

NEIGHBORHOOD ASSISTANCE AND PARTICIPATION ACT (EXCERPT)
Act 56 of 1980

125.810 Certification; entering into project; project representative; professional assistance.

Sec. 10.

Upon certification by the department, a neighborhood organization may enter into a neighborhood assistance project with 1 or more business firms for the purpose of providing job training, community services, crime prevention, or physical revitalization through a project approved by the department. A business firm may appoint a person as a project representative to the neighborhood organization, or may provide professional assistance to the project upon request from the neighborhood organization.
