125.983 District project as public improvement.

Sec. 3. A district project as authorized under this chapter is a public improvement. The use in this chapter of the term "public improvement" does not prevent the levying of a special assessment for the cost of a part of a district project that represents special benefits.

History: 1961, Act 120, Imd. Eff. May 26, 1961;—Am. 1992, Act 146, Imd. Eff. July 15, 1992;—Am. 1999, Act 49, Imd. Eff. June 15, 1999;—Am. 2001, Act 261, Imd. Eff. Jan. 9, 2002.

125.984 Development or redevelopment of district; single improvement.

Sec. 4. The development or redevelopment of a district, including the various phases of the development or redevelopment, is 1 project and, in the discretion of the governing body of the local governmental unit, may be financed as a single improvement.

History: 1961, Act 120, Imd. Eff. May 26, 1961;—Am. 1992, Act 146, Imd. Eff. July 15, 1992;—Am. 1999, Act 49, Imd. Eff. June 15, 1999;—Am. 2003, Act 209, Imd. Eff. Nov. 26, 2003.

125.985 Special assessments; levy; installment payments; maximum annual amounts; adjustment; special assessment bonds; full faith and credit; maturity; statutory or charter provisions; review; marketing and development plan; homestead deferment.

Sec. 5. (1) If a local governmental unit elects to levy special assessments to defray all or part of the cost of the district project, then the special assessments shall be levied pursuant to applicable statutory or charter provisions or, if there are no applicable statutory or charter provisions, pursuant to statutory or charter provisions applicable to local governmental unit street improvements. If a local governmental unit charter does not authorize special assessments for the purposes set forth in this chapter, the charter provisions authorizing special assessments for street improvements are made applicable to the purposes set forth in this chapter, without amendment to the charter. The total amount assessed for district purposes may be made payable in not more than 20 annual installments as determined by the governing body of the local

governmental unit, the first installment to be payable in not more than 18 months after the date of the confirmation of the special assessment roll.

(2) A special assessment shall be levied against assessable property on the basis of the special benefits to that parcel from the total project. There is a rebuttable presumption that a district project specially benefits all assessable property located within the district.

(3) This subsection applies to a principal shopping district only if the principal shopping district is designated by the governing body of a local governmental unit after July 14, 1992. The special assessments annually levied on a parcel under this chapter shall not exceed the product of \$10,000.00 and the number of businesses on that parcel. A business located on a single parcel shall not be responsible for a special assessment in excess of \$10,000.00 annually. When the special assessment district is created, a lessor of a parcel subject to a special assessment may unilaterally revise an existing lease to a business located on that parcel to recover from that business all or part of the special assessment, as is proportionate considering the portion of the parcel occupied by the business.

(4) The \$10,000.00 maximum amounts in subsection (3) shall be adjusted each January 1, beginning January 1, 1994, pursuant to the annual average percentage increase or decrease in the Detroit Consumer Price Index for all items as reported by the United States Department of Labor. The adjustment for each year shall be made by comparing the Detroit Consumer Price Index for the 12-month period ending the preceding October 31 with the corresponding Detroit Consumer Price Index of 1 year earlier. The percentage increase or decrease shall then be multiplied by the current amounts under subsection (3) authorized by this section. The product shall be rounded up to the nearest multiple of 50 cents and shall be the new amount.

(5) The local governmental unit may issue special assessment bonds in anticipation of the collection of the special assessments for a district project and, by action of its governing body, may pledge its full faith and credit for the prompt payment of the bonds. Special assessment bonds issued under this section are subject to the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821. The last maturity on the bonds shall be not later than 2 years after the due date of the last installment on the special assessments. Special assessment bonds may be issued pursuant to statutory or charter provisions applicable to the issuance by the local governmental unit of special assessment bonds for the improvement or, if there are no applicable statutory or charter provisions, pursuant to statutory or charter provisions applicable to the issuance by the local governmental unit of special assessment bonds for street improvements.

(6) If a district project in a district designated by the governing body of a local governmental unit after July 14, 1992 is financed by special assessments, the governing body of the local governmental unit shall review the special assessments every 5 years, unless special assessment bonds are outstanding.

(7) Before a local governmental unit levies a special assessment under this chapter that benefits property within a business improvement district, the business improvement district board shall develop a marketing and development plan that details all of the following:

(a) The scope, nature, and duration of the business improvement district project or projects.

(b) The different classes of property owners who are going to be assessed and the projected amount of the special assessment on the different classes.

(8) A local governmental unit that levies a special assessment under this chapter that benefits property within a business improvement district is considered to have approved the marketing and development plan described in subsection (7).

(9) Any notice required as part of the special assessment process shall include a statement that a property owner of residential real property within a business improvement district may seek a homestead deferment for a special assessment under this act in the same manner as provided in section 4 of 1976 PA 225, MCL 211.764.

125.986 Special assessments; off-street parking lots or structures.

Sec. 6. If off-street parking lots or structures are essential to the principal shopping district project, if 1 or more off-street parking lots or structures are already owned by the local governmental unit and were acquired through the issuance of revenue bonds, and if the remaining parking lots or structures are to be financed in whole or in part by special assessments and special assessment bonds, then the local governmental unit, to place all parking lots or structures on the same basis, may include as a part of the cost of parking lots or structures for the project the amount necessary to retire all or any part of the outstanding revenue bonds, inclusive of any premium not exceeding 5% necessary to be paid upon the redemption or purchase of those

outstanding bonds. From the proceeds of the special assessments or from the sale of bonds issued in anticipation of the payment of the special assessments, the local governmental unit shall retire by redemption or purchase the outstanding revenue bonds. This section does not authorize the refunding of noncallable bonds without the consent of the holders of the bonds.

125.990e Public hearing of governing body; notice; approval or rejection; amendment;

resubmission; zone plan; assessment; election; publication of notice; assisting in conduct of election.

Sec. 10e. (1) If a petition is delivered to the clerk of the city or village in accordance with section 10c, the governing body of the city or village shall within 28 days schedule a public hearing of the governing body to review the zone plan and any proposed assessment and to receive public comment. The clerk shall notify all owners of parcels within the zone area of the public hearing by first-class mail.

(2) At the public hearing required under subsection (1), or at the next regularly scheduled meeting of the governing body of the city or village, the governing body shall approve or reject the establishment of the business improvement zone and the zone plan attached to the petition under section 10c. If the governing body rejects the establishment of the business improvement zone and the zone plan, the clerk shall notify all property owners within the proposed zone of a meeting of the property owners within the proposed zone, which must be held not sooner than 7 days or later than 21 days after the date of the rejection by the governing body. The notice must be sent by first-class mail to the property owners not less than 7 days before the scheduled date of the meeting and must include the specific location and the scheduled date and time of the meeting, as determined by the person initiating the establishment of the business improvement zone under section 10c.

(3) At the meeting, the property owners may amend the zone plan if approved by a majority of the property owners voting at the meeting, using proportional voting if applicable under the zone plan. The amended zone plan may be resubmitted to the clerk of the city or village without the requirement of a new petition under section 10c for approval or rejection at a meeting of the governing body of the city or village not later than 28 days after the amended zone plan is resubmitted to the clerk. If a zone plan is not rejected within 56 days of the date the amended zone plan is resubmitted to the clerk, the amended zone plan is considered approved by the governing body of the city or village. If the amended zone plan is rejected by the governing body, then the amended zone plan may not be resubmitted without the delivery of a new petition under section 10c.

(4) A governing body of a city or village shall consider the establishment of a business improvement zone and a zone plan for the business improvement zone under this section if all of the following apply:

(a) The zone plan complies with the requirements of section 10c.

(b) The zone plan for the business improvement zone provides that the services to be provided by the business improvement zone and the projects under the zone plan would be supplemental to the services, projects, and functions of the city or village.

(c) The zone plan provides a basis for allocating assessments that complies with this chapter.

(5) Approval of the business improvement zone and zone plan serves as a determination by the city or village that any assessment set forth in the zone plan, including the basis for allocating the assessment, is appropriate, subject only to the approval of the business improvement zone and the zone plan by the property owners in accordance with section 10f.

(6) If the governing body of the city or village approves the business improvement zone and zone plan or if the amended zone plan is considered approved under subsection (3), the clerk of the city or village shall set an election pursuant to section 10f not more than 49 days following the approval.

(7) The clerk of the city or village shall send to the property owners notice by first-class mail of the election not less than 28 days before the election and publish the notice at least once in a newspaper of general circulation in the city or village in which the zone area is located not less than 7 days or more than 21 days before the date scheduled for the election.

(8) The election described in this section and section 10f is not an election subject to the Michigan election law, 1954 PA 116, MCL 168.1 to 168.992.

(9) The person that filed the petition under section 10c, the proposed board members, and the property owners may, at the option and under the direction of the clerk, assist the clerk of the city or village in conducting the election to minimize the expenses of the election incurred by the city or village.

125.990f Voting; eligibility; conduct; question; adoption of business improvement zone and zone plan; expenses; duration; compliance with state and federal laws; immunity of city or village; proportional voting; allocation requirements.

Sec. 10f. (1) All property owners as of the date of the delivery of the petition as provided in section 10c are eligible to participate in the election. The election must be conducted by mail. The question to be voted on by the property owners is the adoption of the zone plan and the establishment of the business improvement zone,

including the identity of the initial board.

(2) A zone plan and the proposal for the establishment of a business improvement zone, including the identity of the initial board, are considered adopted upon the approval of more than 60% of the property owners voting in the election, using proportional voting if applicable under the zone plan.

(3) Upon acceptance or rejection of a business improvement zone and zone plan by the property owners, the resulting business improvement zone or the person filing the petition under section 10c shall, at the request of the city or village, reimburse the city or village for all or a portion of the reasonable expenses incurred to comply with this chapter. The governing body of the city or village may forgive and choose not to collect all or a portion of the reasonable expenses incurred to comply with this chapter.

(4) Adoption of a business improvement zone and zone plan under this section authorizes the creation of the business improvement zone and the implementation of the zone plan for the qualifying period.

(5) Adoption of a business improvement zone and zone plan under this section and the creation of the business improvement zone does not relieve the business improvement zone from following, or does not waive any rights of the city or village to enforce, any applicable laws, statutes, or ordinances. A business improvement zone created under this chapter shall comply with all applicable state and federal laws.

(6) To the extent not protected by the immunity conferred by 1964 PA 170, MCL 691.1401 to 691.1419, a city or village that approves a business improvement zone within its boundaries is immune from civil or administrative liability arising from any actions of that business improvement zone.

(7) Subject to subsection (8), if a zone plan provides for proportional voting, the proportional vote of a property owner must be allocated as follows:

(a) If the zone plan for the zone area provides a basis for allocating assessments based upon taxable value, the votes of property owners may be proportionate to the amount that the taxable value of their respective real property for the preceding calendar year bears to the taxable value of all assessable property in the zone area for that calendar year.

(b) If the zone plan for the zone area provides for allocation of assessments based upon assessed value, the votes of property owners may be proportionate to the amount that the assessed value of their respective real property for the preceding calendar year bears to the assessed value of all assessable property in the zone area for that calendar year.

(c) If the zone plan for the zone area provides a basis for allocating assessments other than taxable value or assessed value, the votes of property owners may be proportionate to the amount that the assessment for their respective real property for the prior calendar year bears to the total value of assessments for assessable property in the zone area in that calendar year.

(8) The proportional vote allocated to any 1 property owner must not exceed 25% of the total vote. If the proportional vote of a single property owner under this section exceeds 25%, the amount in excess of 25% must be reallocated among the remaining property owners in proportion to the amount that the assessment of their respective assessable property for the prior calendar year bears to the assessment of all assessable property in the zone area owned by the remaining property owners during that calendar year. For purposes of this subsection, property owners that are affiliates shall be treated as a single property owner.

(9) As used in this section, "affiliate" means that term as defined in section 90l of the Michigan strategic fund act, 1984 PA 270, MCL 125.2090l.

(a) Developing administrative procedures relating to the implementation of the zone plan.

(b) Recommending amendments to the zone plan.

(c) Scheduling and conducting an annual meeting of the property owners.

125.990h Assessments.

Sec. 10h. (1) A business improvement zone may be funded in whole or in part by 1 or more assessments on assessable property, as provided in the zone plan. An assessment under this chapter is in addition to any taxes or special assessments otherwise imposed on assessable property. The business improvement zone, with the approval of the board, may enter into agreements with 1 or more property owners in the city or village providing for the provision of business zone activities or services to the property owner or owners by the business improvement zone in exchange for monetary contributions to the business improvement zone from the property owner or owners. An agreement providing for the provision of business zone activities or services described in this subsection must be in writing and must be made available to all property owners of assessable property in the zone area.

(2) An assessment may be imposed against assessable property only on the basis of the benefits to assessable property afforded by the zone plan. There is a rebuttable presumption that a zone plan and any project specially benefits all assessable property in a zone area.

(3) If a zone plan provides for an assessment, the treasurer of the city or village in which the zone area is located as an agent of the business improvement zone shall collect the assessment imposed by the board under the zone plan on all assessable property within the zone area in the amount authorized by the zone plan.

(4) The treasurer of the city or village in which the zone area is located, as an agent of the business improvement zone, shall collect the assessments from each property owner within the zone area and promptly remit the assessments collected to the business improvement zone. Assessment revenue is the property of the business improvement zone and not the city or village in which the business improvement zone is located. However, all payments to the treasurer shall be entirely applied first to the balance of any property taxes owed to the city or village and only then any remaining payment amount shall be considered assessment revenue belonging to the business improvement zone and applied to the assessment levied under this chapter. The business improvement zone may, at the option and under the direction of the treasurer, assist the treasurer of the city or village in collecting the assessment to minimize the expenses of collecting the assessment incurred by the city or village.

(5) The business improvement zone may institute a civil action to collect any delinquent assessment and interest.

(6) An assessment is delinquent if it has not been paid within 90 days after it was due as provided under the zone plan imposed under this chapter. Except as otherwise provided in subsection (7), the business improvement zone shall collect delinquent assessments. Delinquent assessments accrue interest at a rate of 1.5% per month until paid.

(7) If any portion of the assessment has not been paid within 90 days after it was due, that portion of the unpaid assessment is a lien on the property. The lien amount is for the unpaid portion of the assessment and includes any applicable interest. Alternatively, a delinquent and unpaid assessment may, at the request of the business improvement zone, be returned as delinquent by the treasurer of the city or village and collected in the same manner as a delinquent tax special assessment along with any associated interest, fees, and costs under the general property tax act, 1893 PA 206, MCL 211.1 to 211.155. However, property is not subject to forfeiture, foreclosure, and sale under sections 78 to 79a of the general property tax act, 1893 PA 206, MCL 211.78 to 211.79a, for nonpayment of an assessment under this chapter unless the property also is subject to forfeiture, foreclosure, and sale under sections 78 to 79a of the general property tax act, 1893 PA 206, MCL 211.78 to 211.79a, for delinquent property taxes. If a parcel of assessable property that has a delinquent and unpaid assessment is sold to a purchaser who is not related or affiliated to the seller, as determined by the board, the board may reduce or eliminate any delinquent and unpaid assessment on that parcel of assessable property if the property is not subject to forfeiture, foreclosure, and sale under sections 78 to 79a of the general property tax act, 1893 PA 206, MCL 211.78 to 211.79a. If the delinquent property taxes are paid, the property may not be forfeited, foreclosed, and sold for an unpaid assessment under this chapter.

125.990i Audit.

Sec. 10i. (1) Expenses incurred in implementing any project or service of a business improvement zone shall be financed in accordance with the zone plan.

(2) Assessment revenues under section 10h are the funds of the business improvement zone and not funds of the state or of the city or village in which the business improvement zone is located. All money collected under section 10h shall be deposited in a financial institution in the name of the business improvement zone. Assessment revenues may be deposited in an interest generating account. The business improvement zone shall use the funds only to implement the zone plan.

(3) All expenditures by a business improvement zone shall be audited annually by a certified public accountant. The audit shall be completed within 9 months of the close of the fiscal year of the business improvement zone. Within 30 days after completion of an audit, the certified public accountant shall transmit a copy of the audit to the board and make copies of the audit available to the property owners and the public.

(4) If an annual audit required by this section contains material exceptions, the board of the business improvement zone shall within 90 days of the delivery of the audit adopt a plan to remedy the exceptions and forward a copy of that plan to the city or village in which the business improvement zone is located.

(5) The board shall publish an annual activity and financial report. The report shall be available to the public. Each year, every property owner shall be notified of the availability of the annual activity and financial report.

(6) As used in this section, "financial institution" means a state or nationally chartered bank or a state or federally chartered savings and loan association, savings bank, or credit union whose deposits are insured by an agency of the United States government and that maintains a principal office or branch office located in this state under the laws of this state or of the United States.

(1) Before the expiration of any qualifying period, the board shall notify the property owners within the business improvement zone of a special meeting by first-class mail not less than 14 days before the scheduled date of the meeting to approve a new zone plan for the next qualifying period. Notice under this section must include the specific location, scheduled date, and time of the meeting.

(2) Approval of the new zone plan at the special meeting by more than 60% of the property owners of assessable property voting at that meeting, using proportional voting if applicable under the zone plan, constitutes reauthorization of the business improvement zone for an additional qualifying period, commencing as of the expiration of the qualifying period then in effect. If the new zone plan reflects any new assessment, or reflects an extension of any assessment beyond the period previously approved by the city or village in which the business improvement zone is located, the new or extended assessment is effective only with the approval of the governing body of the city or village.

(3) Upon dissolution of a business improvement zone, the board shall dispose of the remaining physical assets of the business improvement zone. The proceeds of any physical assets disposed of by the business improvement zone and all money collected through assessments that is not required to defray the expenses of the business improvement zone must be refunded on a pro rata basis to persons from whom assessments were collected. If the board finds that the refundable amount is so small as to make impracticable the computation and refunding of the money, it may be transferred to the treasurer of the city or village in which the business improvement zone is located for deposit in the treasury of the city or village to the credit of the general fund.

(4) Upon dissolution of a business improvement zone, any remaining assets of the business improvement zone must be transferred to the treasurer of the city or village in which the business improvement zone is located for deposit in the treasury of the city or village to the credit of the general fund.
