**Act 280 of 1939**

**400.59f Joint plan for economic rehabilitation of aid recipient; removal from county of settlement.**

Sec. 59f. The county department of the county of domicile or the county department granting aid may request joint planning with another county department if it appears to the requesting county that the person receiving aid should remove to or remain in the other county. The joint plan shall consider the relative possibilities of economic rehabilitation of the person in each of the 2 counties but if these appear approximately equal, the departments shall consult the wishes of the person. If, as the result of the joint planning, the 2 county departments determine that a person should be removed, the plan shall be presented to the person who will be informed that as soon as a suitable living arrangement can be made in the other county, he will be removed. If he declines to accept the plan, aid shall not be continued. He may re-apply for aid after 30 days.
