460.567 Application for certificate for proposed major transmission line; withdrawal; contents.

Sec. 7.

- (1) An electric utility that has 50,000 or more residential customers in this state, an affiliated transmission company, or an independent transmission company shall apply to the commission for a certificate for a proposed major transmission line. An applicant may withdraw an application at any time.
 - (2) An application for a certificate shall contain all of the following:
 - (a) The planned date for beginning construction.
- (b) A detailed description of the proposed major transmission line, its route, and its expected configuration and use.
- (c) A description and evaluation of 1 or more alternate major transmission line routes and a statement of why the proposed route was selected.
- (d) If a zoning ordinance prohibits or regulates the location or development of any portion of a proposed route, a description of the location and manner in which that zoning ordinance prohibits or regulates the location or construction of the proposed route.
 - (e) The estimated overall cost of the proposed major transmission line.
- (f) Information supporting the need for the proposed major transmission line, including identification of known future wholesale users of the proposed major transmission line.
 - (g) Estimated quantifiable and nonquantifiable public benefits of the proposed major transmission line.
- (h) Estimated private benefits of the proposed major transmission line to the applicant or any legal entity that is affiliated with the applicant.
 - (i) Information addressing potential effects of the proposed major transmission line on public health and safety.
 - (j) A summary of all comments received at each public meeting and the applicant's response to those comments.
- (k) Information indicating that the proposed major transmission line will comply with all applicable state and federal environmental standards, laws, and rules.
 - (1) Other information reasonably required by the commission pursuant to rule.
