It is hereby made the duty of each and every official and employee connected with any administrative department, office, or institution of the state to follow the direction or order so given; and to perform such services in the carrying out of the purposes and intent of this act as may be required by the board. Failure so to do shall be deemed to constitute malfeasance in office and shall be sufficient cause for removal.

Constitutionality: Individual members of the legislature brought an action challenging the State Administrative Board's authority under MCL 17.3 to transfer appropriated funds from one program to another within a department. The Court of Appeals conferred standing and held that the statutory authority relied upon by the board had been impliedly repealed by subsequent legislative acts. The Michigan Supreme Court agreed that the chairman of the House Appropriations Committee had standing, but reversed the Court of Appeals decision repealing the State Administrative Board's authority to transfer funds. The Michigan Supreme Court held that neither subsequent amendments to the State Administrative Board Act nor the enactment of the Management and Budget Act indicates an intent by the legislature to repeal by implication the Board's authority under MCL 17.3 to transfer funds within a department. *House Speaker v State Administrative Bd*, 441 Mich 547; 495 NW2d 539(1993).

17.5 Repealed. 1964, Act 256, Eff. Aug. 28, 1964.

Compiler's Notes: The repealed section vested administrative board with powers and duties granted to state purchasing agent.

17.61 Transfer of powers and duties of department of career development to administer Carl D. Perkins vocational and technical education act to the state administrative board by type II transfer.

WHEREAS, Article V, Section 2 of the Constitution of the state of Michigan of 1963 empowers the Governor to make changes in the organization of the Executive Branch or in the assignment of functions among its units which he considers necessary for efficient administration; and

WHEREAS, Executive Order No. 1999-12 transferred the day-to-day administrative powers, duties, functions, and responsibilities under the Perkins Act to the Department of Career Development; and

WHEREAS, although the 1998 amendments to the federal Perkins Act intended to provide states more flexibility in assigning Perkins-related administration to an eligible state entity, the United States Department of Education still adheres to the policy that oversight responsibility must be administered by a board; and

WHEREAS, the State Administrative Board was created by Act No. 2 of the Public Acts of 1921, as amended, being Sections 17.1 et seq. of the Michigan Compiled Laws, and is composed of the Governor, Lieutenant Governor, Attorney General, Secretary of State, Superintendent of Public Instruction, and State Treasurer; and

WHEREAS, the State Administrative Board exercises general supervisory control over the functions and activities of all administrative departments, boards, commissioners and officers of the state and its institutions.

C. The Department of Career Development shall retain all other permissible administrative matters of vocational and technical education pursuant to state law and the Perkins Act.

III. IMPLEMENTATION OF THE EXECUTIVE ORDER

A. Nothing in this Executive Order should be construed to diminish the constitutional authority of the State Board of Education to provide leadership and general supervision over all public education, including adult education and instructional programs in state institutions, except as to institutions of higher education granting baccalaureate degrees, and its authority to serve as the general planning and coordinating body for all public education including higher education, and to advise the legislature as to the financial requirements in connection therewith.

B. The Director of the Department of Career Development and the Chairperson of the State Administrative Board shall provide executive direction and supervision for the implementation of the transferred functions in such ways as to promote efficient administration and shall make internal organizational changes as may be administratively necessary to complete the realignment of responsibilities prescribed by this Order.

Any suit, action, or other proceeding may be maintained by, against, or before the appropriate successor of any entity affected by this Order.

G. If a court or other entity with proper jurisdiction finds any portion of this Order to be invalid, such invalidity shall not affect the remaining portions of the Order that can be given effect without the invalid portion. Any portions found invalid shall be severable from the remaining portions of this Order.

In fulfillment of the requirement of Article V, Section 2, of the Constitution of the state of Michigan of 1963, the provisions of this Executive Order shall become effective sixty days (60) from the filing of this Order.
