The data collection system shall provide a report by October 15 of each year on the number of children in families with income below 200% of the federal poverty level that received services under this program and the total number of children who received services under this program.

(5) The department or superintendent, as applicable, shall do all of the following:

(a) The superintendent shall approve or disapprove the plans and notify the intermediate district of that decision not later than November 15, 2011. (7) Beginning with 2012-2013, it is the intent of the legislature to transfer funding for great parents, great start programs under this section into an early childhood block grant program, along with funding for great start collaboratives under section 32b and funding for great start readiness programs under section 32d. The early childhood block grant program will allocate funds to intermediate districts and consortia of intermediate

districts to act as fiduciaries and provide administration of regional early childhood programs in conjunction with their regional great start collaborative to improve program quality, evaluation, and efficiency for early childhood programs. The department shall work with intermediate districts, districts, great start collaboratives, and the early childhood investment corporation to establish a revised funding formula, application process, program criteria, and data reporting requirements for 2012-2013.
