Sec. 16233. (1) The department may conduct an investigation necessary to administer and enforce this article. Investigations may include written, oral, or practical tests of a licensee's or registrant's competency. The department may establish a special paralegal unit to assist the department.

(2) The department may order an individual to cease and desist from a violation of this article, article 7, or article 8 or a rule promulgated under this article, article 7, or article 8.

(3) An individual ordered to cease and desist under subsection (2) is entitled to a hearing before a hearings examiner if the individual files a written request for a hearing within 30 days after the effective date of the cease and desist order. The department shall subsequently present the notice, if any, of the individual's failure to respond to a complaint, or attend or be represented at a hearing as described in sections 16231 and 16231a, or the recommended findings of fact and conclusions of law to the appropriate disciplinary subcommittee to determine whether the order is to remain in effect or be dissolved.

(5) After consultation with the chair of the appropriate board or task force or his or her designee, the department may summarily suspend a license or registration if the public health, safety, or welfare requires emergency action in accordance with section 92 of the administrative procedures act of 1969, MCL 24.292. If a licensee or registrant is convicted of a felony; a misdemeanor punishable by imprisonment for a maximum term of 2 years; or a misdemeanor involving the illegal delivery, possession, or use of a controlled substance, the department shall find that the public health, safety, or welfare requires emergency action and, in accordance with section 92 of the administrative procedures act of 1969, MCL 24.292, shall summarily suspend the licensee's license or the registrant's registration. If a licensee or registrant is convicted of a misdemeanor involving the illegal delivery, possession, or use of alcohol that adversely affects the licensee's ability to practice in a safe and competent manner, the department may find that the public health, safety, or welfare requires emergency action and, in accordance with section 92 of the administrative procedures act of 1969, MCL 24.292, may summarily suspend the licensee's license or the registrant's registration.

(6) The department may summarily suspend a pharmacy license if the department has received a notice from the United States food and drug administration or the centers for disease control and prevention that there is an imminent risk to the public health, safety, or welfare and emergency action in accordance with section 92 of the administrative procedures act of 1969, MCL 24.292, is appropriate. A suspension under this subsection remains in effect for the duration of the emergency situation that poses a risk to the public health, safety, or welfare. Notwithstanding any provision of this act to the contrary, the department is not required to conduct an investigation or consult with the board of pharmacy to take emergency action under this subsection.
