

STATE TRUNK LINE HIGHWAY SYSTEM (EXCERPT)
Act 51 of 1951

247.665a Intergovernmental highway corridor planning preservation committees.

Sec. 15a.

County road commissions and cities and villages shall establish, where applicable, intergovernmental highway corridor planning preservation committees for the purpose of developing corridor plans in order to provide a stable economic environment for businesses in the corridor and to eliminate duplicative services at the local government level.

History: Add. 1997, Act 79, Eff. July 28, 1997
