

PUBLIC HEALTH CODE (EXCERPT)
Act 368 of 1978

333.5119 Individual applying for marriage license; availability of tests for sexually transmitted infection and HIV infection; educational materials; informing HIV infected applicant of test results; definitions.

Sec. 5119.

(1) An individual who is applying for a marriage license shall be advised through the distribution of written educational materials by the county clerk regarding prenatal care and the transmission and prevention of sexually transmitted infection and HIV infection. The written educational materials must describe the availability to the applicant of tests for both sexually transmitted infection and HIV infection. The information must include a list of locations where HIV counseling and testing services funded by the department are available. The department shall approve or prepare the written educational materials.

(2) A county clerk shall not issue a marriage license to an applicant who fails to sign and file with the county clerk an application for a marriage license that includes a statement with a check-off box indicating that the applicant has received the educational materials regarding the transmission and prevention of both sexually transmitted infection and HIV infection and has been advised of testing for both sexually transmitted infection and HIV infection, under subsection (1).

(3) If either applicant for a marriage license undergoes a test for HIV or an antibody to HIV, and if the test results indicate that an applicant is HIV infected, the physician or his or her designee, the physician's assistant, the certified nurse midwife, the certified nurse practitioner, the clinical nurse specialist-certified, or the local health officer or his or her designee administering the test immediately shall inform both applicants of the test results and shall counsel both applicants regarding the modes of HIV transmission, the potential for HIV transmission to a fetus, and protective measures.
