## PUBLIC HEALTH CODE (EXCERPT) Act 368 of 1978

## 333.2473 Specific objectives of required services; demonstrating provision of service; contracts.

Sec. 2473.

- (1) Required services designated pursuant to part 23 shall be directed at the following specific objectives:
- (a) Prevention and control of environmental health hazards.
- (b) Prevention and control of diseases.
- (c) Prevention and control of health problems of particularly vulnerable population groups.
- (d) Development of health care facilities and agencies and health services delivery systems.
- (e) Regulation of health care facilities and agencies and health services delivery systems to the extent provided by state law.
- (2) A local health department and its local governing entity shall provide or demonstrate the provision of each required service which the local health department is designated to provide.
  - (3) The department may enter into contracts necessary or appropriate to carry out this section.
