceeding shall be held until at least 10 days after receipt of notice by the parent or Indian custodian and the tribe or the secretary. The parent or Indian custodian or the tribe shall, upon request, be granted up to 20 additional days to prepare for the proceeding. If the petitioner or court later discovers that the child may be an Indian child, all further proceedings shall be suspended until notice is received by the tribe or the secretary as set forth in this subsection. If the court determines after a hearing that the parent or tribe was prejudiced by lack of notice, the prior decisions made by the court shall be vacated and the case shall proceed from the first hearing. The petitioner has the burden of proving lack of prejudice.

(3) The department shall actively seek to determine whether a child at initial contact is an Indian child. If the department is able to make an initial determination as to which Indian tribe or tribes a child brought to its attention may be a member, the department shall exercise due diligence to contact the Indian tribe or tribes in writing so that the tribe may verify membership or eligibility for membership. If the department is unable to make an initial determination as to which tribe or tribes a child may be a member, the department shall, at a minimum, contact in writing the tribe or tribes located in the county where the child is located and the secretary.

(4) Circumstances under which a court, the department, or other party to a child custody proceeding has reason to believe a child involved in a child custody proceeding is an Indian include, but are not limited to, any of the following:

(a) Any party to the case, Indian tribe, Indian organization, or public or private agency informs the court that the child is an Indian child.

(b) Any public or state-licensed agency involved in child protection services or family support has discovered information that suggests that the child is an Indian child.

(c) The child who is the subject of the proceeding gives the court reason to believe he or she is an Indian child.

(d) The residence or the domicile of the child, his or her biological parents, or the Indian custodian is known by the court to be or is shown to be a predominantly Indian community.

(e) An officer of the court involved in the proceeding has knowledge that the child may be an Indian child.

(5) The department shall exercise due diligence to determine, document, and contact the Indian child's extended family members in accordance with the fostering connections to success and increasing adoptions act of 2008, Public Law 110-351. If applicable, determinations and documentation should be conducted in consultation with the child or parent's tribe.

(6) A written determination or oral testimony by a person authorized by the Indian tribe to speak on its behalf, regarding a child's membership or eligibility for membership in a tribe, is conclusive as to that tribe.

(7) The petitioner shall document all efforts made to determine a child's membership or eligibility for

membership in an Indian tribe and shall provide them, upon request, to the court, Indian tribe, Indian child, Indian child's lawyer-guardian ad litem, parent, or Indian custodian.

712B.13 Guardianship; adoptive placement; termination of parental rights; consent.

Sec. 13. (1) If both parents or Indian custodian voluntarily consent to a petition for guardianship under section 5204 or 5205 of the estates and protected individuals code, 1998 PA 386, MCL 700.5204 and 700.5205, or if a parent consents to adoptive placement or the termination of his or her parental rights for the express purpose of adoption by executing a release under sections 28 and 29 of chapter X, or consent under sections 43 and 44 of chapter X, the following requirements must be met:

(a) To be valid, consent under this section must be executed on a form approved by the state court administrative office, in writing, recorded before a judge of a court of competent jurisdiction, and accompanied by the presiding judge's certificate that the terms and consequences of the consent were fully explained in detail and were fully understood by the parent or Indian custodian. The court shall also certify that either the parent or Indian custodian fully understood the explanation in English or that it was interpreted into a language that the parent or Indian custodian understood. Any consent given before, or within 10 days after, birth of the Indian child is not valid.

(b) Notice of the pending proceeding must be given as prescribed by Michigan supreme court rule, the Indian child welfare act, and section 9 of this chapter.

(c) The voluntary custody proceeding shall be conducted in accordance with Michigan supreme court rules and the following statutes:

(i) In a guardianship proceeding under section 5204 or 5205 of the estates and protected individuals code, 1998 PA 386, MCL 700.5204 and 700.5205, section 25 of this chapter also applies.

(ii) In an adoption proceeding, section 27 of this chapter also applies.

(2) Consent described under subsection (1) must contain the following information:

(f) For consent for voluntary placement of the Indian child in foster care, the name and address of the person or entity who will arrange the foster care placement as well as the name and address of the prospective foster care parents if known at the time.

(g) For consent to termination of parental rights or adoption of an Indian child, in addition to the information in subdivisions (a) to (f), the name and address of the person or entity that will arrange the preadoptive or adoptive placement.

(3) If the placement is for purposes of adoption, a consent under subsection (1) of the Indian child's parent must be executed in conjunction with either a consent to adopt, as required by sections 43 and 44 of chapter X, or a release, as required by sections 28 and 29 of chapter X. A parent who executes a consent under this section may withdraw his or her consent at any time before entry of a final order of adoption by filing a written demand requesting the return of the Indian child. Once a demand is filed with the court, the court shall order the return of the Indian child. Withdrawal of consent under this section constitutes a withdrawal of a release executed under sections 28 and 29 of chapter X or a consent to adopt executed under sections 43 and 44 of chapter X.

(4) A parent or Indian custodian who executes a consent under this section for the purpose of guardianship may withdraw his or her consent at any time by sending written notice to the court substantially in compliance on a form approved by the state court administrative office that the parent or Indian custodian revokes consent

and wants his or her Indian child returned.

(5) A release executed under sections 28 and 29 of chapter X during a pendency of a proceeding under section 2(b) of chapter XIIA is subject to section 15 of this chapter. If the release follows the initiation of a proceeding under section 2(b) of chapter XIIA, the court shall make a finding that culturally appropriate services were offered.

(6) A parent who executes a consent to adoption under sections 43 and 44 of chapter X may withdraw that consent at any time before entry of a final order for adoption by filing notification of the withdrawal of consent with the court. In a direct placement, as defined in section 22(o) of chapter X, a consent by a parent or guardian shall be accompanied by a verified statement signed by the parent or guardian that contains all of the following:

(a) That the parent or guardian has received a list of community and federal resource supports and a copy of the written document described in section 6(1)(c) of the foster care and adoption services act, 1994 PA 204, MCL 722.956.

(b) As required by sections 29 and 44 of chapter X, that the parent or guardian has received counseling related to the adoption of his or her Indian child or waives the counseling with the signing of the verified statement.

(c) That the parent or guardian has not received or been promised any money or anything of value for the consent to adoption of the Indian child, except for lawful payments that are itemized on a schedule filed with the consent.

(d) That the validity and finality of the consent are not affected by any collateral or separate agreement between the parent or guardian and the adoptive parent.

(e) That the parent or guardian understands that it serves the welfare of the Indian child for the parent to keep the child placing agency, court, or department informed of any health problems that the parent develops that could affect the Indian child.

(f) That the parent or guardian understands that it serves the welfare of the Indian child for the parent or guardian to keep his or her address current with the child placing agency, court, or department in order to permit a response to any inquiry concerning medical or social history from an adoptive parent of a minor adoptee or from an adoptee who is 18 years or older.

Sec. 23. (1) Except for a placement for guardianship under section 5204 or 5205 of the estates and protected individuals code, 1998 PA 386, MCL 700.5204 and 700.5205, where both parents submit a consent for the guardianship, an Indian child shall be placed in the least restrictive setting that most approximates a family and in which his or her special needs, if any, may be met. The child shall be placed within reasonable proximity to his or her home, taking into account any special needs of the child. Absent good cause to the contrary, the foster care or preadoptive placement of an Indian child must be in the following order of

preference:

- (a) A member of the Indian child's extended family.
 - (b) A foster home licensed, approved, or specified by the Indian child's tribe.
 - (c) An Indian foster home licensed or approved by the department.
 - (d) An institution for children approved by an Indian tribe or operated by an Indian organization that has a program suitable to meet the Indian child's needs.
- (2) Absent good cause to the contrary, the adoptive placement of an Indian child must be in the following order of preference:
- (a) A member of the child's extended family.
 - (b) A member of the Indian child's tribe.
 - (c) An Indian family.
- (3) The burden of establishing good cause not to follow the order of preference is on the party requesting the deviation.
- (4) The court shall not find good cause to deviate from the placement preferences stated in this section without first ensuring that all possible placements required under this section have been thoroughly investigated and eliminated. All efforts made under this section must be provided to the court in writing or stated on the record. The court shall address efforts to place an Indian child in accordance with this section at each hearing until the placement meets the requirements of this section.
- (5) The court's determination of good cause to not follow the order of preference shall be based on 1 or more of the following conditions:
- (a) A request was made by a child of sufficient age.
 - (b) A child has an extraordinary physical or emotional need as established by testimony of an expert witness.
- (6) In the case of a placement under subsection (1) or (2), if the Indian child's tribe establishes a different order of preference, the department or court ordering the placement shall follow the tribe's order of preference.
- (7) A record of each placement of an Indian child shall be maintained by the department or court evidencing the efforts to comply with the order of preference specified in this section. The record shall be made available at any time upon the request of the secretary or Indian child's tribe.
- (8) The standards to be applied in meeting the placement preferences established in this section shall be the prevailing social and cultural standards of the Indian tribe or tribes in which the parent or extended family resides or maintains social and cultural ties.
- (9) Nothing in this chapter or section prevents the emergency removal, protective custody, or subsequent placement of an Indian child who is a resident of or is domiciled on a reservation but is temporarily located off the reservation.
- (10) All efforts made to identify, locate, and place a child according to this section shall be documented and, upon request, made available to the court, tribe, Indian child, Indian child's lawyer-guardian ad litem, parent, or Indian custodian.

Sec. 25. (1) If a petition for a guardianship is filed and is determined to be involuntary under section 15 of this chapter and the court knows or has reason to know that the child is an Indian child, the court may order the department or a court employee to conduct an investigation of the proposed guardianship and file a written report of the investigation. In addition to the information required in section 5204 of the estates and protected individuals code, 1998 PA 386, MCL 700.5204, the report must include, but is not limited to, the following information:

- (a) Whether the child is or is not an Indian child.
- (b) The identity and location of the Indian child's parents, if known.
- (c) If the child is an Indian child, the report must also address all of the following:
 - (i) The tribe or tribes of which the Indian child is a member or eligible for membership.
 - (ii) If the Indian child and family need culturally appropriate and other services to preserve the Indian family.
 - (iii) The identity and location of extended family members and if no extended family members can be found, what efforts were made to locate them.

(2) Notice of the pending proceeding must be given as prescribed by Michigan supreme court rule, the Indian child welfare act, and section 9 of this chapter. If the court knows or has reason to know that the proceeding involves an Indian child, the court shall conduct a hearing to determine all of the following:

(a) If the tribe has exclusive jurisdiction. If so, the court shall issue an order terminating the guardianship or dismissing the petition.

(b) If the current placement with the guardian meets the placement requirements in section 23 of this chapter.

(c) If it is in the Indian child's best interest to order the guardianship.

(d) If a lawyer-guardian ad litem should be appointed to represent the Indian child.

(3) If a petition for guardianship is filed and is to be accompanied by a consent to a voluntary placement of an Indian child, the consent must be executed in accordance with section 13 of this chapter. If the Indian child's parents do not execute a consent under section 13 of this chapter, the petition is considered to be for an involuntary guardianship and the requirements of section 15 of this chapter must be met.

(4) A parent or Indian custodian who executes a consent under this section for the purpose of voluntary guardianship may withdraw his or her consent at any time by sending written notice to the court substantially in compliance on a form approved by the state court administrative office that the parent or Indian custodian revokes consent and wants his or her Indian child returned.

(5) The voluntary guardianship is terminated when the court receives from a parent or Indian custodian notice to withdraw consent to the guardianship, and the Indian child shall be immediately returned to the parent or Indian custodian.

(6) If the court discovers a child may be an Indian child after a guardianship is ordered, the court shall provide notice of the guardianship and the potential applicability of this chapter and the Indian child welfare act, in compliance with Michigan court rules, this chapter, and the Indian child welfare act, to the tribe, the parents or Indian custodian, and the current guardian on a form approved by the state court administrative office.

(4) Upon application by an Indian individual who has reached the age of 18 and who was subject to adoptive placement, the court that entered the order of adoption shall inform the individual of his or her tribal affiliation, if known, of the individual's biological parents, and provide any information as necessary to protect any rights from the individual's tribal relationship.

(5) After the entry of a final order of adoption of an Indian child in any state court, the parent may withdraw consent on the grounds that consent was obtained through fraud or duress and may petition the court to vacate the final order of adoption.
