

NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT (EXCERPT)
Act 451 of 1994

324.41333 Person registered to sell or possess nonnative aquatic species; duties.

Sec. 41333.

A registrant under section 41329 shall do all of the following:

- (a) Maintain the registration certificate conspicuously posted at the registered location at all times.
- (b) Maintain, until submission under subdivision (c), electronic records of all of the following:
 - (i) The species and number of individuals of each aquatic species purchased. This subparagraph does not apply to species that are unable to survive in freshwater or in this state's climate as determined based on guidance developed by the relevant department.
 - (ii) The date of purchase or sale.
 - (iii) Other relevant information as required by the department.
- (c) By March 1 each year, beginning in 2020, submit to the department of natural resources a report consolidating the electronic records maintained under subdivision (b) for the prior calendar year. However, the first submission shall cover records maintained since the effective date of the 2018 amendatory act that added this section.
- (d) Notify the department if the registrant sells or offers for sale a live aquatic species not previously listed in a submission under subdivision (c). The department shall conduct a risk assessment of the aquatic species and take appropriate action. This subdivision does not apply to species that are unable to survive in freshwater or in this state's climate as determined based on guidance developed by the relevant department.
