

SAFE DRINKING WATER ACT (EXCERPT)
Act 399 of 1976

325.1001a Legislative intent; water resources research institutes.

Sec. 1a.

It is the intent of the legislature to provide adequate water resources research institutes and other facilities within the state of Michigan so that the state may assure the long-term health of its public water supplies and other vital natural resources.

History: Add. 1998, Act 56, Imd. Eff. Apr. 8, 1998
