

COMMUNITY CORRECTIONS ACT (EXCERPT)
Act 511 of 1988

791.411 Authorized payments for community corrections programs; funding for administration; current spending not to be supplanted.

Sec. 11.

(1) The office shall authorize payments from money appropriated to the office for community corrections programs to cities, counties, regions, or agencies for the community corrections programs described in the plan submitted under section 8 if the plan or proposal is approved by the office.

(2) Of the total funding recommended for the implementation of the comprehensive corrections plan, not more than 30% may be used by the city, county, or counties for administration.

(3) The money provided to a city, county, or counties under this section must not supplant current spending by the city, county, or counties for community corrections programs.
