(1) This act does not prohibit a parent or legal guardian of a minor who is enrolled in any of grades 1 to 12 in a nonpublic school or who is being home-schooled from also enrolling the minor in a district, public school academy, or intermediate district in any curricular offering that is provided by the district, public school academy, or intermediate district at a public school site and is available to pupils in the minor's grade level or age group, subject to compliance with the same requirements that apply to a full-time pupil's participation in the offering. However, state school aid shall be provided under this act for a minor enrolled as described in this subsection only for curricular offerings that are offered to full-time pupils in the minor's grade level or age group during regularly scheduled school hours.

(2) This act does not prohibit a parent or legal guardian of a minor who is enrolled in any of grades 1 to 12 in a nonpublic school located within the district or who resides within the district and is being home-schooled from also enrolling the minor in the district in a curricular offering being provided by the district at the nonpublic school site. However, state school aid shall be provided under this act for a minor enrolled as described in this subsection only if all of the following apply:

(a) Either of the following:

(i) The nonpublic school site is located, or the nonpublic students are educated, within the geographic boundaries of the district.

(ii) If the nonpublic school has submitted a written request for a specific fiscal year to the district in which the nonpublic school is located for the district to provide certain instruction under this subsection for a school year and the district does not agree to provide some or all of that instruction by May 1 immediately preceding that school year or, if the request is submitted after March 1 immediately preceding that school year, within 60 days after the nonpublic school submits the request, the portion of the instruction that the district has not agreed to provide is instead provided by a district that is contiguous to the district in which the nonpublic school is located. This subparagraph applies only to instruction, or a portion of instruction, that is specifically included in the written request that was made to the district in which the nonpublic school is located and that was denied by that district. A public school academy that is located in the district in which the nonpublic school is located or in a district that is contiguous to the district in which the nonpublic school is located also may provide instruction under this subparagraph under the same conditions as a district that is contiguous to the district in which the nonpublic school is located.

(b) The nonpublic school is registered with the department as a nonpublic school and meets all state reporting requirements for nonpublic schools.

(c) The instruction is scheduled to occur during the regular school day.

(d) The instruction is provided directly by an employee of the district or public school academy or of an intermediate district.

(e) The curricular offering is also available to full-time pupils in the minor's grade level or age group in the district or public school academy during the regular school day at a public school site.

(f) The curricular offering is restricted to nonessential elective courses for pupils in grades 1 to 12.

(3) A minor enrolled as described in this section is a part-time pupil for purposes of state school aid under this act.

(4) A district that receives a written request to provide instruction under subsection (2) shall reply to the request in writing by May 1 immediately preceding the applicable school year or, if the request is made after March 1 immediately preceding that school year, within 60 days after the nonpublic school submits the request. The written reply shall specify whether the district agrees to provide or does not agree to provide the instruction for each portion of instruction included in the request.

(2) If a teacher or principal determines that he or she does not have adequate access to basic instructional supplies, he or she may file a claim with the principal of the school or superintendent of the district or intermediate district, as applicable, asserting the failure of the district or intermediate district to provide adequate access to basic instructional supplies, along with an explanation of the basis for making this assertion. The principal or superintendent, as applicable, shall attempt to resolve the problem at that level within a reasonable amount of time. If the teacher files a claim with a principal and determines that the principal has failed to resolve the problem, he or she may file a claim with the district or intermediate district superintendent. (3) Subject to subsection (4), if the department receives a claim under this section, the department shall contact the district or intermediate district in which the teacher or principal is employed to provide notification of the claim. Within 3 business days after receiving this notification, the district or intermediate district shall contact the department in order to resolve the problem. If the department is not satisfied with the response of the district or intermediate district, the department shall further investigate and may elect to take action.

(4) If the department does not have sufficient resources to address all claims under this section, the department may prioritize claims based on need.

(5) The board of a district or intermediate district shall ensure that a teacher or principal who files a claim with the department under this section is not subject to any adverse treatment for filing the claim.

(6) Failure of a district or intermediate district to meet the requirements of this section does not create a cause of action or constitute a breach of any legal duty in a civil action.
