(2) An entity that is the fiscal agent for no more than 5 consortia of intermediate districts that previously received funding from the technology readiness infrastructure grant under former section 22i for the purpose of establishing regional data hubs that are part of the Michigan data hub network is eligible for funding under this section.

(3) The center shall work with an advisory committee composed of representatives from intermediate districts within each of the data hub regions to coordinate the activities of the Michigan data hub network.

(b) Utilizing the infrastructure to put in place commonly needed integrations, reducing cost and effort to do that work while increasing data accuracy and usability.

(c) Promoting the use of a more common set of applications by promoting systems that integrate with the Michigan data hub network.

(d) Promoting 100% district adoption of the Michigan data hub network.

(e) Ensuring local control of data, data security, and student data privacy.

(h) Evaluating future data initiatives at all levels to determine whether the initiatives can be enhanced by using the standardized environment in the Michigan data hub network.

(9) By not later than January 1 of each fiscal year, the center shall prepare a summary report of information provided by each entity that received funds under this section that includes measurable outcomes based on the objectives described under this section and a summary of compiled data from each entity to provide a means to evaluate the effectiveness of the project. The center shall submit the report to the house and senate appropriations subcommittees on school aid and to the house and senate fiscal agencies.
