CHAPTER II OFFICERS.

62.1 Village officers; council; ordinance providing for election and terms of office; adoption; filing petition to delay effect of ordinance; ballot question.

Sec. 1. (1) Except as provided in subsections (2) and (3), in each village, the following officers shall be elected: a president, 6 trustees, 1 clerk, and 1 treasurer. The president and trustees constitute the council. In all votes for which not less than a majority vote of council is required, the calculation of the number of votes required shall be based on the maximum number that constitutes council.

(2) The council by a vote of 2/3 of the members of council may provide by ordinance for the reduction in the number of trustees to 4 or for the election of all trustees at the same election for 2-year terms at the first possible election after 2004 who with the president shall constitute the council, and may provide by ordinance for the method of changing from 2-year staggered terms to 4-year staggered terms. If village trustees are elected biennially for staggered 4-year terms, the ordinance shall as nearly as possible maintain staggered terms and provide for an equal number of seats to be filled at each election. The ordinance may extend but shall not shorten the term of an incumbent trustee. The ordinance may extend a prospective term. The ordinance shall not shorten or eliminate a prospective term unless the nomination deadline for that term is not less than 30 days after the effective date of the ordinance. An ordinance adopted under this subsection shall satisfy both of the following conditions:

(a) The ordinance shall be voted on and adopted at a meeting that occurs not less than 10 days after the initial meeting or public hearing at which the ordinance was considered.

(b) Notice of each meeting at which the ordinance is considered indicating that an ordinance reducing the size of the council or to change the time of election of the trustees comprising the council will be 1 of the

subjects of the meeting shall be published not less than 10 days before the meeting in a newspaper of general circulation in the village.

(3) The council by a vote of 2/3 of the members of council may provide by ordinance for the nomination by the president and the appointment by the council of the clerk or the treasurer or both for such a term as the ordinance may provide. The ordinance shall apply beginning with the first term the nomination deadline for which would have been not less than 30 days after the effective date of the ordinance or shall apply when the office is vacated, whichever occurs first.

(4) The council shall provide that an ordinance adopted under subsection (2) or (3) takes effect 45 days after the date of adoption unless a petition signed by not less than 10% of the registered electors of the village is filed with the village clerk within the 45-day period, in which case the ordinance takes effect upon approval at an election held on the question. Notice of the delayed effect of the ordinance and the right of petition under this subsection shall be published separately at the same time, and in the same manner, as the ordinance is published pursuant to section 4 of chapter VI. The village clerk shall verify the signatures on the petitions. If a petition bearing the required number of valid signatures of electors is filed, the question of adoption of the ordinance shall be submitted at the next general or special election. The ballot language for the question shall be prepared by the village clerk, unless the question concerns the appointment of the clerk under subsection (2), in which case the ballot language shall be prepared by the village council.

(5) A village that has adopted an ordinance reducing the number of trustees to 4 or providing for the appointment by the council of the clerk or treasurer may increase the number of trustees to 6 or provide for the election of the clerk or treasurer by the same process as provided in subsection (2) or (3), respectively, and in subsection (4).

The council may provide by ordinance or resolution for the appointment of other officers whose election or appointment is not specifically provided for in this act, as the council considers necessary for the execution of the powers granted by this act. The powers and duties of such officers shall be prescribed by the council. The council may require that the officers perform their duties faithfully and that proper measures be taken to punish neglect of duty by an officer.

(2) This section is subject to an ordinance adopted under section 8 of chapter V.

As an alternative, if provided by an ordinance adopted by the village all 6 village trustees shall be elected at the biennial village elections for the term of 2 years and until their successors are qualified. Sec. 2a. (1) An ordinance regulating a recreational trailway is not effective unless it is posted and maintained near each gate or principal entrance to the trailway.

(2) The operation of a vehicle on a recreational trailway at a time, in a place, or in a manner prohibited by an ordinance is a municipal civil infraction, whether or not so designated by the ordinance. A civil fine ordered for a municipal civil infraction described in this subsection shall not exceed the maximum amount of a fine provided by the ordinance or \$500.00, whichever is less. An act or omission described in this subsection is not a municipal civil infraction if that act or omission constitutes a violation or crime that section 2 of chapter VI prohibits an ordinance from designating as a municipal civil infraction.

66.3 Record of ordinances; authentication.

The ordinance adopting the code and ordinances repealing, amending, continuing, or adding to the code shall be published as required by section 4 of this chapter. The publication shall state where a copy of the entire code can be reviewed and obtained. The ordinance adopting the code may amend, repeal, revise, or rearrange ordinances or parts of ordinances by references to the title only.

Sec. 4. (1) Within 15 days after an ordinance is passed, the clerk shall publish the ordinance or a synopsis of the ordinance in a newspaper circulated in the village. Immediately after the ordinance or synopsis of the ordinance is published, the clerk shall enter in the record of ordinances, in a blank space to be left for that purpose under the record of the ordinance, a signed certificate, stating the date on which and the name of the newspaper in which the ordinance was published. The certificate is prima facie evidence of the publication of the ordinance or the synopsis.

(2) A village may adopt a provision of any state statute for which the maximum period of imprisonment is 93 days, the Michigan vehicle code, 1949 PA 300, MCL 257.1 to 257.923, or a plumbing code, electrical code, mechanical code, fire protection code, building code, or other code promulgated by this state, by a department, board, or other agency of this state, or by an organization or association that is organized or conducted for the purpose of developing a code, by reference to the law or code in an adopting ordinance and without publishing the law or code in full. Printed copies of the law or code shall be kept in the office of the village clerk available for inspection by or distribution to the public during normal business hours. The village may charge a fee that does not exceed the actual cost for copies of the law or code distributed to the public. The publication in the newspaper shall contain a notice to the effect that a complete copy of the law or code is available for public use and inspection at the office of the village clerk. Except as otherwise provided in this subsection, a village shall not enforce any provision adopted by reference for which the maximum period of imprisonment is greater than 93 days. A village may adopt section 625(1)(c) of the Michigan vehicle code, 1949 PA 300, MCL 257.625, by reference in an adopting ordinance and shall provide that a violation of that ordinance is a misdemeanor punishable by 1 or more of the following:

Sec. 6. (1) an action for violation of an ordinance shall be commenced not more than 2 years after the violation occurs.

(2) An action for the violation of an ordinance shall be brought in the district court or municipal court in the judicial district in which the village is located unless the person alleged to have violated the ordinance

That court may hear, try, and determine causes and actions arising under an ordinance of the village, and impose sanctions for a violation of an ordinance as provided in the ordinance.

66.7 Violation of ordinance; civil action to recover penalty; warrant; law governing proceedings.

Sec. 7. If a penalty is incurred for the violation of an ordinance, and a provision is not made for the imprisonment of the offender upon conviction of the violation, the penalty may be recovered in a civil action. If a corporation incurs a penalty for the violation of an ordinance, the corporation shall be sued in a civil action. Except in the case of a civil infraction action or an action against a corporation, an action for a violation of an ordinance of the village may be commenced by warrant for the arrest of the offender. The warrant shall be in the name of the people of this state, shall set forth the substance of the offense complained of, and shall be substantially in the form, and be issued upon complaint made, as provided by law in misdemeanor cases. The proceedings relating to the arrest and custody of the accused during the pendency of the action, the pleadings, and the proceedings upon the trial of the cause, in procuring the attendance and testimony of witnesses, and in the rendition of judgments and the execution of judgments, except as otherwise provided by this act, are governed by and shall conform as nearly as may be to the provisions of law regulating proceedings in misdemeanor cases.

66.8 Use of county jail; expenses.

Sec. 8. Every village shall be allowed the use of the jail of the county in which it is located, for the confinement of all persons sentenced to imprisonment under the ordinances of the village, or under any of the provisions of this act; and the sheriff, or other keeper of the jail, or other place of confinement or imprisonment, shall receive and safely keep any person committed until lawfully discharged. The expense of receiving and keeping a prisoner shall be borne by the county if the imprisonment is for a violation of a penal law of this state and by the village if the imprisonment is for a violation of a village ordinance.

66.9 Sufficient statement of cause; right to trial by jury; selecting and summoning jurors; inhabitant of village as juror; applicability of section to civil infraction.

Sec. 9. (1) An action for the violation of an ordinance need not state or set forth the ordinance, or the provisions of the ordinance in a complaint, warrant, process, or pleading, but shall recite the ordinance's title or subject and the ordinance's section number.

(2) It is a sufficient statement of the cause of action in a complaint or warrant to set forth substantially, and with reasonable certainty, as to time and place, the act complained of, and to allege the act to be in violation of an ordinance of the village, referring to the ordinance by its title and the section number and effective date. Either party may require a trial by jury in an action for violation of the ordinance.

(3) The jury, except when other provision is made, shall consist of 6 persons. In actions commenced by warrant, the jury shall be selected and summoned as in misdemeanor cases before the court in which the prosecution for the village ordinance violation is brought. In a civil action to recover penalties for a village ordinance violation, the jury shall be selected and summoned as in any other civil action before the court in which the action is brought. An inhabitant of the village is not incompetent to serve as a juror in a cause in which the village is a party or interested, on account merely of the interest that the inhabitant may have, in common with the inhabitants of the village, in the results of the action.

(4) This section does not apply to an ordinance violation that constitutes a civil infraction.

66.10 Appeals to circuit court; proceedings.

Sec. 10. A person convicted of a violation of an ordinance of the village in an action commenced by warrant as set forth in section 7 may appeal the judgment to the circuit court for the county in which the village is located, by appeal, and the time for the appeal, the proceedings for the appeal, the bond or security to be given on the appeal, and the proceedings and disposition of the cause in the circuit court shall be the

same as in misdemeanor cases on appeal from the court that tried the village ordinance violation. In actions to which the village is a party, brought to recover a fine for a violation of a village ordinance, either party may appeal from the judgment to the circuit court, and similar proceedings shall be had on that appeal and similar bond or security shall be given as in cases of appeal in civil actions before the court that tried the village ordinance violation, except that the village shall not be required to give a bond or security on that appeal.

66.11 Village lockup or holding facility.

Sec. 11. The council shall have power to provide and maintain a village lockup or holding facility, and may provide for the confinement of persons sentenced to imprisonment or detention under the ordinances of the village. All persons sentenced to confinement and all persons imprisoned on execution for nonpayment of fines for violation of the ordinances of the village in the lockup or holding facility may be kept at hard labor during the term of their imprisonment, either within or without the prison, under such regulations as the council may prescribe.

66.12 Security for costs; filing by complaining witness; liability.

Sec. 12. In prosecutions for violations of the ordinances of the village, commenced by a person other than an officer of the village, the court may require the complaining witness to file security for the payment of the costs of the proceedings, in case the defendant is determined not to be responsible. But the judge or magistrate before whom the complaint is made or trial is had shall order that the complaining witness is not liable for the payment of costs if the magistrate or judge determines that there was probable cause for the making of the complaint.

Except in cases in which a fine is paid to a parking violations bureau or a municipal ordinance violations bureau pursuant to section 8395 or 8396 of the revised judicature act of 1961, Act No. 236 of the Public Acts of 1961, being sections 600.8395 and 600.8396 of the Michigan Compiled Laws, a fine imposed for a violation of an ordinance of the village shall be received by the clerk of the court in which judgment or conviction was had. If the fine is collected upon execution, the person receiving the fine shall immediately pay the money collected to that clerk. If the defendant is committed, the fine and costs imposed shall be paid to the sheriff or other keeper of the jail or prison, who shall, within 30 days after receiving payment, pay the money to that clerk for distribution pursuant to law.

66.14 Suit against collector; failure to pay over fines; larceny.

Sec. 14. If a person who collects a fine or part of a fine fails to pay over the amount collected pursuant to section 13, the village attorney may sue the person in the name of the village to recover the fine. If the failure to pay over the fine is willful, the person is guilty of larceny and shall be punished accordingly.

The damages shall be ascertained in the manner provided by the uniform condemnation procedures act, 1980 PA 87, MCL 213.51 to 213.75, or agreed upon by the village and the owner or occupant of premises. After the damages are ascertained or agreed upon, the damages shall be paid by the village, or the council may cause the damages, or such part thereof as may be just and proper, to be assessed upon real estate to be benefited by the change of grade.

(2) If the council decides to assess the damages, or any part thereof, upon the property benefited, it shall determine and define a district in the village which in its judgment is benefited by the improvement out of which the damages arise. The damages or part thereof shall be assessed upon the real estate in the district, in proportion as nearly as may be to the advantage or benefit each lot, parcel, or subdivision is deemed to acquire by the improvement out of which the damages arise. The property on account of which the damages were awarded shall not be included in the district. All or part of the expense of grading, paving, or graveling any street may also be defrayed by a special assessment upon the lots and premises abutting upon the improvement, in proportion to their number of feet front upon the street. If because of the shape or size of any lot an assessment thereon in proportion to its frontage would be unjust and disproportionate to the assessment upon other lots, the council making the assessment may assess the lot for such number of feet frontage as in their opinion is just.

68.36 Energy conservation improvements; acquisition or financing; resolution; payment; scope of improvements; acquisition of improvements by contract, lease-purchase agreement, or notes; reports; forms; terms of lease-purchase agreement.

Sec. 36. (1) The council of a village may provide by resolution for the acquisition or financing of energy conservation improvements to be made to village facilities or infrastructure and may pay for the improvements or the financing or refunding of the improvements from operating funds of the village or from the savings that result from the energy conservation improvements. Energy conservation improvements may include, but are not limited to, heating, ventilating, or air-conditioning system improvements, fenestration improvements, roof improvements, the installation of any insulation, the installation or repair of heating, ventilating, or air-conditioning controls, entrance or exit way closures, information technology improvements associated with an energy conservation improvement, and municipal utility improvements associated with an energy conservation improvement.

(2) The council of a village may acquire, finance, or refund 1 or more of the energy conservation improvements described in subsection (1) by installment contract, which may include a lease-purchase agreement described in subsection (5), or may borrow money and issue notes for the purpose of securing funds for the improvements or may enter into contracts in which the cost of the energy conservation improvements is paid from a portion of the savings that result from the energy conservation improvements. These contractual agreements may provide that the cost of the energy conservation improvements are paid only if the energy savings are sufficient to cover their cost. An installment contract, a lease-purchase agreement described in subsection (5), or notes issued pursuant to this subsection shall extend for a period of time not to exceed 20 years from the date of the final completion of the energy conservation improvements or the useful life of the aggregate energy conservation improvements, whichever is less. Notes issued pursuant to this subsection shall be full faith and credit, tax limited obligations of the village, payable from tax levies and the general fund as pledged by the council of the village. The notes are subject to the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821. A lease-purchase agreement issued pursuant to this subsection shall not be subject to the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821, and shall not be a municipal security or a debt as those terms are defined in that act. This subsection does not limit in any manner the borrowing or bonding authority of a village as provided by law.

(3) Prior to entering into a contract for energy conservation improvements under this section, the village council shall determine the following information and, within 60 days of the completion of the improvements, shall report the following information to the department of treasury:

(a) Name of each facility to which an improvement is made and a description of the energy conservation improvement.

(b) Actual energy consumption during the 12-month period before commencement of the improvement.

(c) Project costs and expenditures, including the total of all lease payments over the duration of the lease-purchase agreement.

(d) Estimated annual energy savings, including projected savings over the duration of the installment contract.

(4) If energy conservation improvements are made as provided in this section, the village council shall report to the department of treasury, by July 1 of each of the 5 years after the improvements are completed, only the actual annual energy consumption of each facility to which improvements are made. The forms for the reports required by this section shall be furnished by the department of treasury.

(5) An installment contract described in this section may include a lease-purchase agreement, which may be a multiyear contractual obligation that provides for automatic renewal unless positive action is taken by the legislative body to terminate that contract. Payments under a lease-purchase agreement shall be a current operating expense subject to annual appropriations of funds by the legislative body and shall obligate the legislative body only for those sums payable during the fiscal year of contract execution or any renewal year thereafter. The legislative body may make payments under a lease-purchase agreement from any legally available funds or from a combination of energy or operational savings, capital contributions, future replacement costs avoided, or billable revenue enhancements that result from energy conservation improvements, provided that the legislative body has determined that those funds are sufficient to cover, in aggregate over the full term of the contractual agreement, the cost of the energy conservation improvements. The lease-purchase agreement will terminate immediately and absolutely and without further obligation on

the part of the legislative body at the close of the fiscal year in which it was executed or renewed or at such time as appropriated and otherwise unobligated funds are no longer available to satisfy the obligations of the legislative body under the lease-purchase agreement. During the term of the lease-purchase agreement, the legislative body shall be the vested owner of the energy conservation improvements and may grant a security interest in the energy conservation improvements to the provider of the lease-purchase agreement. Upon the termination of the lease-purchase agreement and the satisfaction of the obligations of the legislative body, the provider of the lease-purchase agreement shall release its security interest in the energy conservation improvements.

No property of the person shall be exempt from such seizure. The treasurer shall comply with the requirements of section 47 of the general property tax act, 1893 PA 206, MCL 211.47. The treasurer shall have the same powers and perform the same duties, so far as applicable, as township treasurers, in the collection of taxes levied in townships.

Sec. 18. (1) Taxes collected by a village shall become a lien against the property on which assessed on July 1. Taxes collected on or before September 14 in each year shall be without interest. Taxes collected after September 14 of any year shall bear interest at the rate imposed by section 59 of Act No. 206 of the Public Acts of 1893, being section 211.59 of the Michigan Compiled Laws, on delinquent property tax levies which became a lien in the same year. The village taxes which are collected by a village shall be subject to the same fees and charges the village may impose under section 44 of Act No. 206 of the Public Acts of 1893, being section 211.44 of the Michigan Compiled Laws. All interest and property tax administration fees that are imposed prior to the date these taxes are returned delinquent and that are attributable to village taxes shall belong to the village. Interest and, to the extent permitted by section 44 of Act No. 206 of the Public Acts of 1893, fees shall be included in the unpaid tax rolls or the delinquent tax rolls returned to the county treasurer on September 15, or not later than March 1 if the warrant is extended.

(2) Taxes collected by the village shall be returned delinquent to the county treasurer on September 15 unless the governing body of the village by resolution adopted on or before June 1 of each year determines that the village taxes shall be returned to the county treasurer on the same date that county taxes are returned delinquent for collection. The resolution shall be forwarded to the county treasurer before July 1 each year. The village tax bill for each year or a separate enclosure with the tax bill shall specify where such delinquent taxes are to be paid.

(3) If the unpaid village taxes are returned to the county treasurer prior to March 1 of the year following the levy of the village taxes, the county treasurer shall add to such taxes fees and interest in the same amount as would have been added if collected by the village treasurer. As of March 1, the accumulated interest and the fees on such taxes which may be imposed and returned delinquent shall be added to and become a part of the village tax subject to the interest and fees charged by the county treasurer on the delinquent taxes pursuant to section 59 of Act No. 206 of the Public Acts of 1893.

(4) Within 1 week after the expiration of the time limited in the warrant for the collection of the taxes levied on the roll, or within 1 week after the time to which the warrant may have been renewed or extended, if the treasurer has been unable to collect any of the taxes on the roll on real property, the treasurer shall return all unpaid taxes on real property to the county treasurer in the same manner and with like effect as returns by township treasurers. The taxes returned shall be collected in the same manner as other taxes returned to the county treasurer are collected pursuant to the general property tax act, Act No. 206 of the Public Acts of 1893, being sections 211.1 to 211.157 of the Michigan Compiled Laws, with the same rate of interest and fees. All taxes upon real property returned as delinquent shall be and remain a lien on the property until paid. The county treasurer at the time that he or she makes the return to the department of treasury of delinquent taxes assessed under the general property tax act, Act No. 206 of the Public Acts of 1893, shall also make a return of all village taxes that were returned delinquent to his or her office and remaining unpaid on March 1 of the year in which the return is made.

In such cases, the provisions of law applicable to suits and the evidence therein, brought by township treasurers in the name of their township for such purposes, apply. 69.22 Raising additional amounts by tax or loan; approval of electors; limitation on taxation and indebtedness; exclusions from limitation; validation of prior bonds or obligations.

Sec. 22. (1) Should any greater amount be required in any year for any lawful purpose than can otherwise be raised by the council under this chapter, the amount may be raised by tax or loan, or partly by tax and partly by loan. If approved by a majority vote of the electors at an annual or special village election, the council may levy a tax which, in any year, shall not exceed 2% of the assessed valuation of the real and personal property within the village, as shown by the last preceding assessment roll of the village.

(2) The amount of indebtedness incurred by the issue of bonds or otherwise, including existing indebtedness, shall not exceed 10% of the assessed valuation of the real and personal property within the village subject to taxation as shown by the last preceding assessment roll of the village. Bonds issued in anticipation of the collection of special assessments even though the bonds are a general obligation of the village, motor vehicle highway fund bonds even though they are a general obligation of the village, revenue bonds, or bonds issued or contract or assessment obligations incurred to comply with an order of the department of environmental quality or a court of competent jurisdiction, even though they are a general obligation of the village and bonds issued or contract or assessment obligations incurred for water supply, sewage, drainage, or refuse disposal necessary to protect the public health by abating pollution even though they are a general obligation of the village, are not included in this limitation. Money on hand in a sinking fund limited to the payment of indebtedness may be treated as a reduction of the indebtedness to that extent. In case of fire, flood, or other calamity requiring an emergency fund for the relief of the inhabitants of the village, or for the repairing or rebuilding of any of its municipal buildings, works, bridges, or streets, the council may borrow money due in not more than 3 years and in an amount not exceeding 1/4 of 1% of the taxable valuation of the village, notwithstanding that the loan may increase the indebtedness of the village beyond the limitations fixed by this section. If a village is authorized to acquire or operate a public utility, the village may issue mortgage bonds therefor beyond the general limit of bonded indebtedness prescribed by this section. The mortgage bonds issued beyond the limit of general indebtedness prescribed by this section shall not impose any liability upon the village, but shall be secured only upon the property and revenues of the public utility, including its franchise, stating the terms upon which, in case of foreclosure, the purchaser may operate the public utility; which franchise shall not extend for a period of more than 20 years from the date of the sale of the utility and franchise on foreclosure. All bonds issued, or contract or assessment obligations incurred, before January 30, 1974 are validated.

69.22.amended Raising additional amounts by tax or loan; approval of electors; limitation on taxation and indebtedness; exclusions from limitation; validation of prior bonds or obligations; computation of net indebtedness for purposes of subsection (2).

Sec. 22. (1) If any greater amount is required in any year for any lawful purpose than can otherwise be raised by the council under this chapter, the amount may be raised by tax or loan, or partly by tax and partly by loan. If approved by a majority vote of the electors at an annual or special village election, the council may levy a tax that, in any year, must not exceed 2% of the assessed valuation of the real and personal property

within the village, as shown by the last preceding assessment roll of the village.

(2) The amount of indebtedness incurred by the issue of bonds or otherwise, including existing indebtedness, must not exceed 10% of the assessed valuation of the real and personal property within the village subject to taxation as shown by the last preceding assessment roll of the village. Bonds issued in anticipation of the collection of special assessments even though the bonds are a general obligation of the village, motor vehicle highway fund bonds even though they are a general obligation of the village, revenue bonds, or bonds issued or contract or assessment obligations incurred to comply with an order of the department of environmental quality or a court of competent jurisdiction, even though they are a general obligation of the village and bonds issued or contract or assessment obligations incurred for water supply, sewage, drainage, or refuse disposal necessary to protect the public health by abating pollution even though they are a general obligation of the village, are not included in this limitation. Money on hand in a sinking fund limited to the payment of indebtedness may be treated as a reduction of the indebtedness to that extent. In case of fire, flood, or other calamity requiring an emergency fund for the relief of the inhabitants of the village, or for the repairing or rebuilding of any of its municipal buildings, works, bridges, or streets, the council may borrow money due in not more than 3 years and in an amount not exceeding 1/4 of 1% of the taxable valuation of the village, notwithstanding that the loan may increase the indebtedness of the village beyond the limitations fixed by this section. If a village is authorized to acquire or operate a public utility, the village may issue mortgage bonds therefor beyond the general limit of bonded indebtedness prescribed by this section. The mortgage bonds issued beyond the limit of general indebtedness prescribed by this section must not impose any liability upon the village, but must be secured only upon the property and revenues of the public utility, including its franchise, stating the terms upon which, in case of foreclosure, the purchaser may operate the public utility; which franchise must not extend for a period of more than 20 years from the date of the sale of the utility and franchise on foreclosure. All bonds issued, or contract or assessment obligations incurred, before January 30, 1974 are validated.

(3) In computing the net indebtedness for the purposes of subsection (2), there may be added to the assessed value of real and personal property in a village for a fiscal year an amount equal to the assessed value equivalent of certain village revenues as determined under this subsection. The assessed value equivalent must be calculated by dividing the sum of the following amounts by the village's millage rate for the fiscal year:

(a) The amount paid or the estimated amount required to be paid by the state to the village during the village's fiscal year for the village's use under the Glenn Steil state revenue sharing act of 1971, 1971 PA 140, MCL 141.901 to 141.921, and the amount of any eligible reimbursement to the village under the local community stabilization authority act, 2014 PA 86, MCL 123.1341 to 123.1362, except any amount distributed under section 17(4)(c) of the local community stabilization authority act, 2014 PA 86, MCL 123.1357, in excess of the village's qualified loss. The department of treasury shall certify these amounts upon request. As used in this subdivision, "qualified loss" means that term as defined in section 5 of the local community stabilization authority act, 2014 PA 86, MCL 123.1345.

(b) The amount levied by the village for its own use during the village's fiscal year from the specific tax levied under 1974 PA 198, MCL 207.551 to 207.572.

(c) The amount levied by the village for its own use during the village's fiscal year from the specific tax levied under the commercial redevelopment act, 1978 PA 255, MCL 207.651 to 207.668.

69.23 Bonds; approval of electors required; exemption of certain bonds and obligations; expenses.

Sec. 23. (1) Subject to subsection (2), a village shall not issue bonds unless the issuance is approved by a majority of the electors voting on the bond issuance at a regular or special village election. The election shall be conducted in accordance with the Michigan election law, 1954 PA 116, MCL 168.1 to 168.992.

(2) Subsection (1) does not apply to any of the following:

(a) Obligations incurred by the village evidenced by contracts, notes, or assessments.

(b) Special assessment bonds.

72.3 Authorized village lighting; acquisition estimate; referendum; restriction on council.

Sec. 3. (1) To exercise the powers granted by section 1 of this chapter, the council shall adopt a resolution declaring that it is expedient for the village to acquire by purchase or construction, as applicable, works to supply the village with electric or other lights, and shall make and record in their proceedings an estimate of the expense.

(2) The question of financing the estimated amount or that part of the estimated amount not in excess of limitations on indebtedness of the village provided by law shall be submitted to the electors of the village at its regular election, or at a special election called for that purpose by the council as provided in this act. Approval of the proposal requires the affirmative vote of 2/3 of the electors voting at the election by ballot.

(3) If the voters approve financing a part of the estimated amount not in excess of the limitations on indebtedness of the village, the council shall not incur any indebtedness for lighting works on the general faith and credit of the village until the charter is amended to permit the issuance of mortgage bonds on the proposed lighting plant, its revenues and franchise, in excess of the general limitations on indebtedness as provided by this act, in an amount equal to the difference between the indebtedness authorized by this act, and the estimated amount.

72.4 Authorized village lighting; borrowing; limitation; payment; bonds; terms.

Sec. 4. (1) A village may borrow a sum of money not exceeding 5% of the taxable value of the property in the village as shown by the last preceding tax roll, to be used exclusively for the purpose of purchasing or constructing and maintaining lighting works as provided in this chapter. The council may fix the time and place of the payment of the principal and interest of the debt contracted under the provisions of this chapter, and issue bonds of the village for those purposes. Bonds issued under this section are subject to the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821.

(2) The total amount expended for the purchase or construction of the lighting works shall not exceed the amount of the estimate of expense provided for in section 3 of this chapter.

Sec. 5. (1) After lighting works have been purchased or constructed in the village as provided in this chapter, the council may raise and expend money to repair, alter, or extend the lighting works without submitting the question to the electors of the village. However, the sum to be so raised, in any 1 year, shall be included in, and shall not increase the total amount that the council is authorized to raise under section 1 of chapter IX.

(2) Instead of raising the funds by tax, the council may, by a contract that does not impose a general obligation on the village, provide for repairs, alterations, or extensions of the lighting works. The contract shall provide for payment of the contract out of the net revenues which, after payment of obligations due, provision for payment of obligations to become due, and payment of legitimate and necessary operating and other expenses are available from the operation of the lighting works after completion of the repairs, alterations, or extensions. The contract shall provide for the retention of title to materials furnished in the seller until paid for in full. However, a contract made under this section does not deprive the people of the village of any right vested in them by the constitution or the laws of this state, grant a franchise or its operating equivalent, or convey title to property to any person not possessed of such title before the execution of the title retaining contract.

(3) Instead of raising funds to repair, alter, or extend the lighting works by tax as provided by section 1 of chapter IX, or using funds available from the operation of the lighting works, as provided in this section, the council may borrow money and issue bonds in the manner provided in section 3 of this chapter for the acquisition or construction of lighting works, except that approval of the proposal requires the affirmative vote of 3/5 of the electors voting on the question.

73.2 Condemnation; acquisition of property; resolution.

Sec. 2. To initiate the acquisition of private property, the council shall adopt a resolution describing the private property, declaring that the acquisition of the property is necessary for an improvement described in section 1 necessary for the use and benefit of the public, and designating the public improvement. The resolution shall direct that procedures to acquire the property be commenced under the uniform condemnation procedures act, 1980 PA 87, MCL 213.51 to 213.75.

History: 1895, Act 3, Imd. Eff. Feb. 19, 1895;—CL 1897, 2911;—Am. 1903, Act 176, Imd. Eff. June 4, 1903;—CL 1915, 2785;—CL 1929, 1694;—CL 1948, 73.2;—Am. 1998, Act 254, Imd. Eff. July 13, 1998.

Sec. 3. If a verdict and judgment in an action under the uniform condemnation procedures act, 1980 PA 87, MCL 213.51 to 213.75, is rendered in favor of the village in the circuit court, then, after the verdict and judgment become final, unless the cause was discontinued, the village clerk shall procure copies of the judgment of the circuit court as well as of the verdict of the jury, and record them in a book of records kept by the village clerk. The book of records of the proceedings kept by the village clerk, or certified copies thereof, shall be admissible in evidence and have the same evidentiary effect as a copy of the order judgment or decree of the circuit court authenticated by the judge or clerk of the court under seal thereof, as provided in section 2106 of the revised judicature act of 1961, 1961 PA 236, MCL 600.2106.

73.4 Condemnation; assessment.

Sec. 4. (1) After the village clerk records the final judgment and verdict as provided in section 30 of this chapter, the proper and necessary proceedings may be taken by the council for the collection of the sum awarded by the jury.

(2) If the council believes that real estate in the village in the vicinity of the proposed improvement will be benefited by the improvement, the council may, by an entry in its minutes, determine that the whole or any just proportion of the compensation awarded by the jury, and of the costs and expenses incurred in connection with the proceedings, be assessed upon the owners or occupants of real estate determined to be benefited. The council shall, by resolution, fix and determine the district of the village benefited, and specify the amount to be assessed upon the owners or occupants of the benefited real estate. In determining the amount of such costs and expenses, the council may include all costs and expenses incurred or paid for jurors' fees, expenses of abstracts, all surveys and maps, and all other necessary expenses. The amount of the benefit thus ascertained shall be assessed upon the owners or occupants of the benefited real estate, in proportion, as nearly as may be, to the advantage which each such lot or parcel is deemed to acquire by the improvement.

(3) The assessment shall be made and the amount levied and collected in the same manner and by the same officers and proceedings, as near as may be, provided in sections 31 to 35 of chapter VIII. The assessment roll, when ratified and confirmed by the council, shall be final and conclusive and prima facie evidence of the regularity and legality of all proceedings prior thereto, and each assessment shall be a lien on the premises on which it is assessed until the assessment is paid.

(4) Whatever amount or portion of such awarded compensation, costs, and expenses is not raised by special assessment shall be assessed, levied, and collected upon the taxable real estate of the village, the same as other general taxes are assessed and collected. The village may purchase assessed premises or any portion sold for nonpayment of the amount assessed.

(5) If there is on the private property taken a building or other structure, it may be sold by or under the direction of the council. The amount produced by the sale shall belong and be paid to the fund for paying the

compensation awarded for the property taken, and the council shall cause such amount to be credited and applied in reduction pro rata of the assessment and apportionment made to pay for the property taken.

Unless the council proceeds under sections 23 to 23i of this chapter, if the clerk determines that the petition is sufficient, the question of the disincorporation of the village shall appear on the ballot at the next general or special election to be held in the village, subject to the Michigan election law, 1954 PA 116, MCL 168.1 to 168.992. If the disincorporation is approved, the council shall immediately cause a transcript of all the proceedings in the case to be certified to both of the following:

the county in which the village or the principal part of the village is located for safe keeping and reference. The indebtedness of the vacated village, whether bonded or otherwise, shall be assessed, levied, and collected upon the territory embraced within the boundaries of the village immediately prior to the vacation. The township board of the township or townships in which the territory formerly embraced within the limits of the vacated village shall levy upon the assessment roll or rolls of the township upon the property formerly embraced within the limits of the village, the indebtedness of the village, or such portion of the village that is apportioned to the part of the territory formerly constituting the village that lies within the township as provided in subsection (2). This levy shall be made not more than 1 year after the date that the village incorporation is vacated. However, if the indebtedness falls due at a specified time, an assessment shall be made that will satisfy the indebtedness when it falls due.
