Compiler's note: Enacting section 2 of Act 268 of 2005 provides:

"Enacting section 2. If an appellate court declares this amendatory act unconstitutional, then it is the intent of the legislature that a good faith effort be made to amend section 305 of the Michigan liquor control code of 1998, 1998 PA 58, MCL 436.1305, to make it less burdensome for a small winery to terminate an agreement with a wholesaler."

436.1203a Sale and delivery of beer in this state by micro brewer or substantially-equivalent out-of state entity; requirements.

Sec. 203a. (1) The legislature finds that the 3-tier system is necessary to protect public health and safety of Michigan residents and to promote competition and access to market for all alcoholic beverage suppliers.

(2) The legislature further finds that vertical integration of the alcoholic beverage industry is contrary to this state's interest in protecting public health and safety of Michigan residents and leads to anti-competitive behavior by beverage alcohol suppliers.

(3) The legislature further finds that the 3-tier system and the prohibitions under section 603 achieve the following public policy goals:

(a) Promote consumer choice and product variety by providing a platform that provides all suppliers access to Michigan's beverage alcohol market.

(b) Encourage wholesalers to invest in their businesses and all the brands they distribute, free from undue interference from the suppliers of the brands they distribute.

(c) Create a transparent and accountable alcohol distribution system that allows the commission to prevent the manufacture, distribution, or sale of counterfeit, adulterated, unregistered, recalled, or prohibited alcoholic beverages.

(4) This state has an interest in creating market access for all sizes of suppliers and finds that micro brewers create competition and variety in Michigan's beer market.

(5) For the purposes of creating access to Michigan's beer market while also preserving the 3-tier system

and limiting vertical integration, a micro brewer or an out-of-state entity that is the substantial equivalent of a micro brewer may sell and deliver beer to a retailer in this state only if all of the following conditions are met:

(a) The retailer is not located in a sales territory for which the micro brewer or out-of-state entity that is the substantial equivalent of a micro brewer has granted exclusive sales rights to a wholesaler under sections 401 and 403 for the sale of any brand or brands of beer produced by the micro brewer or out-of-state entity that is the substantial equivalent of a micro brewer.

(b) The beer is sold and delivered by an employee of the micro brewer or out-of-state entity that is the substantial equivalent of a micro brewer, not an agent, and is transported and delivered using a vehicle owned by the micro brewer or out-of-state entity that is the substantial equivalent of a micro brewer.

(c) The micro brewer or out-of-state entity that is the substantial equivalent of a micro brewer is in compliance with applicable state and federal law and applicable regulatory provisions of this act and rules promulgated by the commission under this act, including, but not limited to, those requirements related to each of the following:

- (i) Employees that sell and deliver beer to retailers.
- (ii) Vehicles used to deliver beer to retailers.
- (iii) Price schedules and temporary price reductions.
- (iv) 1976 IL 1, MCL 445.571 to 445.576.

(d) The micro brewer or out-of-state entity that is the substantial equivalent of a micro brewer sells not more than 2,000 barrels of beer total per year. In determining the 2,000-barrel threshold under this subdivision, all brands and labels of a micro brewer or out-of-state equivalent of a micro brewer, whether sold to a wholesaler or a retailer in this state or outside of this state, must be combined. Sales to consumers on the licensed premises of the micro brewer or out-of-state entity that is the substantial equivalent of a micro brewer are not included in determining the 2,000-barrel threshold under this subdivision.

(b) The mixed spirit drink is sold and delivered by an employee of the mixed spirit drink manufacturer or out-of-state entity that is the substantial equivalent of a mixed spirit drink manufacturer, not an agent, and is transported and delivered using a vehicle owned by the mixed spirit drink manufacturer or out-of-state entity that is the substantial equivalent of a mixed spirit drink manufacturer.

- (i) Employees that sell and deliver mixed spirit drink to retailers.
- (ii) Vehicles used to deliver mixed spirit drink to retailers.

- (iv) 1976 IL 1, MCL 445.571 to 445.576.

- (vi) Payment of taxes.

(d) The mixed spirit drink manufacturer or out-of-state entity that is the substantial equivalent of a mixed spirit drink manufacturer sells not more than 31,000 gallons of mixed spirit drink total per year. In determining the 31,000-gallon threshold under this subdivision, all brands and labels of a mixed spirit drink manufacturer or out-of-state entity that is the substantial equivalent of a mixed spirit drink manufacturer, whether sold to a wholesaler or a retailer in this state or outside of this state, must be combined. Sales to consumers on the licensed premises of the mixed spirit drink manufacturer or out-of-state entity that is the substantial equivalent of a mixed spirit drink manufacturer are not included in determining the 31,000-gallon threshold under this subdivision.

History: Add. 2018, Act 404, Imd. Eff. Dec. 19, 2018.

436.1205 Warehousing and delivery of spirits; authorized distribution agent; report.

Sec. 205. (1) The commission shall, as provided in section 203(1), by order appoint authorized distribution agents to warehouse and deliver spirits in this state to ensure that all retail licensees are properly serviced with spirits. An authorized distribution agent is subject to uniform requirements, including business operating procedures, that the commission may prescribe by rule, subject to this section.

(2) A person is eligible for appointment by the commission as an authorized distribution agent if all of the following circumstances exist:

(a) The person satisfies all applicable commission rules prescribing qualifications for licensure promulgated under section 215.

(b) The person has entered into a written agreement or contract with a supplier of spirits to warehouse and deliver a brand or brands of spirits of that supplier of spirits.

(c) The person has an adequate warehousing facility located in this state to store spirits from which all delivery of spirits to retail licensees must be made.

(3) An authorized distribution agent shall not have a direct or indirect interest in a supplier of spirits or in a

retailer. A supplier of spirits or a retailer shall not have a direct or indirect interest in an authorized distribution agent. An authorized distribution agent shall not hold title to spirits.

(4) An authorized distribution agent shall deliver to each retailer located in its assigned distribution area on at least a weekly basis if the order meets the minimum requirements. Except that in a week that accompanies a state holiday, the commission may order a modified delivery schedule if a retailer will not wait longer than 9 days between deliveries because of the modified delivery schedule. The commission shall provide for an integrated online ordering system for spirits and shall require the continuance of any ordering system in existence on the activation date of the system established under section 206. The commission shall set minimum requirements that must be a sufficient number of bottles to comprise not more than 2 cases. A retailer may pick up the product at the authorized distribution agent's warehouse. To avoid occasional emergency outages of spirits, a retail licensee may make up to 12 special emergency orders to an authorized distribution agent in each calendar year. An authorized distribution agent shall make a special emergency order available to the retail licensee within 18 hours of the placing of the order. An authorized distribution agent shall make a special emergency order placed on Saturday or Sunday available to the retail licensee before noon on the following Monday. An authorized distribution agent may impose a fee of up to \$20.00 to deliver a special emergency order to a retail licensee.

(5) In locations inaccessible to a motor vehicle as that term is defined by section 33 of the Michigan vehicle code, 1949 PA 300, MCL 257.33, an authorized distribution agent shall arrange that a delivery of spirits to a retailer be in compliance with the following procedures:

(a) After processing an order from a retailer, an authorized distribution agent shall contact a retailer to confirm the quantity of cases or bottles, or both, and the exact dollar total of the order.

(b) The authorized distribution agent shall coordinate with the retailer the date and time a driver is scheduled to deliver the order to a ferry transport dock, shall arrange any ferry, drayage, or other appropriate service, and shall pick up the retailer's payment at that time.

(c) The ferry transport company or company representing any other form of conveyance shall take the retailer's payment to the mainland dock and give that payment to the authorized distribution agent's driver.

(d) The ferry transport company or company representing any other form of conveyance shall transport the order to the drayage or other appropriate company at the island dock for immediate delivery to the retailer.

(e) The drayage or other appropriate company shall deliver the order to the retailer.

(6) An authorized distribution agent is responsible for the payment of all transportation and delivery charges imposed by the ferry, drayage, or other conveyance company and is responsible for all breakage and any shortages, whether attributable to the ferry, drayage, or other conveyance company or any combination of those companies, until the order is delivered to the retailer's establishment. This subsection does not prevent the authorized distribution agent from seeking reimbursement or damages from any company conveying the authorized distribution agent's product.

(7) Except as otherwise provided in subsection (4), an authorized distribution agent shall not charge a delivery fee or a split-case fee for delivery of spirits sold by the commission to a retailer.

(8) An authorized distribution agent or prospective authorized distribution agent shall maintain and make available to the commission or its representatives, on notice, any contract or written agreement it has with a supplier of spirits or other authorized distribution agent for the warehousing and delivering of spirits in this state.

(9) For a violation of this act, a rule promulgated under this act, or the terms of an order appointing an authorized distribution agent, an authorized distribution agent is subject to the suspension, revocation, forfeiture, and penalty provisions of sections 903(1) and 907 in the same manner in which a licensee would be subject to those provisions. An authorized distribution agent aggrieved by a penalty imposed by the commission may invoke the hearing and appeal procedures of section 903(2) and rules promulgated under section 903.

(10) A specially designated distributor may sell to an on-premises retailer up to 120 liters of spirits during any calendar year and an on-premises retailer may purchase, collectively from specially designated distributors, up to 120 liters of spirits during any calendar year. Notwithstanding any other provision of this act or rule promulgated under this act, a specially designated distributor is only liable for knowingly violating this section. An on-premises retailer shall maintain and make available to the commission on request records verifying the purchases described in this subsection. For each month in which an on-premises retailer purchases spirits under this subsection, the on-premises retailer shall submit a report to the commission indicating the purchases the on-premises retailer made under this subsection during that month. Within 30 days after the effective date of the amendatory act that added this sentence, the commission shall establish the method and form for the electronic reporting of purchases made under this subsection by on-premises retailers. The commission shall not require an on-premises retailer to submit a report under this subsection in

less than monthly intervals and shall not require a report from an on-premises retailer in a month in which the on-premises retailer did not purchase spirits under this subsection.

(11) In addition to paying a vendor of spirits the acquisition price for purchasing spirits, the commission may pay a vendor of spirits an additional amount of not less than \$4.50 and not more than \$8.25 for each case of spirits purchased as an offset to the costs being incurred by that vendor of spirits in contracting with an authorized distribution agent for warehousing and delivering spirits to retailers. The payment described in this subsection may not be included in the cost of purchasing spirits by the commission and is not subject to the commission's markup, special taxes, or state sales tax. The per-case offset established by this subsection may be increased by the state administrative board each January to reflect reasonable increases in the authorized distribution agent's cost of warehousing and delivering. As used in this subsection, "case" means a container holding twelve 750 ml bottles of spirits or other containers containing spirits that are standard to the industry.

The system shall allow retail licensees to order all brands and types of spirits from the commission and provide the order to the appropriate authorized distribution agents.

(2) The commission may enter into any agreements with or contract with private or other public entities as provided for or allowed by law to establish the integrated on-line ordering system described in subsection (1). A licensee of the commission or an authorized distribution agent shall not have a direct or indirect interest in the person with whom the commission contracts or enters into an agreement to establish the integrated on-line ordering system described in subsection (1). Ownership of the integrated on-line ordering system remains with the commission. (g) "Retaliatory action" means action that includes, but is not limited to, the refusal to continue an agreement, or a material reduction in the quality of service or quantity of products available to a wholesaler under an agreement, which refusal or reduction is not made in good faith.

(h) "Sales territory" means an area of sales responsibility for the brand or brands of wine or mixed spirit drink sold by a supplier as designated by an agreement.

(i) "Successor" means a supplier that obtains, in any manner from any person, including a person that is not a supplier, the distribution rights of 1 or more brands of wine or mixed spirit drink that a licensed Michigan wholesaler has distributed in this state under an agreement with another supplier, that previously had the distribution rights for the brand or brands.

(j) "Supplier" means a wine maker, mixed spirit drink manufacturer, an outstate seller of wine, an outstate seller of mixed spirit drink, or a master distributor.

(k) "Transfer of a wholesaler's business" means the voluntary sale, assignment, or other transfer of the business or control of the business of the wholesaler, including the sale or other transfer of stock or assets by merger, consolidation, or dissolution.

(3) A supplier shall not do any of the following:

(a) Coerce, or attempt to coerce, a wholesaler to accept delivery of any wine, mixed spirit drink, or other commodity that has not been ordered by the wholesaler. However, a supplier may impose reasonable inventory requirements on a wholesaler if the requirements are made in good faith and are generally applied to other wholesalers having an agreement with the supplier.

(b) Coerce, or attempt to coerce, a wholesaler to accept delivery of any wine, mixed spirit drink, or other commodity ordered by a wholesaler if the order was properly canceled by the wholesaler in accordance with the procedures agreed on by the supplier and wholesaler.

(c) Coerce, or attempt to coerce, a wholesaler to do any illegal act by threatening to amend, cancel, terminate, or refuse to renew any agreement existing between the supplier and wholesaler.

(d) Require a wholesaler to assent to any condition, stipulation, or provision limiting the wholesaler's right to sell the brand or brands of wine or mixed spirit drink of any other supplier anywhere in this state unless the acquisition of the brand or brands of another supplier would materially impair the quality of service of the brand or brands of the supplier presently being sold by the wholesaler.

(e) Require a wholesaler to purchase 1 or more brands of wine or mixed spirit drink in order for the wholesaler to purchase another brand or brands of wine or mixed spirit drink for any reason. However, a wholesaler that has agreed to distribute a brand or brands before June 26, 1984 shall continue to distribute the brand or brands in conformance with this section.

(f) Request a wholesaler to submit profit and loss statements, balance sheets, or financial records as a requirement for renewing or retaining an agreement.

(g) Withhold delivery of wine or mixed spirit drink ordered by a wholesaler, or change a wholesaler's quota of a brand or brands if the withholding or change is not made in good faith.

(h) Require a wholesaler by any means to participate in or contribute to any local or national advertising fund controlled directly or indirectly by a supplier.

(i) Fail to provide each wholesaler of the supplier's brand or brands with a written agreement that contains

in total the supplier's agreement with each wholesaler, and designates a specific sales territory.

(j) Fix, maintain, or establish the price at which a wholesaler shall sell any wine or mixed spirit drink.

(k) Take any retaliatory action against a wholesaler that files a complaint regarding an alleged violation by the supplier of state or federal law or an administrative rule.

(l) Require or prohibit any change in the manager or successor manager of any wholesaler that has been approved by the supplier as of June 26, 1984. If, after June 26, 1984, a supplier requires a manager or successor manager be appointed, or if a wholesaler changes an approved manager or successor manager, a supplier shall not interfere with or prohibit the appointment unless the person fails to meet the reasonable written standards for Michigan wholesalers of the supplier that have been provided to the wholesaler.

(m) Require by a provision of any agreement or other instrument in connection with the agreement that any dispute arising out of or in connection with that agreement be determined through the application of any other state's laws. Any supplier or wholesaler aggrieved by any dispute arising out of or in connection with an agreement governed by this act has the right to file an appropriate action consistent with this act in any court in this state having venue.

(4) A wholesaler shall not sell or deliver wine or mixed spirit drink to a retail licensee located outside the sales territory designated by the supplier of a particular brand or brands of wine or mixed spirit drink. However, during periods of temporary service interruptions impacting a particular sales territory, a wholesaler that normally services the impacted sales territory shall file with the commission a written notice designating the specific wholesaler or wholesalers that will service the sales territory during the period of temporary service interruption and the approximate length of time of the service interruption. When the temporary service interruption is over, the wholesaler that normally services the sales territory shall notify in writing the commission and the wholesaler, or wholesalers, which is servicing the sales territory on a temporary basis of this fact and any wholesaler servicing the sales territory on a temporary basis shall cease servicing the sales territory upon receipt of the notice. A wholesaler that is designated to service the impacted sales territory during the period of temporary service is not in violation of this subsection. A wholesaler that has been designated to service the impacted sales territory during the period of temporary service interruption does not have any of the rights provided under subsections (6) to (12).

(5) A supplier or wholesaler shall not directly or indirectly restrict or inhibit the right of free association among suppliers or wholesalers for any lawful purpose.

(6) Notwithstanding the terms, provisions, or conditions of any agreement, a supplier shall not amend any agreement unless the supplier is acting in good faith in making the amendment.

(7) Notwithstanding any agreement and except as otherwise provided for in this section, a supplier shall not cause a wholesaler to resign from an agreement; or cancel, terminate, fail to renew, or refuse to continue under an agreement unless the supplier has complied with all of the following:

(a) Has satisfied the applicable notice requirements of subsection (10).

(b) Has acted in good faith.

(c) Has good cause for the cancellation, termination, nonrenewal, discontinuance, or forced resignation.

(8) Notwithstanding any agreement, good cause shall exist for the purposes of a termination, cancellation, nonrenewal, or discontinuance under subsection (7)(c) when all of the following occur:

(a) The wholesaler fails to comply with a provision of the agreement that is both reasonable and of material significance to the business relationship between the wholesaler and the supplier.

(b) The supplier first acquired knowledge of the failure described in subdivision (a) not more than 2 years before the date notification was given under subsection (7).

(c) The wholesaler was given written notice by the supplier of failure to comply with the agreement.

(d) The wholesaler was afforded a reasonable opportunity to assert good faith efforts to comply with the agreement within the time limits as provided for in subdivision (e).

(e) The wholesaler has been afforded 25 days in which to submit a plan of corrective action to comply with the agreement and an additional 75 days to cure the noncompliance in accordance with the plan.

(9) A supplier or wholesaler who terminates, cancels, nonrenews, or discontinues an agreement has the burden of showing that it has acted in good faith, complied with the applicable notice requirements under this section, and that there was good cause for the termination, cancellation, nonrenewal, or discontinuance.

(10) Notwithstanding any agreement and except as otherwise provided in this section, a supplier shall furnish written notice of a termination, cancellation, nonrenewal, or discontinuance of an agreement to the wholesaler not less than 15 days before the effective date of the termination, cancellation, nonrenewal, or discontinuance. The notice must be by certified mail and must contain all of the following:

(a) A statement of intention to terminate, cancel, not renew, or discontinue the agreement.

(b) A statement of the reason for the termination, cancellation, nonrenewal, or discontinuance.

(c) The effective date of the termination, cancellation, nonrenewal, or discontinuance.

(11) Notwithstanding subsections (7) and (10), a supplier may immediately terminate, cancel, not renew, or discontinue an agreement on written notice given in the manner and containing the information required by subsection (10) if any of the following occur:

(a) Insolvency of the wholesaler, the filing of any petition by or against the wholesaler under any bankruptcy or receivership law, or the dissolution or liquidation of the wholesaler that materially affects the wholesaler's ability to remain in business.

(b) The commission revokes the wholesaler's license whereby the wholesaler cannot service the wholesaler's sales territory for more than 60 days.

(c) The wholesaler, or an individual who owns more than 10% of the stock of a corporate wholesaler, is convicted of a felony. However, an existing approved stockholder has the right to purchase the stock of the offending stockholder before the conviction of the offending stockholder, and if the sale is completed before conviction, this subdivision does not apply. As used in this subdivision, "felony" means a felony under the United States code or the Michigan Compiled Laws.

(12) Notwithstanding subsections (7), (10), and (11), on not less than 15 days' prior written notice given in the manner and containing the information required by subsection (10), a supplier may terminate, cancel, not renew, or discontinue an agreement if any of the following events occur:

(a) There was fraudulent conduct on the part of the wholesaler in dealings with the supplier.

(b) The wholesaler failed to confine its sales of a brand or brands to the assigned sales territory. This subdivision does not apply if there is a dispute between 2 or more wholesalers as to the boundaries of the assigned territory, and the boundaries cannot be determined by a reading of the description contained in the agreements between the supplier and the wholesalers.

(c) The sale by the wholesaler of any brand or brands sold by the supplier to the wholesaler that the wholesaler knew were ineligible for sale before the actual sale to the retailer. The supplier shall repurchase the ineligible product from the wholesaler when the ineligibility is caused by the supplier. The supplier must give the wholesaler written notice specifying the ineligible product.

(13) Notwithstanding subsections (7), (10), (11), and (12), a supplier may terminate, cancel, not renew, or discontinue an agreement upon not less than 30 days' prior written notice if the supplier discontinues production or discontinues distribution in this state of all the brands sold by the supplier to the wholesaler. Nothing in this section prohibits a supplier upon not less than 30 days' notice to discontinue the distribution of any particular brand or package of wine or mixed spirit drink. This subsection does not prohibit a supplier from conducting test marketing of a new brand of wine or mixed spirit drink or from conducting the test marketing of a brand of wine or mixed spirit drink that is not currently being sold in this state if the supplier has notified the commission in writing of its plans to test market. The notice must describe the market area in which the test must be conducted; the name or names of the wholesaler or wholesalers who will be selling the wine or mixed spirit drink; the name or names of the brand of wine or mixed spirit drink being tested; and the period of time during which the testing will take place. A market testing period must not exceed 18 months.

(14) A wholesaler shall devote reasonable efforts and resources to sales and distribution of all the supplier's products that the wholesaler has been granted the right to sell and distribute and shall maintain reasonable sales levels.

(15) A supplier shall not withhold consent to any transfer of a wholesaler's business if the proposed transferee meets the material and reasonable qualifications and standards required by the supplier. A wholesaler shall give the supplier written notice of intent to transfer the wholesaler's business. A supplier shall not unreasonably delay a response to a request for a proposed transfer of a wholesaler's business. However, a transfer of a wholesaler's business that is not approved by the supplier is void. A supplier shall not interfere with, or prevent, the transfer of the wholesaler's business if the proposed transferee is a designated member.

(16) A supplier as part of the written agreement required by this section may, subject to the provisions of subsection (3)(l), require a wholesaler to designate a successor manager who shall be subject to prior approval by the supplier. If the designated successor manager fails to assume the role of approved manager or for any reason does not continue to manage the wholesaler's business, after assuming that responsibility, then any successor shall be subject to the prior approval of the supplier, subject to the provisions of subsection (3)(l), notwithstanding the transferee's interest as a designated member.

(17) A supplier that has amended, canceled, terminated, or refused to renew any agreement; has caused a wholesaler to resign from an agreement; or has withheld consent to any assignment or transfer of a wholesaler's business, except as provided for in this section, shall pay the wholesaler reasonable compensation for the diminished value of the wholesaler's business or of any ancillary business which has been negatively affected by the act of the supplier, or both. The value of the wholesaler's business or ancillary business must include, but not be limited to, its goodwill.

(18) A supplier or wholesaler may, at any time, determine that mutual agreement on the amount of reasonable compensation cannot be reached. If such a determination is made, the supplier or the wholesaler shall send written notice to the other party declaring their intention to proceed with arbitration. Arbitration may proceed only by mutual agreement of both parties.

(19) The supplier and wholesaler may, by agreement, submit the matter of determining the amount of compensation under arbitration to a 5-member arbitration panel consisting of 2 representatives selected by the supplier but unassociated with the affected supplier, 2 wholesaler representatives selected by the wholesaler but unassociated with the wholesaler, and an impartial arbitrator.

(20) Not more than 10 days after the notice to enter into arbitration has been sent, the supplier and wholesaler shall request, in writing, a list of 5 arbitrators from the American arbitration association. Not more than 10 days after the supplier and wholesaler receive of the list of 5 choices, the wholesaler arbitrators and the supplier arbitrators may strike and disqualify up to 2 names each from the list. If the supplier or wholesaler fails to respond within the 10 days or if more than 1 name remains, the American arbitration association shall select the impartial arbitrator.

(21) Not more than 30 days after the supplier and wholesaler receive the list of arbitrators, the wholesaler and supplier shall exchange in writing the names of their respective arbitration panel representatives.

(22) Not more than 30 days after the final selection of the arbitration panel is made, the arbitration panel shall convene to decide the dispute. The panel shall render a decision by majority vote of the participants within 20 days after the arbitration concludes.

(23) The cost of the impartial arbitrator, the stenographer, and the meeting site must be equally divided between the wholesaler and the supplier. All other costs must be paid by the party incurring them. The award of the arbitration panel is final and binding on the parties.

(24) If the supplier or wholesaler fails to abide by the time limitations as prescribed in subsections (20), (21), and (22), or fails or refuses to select any arbitrators, or fails to participate in the arbitration hearings, the other party shall make the selection of their arbitrators and proceed to arbitration. The party who has failed or refused to comply as prescribed in this subsection is considered to be in default. Any party considered to be in default under this subsection waives any rights the party would have had in the arbitration and is considered to have consented to the determination of the arbitration panel.

(25) A wholesaler shall not waive any of the rights granted in this section. This section does not limit or prohibit a good faith dispute settlement voluntarily entered into by the parties.

(26) A successor to a supplier that continues in business as a wine maker, mixed spirit drink manufacturer, an outstate seller of wine, outstate seller of mixed spirit drink, or master distributor is bound by all terms and conditions of each agreement of the supplier with a wholesaler licensed in this state that were in effect on the date on which the successor received the distribution rights of the previous supplier.

(27) This section applies to agreements in existence on June 26, 1984, as well as agreements entered into or renewed after that date.

(28) If a supplier engages in conduct prohibited under this section, a wholesaler with which the supplier has an agreement may maintain a civil action against the supplier to recover actual damages reasonably incurred as the result of the prohibited conduct. If a wholesaler engages in conduct prohibited under this section, a supplier with which the wholesaler has an agreement may maintain a civil action against the wholesaler to recover actual damages reasonably incurred as the result of the prohibited conduct.

(29) A supplier that violates this section is liable for all actual damages and all court costs and reasonable attorney fees incurred by a wholesaler as a result of that violation. A wholesaler that violates this section is liable for all actual damages and all court costs and reasonable attorney fees incurred by the supplier as a result of that violation.

(30) A supplier or wholesaler may bring an action for declaratory judgment for determination of any controversy arising under this section.

(31) Except as otherwise provided in this section, if a court finds that a supplier has not acted in good faith in amending, terminating, canceling, or not renewing any agreement; or has unreasonably withheld its consent to any assignment, transfer, or sale of a wholesaler's business, the court may award exemplary damages, as well as actual damages, court costs, and reasonable attorney fees to the wholesaler that has been damaged by the action of the supplier.

(32) On proper application to a court, a supplier or wholesaler may obtain injunctive relief against any violation of this section. If the court grants injunctive relief or issues a temporary restraining order, bond is not required to be posted.

(33) The procedure for resolving any violation of subsection (3)(a), (b), (c), (e), (f), (h), (i), (j), (k), (l), or (4) is the procedure prescribed by this act and the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328. Any other violation of or dispute regarding this section, unless the dispute is resolved

pursuant to subsections (18) to (24), must only be resolved by a civil action in court as provided in this section and not by the commission.

The territory is the territory agreed on between the wholesaler and manufacturer, outstate seller of wine, or master distributor. Except as provided for in subsection (9) and beginning June 1, 2010, a manufacturer, outstate seller of wine, or master distributor shall not grant the right to sell a specified brand or brands of wine in a sales territory to more than 1 wine wholesaler. A master distributor shall not itself distribute a specified brand or brands of wine in the same sales territory where that master distributor has granted the right to distribute that specified brand or brands of wine in that sales territory to another wine wholesaler.

(2) Notwithstanding subsection (1), a brand extension is not a new or different brand. A manufacturer or outstate seller of wine shall assign a brand extension to the wholesaler that was granted the sales territory for the brand from which the brand extension resulted.

(3) Subsection (2) does not apply if, before January 1, 1994, a manufacturer or outstate seller of wine had assigned a brand extension to a wholesaler that was not the appointed wholesaler for the brand from which the brand extension was made.

(4) Subsection (2) does not apply if, before October 1, 2019, a successor manufacturer or successor outstate seller of wine had assigned a brand extension to a wholesaler that was not the appointed wholesaler for the brand from which the extension was made.

(5) A manufacturer of a mixed wine drink, mixed spirit drink manufacturer, outstate seller of a mixed wine drink, or outstate seller of mixed spirit drink shall grant to each of its wholesalers an exclusive sales territory in which the wholesaler is a distributor of the specified brand or brands of the manufacturer or outstate seller. The territory is the territory agreed on between the wholesaler and the manufacturer of a mixed wine drink, mixed spirit drink manufacturer, outstate seller of mixed wine drinks, or outstate seller of mixed spirit drink.

(6) Notwithstanding subsection (5), a brand extension is not a new or different brand. A manufacturer of a mixed wine drink, mixed spirit drink manufacturer, outstate seller of a mixed wine drink, or outstate seller of mixed spirit drink shall assign a brand extension to the wholesaler that was granted the exclusive sales territory for the brand from which the brand extension resulted.

(7) Subsection (6) does not apply if, before January 1, 1994, a manufacturer of a mixed wine drink, mixed spirit drink manufacturer, outstate seller of a mixed wine drink, or outstate seller of mixed spirit drink had assigned a brand extension to a wholesaler that was not the appointed wholesaler for the brand from which the brand extension was made.

(8) Subsection (6) does not apply if, before October 1, 2019, a successor manufacturer or successor outstate seller of mixed wine drink or mixed spirit drink had assigned a brand extension to a wholesaler that was not the appointed wholesaler for the brand from which the brand extension was made.

(9) Subsection (1) does not prohibit any of the following:

(a) A manufacturer of wine, an outstate seller of wine, mixed spirit drink manufacturer, outstate seller of mixed spirit drink, or a master distributor from continuing or renewing an agreement under this act with a wholesaler for a specified brand or brands for any county or part of a county where more than 1 wholesaler has an agreement with the manufacturer of wine, outstate seller of wine, mixed spirit drink manufacturer, outstate seller of mixed spirit drink, or master distributor in effect on June 1, 2010 if the wholesaler had an agreement to distribute that specified brand or brands in that county or that part of a county and was a master distributor or was actively selling that brand or brands of wine or mixed spirit drink to a retailer in that county or that part of a county on June 1, 2010.

(b) A wholesaler from selling or transferring the wholesaler's distribution rights or a manufacturer of wine, outstate seller of wine, mixed spirit drink manufacturer, outstate seller of mixed spirit drink, or master distributor from approving the sale or transfer of a wholesaler's distribution rights to a specified brand or brands of wine or mixed spirit drink for any county or part of a county to another wholesaler if the selling or transferring wholesaler, or any of its predecessors, had the right to distribute that brand or brands of wine or mixed spirit drink in that county or part of that county and was actively selling that brand or brands to a retailer in that county or that part of a county on June 1, 2010 or was acting as a master distributor for that county or part of that county on June 1, 2010.

(10) As used in this section, "master distributor" means, notwithstanding section 109(4), a wholesaler that acts in the same or similar capacity as a wine maker, wine manufacturer, outstate seller of wine, mixed spirit

drink manufacturer, or outstate seller of mixed spirit drink for a brand or brands of wine or mixed spirit drink to other wholesalers on a regular basis in the normal course of business.

CHAPTER 4

436.1401 Wholesalers to be granted exclusive sales territory by manufacturer and outstate seller of beer and malt beverages.

Sec. 401. (1) A manufacturer and outstate seller of beer and malt beverages shall grant to each of its wholesalers an exclusive sales territory, as agreed on between the wholesaler and manufacturer or outstate seller of beer, within which the wholesaler is the exclusive distributor of the specified brand or brands of the manufacturer or outstate seller of beer.

(2) If the manufacturer or outstate seller manufactures or supplies more than 1 brand of beer or malt beverage, the manufacturer or outstate seller may grant exclusive sales territories to different wholesalers for the sale of the different brand or brands.

(3) Notwithstanding subsection (2), a brand extension is not considered a new or different brand. A manufacturer or outstate seller of beer or malt beverages shall assign a brand extension to the wholesaler that was granted the exclusive sales territory to the brand from which the brand extension resulted.

(4) Subsection (3) does not apply if, before January 1, 1994, a manufacturer or outstate seller of beer or malt beverages had assigned a brand extension to a wholesaler that was not the appointed wholesaler for the brand from which the brand extension was made.

(5) Subsection (3) does not apply if, before October 1, 2019, a successor manufacturer or successor outstate seller of beer or malt beverages had assigned a brand extension to a wholesaler that was not the appointed wholesaler for the brand from which the brand extension was made.

(6) The sales territory under this section is the territory agreed on between the wholesaler and manufacturer or outstate seller of beer.

History: 1998, Act 58, Imd. Eff. Apr. 14, 1998;—Am. 2020, Act 113, Imd. Eff. July 1, 2020.

436.1403 Beer industry; purpose of section; reasons for regulation; definitions; prohibited conduct; termination, cancellation, nonrenewal, or discontinuance of agreement; burden; notice; test marketing; sales and distribution; additional agreement prohibited; transfer of wholesaler's business; compensation for diminished value of wholesaler's business; arbitration; costs; default; waiver; good faith dispute settlement; agreement binding on successor to supplier; agreements to which section applicable; civil action for actual damages; liability; action for declaratory judgment; exemplary damages; injunctive relief; procedure for resolving violations.

Sec. 403. (1) The purpose of this section is to provide a structure for the business relations between a wholesaler of beer and a supplier of beer. Regulation in this area is considered necessary for the following reasons:

(a) To maintain stability and healthy competition in the beer industry in this state.

(b) To promote and maintain a sound, stable, and viable 3-tier system of distribution of beer to the public.

(c) To promote the public health, safety, and welfare.

(2) As used in this section, unless the context requires otherwise:

(a) "Agreement" means any agreement between a wholesaler and a supplier, whether oral or written, whereby a wholesaler is granted the right to offer and sell a brand or brands of beer sold by a supplier.

(b) "Ancillary business" means a business owned by a wholesaler, a stockholder of a wholesaler, or a partner of a wholesaler the primary purpose of which is directly related to the transporting, storing, or marketing of the brand or brands of beer of a supplier with whom the wholesaler has an agreement; or a business owned by a wholesaler, a stockholder of a wholesaler, or a partner of a wholesaler which recycles empty returnable beverage containers.

(c) "Designated member" means the spouse, child, grandchild, parent, brother, or sister of a deceased individual who owned an interest in a wholesaler, who is entitled to inherit the deceased individual's ownership interest in the wholesaler under the terms of the deceased individual's will, or who has otherwise been designated in writing by the deceased individual to succeed the deceased individual in the wholesaler's business, or is entitled to inherit such ownership interest under the laws of intestate succession of this state. With respect to an incapacitated individual owning an ownership interest in a wholesaler, the term means the person appointed by a court as the conservator of such individual's property. The term also includes the

appointed and qualified personal representative and the testamentary trustee of a deceased individual owning an ownership interest in a wholesaler.

(d) "Good faith" means honesty in fact and the observance of reasonable commercial standards of fair dealing in the trade, as defined and interpreted under section 2103 of the uniform commercial code, 1962 PA 174, MCL 440.2103.

(e) "Master distributor" means a wholesaler who acts in the same or similar capacity as a brewer or outstate seller of beer for a brand or brands of beer to other wholesalers on a regular basis in the normal course of business.

(f) "Reasonable qualifications" means the average standard of the criteria used by the respective supplier for wholesalers that entered into or renewed an agreement with the supplier during a period of 24 months prior to the proposed transfer of the wholesaler's business.

(g) "Retaliatory action" means action which includes, but is not limited to, the refusal to continue an agreement, or a material reduction in the quality of service or quantity of products available to a wholesaler under an agreement, which refusal or reduction is not made in good faith.

(h) "Sales territory" means an area of exclusive sales responsibility for the brand or brands of beer sold by a supplier as designated by an agreement.

(i) "Successor" means a supplier who obtains, in any manner from any person, including a person who is not a supplier, the distribution rights of 1 or more brands of beer which a licensed Michigan wholesaler has distributed in this state pursuant to an agreement with another supplier who previously had the distribution rights for the brand or brands.

(j) "Supplier" means a brewer, an outstate seller of beer, or a master distributor.

(k) "Transfer of a wholesaler's business" means the voluntary sale, assignment, or other transfer of the business or control of the business of the wholesaler, including the sale or other transfer of stock or assets by merger, consolidation, or dissolution.

(3) A supplier shall not do any of the following:

(a) Coerce, or attempt to coerce, any wholesaler to accept delivery of any beer or other commodity which has not been ordered by the wholesaler. However, a supplier may impose reasonable inventory requirements upon a wholesaler if the requirements are made in good faith and are generally applied to other wholesalers having an agreement with the supplier.

(b) Coerce, or attempt to coerce, any wholesaler to accept delivery of any beer or other commodity ordered by a wholesaler if the order was properly canceled by the wholesaler in accordance with the procedures agreed upon by the supplier and wholesaler.

(c) Coerce, or attempt to coerce, any wholesaler to do any illegal act by threatening to amend, cancel, terminate, or refuse to renew any agreement existing between the supplier and wholesaler.

(d) Require a wholesaler to assent to any condition, stipulation, or provision limiting the wholesaler's right to sell the brand or brands of beer of any other supplier anywhere in this state unless the acquisition of the brand or brands of another supplier would materially impair the quality of service of the brand or brands of the supplier presently being sold by the wholesaler.

(e) Require a wholesaler to purchase 1 or more brands of beer in order for the wholesaler to purchase another brand or brands of beer for any reason. However, a wholesaler that has agreed to distribute a brand or brands before June 26, 1984 shall continue to distribute the brand or brands in conformance with this section.

(f) Request a wholesaler to submit profit and loss statements, balance sheets, or financial records as a requirement for renewing or retaining an agreement.

(g) Withhold delivery of beer ordered by a wholesaler, or change a wholesaler's quota of a brand or brands if the withholding or change is not made in good faith.

(h) Require a wholesaler by any means to participate in or contribute to any local or national advertising fund controlled directly or indirectly by a supplier.

(i) Fail to provide each wholesaler of the supplier's brand or brands with a written agreement which contains, in total, the supplier's agreement with each wholesaler and which designates a specific sales territory. Any agreement which is in existence on June 26, 1984 shall be renewed consistent with this section, except that this section may be incorporated by reference in the agreement.

(j) Fix, maintain, or establish the price at which a wholesaler shall sell any beer.

(k) Take any retaliatory action against a wholesaler that files a complaint regarding an alleged violation by the supplier of state or federal law or an administrative rule.

(l) Require or prohibit any change in the manager or successor manager of any wholesaler who has been approved by the supplier as of June 26, 1984. Should a wholesaler change an approved manager or successor manager, a supplier shall not require or prohibit the change unless the person fails to meet the reasonable written standards for Michigan wholesalers of the supplier which standards have been provided to the

wholesaler.

(m) Require by a provision of any agreement or other instrument in connection with the agreement that any dispute arising out of or in connection with that agreement be determined through the application of any other state's laws, be determined in federal court sitting in a state other than Michigan, or be determined in a state court of a state other than the state of Michigan. A provision contained in any agreement or other instrument in connection with the agreement which contravenes this subdivision shall be null and void.

(4) A wholesaler shall not sell or deliver beer to a retail licensee located outside the sales territory designated by the supplier of a particular brand or brands of beer. However, during periods of temporary service interruptions impacting a particular sales territory, a wholesaler who normally services the impacted sales territory shall file with the commission a written notice designating the specific wholesaler or wholesalers who will service the sales territory during the period of temporary service interruption and the approximate length of time of the service interruption. When the temporary service interruption is over, the wholesaler who normally services the sales territory shall notify in writing the commission and the wholesaler, or wholesalers, which is servicing the sales territory on a temporary basis of this fact and any wholesaler servicing the sales territory on a temporary basis shall cease servicing the sales territory upon receipt of the notice.

A wholesaler who is designated to service the impacted sales territory during the period of temporary service shall not be in violation of this subsection.

A wholesaler who has been designated to service the impacted sales territory during the period of temporary service interruption shall not have any of the rights provided under subsections (6) to (12).

(5) A supplier or wholesaler shall not restrict or inhibit, directly or indirectly, the right of free association among suppliers or wholesalers for any lawful purpose.

(6) Notwithstanding the terms, provisions, or conditions of any agreement, a supplier shall not amend any agreement unless the supplier is acting in good faith in making the amendment.

(7) Notwithstanding any agreement and except as otherwise provided for in this section, a supplier shall not cause a wholesaler to resign from an agreement; or cancel, terminate, fail to renew, or refuse to continue under an agreement unless the supplier has complied with all of the following:

(a) Has satisfied the applicable notice requirements of subsection (10).

(b) Has acted in good faith.

(c) Has good cause for the cancellation, termination, nonrenewal, discontinuance, or forced resignation.

(8) Notwithstanding any agreement, good cause shall exist for the purposes of a termination, cancellation, nonrenewal, or discontinuance under subsection (7)(c) when all of the following occur:

(a) There is a failure by the wholesaler to comply with a provision of the agreement which is both reasonable and of material significance to the business relationship between the wholesaler and the supplier.

(b) The supplier first acquired knowledge of the failure described in subdivision (a) not more than 2 years before the date notification was given pursuant to subsection (7).

(c) The wholesaler was given written notice by the supplier of failure to comply with the agreement.

(d) The wholesaler was afforded a reasonable opportunity to assert good faith efforts to comply with the agreement within the time limits as provided for in subdivision (e).

(e) The wholesaler has been afforded 30 days in which to submit a plan of corrective action to comply with the agreement and an additional 90 days to cure such noncompliance in accordance with the plan.

(9) For each termination, cancellation, nonrenewal, or discontinuance, the supplier shall have the burden of showing that it has acted in good faith, that the notice requirements under this section have been complied with, and that there was good cause for the termination, cancellation, nonrenewal, or discontinuance.

(10) Notwithstanding any agreement and except as otherwise provided in this section, the supplier shall furnish written notice of the termination, cancellation, nonrenewal, or discontinuance of an agreement to the wholesaler not less than 15 days before the effective date of the termination, cancellation, nonrenewal, or discontinuance. The notice shall be by certified mail and shall contain all of the following:

(b) A statement of the reason for the termination, cancellation, nonrenewal, or discontinuance.

(c) The date on which the termination, cancellation, nonrenewal, or discontinuance takes effect.

(b) Revocation of the wholesaler's license by the commission whereby the wholesaler cannot service the

wholesaler's sales territory for more than 60 days.

(c) The wholesaler, or an individual who owns more than 10% of the stock of a corporate wholesaler, has been convicted of a felony. As used in this subdivision, "felony" means a felony under the United States Code or the Michigan Compiled Laws. However, an existing approved stockholder or stockholders shall have the right to purchase the stock of the offending stockholder prior to the conviction of the offending stockholder and, if the sale is completed prior to conviction, the provisions of this subdivision shall not apply.

(12) Notwithstanding subsections (7), (10), and (11), upon not less than 15 days' prior written notice given in the manner and containing the information required by subsection (10), a supplier may terminate, cancel, fail to renew, or discontinue an agreement if any of the following events occur:

(a) There was fraudulent conduct on the part of the wholesaler in dealings with the supplier.

(b) The wholesaler failed to confine its sales of a brand or brands to the assigned sales territory. This subdivision does not apply if there is a dispute between 2 or more wholesalers as to the boundaries of the assigned territory, and the boundaries cannot be determined by a reading of the description contained in the agreements between the supplier and the wholesalers.

(c) The sale by the wholesaler of any brand or brands sold by the supplier to the wholesaler and known by the wholesaler to be ineligible for sale prior to the actual sale to the retailer. The supplier shall repurchase the ineligible product from the wholesaler when the ineligibility is caused by the supplier. The supplier must give the wholesaler written notice specifying the ineligible product. This subdivision does not apply when a supplier ships a brand or brands to a wholesaler that must be removed within 60 days of the deadline for retail sale of the product. This 60-day period shall commence upon receipt of the product by the wholesaler.

(13) Notwithstanding subsections (7), (10), (11), and (12), a supplier may terminate, cancel, not renew, or discontinue an agreement upon not less than 30 days' prior written notice if the supplier discontinues production or discontinues distribution in this state of all the brands sold by the supplier to the wholesaler. Nothing in this section shall prohibit a supplier upon not less than 30 days' notice to discontinue the distribution of any particular brand or package of beer. This subsection does not prohibit a supplier from conducting test marketing of a new brand of beer or from conducting the test marketing of a brand of beer which is not currently being sold in this state provided that the supplier has notified the commission in writing of its plans to test market. The notice shall describe the market area in which the test shall be conducted; the name or names of the wholesaler or wholesalers who will be selling the beer; the name or names of the brand of beer being tested; and the period of time during which the testing will take place. A market testing period shall not exceed 18 months.

(14) The wholesaler shall devote reasonable efforts and resources to sales and distribution of all the supplier's products which the wholesaler has been granted the right to sell and distribute and shall maintain reasonable sales levels.

(15) A brewer, an outstate seller of beer, or a master distributor that has designated a sales territory for a wholesaler shall not enter into an additional agreement with any other wholesaler for the same brand or brands of beer in the same territory or any portion of that territory.

(16) A supplier shall not withhold consent to any transfer of a wholesaler's business if the proposed transferee meets the material and reasonable qualifications and standards required by the supplier. A wholesaler shall give the supplier written notice of intent to transfer the wholesaler's business. A supplier shall not unreasonably delay a response to a request for a proposed transfer of a wholesaler's business. However, a transfer of a wholesaler's business which is not approved by the supplier shall be null and void. A supplier shall not interfere with, or prevent, the transfer of the wholesaler's business if the proposed transferee is a designated member.

(17) A supplier that has amended, canceled, terminated, or refused to renew any agreement; has caused a wholesaler to resign from an agreement; or has withheld consent to any assignment or transfer of a wholesaler's business, except as provided for in this section, shall pay the wholesaler reasonable compensation for the diminished value of the wholesaler's business or of any ancillary business which has been negatively affected by the act of the supplier, or both. The value of the wholesaler's business or ancillary business shall include, but not be limited to, its good will.

(18) Either party may, at any time, determine that mutual agreement on the amount of reasonable compensation cannot be reached. Should such a determination be made, the supplier or the wholesaler shall send written notice to the other party declaring their intention to proceed with arbitration. Arbitration shall proceed only by mutual agreement of both parties.

(19) The matter of determining the amount of compensation under arbitration may, by agreement of the parties, be submitted to a 5-member arbitration panel consisting of 2 representatives selected by the supplier but unassociated with the affected supplier, 2 wholesaler representatives selected by the wholesaler but unassociated with the wholesaler, and an impartial arbitrator.

(20) Not more than 10 days after the notice to enter into arbitration has been sent, each party shall request, in writing, a list of 5 arbitrators from the American arbitration association. Not more than 10 days after the receipt of the list of 5 choices, the wholesaler arbitrators and the supplier arbitrators may strike and disqualify up to 2 names each from the list. Should either party fail to respond within the 10 days or should more than 1 name remain, the American arbitration association shall make the selection of the impartial arbitrator.

(21) Not more than 30 days after the list of arbitrators is received, the wholesaler and supplier shall exchange in writing the names of their respective arbitration panel representatives.

(22) Not more than 30 days after the final selection of the arbitration panel is made, the arbitration panel shall convene to decide the dispute. The panel shall render a decision by majority vote of the participants within 20 days from the conclusion of the arbitration.

(23) The cost of the impartial arbitrator, the stenographer, and the meeting site shall be equally divided between the wholesaler and the supplier. All other costs shall be paid by the party incurring them. The award of the arbitration panel shall be final and binding on the parties.

(24) After both parties have agreed to arbitrate should either party fail to abide by the time limitations as prescribed in subsections (20), (21), and (22), or fail or refuse to make the selection of any arbitrators, or fail to participate in the arbitration hearings, the other party shall make the selection of their arbitrators and proceed to arbitration. The party who has failed or refused to comply as prescribed in this subsection shall be considered to be in default. Any party considered to be in default pursuant to this subsection shall have waived any and all rights the party would have had in the arbitration and shall be considered to have consented to the determination of the arbitration panel.

(25) A wholesaler shall not waive any of the rights granted in any provision of this section. Nothing in this section shall be construed to limit or prohibit good faith dispute settlements voluntarily entered into by the parties.

(26) A successor to a supplier that continues in business as a brewer, an outstate seller of beer, or a master distributor shall be bound by all terms and conditions of each agreement of the supplier with a wholesaler licensed in this state that were in effect on the date on which the successor received the distribution rights of the previous supplier.

(27) This section shall apply to agreements in existence on June 26, 1984, as well as agreements entered into or renewed after that date.

(28) If a supplier engages in conduct prohibited under this section, a wholesaler with which the supplier has an agreement may maintain a civil action against the supplier to recover actual damages reasonably incurred as the result of the prohibited conduct. If a wholesaler engages in conduct prohibited under this section, a supplier with which the wholesaler has an agreement may maintain a civil action against the wholesaler to recover actual damages reasonably incurred as the result of the prohibited conduct.

(29) A supplier that violates any provision of this section is liable for all actual damages and all court costs and reasonable attorney fees incurred by a wholesaler as a result of that violation. A wholesaler that violates any provision of this section is liable for all actual damages and all court costs and reasonable attorney fees incurred by the supplier as a result of that violation.

(30) A supplier or wholesaler may bring an action for declaratory judgment for determination of any controversy arising pursuant to this section.

(31) Except as otherwise provided in this section, if a court finds that a supplier has not acted in good faith in effecting an amendment, termination, cancellation, or nonrenewal of any agreement; or has unreasonably withheld its consent to any assignment, transfer, or sale of a wholesaler's business, it may award exemplary damages, as well as actual damages, court costs, and reasonable attorney fees to the wholesaler who has been damaged by the action of the supplier.

(32) Upon proper application to the court, a supplier or wholesaler may obtain injunctive relief against any violation of this section. If the court grants injunctive relief or issues a temporary restraining order, bond shall not be required to be posted.

(33) The procedure for resolving any violation of subsection (3)(a), (b), (c), (e), (f), (h), (i), (j), (k), (l), or (4) shall be the procedure prescribed by this act and the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328. Any other violation of or dispute regarding this section, unless the dispute is resolved pursuant to subsections (18) to (24), shall only be resolved by a civil action in court as provided in this section and not by the commission.

In a resort area the commission shall grant a license for a period of time as short as 3 months. A license may be transferred with the consent of the commission. A class C or specially designated distributor license obtained in a manner other than by transfer must not be transferred within 3 years after it is issued except under circumstances where the licensee clearly and convincingly demonstrates that unusual hardship will result if the transfer does not receive the consent of the commission. An application for a license to sell alcoholic liquor for consumption on the premises, except in a city having a population of 600,000 or more, must be approved by the local legislative body in which the applicant's place of business is located before the license is granted by the commission, except that for an application for renewal of an existing license, if an objection to a renewal has not been filed with the commission by the local legislative body not less than 30 days before the date of expiration of the license, the approval of the local legislative body is not required. The commission shall provide the local legislative body and the local chief of police with the name, home and business addresses, and home and business phone numbers to accomplish the local legislative reviews of new and transferred license applications required by this subsection. On request of the local legislative body after due notice and proper hearing by the local legislative body and the commission, the commission shall revoke the license of a licensee granted a license to sell alcoholic liquor for consumption on the premises or any permit held in conjunction with that license.

(3) A local legislative body, by resolution, may request that the commission revoke the license of a licensee granted a license to sell alcoholic liquor for consumption off the premises whose place of business is located within the local legislative body's jurisdiction and that has been determined in commission violation hearings to have sold or furnished alcoholic liquor, on at least 3 separate occasions in a consecutive 12-month period, to a minor if those violations did not involve the use of falsified or fraudulent identification by the minor. If the commission verifies that the licensee who is the subject of the resolution has been found to have committed the violations as prescribed in this subsection, the commission may suspend or revoke the licensee's license and any permit held in conjunction with that license.

(4) This act does not prohibit a hotel that is or was the holder of a license authorizing the retail sale of alcoholic liquor for consumption on the premises from applying for and receiving under this act any other and different type of license authorizing the retail sale of alcoholic liquor for consumption on the premises. The application for the license is not considered a new application for a license if the total number of public licenses for consumption on the premises does not exceed the authorized total established in this act and the sale of alcoholic liquor is approved by the electors. The commission may divide the state into 3 zones and establish for each zone an anniversary date for renewal of full-year retail licenses in the licensing year. The commission shall promulgate rules under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, for the effective administration of the renewal of licenses.

(5) The commission, with the written approval of the department of agriculture and rural development for the Michigan state fairgrounds and the Upper Peninsula state fairgrounds, may issue without regard to the quota provision of section 531 a tavern license to a person as concessionaire leasing or renting a portion of either the Upper Peninsula state fairgrounds or the state fairgrounds, or both, to service the licensed area in use for recreational or exhibition purposes other than at the time of the annual Upper Peninsula state fair under section 2 of 1927 PA 89, MCL 285.142. A license issued under this subsection is not transferable.

(6) The application for initial licensure or for a transfer of a license shall contain a notice in substantial compliance with the following:

When purchasing a license, a buyer can be held liable for tax debts incurred by the previous owner. Prior to committing to the purchase of any license or establishment, the buyer should request a tax clearance certificate from the seller that indicates that all taxes have been paid up to the date of issuance. Obtaining sound professional assistance from an attorney or accountant can be helpful to identify and avoid any pitfalls and hidden liabilities when buying even a portion of a business.

Sellers can make a request for the tax clearance certificate through the Michigan department of treasury.

Sec. 523. (1) A person who holds or whose spouse holds, either by appointment or election, a public office which involves the duty to enforce any of the penal laws of the United States, or the penal laws of this state, or a penal ordinance or resolution of any municipal subdivision of the state, except civil defense volunteer police, mayors or council members of cities, or village presidents, or mayors of home rule cities whose law enforcement authority under the city charter is restricted to emergency situations, or the state treasurer of this state when acting in the capacity of custodian of the assets of the state retirement systems created by the

public school employees retirement act of 1979, 1980 PA 300, MCL 38.1301 to 38.1437; the state employees' retirement act, 1943 PA 240, MCL 38.1 to 38.69; the state police retirement act of 1986, 1986 PA 182, MCL 38.1601 to 38.1675; and the judges retirement act of 1992, 1992 PA 234, MCL 38.2101 to 38.2670, and members of these state retirement systems only if the state treasurer makes an investment in the name of the respective retirement system to which the members belong, must not be issued a license, or have an interest, directly or indirectly, in a license if the activity regulated by the license occurs in the same local unit of government within which the person enforces those state or local penal laws unless the official is contractually prohibited from enforcing this act. This subsection does not apply to a spouse of an appointed or elected official holding an office which involves the duty to enforce a penal law described in this subsection if the spouse held a license or an interest in a license for not less than 3 years before marrying the appointed or elected official or if the spouse has voting rights in a public or private club holding the license, which voting rights are derived from ownership of shares in the club, and the spouse participates as a member in good standing of the public or private club or of an advisory board but does not participate in the day-to-day operation of the club. For a licensee excepted from the general prohibition under this section, the commission may periodically review all circumstances of the licensee and his or her spouse regarding the exception. The commission may review and monitor any complaints it receives regarding inappropriate enforcement of this act by or against a person excepted from this section. However, a nonprofit fraternal organization incorporated under the laws of this state, whose membership is not totally composed of law enforcement personnel or public officeholders charged with the duty of enforcing any penal laws or ordinances of a governmental body, may be issued a club liquor license if the organization is otherwise qualified.

(2) As used in this section, "law enforcement personnel" does not include the mayor of a city or the state treasurer of this state when acting in the capacity of custodian of the assets of the state retirement systems created by the public school employees retirement act of 1979, 1980 PA 300, MCL 38.1301 to 38.1437, the state employees' retirement act, 1943 PA 240, MCL 38.1 to 38.69, the state police retirement act of 1986, 1986 PA 182, MCL 38.1601 to 38.1675, and the judges retirement act of 1992, 1992 PA 234, MCL 38.2101 to 38.2670, and members of these state retirement systems only if the state treasurer makes an investment in the name of the respective retirement system to which the members belong.

(b) Manufacturers of beer, \$50.00 per 1,000 barrels, or fraction of a barrel, production annually with a maximum fee of \$1,000.00, and in addition \$50.00 for each motor vehicle used in delivery to retail licensees. A fee increase does not apply to a manufacturer of less than 15,000 barrels production per year.

(c) Outstate seller of beer, delivering or selling beer in this state, \$1,000.00.

(d) Wine makers, blenders, and rectifiers of wine, including makers, blenders, and rectifiers of wines containing 21% or less alcohol by volume, \$100.00. The small wine maker license fee is \$25.00. Clubs shall submit a list of members by an affidavit 30 days before the closing of the license year. The affidavit must be used only for determining the license fees to be paid under this subdivision. This subdivision does not prevent the commission from checking a membership list and making its own determination from the list or otherwise. The list of members and additional members is not required of a club paying the maximum fee. The maximum fee must not exceed \$750.00 for any 1 club.

(q) Warehousemen, to be fixed by the commission with a minimum fee for each warehouse of \$50.00.

(r) Special licenses, a fee of \$50.00 per day, except that the fee for the license or permit issued to a bona fide nonprofit association, organized and in continuous existence for 1 year before the filing of its application, is \$25.00. (2) The fees provided in this act for the various types of licenses must not be prorated for a portion of the effective period of the license. Notwithstanding subsection (1), the initial license fee for a license issued under section 531(3) or (4) is \$20,000.00. The renewal license fee is the amount described in subsection (1). However, the commission shall not impose the \$20,000.00 initial license fee for applicants whose license eligibility was already approved on July 20, 2005.

(3) If the commission requires an applicant to submit fingerprints, the applicant shall have the fingerprints taken by a local law enforcement agency, the department of state police, or any other person qualified to take fingerprints as determined by the department of state police. The applicant shall submit the fingerprints and the appropriate state and federal fees, which shall be borne by the applicant, to the department of state police and the Federal Bureau of Investigation for a criminal history check. After conducting the criminal history check, the department of state police shall provide the commission with a report of the criminal history check. The report must include criminal history record information concerning the person who is the subject of the criminal history check that is maintained by the department of state police. If a criminal arrest fingerprint card is subsequently submitted to the department of state police and matches against a fingerprint that was submitted under this act and stored in its automated fingerprint identification system (AFIS) database, the department of state police shall notify the commission.

(4) Except for a resort or resort economic development license issued under section 531(2), (3), (4), or (5) or a license issued under section 521a, the commission shall issue an initial or renewal license not later than 90 days after the applicant files a completed application. The application is considered to be received the date the application is received by an agency or department of this state. If the commission determines that an application is incomplete, the commission shall notify the applicant in writing, or make the information

electronically available, within 30 days after receipt of the incomplete application, describing the deficiency and requesting the additional information. The determination of the completeness of an application is not an approval of the application for the license and does not confer eligibility on an applicant determined otherwise ineligible for issuance of a license. The 90-day period is tolled for the following periods under any of the following circumstances:

(a) If notice is sent by the commission of a deficiency in the application, until the date all of the requested information is received by the commission.

(b) For the time required to complete actions required by a person, other than the applicant or the commission, including, but not limited to, completion of construction or renovation of the licensed premises; mandated inspections by the commission or by any state, local, or federal agency; approval by the legislative body of a local unit of government; criminal history or criminal record checks; financial or court record checks; or other actions mandated by this act or rule or as otherwise mandated by law or local ordinance.

(5) If the commission fails to issue or deny a license within the time required by this section, the commission shall return the license fee and shall reduce the license fee for the applicant's next renewal application, if any, by 15%. The failure to issue a license within the time required under this section does not allow the commission to otherwise delay the processing of the application, and the application, on completion, must be placed in sequence with other completed applications received at that same time. The commission shall not discriminate against an applicant in the processing of the application because the license fee was refunded or discounted under this subsection.

(6) If, in addition to a completed application under this section, an applicant submits a separate form requesting a conditional license with an acceptable proof of financial responsibility form under section 803, an executed property document, and, for an application to transfer the location of an existing retailer license other than specially designated distributor license, a church or school proximity affidavit on a form prescribed by the commission attesting that the proposed location is not within 500 feet of a church or school building using the method of measurement required under section 503, the commission shall, after considering the arrest and conviction records or previous violation history in the management, operation, or ownership of a licensed business, approve or deny a conditional license. A conditional license issued under subsection (7) must only include any existing permits and approvals held in connection with the license, other than permits or approvals for which the conditional applicant does not meet the requirements in this act or rules promulgated under this act, or permits or approvals that the conditional applicant has requested to cancel as part of the application that serves as the basis for the conditional license. The commission shall not issue a new permit with a conditional license issued under subsection (7). The following applicants may request a conditional license:

(a) An applicant seeking to transfer ownership of an existing retailer license at the same location to sell alcoholic liquor for consumption on or off the premises.

(b) An applicant seeking to transfer the ownership and location of an existing retailer license, other than a specially designated distributor license, to sell alcoholic liquor for consumption on or off the premises.

(c) An applicant seeking a new specially designated merchant license, other than a specially designated merchant license issued under section 533(6), not to be held in conjunction with a license for the sale of alcoholic liquor for consumption on the premises.

(7) The commission shall issue a conditional license to applicants approved under subsection (6) within 20 business days after receipt of a completed application and a completed conditional license request form and documentation for a conditional license at a single location. The commission may take up to 30 business days to issue conditional licenses to approved applicants seeking conditional licenses at multiple locations. However, for an applicant described under this subsection that is seeking a specially designated merchant license under section 533(7), the commission may take up to 45 business days to issue a conditional license. Notwithstanding the applicant's submission of a church or school proximity affidavit under subsection (6), if the commission determines that a conditional license in conjunction with an application to transfer the location of an existing retailer license has been issued under this subsection at a proposed location that is within 500 feet of a church or school building, the commission shall suspend the conditional license and notify the church or school of the proposed location under the rules promulgated under this act. If the commission issues a conditional license under this subsection based on a church or school proximity affidavit under subsection (6) without knowledge that the representations included in the affidavit are incorrect, this state is not liable to any person for the commission's issuance of the conditional license. The commission may assume without inquiry the existence of the facts contained in the affidavit.

(8) A conditional license approved under subsection (6) and issued under subsection (7) is nontransferable and nonrenewable. A conditional licensee is required to comply with the server training requirements in section 501(1) beginning on the date a conditional license is issued under subsection (7) regardless of whether

the conditional licensee is actively operating under the conditional license.

(9) A conditional license approved under subsection (6) and issued under subsection (7) expires when the first of the following occurs:

(a) The commission issues an order of denial of the license application that serves as the basis for the conditional license and all administrative remedies before the commission have been exhausted.

(b) The commission issues the license under subsection (4) for which the applicant submitted the license application that serves as the basis for the conditional license.

(c) The licensee or conditional licensee notifies the commission in writing that the initial or conditional application should be canceled.

(d) One year passes after the date the conditional license was issued, notwithstanding any suspension of the conditional license by the commission.

(10) If a conditional licensee fails to maintain acceptable proof of its financial responsibility as required under section 803, the commission shall summarily suspend the conditional license under section 92(2) of the administrative procedures act of 1969, 1969 PA 306, MCL 24.292, until the conditional licensee files an acceptable proof of financial responsibility form under section 803. If a conditional license is revoked, the conditional licensee shall not recover from this state or a unit of local government any compensation for property, future income, or future economic loss because of the revocation.

(11) On issuing a conditional license under subsection (7), the commission shall, until the conditional license expires under subsection (9), place the existing license under subsection (4) for which the applicant submitted the application that serves as the basis for the conditional license in escrow in compliance with R 436.1107 of the Michigan Administrative Code. If the conditional license expires under subsection (9), an existing licensee may do 1 of the following:

(a) Request that the commission release the license from escrow.

(b) Keep the license in escrow. The escrow date for compliance with R 436.1107 of the Michigan Administrative Code is the date the conditional license expires.

(12) The chair of the commission shall submit a report by December 1 of each year to the standing committees and appropriations subcommittees of the senate and house of representatives concerned with liquor license issues. The chair of the commission shall include all of the following information in the report concerning the preceding fiscal year:

(a) The number of initial and renewal applications the commission received and completed within the 90-day time period described in subsection (4).

(b) The number of applications denied.

(c) The number of applicants not issued a license within the 90-day time period and the amount of money returned to licensees under subsection (5).

(13) As used in this section, "completed application" means an application complete on its face and submitted with any applicable licensing fees as well as any other information, records, approval, security, or similar item required by law or rule from a local unit of government, a federal agency, or a private entity but not from another department or agency of this state.

Constitutionality: In *Granholm v Heald*, 544 US 460 (2005), the United States Supreme Court held that Michigan laws regulating direct shipment of alcohol to in-state consumers discriminated against interstate commerce in violation of clause 3 of section 8 of article 1 of the United States Constitution, and that the powers granted to states under the 21st Amendment to the United States Constitution do not authorize violation of other constitutional provisions.

436.1526 Beer festival; issuance of special license; limitation; buying directly from licensed brewpub; showcasing beer; serving age requirement; "beer festival" defined.

Sec. 526. (1) The commission may issue a special license under this section to an organization conducting a beer festival. The application must conform to the following:

(a) Be submitted by a nonprofit entity composed primarily of brewers, micro brewers, and brewpubs, as determined by the commission.

(b) Involve an event having for its primary purpose the showcasing of beer and its production.

(c) Be accompanied by a fee of \$25.00 per day of the event.

(2) The special license must not allow more than 6 events per calendar year conforming to the requirements of subsection (1). For purposes of this subsection, a beer festival that spans 2 or more

consecutive days is considered 1 event.

(3) A holder of a special license issued under this section may buy a quantity of beer directly from any licensed brewpub or wholesaler or directly from a micro brewer eligible to self-distribute to the beer festival for consumption only at the licensed event.

(4) Beer that is dispensed to consumers for showcasing beer at a beer festival is considered a sample. A holder of a special license issued under this section may offer beer described in this subsection without consideration.

(5) A member, who is 18 years of age or older, of an organization that holds a special license issued under this section may serve beer at the event.

(6) As used in this section and section 413, "beer festival" means an event at which the various types and kinds of beer and the production of that beer are showcased to the general public and at which the general public can purchase and sample the beer being showcased for consumption on the licensed premises.

436.1527 Special license for nonprofit charitable organization; issuance; nontransferable; fee; auction.

Sec. 527. (1) The commission may issue a special license to a nonprofit charitable organization that is exempt from the payment of taxes under the internal revenue code for the purpose of allowing the organization to sell, at auction, wine donated to the organization.

(2) A special license issued pursuant to subsection (1) is not transferable. The organization applying for the special license shall pay the fee required under section 525(1)(r).

(3) An auction permitted under subsection (1) may occur upon premises which are otherwise licensed under this act to allow the sale of alcoholic liquor for consumption on the licensed premises.

History: 1998, Act 58, Imd. Eff. Apr. 14, 1998.

436.1529 Transfer of license or interest in license; notice of transfer of stock in licensed corporation or licensed limited partnership; investigation to ensure compliance; approval; transfer fee; inspection fee.

Sec. 529. (1) A license or an interest in a license shall not be transferred from 1 person to another without the prior approval of the commission. For purposes of this section, the transfer in the aggregate to another person during any single licensing year of more than 10% of the outstanding stock of a licensed corporation or more than 10% of the total interest in a licensed limited partnership shall be considered to be a transfer requiring the prior approval of the commission.

(2) Not later than July 1 of each year, each privately held licensed corporation and each licensed limited partnership shall notify the commission as to whether any of the shares of stock in the corporation, or interest in the limited partnership, have been transferred during the preceding licensing year. The commission may investigate the transfer of any number of shares of stock in a licensed corporation, or any amount of interest in a licensed limited partnership, for the purpose of ensuring compliance with this act and the rules promulgated under this act.

(3) Except as otherwise provided in subdivisions (a) through (f), upon approval by the commission of a transfer subject to subsection (1), there shall be paid to the commission a transfer fee equal to the fee provided in this act for the class of license being transferred. A transfer fee shall not be prorated for a portion of the effective period of the license. If a person holding more than 1 license or more than 1 interest in a license at more than 1 location, but in the name of a single legal entity, transfers all of the licenses or interests in licenses simultaneously to another single legal entity, the transfers shall be considered 1 transfer for purposes of determining a transfer fee, payable in an amount equal to the highest license fee provided in this act for any of the licenses, or interests in licenses, being transferred. A transfer fee shall not be required in regard to any of the following:

(a) The transfer, in the aggregate, of less than 50% of the outstanding shares of stock in a licensed corporation or less than 50% of the total interest in a licensed limited partnership during any licensing year.

(b) The exchange of the assets of a licensed sole proprietorship, licensed general partnership, or licensed limited partnership for all outstanding shares of stock in a corporation in which either the sole proprietor, all members of the general partnership, or all members of the limited partnership are the only stockholders of that corporation. An exchange under this subdivision shall not be considered an application for a license for the purposes of section 501.

(c) The transfer of the interest in a licensed business of a deceased licensee, a deceased stockholder, or a deceased member of a general or limited partnership to the deceased person's spouse or children.

(d) The removal of a member of a firm, a stockholder, a member of a general partnership or limited

(5) An inspection fee shall be returned to the person by whom it was paid if the purpose of the inspection was to inspect the physical premises of the licensee, and the inspection was not actually conducted. An inspection fee shall not be required for any of the following:

(a) The issuance or transfer of a special license, salesperson license, limited alcohol buyer license, corporate salesperson license, hospital permit, military permit, or Sunday sale of spirits permit.

History: 1998, Act 58, Imd. Eff. Apr. 14, 1998.

436.1531 Public license and resort license; on-premises escrowed license; limitations and quotas; additional licenses for certain establishments; license for certain events at public university; outdoor stadium; economic development factors; exceptions as to certain veterans and airports; special state census of local governmental unit; rules; availability of transferable licenses held in escrow; on-premises escrowed or quota license; issuance of available licenses; report; hotels; escrowed specially designated distributor license; transfer; applicability of administrative rule; definitions.

Sec. 531. (1) A public license shall not be granted for the sale of alcoholic liquor for consumption on the premises in excess of 1 license for each 1,500 of population or major fraction thereof. An on-premises escrowed license issued under this subsection may be transferred, subject to local legislative approval under section 501(2), to an applicant whose proposed operation is located within any local governmental unit in a county in which the escrowed license was located. If the local governmental unit within which the former licensee's premises were located spans more than 1 county, an escrowed license may be transferred, subject to local legislative approval under section 501(2), to an applicant whose proposed operation is located within any local governmental unit in either county. If an escrowed license is activated within a local governmental unit other than that local governmental unit within which the escrowed license was originally issued, the commission shall count that activated license against the local governmental unit originally issuing the license. This quota does not bar the right of an existing licensee to renew a license or transfer the license and does not bar the right of an on-premises licensee of any class to reclassify to another class of on-premises license in a manner not in violation of law or this act, subject to the consent of the commission. The upgrading of a license resulting from a request under this subsection is subject to approval by the local governmental unit having jurisdiction.

(2) In a resort area, the commission may issue no more than 550 licenses for a period not to exceed 12 months without regard to a limitation because of population and with respect to the resort license the

commission, by rule, shall define and classify resort seasons by months and may issue 1 or more licenses for resort seasons without regard to the calendar year or licensing year.

(3) In addition to the resort licenses authorized in subsection (2), the commission may issue not more than 5 additional licenses per year to establishments whose business and operation, as determined by the commission, is designed to attract and accommodate tourists and visitors to the resort area, whose primary purpose is not for the sale of alcoholic liquor, and whose capital investment in real property, leasehold improvement, and fixtures for the premises to be licensed is \$75,000.00 or more. Further, the commission shall issue 1 license under this subsection per year to an applicant located in a rural area that has a poverty rate, as defined by the latest decennial census, greater than the statewide average, or that is located in a rural area that has an unemployment rate higher than the statewide average for 3 of the 5 preceding years. In counties having a population of less than 50,000, as determined by the last federal decennial census or as determined under subsection (11) and subject to subsection (16) in the case of a class A hotel or a class B hotel, the commission shall not require the establishments to have dining facilities to seat more than 50 persons. The commission may cancel the license if the resort is no longer active or no longer qualifies for the license. Before January 16 of each year the commission shall transmit to the legislature a report giving details as to all of the following:

(a) The number of applications received under this subsection.

(b) The number of licenses granted and to whom.

(c) The number of applications rejected and the reasons they were rejected.

(d) The number of the licenses revoked, suspended, or other disciplinary action taken and against whom and the grounds for revocation, suspension, or disciplinary action.

(4) In addition to any licenses for the sale of alcoholic liquor for consumption on the premises that may be available in the local governmental unit under subsection (1) and the resort licenses authorized in subsections (2) and (3), the commission may issue not more than 15 resort economic development licenses per year. A specially designated distributor license issued under this subsection may be issued at a location within 2,640 feet of existing specially designated distributor license locations. The person signing the application for a specially designated distributor license under this subsection shall state that he or she attempted to secure an escrowed specially designated distributor license or quota license and that, to the best of his or her knowledge, an escrowed specially designated distributor license or quota license is not readily available within the county in which the applicant for the specially designated distributor license under this subsection proposes to operate.

(6) In addition to any licenses for the sale of alcoholic liquor for consumption on the premises that may be available in the local governmental unit under subsection (1), and the resort or resort economic development licenses authorized in subsections (2), (3), and (4), and notwithstanding section 519, the commission may issue not more than 5 additional special purpose licenses in any calendar year for the sale of beer and wine for consumption on the premises. A special purpose license issued under this subsection shall be issued only for events that are to be held from May 1 to September 30, are artistic in nature, and that are to be held on the campus of a public university with an enrollment of 30,000 or more students. A license issued under this subsection may only be issued to the governing board of a public university, a person that is the lessee or concessionaire of the governing board of the university, or both. A license issued under this subsection is not transferable as to ownership or location. Except as otherwise provided in this subsection, a license issued under this subsection may not be issued at an outdoor stadium customarily used for intercollegiate athletic events. A license may be issued at an outdoor stadium customarily used for intercollegiate athletic events for not more than 30 consecutive days to a concessionaire of an entity granted exclusive use of a public university's property in conjunction with a hockey game sanctioned by an unincorporated not-for-profit association that operates a major professional ice hockey league consisting of teams located in Canada and in the United States or in conjunction with a professional international soccer match between 2 international soccer clubs as part of a tournament sanctioned by a not-for-profit association that is the governing body for soccer in the United States and organized and promoted by a match agent that is licensed by the international governing body for soccer if the concessionaire has entered into an agreement granting it control of the licensed premises for the purposes of complying with this act and rules promulgated under this act regarding the sale of alcoholic liquor. A nationally televised game between 2 professional hockey teams or 2 professional international soccer clubs played outdoors is considered an established outdoor program for the purposes of this subsection. Notwithstanding any provision of this act or any rule promulgated under this act, a concessionaire obtaining a license under this subsection may share the profits generated from that license with an unincorporated not-for-profit association that operates a major professional ice hockey league consisting of teams located in Canada and in the United States or an affiliated entity under a written contract reviewed by the commission or with a licensed match agent and a promoter that organizes and promotes international soccer matches under a written contract reviewed by the commission. If the established outdoor program is a nationally televised game between 2 professional hockey teams or 2 professional international soccer clubs, the commission may allow the promotion and advertising of alcoholic liquor brands on the campus of a public university where a concessionaire has been issued a license under this subsection for the duration of the license.

(8) In issuing a resort or resort economic development license under subsection (3), (4), or (5), the commission shall consider economic development factors of the area in issuing licenses to establishments designed to stimulate and promote the resort and tourist industry. The commission shall not transfer a resort or resort economic development license issued under subsection (3), (4), or (5) to another location. If the licensee goes out of business the license shall be surrendered to the commission.

(9) The limitations and quotas of this section are not applicable to issuing a new license to a veteran of the armed forces of the United States who was honorably discharged or released under honorable conditions from the armed forces of the United States and who had by forced sale disposed of a similar license within 90 days before or after entering or while serving in the armed forces of the United States, as a part of the person's preparation for that service if the application for a new license is submitted for the same governmental unit in which the previous license was issued and within 60 days after the discharge of the applicant from the armed forces of the United States.

(10) The limitations and quotas of this section are not applicable to issuing a new license or renewing an existing license where the property or establishment to be licensed is situated in or on land on which an airport owned by a county or in which a county has an interest is situated.

(11) For purposes of implementing this section a special state census of a local governmental unit may be taken at the expense of the local governmental unit by the federal bureau of census or the secretary of state under section 6 of the home rule city act, 1909 PA 279, MCL 117.6. The secretary of state may promulgate additional rules necessary for implementing this section pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328.

(12) Before granting an approval as required in section 501(2) for a license to be issued under subsection (2), (3), or (4), a local legislative body shall disclose the availability of transferable licenses held in escrow for more than 1 licensing year within that respective local governmental unit. The local governmental unit shall

provide public notice of the meeting to consider the granting of the license by the local governmental unit 2 weeks before the meeting.

(13) The person signing the application for an on-premises resort or resort economic development license shall state and verify that he or she attempted to secure an on-premises escrowed license or quota license and that, to the best of his or her knowledge, an on-premises escrowed license or quota license is not readily available within the county in which the applicant for the on-premises resort or resort economic development license proposes to operate.

(14) The commission shall not issue an on-premises resort or resort economic development license if the county within which the resort or resort economic development license applicant proposes to operate has not issued all on-premises licenses available under subsection (1) or if an on-premises escrowed license exists and is readily available within the local governmental unit in which the applicant for the on-premises resort or resort economic development license proposes to operate. The commission may waive the provisions of this subsection upon a showing of good cause.

(15) The commission shall annually report to the legislature the names of the businesses issued licenses under this section and their locations.

(16) The commission shall not require a class A hotel or a class B hotel licensed under subsection (2), (3), or (4) to provide food service to registered guests or to the public.

(17) Subject to the limitation and quotas of subsection (1) and to local legislative approval under section 501(2), the commission may approve the transfer of ownership and location of an on-premises escrowed license within the same county to a class G-1 or class G-2 license or may approve the reclassification of an existing on-premises license at the location to be licensed to a class G-1 license or to a class G-2 license, subject to subsection (1). Resort or economic development on-premises licenses created under subsection (3) or (4) may not be issued as, or reclassified to, a class G-1 or class G-2 license.

(18) An escrowed specially designated distributor license may be transferred, with the consent of the commission, to an applicant whose proposed operation is located within any local governmental unit in a county in which the specially designated distributor license is located. If the local governmental unit within which the escrowed specially designated distributor license is located spans more than 1 county, the license may be transferred to an applicant whose proposed operation is located within any local governmental unit in either county. If the specially designated distributor license is activated within a local governmental unit other than that local governmental unit within which the specially designated distributor license was originally issued, the commission shall count that activated license against the local governmental unit originally issuing the specially designated distributor license.

(20) As used in this section:

For an incorporated or unincorporated nonprofit veterans' organization that is a

(4) Except for a club paying a maximum fee, within 10 days after February 1 of each year the club shall file with the commission a list of names and residences of its members and make a similar filing of the name and residence with the commission within 10 days after the election of an additional member. The annual filing must also include a statement that the club's annual aggregate membership fees or dues and other income, exclusive of the proceeds from the sale of alcoholic liquor, are sufficient to defray the annual rental of its leased or rented premises or, if the premises are owned by the club, are sufficient to meet the taxes, insurance, repairs, and interest on a mortgage on the premises.

(5) The affairs and management of the club must be conducted by a board of directors, executive committee, or similar body chosen by the members. A member, officer, agent, or employee of the club must not be paid, or directly or indirectly receive in the form of salary or other compensation, profits from the disposition of alcoholic liquor to the club or to the members of the club, beyond the amount of salary fixed and voted at meetings by the members or by its directors or other governing body and as reported by the club to the commission, within 3 months after the meeting.

CHAPTER 7

436.1701 Selling or furnishing alcoholic liquor to minor; failure to make diligent inquiry; violation as misdemeanor; penalty; signs; consumption of alcoholic liquor as cause of death or injury; felony; enforcement against licensee; consent of parent or guardian in undercover operation; defense in action for violation; report; use of security identification device; definitions.

Sec. 701. (1) A person shall not sell or furnish alcoholic liquor to a minor. Except as otherwise provided in subsection (2) and subject to subsections (4), (5), and (6), a person who knowingly sells or furnishes alcoholic liquor to a minor, or who fails to make diligent inquiry as to whether the individual is a minor, is guilty of a misdemeanor. A retail licensee or a retail licensee's clerk, agent, or employee who violates this subsection shall be punished in the manner provided for licensees in section 909 except that if the violation is the result of an undercover operation in which the minor received alcoholic liquor under the direction of the state police, the commission, or a local police agency as part of an enforcement action, the retail licensee's clerk, agent, or employee is responsible for a state civil infraction and may be ordered to pay a civil fine of not more than \$100.00. Except as otherwise provided in subsection (2), an individual who is not a retail licensee or a retail licensee's clerk, agent, or employee and who violates this subsection is guilty of a misdemeanor punishable by a fine of not more than \$1,000.00 and imprisonment for not more than 60 days for a first offense, a fine of not more than \$2,500.00 and imprisonment for not more than 90 days for a second or subsequent offense, and may be ordered to perform community service. A suitable sign describing the content of this section and the penalties for its violation must be posted in a conspicuous place in each room where alcoholic liquor is sold. The commission shall approve and furnish a sign under this section.

(2) An individual who is not a retail licensee or the retail licensee's clerk, agent, or employee and who violates subsection (1) is guilty of a felony, punishable by imprisonment for not more than 10 years or a fine of not more than \$5,000.00, or both, if the subsequent consumption of the alcoholic liquor by the minor is a direct and substantial cause of the minor's death or an accidental injury that causes the minor's death.

(3) If a violation occurs in an establishment that is licensed by the commission for consumption of alcoholic liquor on the licensed premises, a person who is a licensee or the clerk, agent, or employee of a licensee must not be charged with a violation of subsection (1) or section 801(1) unless the licensee or the clerk, agent, or employee of the licensee knew or should have reasonably known with the exercise of due diligence that a minor possessed or consumed alcoholic liquor on the licensed premises and the licensee or clerk, agent, or employee of the licensee failed to take immediate corrective action.

(4) If the enforcing agency involved in the violation is the state police or a local police agency, a licensee must not be charged with a violation of subsection (1) or section 801(1) unless all of the following occur, if applicable:

(a) Enforcement action is taken against the minor who purchased or attempted to purchase, consumed or attempted to consume, or possessed or attempted to possess alcoholic liquor.

(b) Enforcement action is taken under this section against the individual 21 years of age or older who is not the retail licensee or the retail licensee's clerk, agent, or employee who sold or furnished the alcoholic liquor to the minor.

(c) Enforcement action under this section is taken against the clerk, agent, or employee who directly sold or furnished alcoholic liquor to the minor.

(5) If the enforcing agency is the commission and an appearance ticket or civil infraction citation has not been issued, then the commission shall recommend to a local law enforcement agency that enforcement action be taken against a violator of this section or section 703 who is not a licensee. However, subsection (4) does not apply if the minor against whom enforcement action is taken under section 703, the clerk, agent, or employee of the licensee who directly sold or furnished alcoholic liquor to the minor, or the individual 21

years of age or older who sold or furnished alcoholic liquor to the minor is not alive or is not present in this state at the time the licensee is charged. Subsection (4)(a) does not apply under either of the following circumstances:

(a) The violation of subsection (1) is the result of an undercover operation in which the minor purchased or received alcoholic liquor under the direction of the person's employer and with the prior approval of the local prosecutor's office as part of an employer-sponsored internal enforcement action.

(b) The violation of subsection (1) is the result of an undercover operation in which the minor purchased or received alcoholic liquor under the direction of the state police, the commission, or a local police agency as part of an enforcement action.

(6) Any initial or contemporaneous purchase or receipt of alcoholic liquor by the minor under subsection (5)(a) or (b) must have been under the direction of the state police, the commission, or the local police agency and must have been part of the undercover operation.

(7) If a minor participates in an undercover operation in which the minor is to purchase or receive alcoholic liquor under the supervision of a law enforcement agency, his or her parents or legal guardian shall consent to the participation if the minor is less than 18 years of age.

(8) In an action for the violation of this section, proof that the defendant or the defendant's agent or employee demanded and was shown, before furnishing alcoholic liquor to a minor, a motor vehicle operator's or chauffeur's license, a military identification card, or other bona fide documentary evidence of the age and identity of that person, is a defense to an action brought under this section.

(9) The commission shall provide, on an annual basis, a written report to the department of state police as to the number of actions heard by the commission involving violations of this section and section 801(1). The commission shall include in the report the disposition of each action and figures representing all of the following categories:

(a) Decoy operations.

(b) Off-premises violations.

(c) On-premises violations.

(d) Repeat offenses within the 3 years preceding the date of the report.

(10) Subsection (11)(b)(ii) does not impose a duty or obligation on the secretary of state that is not otherwise required by law.

(11) As used in this section:

(a) "Corrective action" means action taken by a licensee or a clerk, agent, or employee of a licensee designed to prevent a minor from further possessing or consuming alcoholic liquor on the licensed premises. Corrective action includes, but is not limited to, contacting a law enforcement agency and ejecting the minor and any other person suspected of aiding and abetting the minor.

(b) "Diligent inquiry" means a diligent good-faith effort to determine the age of an individual, which includes at least 1 of the following:

(i) An examination of an official Michigan operator's or chauffeur's license, an official Michigan personal identification card, a military identification card, or any other bona fide picture identification that establishes the identity and age of the individual.

(ii) Use of a secure identity verification device if all of the following conditions are met:

(A) The electronic scan of a biometric of the individual is referenced against any form of picture identification described in subparagraph (i).

(B) The authenticity of the picture identification was previously verified by an electronic authentication process.

(C) The identity of the individual was previously verified through a commercially available knowledge-based electronic authentication process.

(D) The authenticated picture identification was securely linked to biometrics contemporaneously collected from the individual.

(c) "Retail licensee" means a person licensed to sell alcoholic liquor at retail for consumption on or off the licensed premises.

(d) "Secure identity verification device" means a commercial device that instantly verifies the identity and age of an individual by an electronic scan of a biometric of the individual.

436.1703 Purchase, consumption, or possession of alcoholic liquor by minor; attempt; violation; fines; sanctions; furnishing fraudulent identification to minor; use by minor;

prior violation; screening and assessment; prior judgment; chemical breath analysis; notice to parent, custodian, or guardian; exceptions; recruitment of minor for undercover operation prohibited; affirmative defense; definitions.

Sec. 703. (1) A minor shall not purchase or attempt to purchase alcoholic liquor, consume or attempt to consume alcoholic liquor, possess or attempt to possess alcoholic liquor, or have any bodily alcohol content, except as provided in this section. A minor who violates this subsection is responsible for a state civil infraction or guilty of a misdemeanor as follows and is not subject to the penalties prescribed in section 909:

(a) For the first violation, the minor is responsible for a state civil infraction and must be fined not more than \$100.00. A court may order a minor under this subdivision to participate in substance use disorder services as defined in section 6230 of the public health code, 1978 PA 368, MCL 333.6230, and designated by the administrator of the office of substance abuse services, and may order the minor to perform community service and to undergo substance abuse screening and assessment at his or her own expense as described in subsection (5). A minor may be found responsible or admit responsibility only once under this subdivision.

(b) If a violation of this subsection occurs after 1 prior judgment, the minor is guilty of a misdemeanor. A misdemeanor under this subdivision is punishable by imprisonment for not more than 30 days if the court finds that the minor violated an order of probation, failed to successfully complete any treatment, screening, or community service ordered by the court, or failed to pay any fine for that conviction or juvenile adjudication, or by a fine of not more than \$200.00, or both. A court may order a minor under this subdivision to participate in substance use disorder services as defined in section 6230 of the public health code, 1978 PA 368, MCL 333.6230, and designated by the administrator of the office of substance abuse services, to perform community service, and to undergo substance abuse screening and assessment at his or her own expense as described in subsection (5).

(c) If a violation of this subsection occurs after 2 or more prior judgments, the minor is guilty of a misdemeanor. A misdemeanor under this subdivision is punishable by imprisonment for not more than 60 days, if the court finds that the minor violated an order of probation, failed to successfully complete any treatment, screening, or community service ordered by the court, or failed to pay any fine for that conviction or juvenile adjudication, or by a fine of not more than \$500.00, or both, as applicable. A court may order a minor under this subdivision to participate in substance use disorder services as defined in section 6230 of the public health code, 1978 PA 368, MCL 333.6230, and designated by the administrator of the office of substance abuse services, to perform community service, and to undergo substance abuse screening and assessment at his or her own expense as described in subsection (5).

(2) An individual who furnishes fraudulent identification to a minor or, notwithstanding subsection (1), a minor who uses fraudulent identification to purchase alcoholic liquor, is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$100.00, or both.

(3) If an individual who pleads guilty to a misdemeanor violation of subsection (1)(b) or offers a plea of admission in a juvenile delinquency proceeding for a misdemeanor violation of subsection (1)(b), the court, without entering a judgment of guilt in a criminal proceeding or a determination in a juvenile delinquency proceeding that the juvenile has committed the offense and with the consent of the accused, may defer further proceedings and place the individual on probation. The terms and conditions of that probation include, but are not limited to, the sanctions set forth in subsection (1)(c), payment of the costs including minimum state cost as provided for in section 18m of chapter XIIA of the probate code of 1939, 1939 PA 288, MCL 712A.18m, and section 1j of chapter IX of the code of criminal procedure, 1927 PA 175, MCL 769.1j, and the costs of probation as prescribed in section 3 of chapter XI of the code of criminal procedure, 1927 PA 175, MCL 771.3. If a court finds that an individual violated a term or condition of probation or that the individual is utilizing this subsection in another court, the court may enter an adjudication of guilt, or a determination in a juvenile delinquency proceeding that the individual has committed the offense, and proceed as otherwise provided by law. If an individual fulfills the terms and conditions of probation, the court shall discharge the individual and dismiss the proceedings. A discharge and dismissal under this section is without adjudication of guilt or without a determination in a juvenile delinquency proceeding that the individual has committed the offense and is not a conviction or juvenile adjudication for purposes of disqualifications or disabilities imposed by law on conviction of a crime. An individual may obtain only 1 discharge and dismissal under this subsection. The court shall maintain a nonpublic record of the matter while proceedings are deferred and the individual is on probation and if there is a discharge and dismissal under this subsection. The secretary of state shall retain a nonpublic record of a plea and of the discharge and dismissal under this subsection. These records shall be furnished to any of the following:

(a) To a court, prosecutor, or police agency on request for the purpose of determining if an individual has already used this subsection.

(b) To the department of corrections, a prosecutor, or a law enforcement agency, on the department's, a prosecutor's, or a law enforcement agency's request, subject to all of the following conditions:

(i) At the time of the request, the individual is an employee of the department of corrections, the prosecutor, or the law enforcement agency, or an applicant for employment with the department of corrections, the prosecutor, or the law enforcement agency.

(ii) The record is used by the department of corrections, the prosecutor, or the law enforcement agency only to determine whether an employee has violated his or her conditions of employment or whether an applicant meets criteria for employment.

(4) A misdemeanor violation of subsection (1) successfully deferred, discharged, and dismissed under subsection (3) is considered a prior judgment for the purposes of subsection (1)(c).

(5) A court may order an individual found responsible for or convicted of violating subsection (1) to undergo screening and assessment by a person or agency as designated by the department-designated community mental health entity as defined in section 100a of the mental health code, 1974 PA 258, MCL 330.1100a, to determine whether the individual is likely to benefit from rehabilitative services, including alcohol or drug education and alcohol or drug treatment programs. A court may order an individual subject to a misdemeanor conviction or juvenile adjudication of, or placed on probation regarding, a violation of subsection (1) to submit to a random or regular preliminary chemical breath analysis. The parent, guardian, or custodian of a minor who is less than 18 years of age and not emancipated under 1968 PA 293, MCL 722.1 to 722.6, may request a random or regular preliminary chemical breath analysis as part of the probation.

(6) A peace officer who has reasonable cause to believe a minor has consumed alcoholic liquor or has any bodily alcohol content may request that individual to submit to a preliminary chemical breath analysis. If a minor does not consent to a preliminary chemical breath analysis, the analysis must not be administered without a court order, but a peace officer may seek to obtain a court order. The results of a preliminary chemical breath analysis or other acceptable blood alcohol test are admissible in a state civil infraction proceeding or criminal prosecution to determine if the minor has consumed or possessed alcoholic liquor or had any bodily alcohol content.

(7) A law enforcement agency, on determining that an individual who is less than 18 years of age and not emancipated under 1968 PA 293, MCL 722.1 to 722.6, allegedly consumed, possessed, or purchased alcoholic liquor, attempted to consume, possess, or purchase alcoholic liquor, or had any bodily alcohol content in violation of subsection (1) shall notify the parent or parents, custodian, or guardian of the individual as to the nature of the violation if the name of a parent, guardian, or custodian is reasonably ascertainable by the law enforcement agency. The law enforcement agency shall notify the parent, guardian, or custodian not later than 48 hours after the law enforcement agency determines that the individual who allegedly violated subsection (1) is less than 18 years of age and not emancipated under 1968 PA 293, MCL 722.1 to 722.6. The law enforcement agency may notify the parent, guardian, or custodian by any means reasonably calculated to give prompt actual notice including, but not limited to, notice in person, by telephone, or by first-class mail. If an individual less than 17 years of age is incarcerated for violating subsection (1), his or her parents or legal guardian must be notified immediately as provided in this subsection.

(8) This section does not prohibit a minor from possessing alcoholic liquor during regular working hours and in the course of his or her employment if employed by a person licensed by this act, by the commission, or by an agent of the commission, if the alcoholic liquor is not possessed for his or her personal consumption.

(9) The following individuals are not considered to be in violation of subsection (1):

(a) A minor who has consumed alcoholic liquor and who voluntarily presents himself or herself to a health facility or agency for treatment or for observation including, but not limited to, medical examination and treatment for any condition arising from a violation of sections 520b to 520g of the Michigan penal code, 1931 PA 328, MCL 750.520b to 750.520g, committed against a minor.

(b) A minor who accompanies an individual who meets both of the following criteria:

(i) Has consumed alcoholic liquor.

(ii) Voluntarily presents himself or herself to a health facility or agency for treatment or for observation including, but not limited to, medical examination and treatment for any condition arising from a violation of sections 520b to 520g of the Michigan penal code, 1931 PA 328, MCL 750.520b to 750.520g, committed against a minor.

(c) A minor who initiates contact with a peace officer or emergency medical services personnel for the purpose of obtaining medical assistance for a legitimate health care concern.

(10) If a minor who is less than 18 years of age and who is not emancipated under 1968 PA 293, MCL 722.1 to 722.6, voluntarily presents himself or herself to a health facility or agency for treatment or for observation as provided under subsection (9), the health facility or agency shall notify the parent or parents,

guardian, or custodian of the individual as to the nature of the treatment or observation if the name of a parent, guardian, or custodian is reasonably ascertainable by the health facility or agency.

(11) This section does not limit the civil or criminal liability of a vendor or the vendor's clerk, servant, agent, or employee for a violation of this act.

(12) The consumption of alcoholic liquor by a minor who is enrolled in a course offered by an accredited postsecondary educational institution in an academic building of the institution under the supervision of a faculty member is not prohibited by this act if the purpose of the consumption is solely educational and is a requirement of the course.

(13) The consumption by a minor of sacramental wine in connection with religious services at a church, synagogue, or temple is not prohibited by this act.

(14) Subsection (1) does not apply to a minor who participates in either or both of the following:

(a) An undercover operation in which the minor purchases or receives alcoholic liquor under the direction of the person's employer and with the prior approval of the local prosecutor's office as part of an employer-sponsored internal enforcement action.

(b) An undercover operation in which the minor purchases or receives alcoholic liquor under the direction of the state police, the commission, or a local police agency as part of an enforcement action unless the initial or contemporaneous purchase or receipt of alcoholic liquor by the minor was not under the direction of the state police, the commission, or the local police agency and was not part of the undercover operation.

(15) The state police, the commission, or a local police agency shall not recruit or attempt to recruit a minor for participation in an undercover operation at the scene of a violation of subsection (1), section 701(1), or section 801(1).

(16) In a prosecution for the violation of subsection (1) concerning a minor having any bodily alcohol content, it is an affirmative defense that the minor consumed the alcoholic liquor in a venue or location where that consumption is legal.

(17) As used in this section:

(a) "Any bodily alcohol content" means either of the following:

(i) An alcohol content of 0.02 grams or more per 100 milliliters of blood, per 210 liters of breath, or per 67 milliliters of urine.

(ii) Any presence of alcohol within a person's body resulting from the consumption of alcoholic liquor, other than consumption of alcoholic liquor as a part of a generally recognized religious service or ceremony.

Sec. 801. (1) A retail licensee shall not directly, individually, or by a clerk, agent, or servant sell, furnish, or give alcoholic liquor to a minor except as otherwise provided in this act. A retail licensee shall not directly or indirectly, individually or by a clerk, agent, or servant sell, furnish, or give alcoholic liquor to an individual who is visibly intoxicated.

(2) Except as otherwise provided in this section, an individual who suffers damage or who is personally injured by a minor or visibly intoxicated person by reason of the unlawful selling, giving, or furnishing of alcoholic liquor to the minor or visibly intoxicated person, if the unlawful sale is proven to be a proximate cause of the damage, injury, or death, or the spouse, child, parent, or guardian of that individual, has a right of action in his or her name against the person who by selling, giving, or furnishing the alcoholic liquor has caused or contributed to the intoxication of the person or who has caused or contributed to the damage, injury, or death. In an action under this section, the plaintiff has the right to recover actual damages in a sum of not less than \$50.00 in each case in which the court or jury determines that intoxication was a proximate cause of the damage, injury, or death.

(3) An action under this section must be instituted within 2 years after the injury or death. A plaintiff seeking damages under this section shall give written notice to all defendants within 120 days after entering an attorney-client relationship for the purpose of pursuing a claim under this section. Failure to give written notice within the time specified is grounds for dismissal of a claim as to any defendants that did not receive that notice unless sufficient information for determining that a retail licensee might be liable under this section was not known and could not reasonably have been known within the 120 days. In the event of the death of either party, the right of action under this section survives to or against his or her personal representative. In each action by a husband, wife, child, or parent, the general reputation of the relation of husband and wife or parent and child is prima facie evidence of the relation, and the amount recovered by either the husband, wife, parent, or child is his or her sole and separate property. The damages, together with the costs of the action, must be recovered in an action under this section. If the parents of the individual who suffered damage or who was personally injured are entitled to damages under this section, the father and

mother may sue separately, but recovery by 1 is a bar to action by the other.

(4) An action under this section against a retail licensee must not be commenced unless the minor or the alleged intoxicated person is a named defendant in the action and is retained in the action until the litigation is concluded by trial or settlement.

(5) Any licensee subject to subsection (2) regarding the unlawful selling, furnishing, or giving of alcoholic liquor to a visibly intoxicated person has the right to full indemnification from the alleged visibly intoxicated person for all damages awarded against the licensee.

(6) All defenses of the alleged visibly intoxicated person or the minor are available to the licensee. In an action alleging the unlawful sale of alcoholic liquor to a minor, proof that the defendant retail licensee or the defendant's agent or employee demanded and was shown a Michigan driver license or official state personal identification card, appearing to be genuine and showing that the minor was at least 21 years of age, is a defense to the action.

(7) There is a rebuttable presumption that a retail licensee, other than the retail licensee who last sold, gave, or furnished alcoholic liquor to the minor or the visibly intoxicated person, has not committed any act giving rise to a cause of action under subsection (2).

(8) The alleged visibly intoxicated person does not have a cause of action under this section and a person does not have a cause of action under this section for the loss of financial support, services, gifts, parental training, guidance, love, society, or companionship of the alleged visibly intoxicated person.

(9) This section provides the exclusive remedy for money damages against a licensee arising out of the selling, giving, or furnishing of alcoholic liquor to a minor or intoxicated person.

(10) Except as otherwise provided for under this section and section 815, a civil action under subsection (2) against a retail licensee is subject to the revised judicature act of 1961, 1961 PA 236, MCL 600.101 to 600.9947.

436.1803 Retailer or applicant for retail license; proof of financial responsibility; naming insurer or surety as defendant prohibited; effect of bankruptcy; policies and bonds to be continued from year to year; cancellation of liquor liability insurance policy; revocation; section inapplicable to special licensee or applicant for special license; rules.

Sec. 803. (1) Before the renewal or approval and granting of a retail license, a retail licensee or applicant for a retail license shall file with the commission proof of financial responsibility providing security for liability under section 801(2) of not less than \$50,000.00. The proof of financial responsibility may be in the form of cash, unencumbered securities, a policy or policies of liquor liability insurance, a constant value bond executed by a surety company authorized to do business in this state, or membership in a group self-insurance pool authorized by law that provides security for liability under section 801.

(2) A licensee may furnish proof of financial responsibility that exceeds the requirements of this section.

(3) An insurer under a policy or policies of liquor liability insurance or a surety under a bond must not be named as a defendant in an action brought against the insured or bonded licensee for liability under section 801. Bankruptcy of the insured does not discharge an insurer or surety under this section from liability. Insurance policies and bonds issued for purposes under this section must continue from year to year unless sooner canceled by the insurer.

(4) An insured retail licensee shall not cancel a liquor liability insurance policy except upon 30 days' prior written notice to the commission and unless new proof of financial responsibility complying with this section is procured by the retail licensee and delivered to the commission before the expiration of the 30-day period. The commission shall revoke the license of a retail licensee that violates this subsection.

(5) This section does not apply to a special licensee or applicant for a special license.

(6) The commission shall promulgate rules under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, to implement and enforce this section.

436.1805 Suit to enforce liability when service of process not effected; affidavit; service upon commission in duplicate; return; copy served on defendant; hearing; duty of commission.

Sec. 805. If an action is instituted against a retailer as defendant in any court of competent jurisdiction to enforce the liability provided in section 801 and service of process has not been effected in the manner provided for by law, and either the sheriff or constable to whom process has been delivered for service shall make return that he or she has not been able to serve the defendant for a period of 30 days, in which period he or she has made 3 or more attempts to serve the defendant at his or her residence or place of business, or the plaintiff or another person with knowledge of the facts files an affidavit in the cause stating that the defendant has ceased to be a resident of the state of Michigan or has been absent from the state for a continuous period of 6 months, then it shall be competent for the plaintiff to cause service of process to be made upon the defendant by service of the process upon the commission, the liability for which suit is brought arose during the period in which the defendant was a licensed retailer and was insured under the provisions of section 803. Such service of process shall be made in duplicate on the commission, and return showing such service shall be made to the court. The commission shall mail a copy of the process served upon it to the defendant at the address shown in the consent to service of process, and shall immediately transmit to the clerk of the court in which the action is pending an acknowledgment of the mailing of the copy of that process by the commission to the defendant. Whenever the foregoing provisions of this section have been complied with, the court may proceed to hear and determine the matter as fully and effectually as though the defendant retailer had been personally served with process within the jurisdiction of the court. The commission shall also notify the insurer under the liability policy of the defendant, on file with the commission, that the commission has received service of that process, stating the names of the parties to the action and the court in which the action is pending. If the defendant retailer is deceased, service of process may be made upon the executor or administrator of the deceased defendant by service on the commission, in an action in which that service would be authorized by this section upon the defendant if he or she were living, in the manner provided in this section.

If the insurer fails or neglects to pay the judgment and costs within 90 days, it shall be subject to punitive damages in the amount of \$1,000.00, in addition to the amount of the judgment and interest on the judgment. The amount of the judgment, with interest on the judgment, and the punitive damages provided for in this section may be recovered by the person or persons entitled to damages under the judgment in an action against the insurer in any court of competent jurisdiction in this state.

436.1815 Adherence to responsible business practices as defense; compensation of employee on commission basis.

Sec. 815. (1) In defense of a civil action under section 801, a retail licensee may present evidence that, at the time of the selling, giving, or furnishing of the alcoholic liquor, the retail licensee was adhering to responsible business practices. Responsible business practices are those business policies, procedures, and actions which an ordinarily prudent person would follow in like circumstances. CHAPTER 9

436.1901 Compliance required; prohibited acts; violation; sanctions and penalties.

Sec. 901. (1) A person, directly or indirectly, himself or herself or by his or her clerk, agent, or employee, shall not manufacture, manufacture for sale, sell, offer or keep for sale, barter, furnish, import, import for sale, transport for hire, transport, or possess any alcoholic liquor unless the person complies with this act.

(2) A licensee shall not allow unlawful gambling on the licensed premises and shall not allow on the licensed premises any gaming devices prohibited by law.

(3) A licensee shall not sell, offer or keep for sale, furnish, possess, or allow a customer to consume alcoholic liquor that is not authorized by the license issued to the licensee by the commission.

(4) A person, whether or not a licensee, shall not sell, deliver, or import spirits unless the sale, delivery, or importation is made by the commission, the commission's authorized agent or distributor, an authorized distribution agent certified by order of the commission, a person licensed by the commission, or by prior written order of the commission. A person who violates this subsection is subject to the sanctions and penalties contained in section 909(4) and, in the case of a violation of section 909(4)(a), is subject to forfeiture of proceeds or an instrumentality as provided for in chapter XXVA of the Michigan penal code, 1931 PA 328, MCL 750.159f to 750.159x.

(5) A licensee shall not sell or furnish alcoholic liquor to a person who maintains, operates, or leases premises that are not licensed by the commission and upon which other persons unlawfully engage in the sale or consumption of alcoholic liquor for consideration as prohibited by section 913.

(6) A retail licensee shall not, on his or her licensed premises, sell, offer for sale, accept, furnish, possess, or allow the consumption of alcoholic liquor that has not been purchased by the retail licensee from the

commission, the commission's authorized agent or distributor, an authorized distribution agent certified by order of the commission, or a licensee of the commission authorized to sell that alcoholic liquor to a retail licensee. This subsection does not apply to the consumption of alcoholic liquor in the bedrooms or suites of registered guests of licensed hotels or in the bedrooms or suites of bona fide members of licensed clubs.

History: 1998, Act 58, Imd. Eff. Apr. 14, 1998;—Am. 2008, Act 11, Imd. Eff. Feb. 29, 2008;—Am. 2010, Act 175, Imd. Eff. Sept. 30, 2010.

436.1903 Suspension or revocation of license; violation of act or rules; penalty; disposition; administrative fine; hearing; procedure; fee; right of appeal; institution of criminal prosecutions; defense; rules; appointment of agents to hear violation cases; authority and responsibility; ineligibility of designated agent for appointment to commission.

Sec. 903. (1) The commission or any commissioner or duly authorized agent of the commission designated by the chairperson of the commission, on notice and proper hearing, may suspend or revoke any license on a violation of this act or any of the rules promulgated by the commission under this act. The commission or any commissioner or authorized agent of the commission designated by the chairperson of the commission, may assess a penalty of not more than \$300.00 for each violation of this act or rules promulgated under this act, or not more than \$1,000.00 for each violation of section 801(1), in addition to or instead of revocation or suspension of the license, which penalty must be paid to the commission and deposited with the state treasurer and must be credited to the general fund of the state. The commission shall hold a hearing and order the suspension or revocation of a license if the licensee has been found liable for 3 or more separate violations of section 801(1) which violations occurred on different occasions within a 24-month period unless the violations for the sale, furnishing, or giving alcoholic liquor to a minor were discovered by the licensee and disclosed to an appropriate law enforcement agency immediately on discovery. A retail licensee who sells, offers to sell, accepts, furnishes, possesses, or allows the consumption of spirits in violation of section 901(6) is subject to an administrative fine of not more than \$2,500.00 per occurrence and the following license sanctions after notice and opportunity for an administrative hearing under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328:

- (a) For a first violation, a license revocation or suspension for between 1 and 30 days.
- (b) For a second violation, a license revocation or suspension for between 31 and 90 days.
- (c) For a third or subsequent violation, revocation of the license.

(2) The commission shall provide a procedure by which a licensee who is aggrieved by any penalty imposed under subsection (1) and any suspension or revocation of a license ordered by the commission, a commissioner, or a duly authorized agent of the commission may request a hearing for the purpose of presenting any facts or reasons to the commission as to why the penalty, suspension, or revocation should be modified or rescinded. The request must be in writing and accompanied by a fee of \$25.00. The commission, after reviewing the record made before a commissioner or an authorized agent of the commission, may allow or refuse to allow the hearing in accordance with the commission's rules. The right to a hearing provided in this subsection, however, must not be interpreted by a court as curtailing, removing, or annulling the right of the commission to suspend or revoke licenses as provided for in this act. A licensee does not have a right of appeal from the final determination of the commission, except by leave of the circuit court. Notice of the order of suspension or revocation of a license or of the assessment of a penalty, or both, must be given in the manner prescribed by the commission. The suspension or revocation of a license or the assessment of a penalty, or both, by the commission or an authorized agent of the commission does not prohibit the institution of a criminal prosecution for a violation of this act. The institution of a criminal prosecution for a violation of this act or the acquittal or conviction of a person for a violation of this act does not prevent the suspension or revocation of a license or the assessment of a penalty, or both, by the commission. In a hearing for the suspension or revocation of a license issued under this act, proof that the defendant licensee or an agent or employee of the licensee demanded and was shown, before furnishing any alcoholic liquor to a minor, a motor vehicle operator or chauffeur license or a registration certificate issued by the federal selective service, or other bona fide documentary evidence of majority and identity of the person, may be offered as evidence in a defense to a proceeding for the suspension or revocation of a license issued under this act. A licensee who has reason to believe that a minor has used fraudulent identification to purchase alcoholic liquor in violation of section 703 shall file a police report concerning the violation with a local law enforcement agency and shall also present the alleged fraudulent identification to the local law enforcement agency at the time of filing the report if the identification is in the possession of the licensee. The commission may promulgate rules under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, regarding the use by licensees of equipment designed to detect altered or forged driver licenses, state identification cards, and other forms of identification.

(3) In addition to the hearing commissioners provided for in section 209, the chairperson of the commission may designate not more than 2 authorized agents to hear violation cases. A person appointed under this subsection must be a member in good standing of the State Bar of Michigan.

(4) An authorized agent who has been designated by the chairperson under subsection (3) has, in the hearing of violation cases, the same authority and responsibility as does a hearing commissioner under this act and the rules promulgated under this act.

(5) An authorized agent who has been designated by the chairperson under subsection (3) is ineligible for appointment to the commission for a period of 1 year after the person ceases to serve as an authorized agent.

(b) For a second violation, a license suspension for between 61 and 120 days.

(a) If the person has no prior convictions, by imprisonment for not more than 93 days or a fine of not more than \$250.00, or both.

(c) If the person has 2 or more prior convictions, by imprisonment for not more than 1 year or a fine of not more than \$1,000.00, or both.

(3) This section does not prohibit a person from consuming alcoholic liquor on school property or possessing alcoholic liquor on school property with the intent to consume it on school property under any of the following circumstances:

- (a) As part of a generally recognized religious service or religious ceremony.
- (b) At a nonschool function or event on school property if the superintendent of the school district or, if the school is not operated by a school district, the administrator of the school, or his or her designee, has approved consuming alcoholic liquor on school property or possessing alcoholic liquor on school property with the intent to consume it on school property during that function or event.

436.1905 Selling or furnishing alcoholic liquor to minor; enforcement actions prohibited; conditions; exception.

Sec. 905. (1) Notwithstanding section 903, if a retail licensee or a retail licensee's clerk, agent, or employee violates this act by selling or furnishing alcoholic liquor to a minor, or by allowing a minor to consume alcoholic liquor or possess alcoholic liquor for personal consumption on the licensed premises, and if the enforcing agency involved in the prosecution of the violation is the state police or a local police agency, the commission shall not take any action under section 903 to suspend or revoke the licensee's license or assess an administrative fine against the licensee unless all of the following occur, if applicable:

(a) Enforcement action is taken against the minor who purchased, consumed, or received the alcoholic liquor from the retail licensee or the retail licensee's clerk, agent, or employee.

(b) Enforcement action is taken under section 701 against the person 21 years of age or older that is not the retail licensee or the retail licensee's clerk, agent, or employee but who sold or furnished the alcoholic liquor to the minor.

This subsection does not apply to special licenses except that the commission may require server training for certain special licensees based upon the size and nature of the licensed event. The commission may adopt the existing standards and programmatic framework of private entities and may delegate nondiscretionary administrative functions to outside private entities.
