600.6303 Payment of plaintiff's expense or loss by collateral source; notice to contractual lien holder; failure to exercise right of subrogation; contracts to which subsection (3) applicable; “collateral source” defined; benefits from collateral source as payable or receivable.

Sec. 6303.

(1) In a personal injury action in which the plaintiff seeks to recover for the expense of medical care, rehabilitation services, loss of earnings, loss of earning capacity, or other economic loss, evidence to establish that the expense or loss was paid or is payable, in whole or in part, by a collateral source shall be admissible to the court in which the action was brought after a verdict for the plaintiff and before a judgment is entered on the verdict. Subject to subsection (5), if the court determines that all or part of the plaintiff's expense or loss has been paid or is payable by a collateral source, the court shall reduce that portion of the judgment which represents damages paid or payable by a collateral source by an amount equal to the sum determined pursuant to subsection (2). This reduction shall not exceed the amount of the judgment for economic loss or that portion of the verdict which represents damages paid or payable by a collateral source.

(2) The court shall determine the amount of the plaintiff's expense or loss which has been paid or is payable by a collateral source. Except for premiums on insurance which is required by law, that amount shall then be reduced by a sum equal to the premiums, or that portion of the premiums paid for the particular benefit by the plaintiff or the plaintiff's family or incurred by the plaintiff's employer on behalf of the plaintiff in securing the benefits received or receivable from the collateral source.

(3) Within 10 days after a verdict for the plaintiff, plaintiff's attorney shall send notice of the verdict by registered mail to all persons entitled by contract to a lien against the proceeds of plaintiff's recovery. If a contractual lien holder does not exercise the lien holder's right of subrogation within 20 days after receipt of the notice of the verdict, the lien holder shall lose the right of subrogation. This subsection shall only apply to contracts executed or renewed on or after the effective date of this section.

(4) As used in this section, "collateral source" means benefits received or receivable from an insurance policy; benefits payable pursuant to a contract with a health care corporation, dental care corporation, or health maintenance organization; employee benefits; social security benefits; worker's compensation benefits; or medicare benefits. Collateral source does not include life insurance benefits or benefits paid by a person, partnership, association, corporation, or other legal entity entitled by law to a lien against the proceeds of a recovery by a plaintiff in a civil action for damages. Collateral source does not include benefits paid or payable by a person,

partnership, association, corporation, or other legal entity entitled by contract to a lien against the proceeds of a recovery by a plaintiff in a civil action for damages, if the contractual lien has been exercised pursuant to subsection (3).

(5) For purposes of this section, benefits from a collateral source shall not be considered payable or receivable unless the court makes a determination that there is a previously existing contractual or statutory obligation on the part of the collateral source to pay the benefits.

600.6304 Personal injury action involving fault of more than 1 party to action; instructing jury to answer special interrogatories; findings of court; determining percentages of fault; determining award of damages; release from liability; amount of damages; reducing award of damages; reallocation of uncollectible amount; liability of governmental agency; “at fault” defined.

Sec. 6304.

(1) In an action based on tort or another legal theory seeking damages for personal injury, property damage, or wrongful death involving fault of more than 1 person, including third-party defendants and nonparties, the court, unless otherwise agreed by all parties to the action, shall instruct the jury to answer special interrogatories or, if there is no jury, shall make findings indicating both of the following:

(a) The total amount of each plaintiff's damages.

(b) The percentage of the total fault of all persons that contributed to the death or injury, including each plaintiff and each person released from liability under section 2925d, regardless of whether the person was or could have been named as a party to the action.

(2) In determining the percentages of fault under subsection (1)(b), the trier of fact shall consider both the nature of the conduct of each person at fault and the extent of the causal relation between the conduct and the damages claimed.

(3) The court shall determine the award of damages to each plaintiff in accordance with the findings under subsection (1), subject to any reduction under subsection (5) or section 2955a or 6303, and shall enter judgment against each party, including a third-party defendant, except that judgment shall not be entered against a person who has been released from liability as provided in section 2925d.

(4) Liability in an action to which this section applies is several only and not joint. Except as otherwise provided in subsection (6), a person shall not be required to pay damages in an amount greater than his or her percentage of fault as found under subsection (1). This subsection and section 2956 do not apply to a defendant that is jointly and severally liable under section 6312.

(5) In an action alleging medical malpractice, the court shall reduce an award of damages in excess of 1 of the limitations set forth in section 1483 to the amount of the appropriate limitation set forth in section 1483. The jury shall not be advised by the court or by counsel for either party of the limitations set forth in section 1483 or any other provision of section 1483.

(6) If an action includes a medical malpractice claim against a person or entity described in section 5838a(1), 1 of the following applies:

(a) If the plaintiff is determined to be without fault under subsections (1) and (2), the liability of each defendant is joint and several, whether or not the defendant is a person or entity described in section 5838a(1).

(b) If the plaintiff is determined to have fault under subsections (1) and (2), upon motion made not later than 6 months after a final judgment is entered, the court shall determine whether all or part of a party's share of the obligation is uncollectible from that party, and shall reallocate any uncollectible amount among the other parties, whether or not another party is a person or entity described in section 5838a(1), according to their respective percentages of fault as determined under subsection (1). A party is not required to pay a percentage of any uncollectible amount that exceeds that party's percentage of fault as determined under subsection (1). The party

whose liability is reallocated continues to be subject to contribution and to any continuing liability to the plaintiff on the judgment.

(7) Notwithstanding subsection (6), a governmental agency, other than a governmental hospital or medical care facility, is not required to pay a percentage of any uncollectible amount that exceeds the governmental agency's percentage of fault as determined under subsection (1).

(8) As used in this section, "fault" includes an act, an omission, conduct, including intentional conduct, a breach of warranty, or a breach of a legal duty, or any conduct that could give rise to the imposition of strict liability, that is a proximate cause of damage sustained by a party.
