(2) The owner of the semitrailer or trailer to which the device described in subsection (1) is attached shall keep on file in their principal place of business the following information:

(a) Specifications and plans of the device.

(b) Name of the manufacturer of the device.

(c) Date of installation of the device.

(d) An individual manufacturer identification number which is stamped or permanently affixed to the device.

(3) The information required in subsection (2) shall be kept by the vehicle's owner and shall be transferred to the new owner if the vehicle is sold, or may be destroyed if the vehicle is retired from service or scrapped.
