## NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT (EXCERPT) Act 451 of 1994

324.11118a Multisource commercial hazardous waste disposal well; definition; maintenance of treatment and storage facility; operating license required; business plan; applicability of subsection (3).

Sec. 11118a.

- (1) As used in this section, "multisource commercial hazardous waste disposal well" has the meaning ascribed to that term in section 62506a.
- (2) A multisource commercial hazardous waste disposal well shall maintain on site a treatment facility and a storage facility that have obtained an operating license under section 11123.
- (3) Subject to subsection (4), in addition to the information required under section 11123, the owner or operator of a proposed treatment and storage facility with a multisource commercial hazardous waste disposal well shall provide to the department in an application for an operating license a business plan for the well operations. The business plan shall contain all of the following information:
  - (a) The type, estimated quantities, and expected potential sources of wastes to be disposed of in the well.
  - (b) A feasibility study on the viability of the disposal well operations.
- (c) Additional business plan information required by the department and related solely to the requirements of subdivisions (a) and (b).
- (d) Any additional business plan information if the department and applicant agree that such additional information should be submitted.
- (4) Subsection (3) applies only to a person who submits an application for an operating license, other than a renewal operating license, after the effective date of the 2010 amendatory act that added this subsection.
