**445.431.new Database; registration with or subscription to required.**

Sec. 11. (1) A dealer shall register with or subscribe to, and maintain that registration or subscription with, an internet-based database available to dealers, law enforcement agencies, and the general public that lists and tracks, at a minimum, thefts of nonferrous metal and articles containing nonferrous metals. The database may be reasonably limited in terms of time and geographical area.

(2) The existing database established by the institute of scrap recycling industries, inc., referred to as the ISRI theft alert system, is considered an appropriate internet-based database. A dealer may register with or subscribe to any other database that provides substantially the same services as the database described in subsection (1).
