(2) If the department charged an application fee for a proposed sale of land under this part and the state land proposed for sale is instead sold to another party within 3 years after the date a completed application was received by the department from the prior applicant, the department shall refund the application fee in full to the prior applicant if the prior applicant has informed the department of his or her current address.

(3) Effective 60 days after the department receives an application from a private individual to exchange that individual's land for surplus state land, the application shall be considered to be complete unless the department proceeds as provided under subsection (4).
