Act 451 of 1994

324.50148 Cost-share payments, loans, or annual incentive payments; eligibility; conditions; guidelines.

Sec. 50148.

(1) The following conditions shall be met for a member to be eligible for cost-share payments, a loan, or an annual incentive payment:

(a) The member shall make application for financial assistance for forest practices to each federal program specified by the board. The board shall not make any determination as to whether and how much assistance a member will receive until the application is approved or disapproved by the governmental agency administering the federal program.

(b) The member shall submit an application for financial assistance in a form prescribed by the board.

(c) Before receiving assistance under this subpart, the member shall agree not to develop the land for a use incompatible with timber production within 10 years after the receipt of a cost-sharing payment agreement pursuant to section 50145, the making of a loan under section 50146, or the receipt of an annual incentive payment under section 50147. A district shall record the agreement in the office of the register of deeds in each county in which the forest land is located. Once recorded, the contract shall be binding upon each person to whom the parcel of land is sold, assigned, devised, or otherwise transferred by agreement or operation of law.

(d) The member shall submit a forest management plan for approval by the board. This plan shall also fulfill the notification requirements of subpart 5. If the proposed forest practices include preparation of a management plan, the plan need not be completed at the time of application. Assistance under this subpart for other forest practices on forest land within the same ownership shall not be made until the management plan has been approved.

(2) The board shall prepare guidelines specifying the factors to be considered and information which should be included in management plans submitted pursuant to this subpart and subpart 5.
