

THE REVISED SCHOOL CODE (EXCERPT)
Act 451 of 1976

***** 380.1278c.amended THIS AMENDED SECTION IS EFFECTIVE SEPTEMBER 26, 2018 *****

380.1278c.amended Information on career and technical education programs; availability; posting on website; providing information to pupils; in-demand occupations; credit for completion of program; "state licensed proprietary school" defined.

Sec. 1278c. (1) If a school district, intermediate school district, or public school academy requests information from the department on career and technical education programs or other programs described in section 1278b that may be available or that may be used to help fulfill the requirements of sections 1278a and 1278b, the department shall provide that information within a reasonable time. In addition, the department shall compile and post on its website all of the following information concerning best practices in career and technical education:

(a) A detailed description of the ways that career and technical education may be used to help fulfill the requirements of sections 1278a and 1278b, including, but not limited to, the role of career and technical education in a personal curriculum under section 1278b.

(b) Information highlighting and describing successful career and technical education programs being operated by school districts and intermediate school districts.

(c) A listing and description of the various types of career and technical education programs that are provided around this state and the subject areas and disciplines that are covered by these programs.

(d) Illustrations of how school districts, intermediate school districts, and public school academies can and do work with local business entities, public-private partnerships, trade organizations, nonprofit organizations, state licensed proprietary schools, universities, or community colleges to provide quality career and technical education.

(e) The various ways in which school districts and public school academies have embedded the course content from credits required under the Michigan merit standard under sections 1278a and 1278b into career and technical education and other alternative instructional delivery methods in order to deliver the curricular requirements of sections 1278a and 1278b.

(2) As part of the process of developing an educational development plan under section 1278b, the board of a school district or board of directors of a public school academy shall ensure that pupils are provided with all of the following:

(a) Information about how they can fulfill the requirements of sections 1278a and 1278b with career and technical education or another program approved by the department.

(b) The most recent analysis of in-demand occupations in the region in which the school district, intermediate school district, or public school academy is located, provided by the department of technology, management, and budget, bureau of labor market information and strategic initiatives. The information regarding in-demand occupations may be provided to pupils electronically.

(3) Not later than September 1 of each year, the department of technology, management, and budget shall publish on its website and send to school districts, intermediate school districts, and public school academies the most recent analysis of in-demand occupations described in subsection (2)(b).

(4) School districts, public school academies, and intermediate school districts are strongly encouraged to establish programs in which, upon completion of the program and graduation from high school, the completion of the program is credited toward achievement of a professional certificate, training, apprenticeship, or college credit in a specific career and technical field.

(5) As used in this section, "state licensed proprietary school" means a proprietary school licensed under the proprietary schools act, 1943 PA 148, MCL 395.101 to 395.103.
