However, if a tax is authorized to be levied in a political subdivision or portion of a political subdivision by a public authority under this act and the political subdivision or portion of a political subdivision withdraws pursuant to this subsection, the tax shall continue to be levied in the political subdivision or portion of a political subdivision for the period of time originally authorized. A political subdivision or portion of a political subdivision that withdraws from the authority shall continue to receive public transportation services from the authority until the political subdivision or portion of the political subdivision is no longer required to pay a tax levied by the authority.

A person who violates a provision of the Michigan election law, 1954 PA 116, MCL 168.1 to 168.992, applicable to a petition described in subsection (2) is subject to the penalties prescribed for that violation in the Michigan election law, 1954 PA 116, MCL 168.1 to 168.992.

The authority shall include in this notification notice of the right to withdraw from the authority under this section. The political subdivision or portion of the political subdivision that is notified has 30 days after receiving the notification to withdraw from the authority pursuant to subsection (5).

(8) Subsections (1) to (7) do not apply to a political subdivision within a county with a population of 1,100,000 or more that has a public transit authority under this act after that county's public transportation millage in effect on the effective date of the amendatory act that added this subsection expires.

(5) The tax rate authorized by this section shall be levied and collected as are all ad valorem property taxes in this state and the recording officer of the public authority shall at the appropriate times certify to the proper tax assessing or collecting officers of each tax collecting county, city, and township the amount of taxes to be levied and collected each year by each county, city, and township. Consistent with subsection (6), the board of the public authority shall determine on which tax roll, if there is more than 1, of each county, city, or township that the taxes authorized by this section shall be collected. Each tax assessing and collecting officer and each county treasurer shall levy and collect the taxes certified by the public authority and pay those taxes to the public authority by the time provided in section 43 of the general property tax act, 1893 PA 206, MCL 211.43. The tax rate authorized by this section may be first levied by the public authority as a part of the first tax roll of the appropriate counties, cities, and townships occurring after the election described in subsection (3). The tax may be levied and collected on the July or December tax roll next following the date of election, if the tax is certified to the proper tax assessing officials not later than May 15 or September 15, respectively, of the year in which the election is held.

(6) A public authority that is authorized to impose a July property tax levy and that determines to do so shall negotiate agreements with the appropriate cities and townships for the collection of that levy. If a city or township and the public authority fail to reach an agreement for the collection by the city or township of the July property tax levy of the public authority, the public authority then may negotiate, until April 1, a proposed agreement with the county treasurer to collect its July property tax levy against property located in that city or township. If the county treasurer and the public authority fail to reach an agreement for the collection by the county of the July property tax

levy of the public authority, the July property tax levy shall be collected with the December property tax levy. Any agreement negotiated under this subsection shall guarantee the collecting unit its reasonable expenses. This subsection does not apply to a city or township that is levying a July property tax.

(7) If, pursuant to subsection (6), the public authority has reached a proposed agreement with a county treasurer on the collection of its July property tax levy against property located in a city or township with which an agreement to collect this levy could not be made pursuant to subsection (6), the public authority shall notify by April 15 that city or township of the terms of that agreement and the city or township shall have 15 days in which to exercise an option to collect the public authority's July property tax levy.

(8) Collection of all or part of a public authority's property tax levy by a treasurer pursuant to subsection (6) or (7) shall comply with all of the following:

(a) Collection shall be either 1/2 or the total of the property tax levy against the properties, as specified for that year in the resolution of the public authority.

(b) The amount the public authority has agreed to pay as reasonable collection expenses shall be stated in writing and reported to the state treasurer.

(c) Taxes authorized to be collected shall become a lien against the property on which the taxes are assessed, and due from the owner of that property, on July 1.

(d) Taxes shall be collected on or before September 14 and all taxes and interest imposed pursuant to subdivision (f) unpaid before March 1 shall be returned as delinquent on March 1. Taxes delinquent under this subdivision shall be collected pursuant to the general property tax act, 1893 PA 206, MCL 211.1 to 211.155.

(e) Interest shall be added to taxes collected after September 14 at that rate imposed by section 59 of the general property tax act, 1893 PA 206, MCL 211.59, on delinquent property tax levies that became a lien in the same year.

(f) All or a portion of fees or charges, or both, authorized under section 44 of the general property tax act, 1893 PA 206, MCL 211.44, may be imposed on taxes paid before March 1 and shall be retained by the treasurer actually performing the collection of the July property tax levy of the public authority, regardless of whether all or part of these fees or charges, or both, have been waived by the township or city.

(9) An agreement for the collection of a July property tax levy of a public authority with a county treasurer shall include a schedule for delivering collections to the public authority.

(10) To the extent applicable and consistent with the requirements of this section, the general property tax act, 1893 PA 206, MCL 211.1 to 211.155, shall apply to proceedings in relation to the assessment, spreading, and collection of taxes pursuant to this section. Additionally, in relation to the assessment, spreading, and collection of taxes pursuant to this section, the county treasurer shall have powers and duties similar to those prescribed by the general property tax act, 1893 PA 206, MCL 211.1 to 211.155, for township supervisors, township clerks, and township treasurers. However, this section does not transfer any authority over the assessment of property.

(11) If a county treasurer collects the July property tax levy of the public authority, the township or city shall deliver by June 1 a certified copy of the assessment roll containing state equalized valuations for each parcel of taxable property in the township or city to the treasurer collecting the July property tax levy of the public authority. The county treasurer receiving this certified copy of the assessment roll shall remit the necessary cost incident to the reproduction of the assessment roll to the township or city.

(12) A county treasurer collecting taxes pursuant to this section shall be bonded for tax collection in the same amount and in the same manner as a township treasurer would be for undertaking the duties prescribed by this section.

(13) An agreement for the collection of a July property tax levy between a public authority and a county may cover July collections for 2 years. If an agreement covers July collections for 2 years, the notice required by subsection (7) and the option to reconsider provided by subsection (7) shall not apply for July collections in the second year.

(14) If collections are made pursuant to this section by a county treasurer, all payments from a public authority for collecting its July property tax levy and all revenues generated from collection fees shall be deposited, when received or collected, in a fund that shall be used by the county treasurer to pay for the cost of collecting the public authority's July property tax levy.
