Act 218 of 1956

500.1011 Audited consolidated or combined financial statements; application for filing; work sheet.

Sec. 1011.

An insurer may make written application to the commissioner for approval to file audited consolidated or combined financial statements in lieu of separate annual audited financial statements if the insurer is part of a group of affiliates that uses a pooling or 100% reinsurance agreement that affects the solvency and integrity of the insurer's reserves and the insurer cedes all of its direct and assumed business to the pool. - (a) Amounts shown on the consolidated or combined audited financial report shall be shown on the work sheet.
- (b) Amounts for each insurer subject to this section shall be stated separately.
- (c) Noninsurance operations may be shown on the work sheet on a combined or individual basis.
- (d) Explanations of consolidating and eliminating entries shall be included.
- (e) Any differences between the amounts shown in the individual insurer columns of the work sheet and comparable amounts shown on the annual statements of the insurers shall be reconciled.
