

INTERNATIONAL BRIDGE AUTHORITY (EXCERPT)
Act 99 of 1954

254.225 Revenue bonds; issuance, principal and interest payments, date, form, signatures, coupon or registered, sale, approval, proceeds, use; interim receipts or temporary bonds.

Sec. 5.

The authority is hereby authorized to provide for the issuance, at one time or from time to time, of revenue bonds of the authority for the purpose of paying all or any part of the cost of the project. The principal of and the interest on such bonds shall be payable solely from the funds herein provided for such payment. The bonds shall be dated, shall bear interest at such rate or rates not exceeding 6% per annum, shall mature at such time or times not exceeding 40 years from their date, as may be determined by the authority, and shall be made redeemable before maturity, at the option of the authority, at such price or prices and under such terms and conditions as may be fixed by the authority prior to the issuance of the bonds. The authority shall determine the form of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of the principal and interest, which may be at any bank or trust company within or without the state. The bonds shall be signed by the chairman of the authority or shall bear his facsimile signature, and the official seal of the authority or a facsimile thereof shall be impressed or imprinted thereon and attested by the secretary-treasurer of the authority, and any coupons attached thereto shall bear the facsimile signature of the chairman of the authority. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. The bonds may be issued in coupon or in registered form, or both, as the authority may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, for the reconversion into coupon bonds of any bonds registered as to both principal and interest, and for the interchange of registered and coupon bonds. The authority may sell such bonds in such manner and for such price as it may determine will best effect the purposes of this act, subject to the approval of the state administrative board of the state of Michigan.

The proceeds of the bonds shall be used solely for the payment of the cost of the project, and shall be disbursed in such manner and under such restrictions, if any, as the authority may provide in the resolution authorizing the issuance of such bonds or in the trust agreement hereinafter mentioned securing the same. If the proceeds of the bonds, by error of estimates or otherwise, shall be less than such cost, additional bonds may in like manner be issued to provide the amount of such deficit, and, unless otherwise provided in the resolution authorizing the issuance of such bonds or in the trust agreement securing the same, shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued. If the proceeds of the bonds shall exceed such cost, the surplus shall be deposited to the credit of the sinking fund for such bonds.

Prior to the preparation of definitive bonds, the authority may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The authority may also provide for the replacement of any bonds which shall become mutilated or shall be destroyed or lost. Bonds may be issued under the provisions of this act without obtaining the consent of any department, division, commission, board, bureau or agency of the state, and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions or things which are specifically required by this act.
