

CHERRY PESTS (EXCERPT)
Act 86 of 1929

286.81 Protection of cherry crops.

Sec. 1. In order to protect the cherry crops of the state from the ravages of the cherry fruit flies (*Rhagoletis Cingulata* Loew and *R. Fausta* Osten Sacken) established within the state and now seriously and destructively threatening and infesting cherry orchards within the state, and other cherry pests which are now or may hereafter be established in the state, the commissioner of agriculture shall adopt and carry out such control measures as are deemed advisable and may cooperate with other agencies in the control of these pests.
