Sec. 5303.

- (1) An individual in the individual's own behalf, or any person interested in the individual's welfare, may petition for a finding of incapacity and appointment of a guardian or designation of a standby guardian. The petition must contain specific facts about the individual's condition and specific examples of the individual's recent conduct that demonstrate the need for a guardian's appointment.
- (2) Before a petition is filed under this section, the court shall provide the person intending to file the petition with written information that sets forth alternatives to appointment of a full guardian, including, but not limited to, a limited guardian, conservator, patient advocate designation, do-not-resuscitate order, physician orders for scope of treatment form, or durable power of attorney with or without limitations on purpose, authority, or time period, and an explanation of each alternative.
- (3) On the filing of a petition under subsection (1), the court shall set a date for hearing on the issue of incapacity. Unless the allegedly incapacitated individual has legal counsel of the individual's own choice, the court shall appoint a guardian ad litem to represent the individual in the proceeding.
