

RECODIFIED TAX INCREMENT FINANCING ACT (EXCERPT)
Act 57 of 2018

125.4606 Creation of authority; resolution by governing body; notice of public hearing; adoption of resolution designating boundaries; alteration or amendment; interlocal agreement.

Sec. 606.

(1) If the governing body of a municipality determines that it is necessary for the best interests of the public to redevelop its commercial corridors and to promote economic growth, the governing body may, by resolution, do 1 of the following:

(a) Declare its intention to create and provide for the operation of an authority.

(b) Declare its intention to jointly create and provide for the operation of a joint authority created under section 604(2).

(2) In the resolution of intent, the governing body shall state that the proposed development area meets the criteria in section 605, set a date for a public hearing on the adoption of a proposed resolution creating the authority, and designate the boundaries of the development area. Notice of the public hearing shall be published twice in a newspaper of general circulation in the municipality, not less than 20 or more than 40 days before the date of the hearing. Not less than 20 days before the hearing, the governing body proposing to create the authority shall also mail notice of the hearing to the property taxpayers of record in the proposed development area, to the governing body of each taxing jurisdiction levying taxes that would be subject to capture if the authority is established and a tax increment financing plan is approved, and to the state tax commission. Failure of a property taxpayer to receive the notice does not invalidate these proceedings. Notice of the hearing shall be posted in at least 20 conspicuous and public places in the proposed development area not less than 20 days before the hearing. The notice shall state the date, time, and place of the hearing and shall describe the boundaries of the proposed development area. A citizen, taxpayer, or property owner of the municipality or an official from a taxing jurisdiction with millage that would be subject to capture has the right to be heard in regard to the establishment of the authority and the boundaries of the proposed development area. The governing body of the municipality shall not incorporate land into the development area not included in the description contained in the notice of public hearing, but it may eliminate described lands from the development area in the final determination of the boundaries.

(3) Not less than 60 days after the public hearing, if the governing body of the municipality intends to proceed with the establishment of the authority it shall adopt, by majority vote of its members, a resolution establishing the authority and designating the boundaries of the development area within which the authority shall exercise its powers. The adoption of the resolution is subject to any applicable statutory or charter provisions in respect to the approval or disapproval by the chief executive or other officer of the municipality and the adoption of a resolution over his or her veto. This resolution shall be filed with the secretary of state promptly after its adoption and shall be published at least once in a newspaper of general circulation in the municipality.

(4) The governing body of the municipality may alter or amend the boundaries of the development area to include or exclude lands from the development area in the same manner as adopting the resolution creating the authority.

(5) A municipality that has created an authority may enter into an agreement with an adjoining municipality that has created an authority to jointly operate and administer those authorities under an interlocal agreement under the urban cooperation act of 1967, 1967 (Ex Sess) PA 7, MCL 124.501 to 124.512. The interlocal agreement shall include, but is not limited to, a plan to coordinate and expedite local inspections and permit approvals, a plan to address contradictory zoning requirements, and a date certain to implement all provisions of these plans. If a municipality enters into an interlocal agreement under this subsection, the municipality shall provide a copy of that interlocal agreement to the state tax commission within 60 days of entering into the interlocal agreement.
