WHEREAS, Article V, Section 8, of the Constitution of the State of Michigan of 1963 provides that each principal department shall be under the supervision of the Governor, unless otherwise provided in the Constitution; and

WHEREAS, the people of the State of Michigan have consistently demonstrated the importance they place on both natural resource management and protection of Michigan's unique environmental qualities; and

WHEREAS, maintaining a quality environment and sound management of our unique natural resources are of paramount importance to the Governor of the Great Lakes State; and
