

PUBLIC HEALTH CODE (EXCERPT)
Act 368 of 1978

333.17076 Physician's assistant; making calls or going on rounds in accordance with practice agreement; prescribing drugs; ordering, receiving, and dispensing complimentary starter dose drugs.

Sec. 17076. (1) A physician's assistant may make calls or go on rounds in private homes, public institutions, emergency vehicles, ambulatory care clinics, hospitals, intermediate or extended care facilities, health maintenance organizations, nursing homes, or other health care facilities in accordance with a practice agreement. Notwithstanding any law or rule to the contrary, a physician's assistant may make calls or go on rounds as provided in this subsection without restrictions on the time or frequency of visits by a physician or the physician's assistant.

(2) A physician's assistant who is a party to a practice agreement may prescribe a drug in accordance with procedures and protocols for the prescription established by rule of the department in consultation with the appropriate board. A physician's assistant may prescribe a drug, including a controlled substance that is included in schedules 2 to 5 of part 72. If a physician's assistant prescribes a drug under this subsection, the physician's assistant's name shall be used, recorded, or otherwise indicated in connection with that prescription. If a physician's assistant prescribes a drug under this subsection that is included in schedules 2 to 5, the physician's assistant's DEA registration number shall be used, recorded, or otherwise indicated in connection with that prescription.

(3) A physician's assistant may order, receive, and dispense complimentary starter dose drugs, including controlled substances that are included in schedules 2 to 5 of part 72. If a physician's assistant orders, receives, or dispenses a complimentary starter dose drug under this subsection, the physician's assistant's name shall be used, recorded, or otherwise indicated in connection with that order, receipt, or dispensing. If a physician's assistant orders, receives, or dispenses a complimentary starter dose drug under this subsection that is included in schedules 2 to 5, the physician's assistant's DEA registration number shall be used, recorded, or otherwise indicated in connection with that order, receipt, or dispensing. As used in this subsection, "complimentary starter dose" means that term as defined in section 17745. It is the intent of the legislature in enacting this subsection to allow a pharmaceutical manufacturer or wholesale distributor, as those terms are defined in part 177, to distribute complimentary starter dose drugs to a physician's assistant, as described in this subsection, in compliance with section 503(d) of the federal food, drug, and cosmetic act, 21 USC 353.
