

MENTAL HEALTH CODE (EXCERPT)
Act 258 of 1974

330.1156 Family support subsidy program; establishment; purpose.

Sec. 156.

The director of the department shall establish a family support subsidy program. The purpose of the family support subsidy program is to keep families together and to reduce capacity in state facilities by defraying some of the special costs of caring for eligible minors, thus facilitating the return of eligible minors from out-of-home placements to their family homes, and preventing or delaying the out-of-home placement of eligible minors who reside in their family homes.
