The resolution must provide for the transition of the elective terms from 3 to 2 years as follows:

(a) The offices of those directors whose terms first expire after the adoption of the resolution must be filled at the next scheduled local, state, or federal election by the election of that number of directors who shall hold office for 2 years, and then every 2 years for 2 years or until their successors are elected and qualified.

(b) The offices of those directors whose terms next expire after the adoption of the resolution must be filled in the year following the election in subdivision (a) by the election of that number of directors who shall hold office for 1 year, and then every 2 years for 2 years or until their successors are elected and qualified.

(c) The offices of those directors whose terms last expire after the adoption of the resolution must be filled as described in subdivision (a).

(3) The governing body of the village or township shall determine by resolution the compensation of the board of directors.
