(iii) The owner or employee of a privately owned game ranch while providing assistance to another individual in pursuing, capturing, catching, killing, taking, or attempting to take privately owned game that the individual is permitted to own on the individual's privately owned game ranch. (vi) An individual who complies with subsection (2)(c) and who is working under the direct supervision of a licensed commercial hunting guide when a hunting client is present. As used in this subparagraph, "direct supervision" means that visual and vocal contact is constantly maintained between the individual and the licensed commercial hunting guide.

(vii) An individual who provides assistance when a hunting client is not present.

(viii) An individual who is compensated for providing assistance to an individual with a disability or physical limitation. As used in this subparagraph, "individual with a disability or physical limitation" means a disabled person as that term is defined in section 19a of the Michigan vehicle code, 1949 PA 300, MCL 257.19a.

(b) "Consideration of value" means an economic benefit, inducement, right, or profit, including monetary payment accruing to an individual or person.
