**388.1611s.added Executive proclamation of emergency issued under MCL 30.401 to 30.421; water emergency reserve fund; employment of school nurses and school social workers; additional early childhood services and nutritional services; state early intervention services; school-day great start readiness programs; report; contingency funds.**

Sec. 11s. (1) From the general fund appropriation in section 11, there is allocated \$10,142,500.00 for 2016-2017 for the purpose of providing services and programs to children who reside within the boundaries of a district with the majority of its territory located within the boundaries of a city for which an executive proclamation of emergency is issued in the current or immediately preceding fiscal year under the emergency management act, 1976 PA 390, MCL 30.401 to 30.421. From the funding appropriated in section 11, there is allocated \$100.00 from the water emergency reserve fund for the purposes of this section.

(2) From the allocation in subsection (1), there is allocated to a district with the majority of its territory located within the boundaries of a city in which an executive proclamation of emergency is issued in the current or immediately preceding fiscal year and that has at least 5,000 pupils in membership for the current fiscal year, an amount not to exceed \$1,292,500.00 for the purpose of employing school nurses and school social workers. The district shall provide a report to the department in a form, manner, and frequency approved by the department. The department shall provide a copy of that report to the governor, the house and senate school aid subcommittees, the house and senate fiscal agencies, and the state budget director within 5 days after receipt. The report shall provide at least the following information:

(a) How many personnel were hired using the funds allocated under this subsection.

(b) A description of the services provided to pupils by those personnel.

(c) How many pupils received each type of service identified in subdivision (b).

(d) Any other information the department considers necessary to ensure that the children described in subsection (1) received appropriate levels and types of services.

(3) From the allocation in subsection (1), there is allocated to an intermediate district that has a constituent district described in subsection (2) an amount not to exceed \$1,195,000.00 to augment staff for the purpose of providing additional early childhood services and for nutritional services to children described in subsection (1), regardless of location of school of attendance. The early childhood services to be provided under this subsection are state early intervention services as described in subsection (4) and early literacy services. In addition, funds allocated under this subsection may also be expended to provide informational resources to parents, educators, and the community, and to coordinate services with other local agencies. The intermediate district shall provide a report to the department in a form, manner, and frequency approved by the department. The department shall provide a copy of that report to the governor, the house and senate school aid subcommittees, the house and senate fiscal agencies, and the state budget director within 5 days after receipt. The report shall provide at least the following information:

(a) How many personnel were hired using the funds appropriated in this subsection.

(b) A description of the services provided to children by those personnel.

(c) What types of additional nutritional services were provided.

(d) How many children received each type of service identified in subdivisions (b) and (c).

(e) What types of informational resources and coordination efforts were provided.

(f) Any other information the department considers necessary to ensure that the children described in subsection (1) received appropriate levels and types of services.

(4) From the allocation in subsection (1), there is allocated an amount not to exceed \$6,155,000.00 to intermediate districts described in subsection (3) to provide state early intervention services for children described in subsection (1) who are less than 4 years of age as of September 1, 2016. The intermediate district shall use these funds to provide state early intervention services that are similar to the services described in the early on Michigan state plan, including ensuring that all children described in subsection (1) who are less than 4 years of age as of September 1, 2016 are assessed and evaluated at least twice annually.

(5) From the allocation in subsection (1), there is allocated an amount not to exceed \$1,500,000.00 to intermediate districts described in subsection (3) to enroll children described in subsection (1) in school-day great start readiness programs, regardless of household income eligibility requirements contained in section 39. The department shall administer this funding consistent with all other provisions of the great start readiness programs contained in section 32d and section 39.

(6) In addition to other funding allocated and appropriated in this section, there is appropriated an amount

not to exceed \$15,000,000.00 for 2016-2017 for state restricted contingency funds. These contingency funds are not available for expenditure until they have been transferred to a section within this article under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.
