(a) The cost of purchasing, acquiring, constructing, improving, enlarging, extending, or repairing property in connection with the implementation of a development plan in the development area, and, for the implementation of the development plan in a qualified development area, the cost of reimbursing a public or private person for any of those costs.

- (b) Any engineering, architectural, legal, accounting, or financial expenses.
- (c) The costs necessary or incidental to the borrowing of money.
- (d) Interest on the bonds or notes during the period of construction.

(3) The authority may secure the bonds and notes by mortgage, assignment, or pledge of the property and any money, revenues, or income received in connection with the property.

(4) A pledge made by the authority is valid and binding from the time the pledge is made. Neither the resolution, the trust agreement, nor any other instrument by which a pledge is created must be filed or recorded to be enforceable.

(5) Bonds or notes issued under this section are exempt from all taxation in this state except inheritance and transfer taxes, and the interest on the bonds or notes is exempt from all taxation in this state, notwithstanding that the interest may be subject to federal income tax.

(6) The municipality is not liable on bonds or notes of the authority issued under this section, and the bonds or notes are not a debt of the municipality. The bonds or notes shall contain on their face a statement to that effect.

(7) The bonds and notes of the authority may be invested in by all public officers, state agencies and political subdivisions, insurance companies, banks, savings and loan associations, investment companies, and fiduciaries and trustees, and may be deposited with and received by all public officers and the agencies and political subdivisions of this state for any purpose for which the deposit of bonds is authorized.
